Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

**(g) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(h) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(i) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

Units of the Fund are redeemable at the option of the holders of redeemable units and are classified as a financial liability in the Statement of Financial Position which represents the net assets attributable to holders of redeemable units (or "net asset value" or "net assets" or "NAV") and is carried at the redemption amount that would be payable at the Statement of Financial Position date if the holders of redeemable units exercised the right to redeem units of the Fund.

**(j) Taxation**

Tax provision made predominantly relates to enterprise income tax arising from investment income realized from trading PRC securities.

Deferred income tax is provided, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, the deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction that at the time of the transaction affects neither accounting nor taxable profit or loss. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the statement of financial position date and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred income tax assets are recognized to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilized.

**(k) Distribution payable to holders of redeemable units**

Proposed distributions to holders of redeemable units are recognized in the Statement of Comprehensive Income when they are appropriately authorized. The distribution on the redeemable units is recognized as a finance cost in the Statement of Comprehensive Income.

**3 Number of units in issue and net assets attributable to holders of redeemable units (per unit)**

**4 Financial risk management**

**(l) Financial risk factors**

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

**(a) Market risk**

**(i) Market price risk**

The Fund's investments and derivatives are subject to the market price risk inherent in all investments and derivatives i.e. the value of holdings may fall as well as rise. The Fund's market risk is managed through (i) deliberate stocks selection, and (ii) diversification of the investment portfolio in accordance with specific investment restrictions and guidelines.

The Investment Manager monitors the Fund's market price sensitivity primarily through the Beta of the Fund on a regular basis. Beta measures the statistical relationship between the return of the Fund and the relevant benchmark index chosen by the Investment Manager.

As at 30 September, the fair value of investments and derivatives and its estimated market sensitivity were as follows:

	2022		2021	
	Fair value of investments US\$	% of net assets	Fair value of investments US\$	% of net assets
Listed/Quoted Investments				
<u>Assets</u>				
Equities				
- Banks	25,020,716	6.4	38,365,889	7.3
- Others	170,465,040	43.5	271,602,231	51.9
	<u>195,485,756</u>	<u>49.9</u>	<u>309,968,120</u>	<u>59.2</u>
Debt Securities				
- China	63,365,272	16.6	68,115,973	13.0
- Virgin Islands	35,187,283	9.0	44,000,886	8.4
- Hong Kong	30,171,301	7.8	29,201,090	5.6
- Others	48,123,388	12.3	56,826,510	10.8
	<u>178,847,244</u>	<u>45.7</u>	<u>198,144,459</u>	<u>37.8</u>
Derivatives				
- Futures	338,484	0.1	-	-
- Forward foreign exchange contracts	138,048	0.0	315,382	0.0
	<u>476,532</u>	<u>0.1</u>	<u>315,382</u>	<u>0.0</u>
	<u>374,809,532</u>	<u>95.7</u>	<u>508,427,961</u>	<u>97.0</u>
<u>Liabilities</u>				
Derivatives				
- Forward foreign exchange contracts	(1,783,521)	(0.4)	(1,013,347)	(0.2)
Total Listed/Quoted Investments	<u>373,026,011</u>	<u>95.3</u>	<u>507,414,614</u>	<u>96.8</u>

Also, refer to Note 11 for the exposures on derivatives.

	Net asset value US\$	Relevant benchmark index for the Fund (Note*)	Beta (Note**)	% of reasonable possible change of the relevant benchmark index (Note***)	Estimated impact on net asset value (Note****) US\$
As at 30 September 2022	<u>391,632,731</u>	30% CSI 300 Net / 30% MSCI China Net / 20% JACI China Total / 20% FTSE Dim Sum Bond Index Total	0.81	-23.8	<u>(75,498,958)</u>
As at 30 September 2021	<u>524,035,005</u>	30% CSI 300 Net + 30% MSCI China Net + 20% JACI China Total + 20% FTSE Dim Sum Bond Index Total	0.89	+3.4	<u>15,857,299</u>

If the relevant benchmark index return was to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

- \* Relevant benchmark index for the Fund represents the relevant market index used by the Investment Manager in monitoring the market price risk of the Fund.
- \*\* Beta measures the statistical relationship between the return of the Fund and the respective benchmark index over the maximum of past 36 months, or the number of months since portfolio inception. For funds launched within a period of less than 12 months, weekly returns of the Fund are used for calculating the Beta.
- \*\*\* % of reasonable possible change is based on the actual historical change in the benchmark index in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns. For funds launched within a period of less than 12 months, actual historical change in the benchmark index since the commencement of operations will be used to calculate the % of reasonable possible change.
- \*\*\*\* Estimated impact on net asset value of the Fund is calculated by applying the relevant Beta against the net asset value of the Fund multiplied by the % of reasonable possible change of the relevant benchmark index, assuming all other variables that may impact the net asset value of the Fund are held constant.

(ii) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates. The Fund is exposed to risks associated with the effects of fluctuations in the prevailing levels of market interest rates on its investments, derivatives and cash deposits.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	Less than 1 year US\$	1-5 years US\$	Over 5 years US\$	Total US\$
<u>2022</u>				
Cash at banks	20,563,289	-	-	20,563,289
Short-term bank loans - unsecured	-	-	-	-
Margin deposits	1,525	-	-	1,525
Investments (Note*)	20,008,926	74,733,839	84,104,479	178,847,244
<b>Total interest sensitivity gap</b>	<b>40,573,740</b>	<b>74,733,839</b>	<b>84,104,479</b>	<b>199,412,058</b>
<u>2021</u>				
Cash at banks	17,268,048	-	-	17,268,048
Short-term bank loans - unsecured	(21,670)	-	-	(21,670)
Margin deposits	1	-	-	1
Investments (Note*)	22,880,147	95,251,647	80,012,665	198,144,459
<b>Total interest sensitivity gap</b>	<b>40,126,526</b>	<b>95,251,647</b>	<b>80,012,665</b>	<b>215,390,838</b>

Note:

- \* The coupon rate of the investments ranged between 1.62% p.a. - 8.25% p.a. (2021: 0.00% p.a. - 12.00% p.a.).

The Fund held 45.7% (2021: 37.8%) of net asset value in debt securities with an average duration of 1.61 (2021: 1.40). If the interest rates were to rise by 25 basis points with all other variables that may impact the net asset value of the Fund held constant, this would result in a decrease in the fair value of debt securities by approximately US\$719,860 (2021: US\$693,506). Conversely, if the interest rates were to fall by 25 basis points, this would result in an increase in the fair value of debt securities by the same amount.

Any cash and cash equivalents, collateral deposits and margin deposits are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

(iii) **Currency risk**

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The Fund enters in some forward foreign exchange contracts to hedge some of its foreign currency exposures to maintain limited exposure to non-US\$ currencies. Refer to Note 11 for the outstanding forward foreign exchange contracts as at year end.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

	US\$ equivalent	% of reasonable possible change against US\$ (Note**)	Estimated impact on net asset value US\$
<u>2022</u>			
Australian Dollar	21,076,495	-11.0	(2,318,414)
Chinese Yuan (Offshore)	143,451,277	-9.5	(13,627,871)
Chinese Yuan (Onshore)	47,541,499	-8.9	(4,231,193)
Euro	213	-15.5	(33)
Hong Kong Dollar	105,234,008	-0.8	(841,872)
Taiwan Dollar	2,869,857	-12.2	(350,123)
	<u>320,173,349</u>		<u>(21,369,506)</u>
<u>2021</u>			
Australian Dollar	29,782,497	+0.8	238,260
Chinese Yuan (Offshore)	170,788,876	+5.1	8,710,233
Chinese Yuan (Onshore)	73,427,294	+5.4	3,965,074
Hong Kong Dollar	174,455,280	-0.4	(697,821)
Taiwan Dollar	6,436,352	+4.0	257,454
	<u>454,890,299</u>		<u>12,473,200</u>

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

(b) **Credit risk**

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment, amounts due from brokers or dividend and other accounts receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

As at 30 September 2022, the Fund held 45.7% (2021: 37.8%) of net asset value in debt securities and therefore the Fund is exposed to credit risk that the issuers may not be able to repay the principal amount and interest at maturity. Credit risk derived from debt securities is managed and monitored on an on-going basis by making reference to the credit rating and credit outlook provided by credit rating agencies, if available, and internal credit analysis.

The table below summarizes the debt securities by credit rating as at 30 September.

	2022 % of net assets	2021 % of net assets
S&P(AA)/Moody's(Aa)/FITCH(AA)	0.7	0.7
S&P(A)/Moody's(A)/FITCH(A)	15.4	9.4
S&P(BBB)/Moody's(Baa)/FITCH(BBB)	14.6	9.2
S&P(BB)/Moody's(Ba)/FITCH(BB)	4.1	6.9
S&P(B)/Moody's(B)/FITCH(B)	0.8	1.6
S&P(CCC)/Moody's(Caa)/FITCH(CCC)	-	0.1
Unrated	10.1	9.9
	<u>45.7</u>	<u>37.8</u>

The table below summarizes the unrated debt securities as stated in the table above by their issuers' credit rating as at 30 September.

	2022 % of net assets	2021 % of net assets
S&P(A)/Moody's(A)/FITCH(A)	6.8	7.4
Unrated	3.3	2.5
	<u>10.1</u>	<u>9.9</u>

In order to monitor the credit quality of the unrated debt securities, the Investment Manager, on the basis of internal research, prepares its own proprietary ratings for the debt securities for which publicly available credit ratings are not available. The Investment Manager reviews the key financial metrics of the issue and structural features of the debt securities in order to calculate the implied ratings for each of the debt securities.

The table below summarizes the credit rating of the banks/brokers/custodians which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties US\$	2021 Exposure to counterparties US\$
Bank balances		
S&P(AA)/Moody's(Aa)/FITCH(AA)	981,837	1,060,505
S&P(A)/Moody's(A)/FITCH(A)	19,581,452	16,207,543
Margin deposits with brokers and derivatives issued by brokers		
S&P(AA)/Moody's(Aa)/FITCH(AA)	78,094	56,200
S&P(A)/Moody's(A)/FITCH(A)	399,963	259,183
Investment balances with custodians		
S&P(A)/Moody's(A)/FITCH(A)	<u>374,333,000</u>	<u>508,112,579</u>

**(c) Liquidity risk**

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in an active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	2022		2021	
	Less than 1	1 to 12 months	Less than 1	1 to 12 months
Amounts due to brokers	3,366,289	-	-	-
Amounts payable on redemption	2,827,935	-	2,334,690	-
Distribution payable	1,565,980	-	1,752,786	-
Derivatives	1,539,582	243,939	1,013,333	14
Short-term bank loans - unsecured	-	-	21,670	-
Other accounts payable	72,531	-	856,940	-
Net assets attributable to holders of redeemable units	<u>391,632,731</u>	-	<u>524,035,005</u>	-
Total financial liabilities	<u>401,005,048</u>	<u>243,939</u>	<u>530,014,424</u>	<u>14</u>

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

**(d) Offsetting and amounts subject to master netting arrangements and similar agreements**

As at 30 September 2022 and 2021, the Fund was subject to master netting arrangements with certain derivative counterparties.

In the event of default, the Fund and its counterparties have the option to settle transactions on net basis. An event of default may include failure to pay or deliver, breach of agreement or bankruptcy.

The following tables summarize the Fund's financial assets and liabilities subject to offsetting, master netting arrangements and similar agreements as at 30 September by types of financial instruments.

	Gross amounts of recognized financial assets presented in the Statement of Financial Position US\$	Related amounts subject to master netting arrangements and similar agreements net off against		Net amount US\$

Financial liabilities at fair value through profit and loss	<u>999,954</u>	<u>(225,344)</u>	<u>(1)</u>	<u>774,609</u>

**(II) Capital risk management**

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

**(III) Fair value estimation**

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

Listed/Quoted Investments	Level 1 US\$	Level 2 US\$	Level 3 US\$	Total US\$
<u>2022</u>

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Level 3 investments include positions that are not traded in active markets and/or are subject to transfer restrictions, valuations may be adjusted to reflect illiquidity and/or non-transferability, which are generally based on available market information.

There were no transfers between levels for the years ended 30 September 2022 and 2021.

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

## 5 Net (losses)/gains on investments and derivatives

	2022 US\$	2021 US\$
Change in unrealized gains/losses in value of investments and derivatives	(80,271,836)	(9,108,017)
Realized (losses)/gains on sale of investments and derivatives	(24,543,796)	39,024,179
	<u>(104,815,632)</u>	<u>29,916,162</u>

## 6 Distribution

In the event that the amount available for distribution is insufficient to pay distributions as the Fund declares, the Manager may in its discretion determine that such distributions be paid from capital.

No undistributed income was carried forward at the end of the year (2021: nil).

Distribution Class	Ex date	Pay date	Rate	Units	2022 US\$	2021 US\$

Total distribution to holders of redeemable units

(20,310,626)

(18,639,937)

7 Taxation

Taxation predominantly refers to enterprise income tax arising from investment income realized from trading PRC securities.

The amount of taxation charged to the Statement of Comprehensive Income represents:

	2022 US\$	2021 US\$
Withholding tax		
- Dividend and interest income	(759,784)	(815,850)
Capital gains tax	4,418	(2,549)
	<hr/>	<hr/>
Deferred tax liabilities	(755,366)	(818,399)
	8,238	(540)
	<hr/>	<hr/>
Taxation	<u>(747,128)</u>	<u>(818,939)</u>

The movement in deferred tax liabilities during the year is as follows:

	2022 US\$	2021 US\$
At the beginning of the year	10,560	10,020
Deferred tax liabilities (reversed)/charged to the Statement of Comprehensive Income	(8,238)	540
	<hr/>	<hr/>
At the end of the year	<u>2,322</u>	<u>10,560</u>

The movement in tax payable during the year is as follows:

	2022 US\$	2021 US\$
At the beginning of the year	49,808	47,259
Taxation charged to the Statement of Comprehensive Income	755,366	818,399
Tax paid	(759,784)	(815,850)
	<hr/>	<hr/>
At the end of the year	<u>45,390</u>	<u>49,808</u>

Provisioning Policy of the Fund

China Taxation

The Fund held A-shares of PRC listed companies through the QFI status of the Investment Manager and China Connect and certain investment in other PRC securities. Under PRC tax law, enterprise income tax of 10% is payable on dividends and interests derived by foreign investors from China, except for Government bond interest which is specifically tax exempt and bond interest derived from 7 November 2018 to 31 December 2025 by foreign institutional investors from bonds traded in PRC local bond market which is temporarily exempt. The paying entity in the PRC will be responsible for withholding such tax when making a payment. Full PRC tax provision of 10% is made for PRC sourced dividends and interests not subject to specific tax exemption where tax has not yet been withheld by the payors.

Under PRC tax law, enterprise income tax of 10% would normally be payable on gains realized from the sale of PRC securities by foreign investors. However, currently gains from disposal of China A-shares (including those on China Connect) are subject to temporary exemptions from enterprise income tax. Full PRC tax provision of 10% is made for gains from disposal of certain PRC securities that are currently not specifically exempt from enterprise income tax.

Hong Kong Taxation

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

**8 Transactions with the Trustee, the Manager and their Connected Persons**

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

(a) Investment transactions with Connected Persons of the Trustee and the Manager are set out below:

Name of company	Aggregate value of purchases and sales of investments US\$	% of the Fund's total aggregate value of transactions	Commission paid US\$	% of the Fund's total commission paid in the year	Average commission rate %
<u>2022</u>					
HSBC Bank (China) Company Limited	12,658,596	1.85	-	-	-
J.P. Morgan Securities (Asia Pacific) Limited	30,305,711	4.43	18,062	9.42	0.06
The Hongkong and Shanghai Banking Corporation Limited	20,747,148	3.03	10,551	5.50	0.05
<u>2021</u>					
HSBC Bank (China) Company Limited	40,757,248	5.84	-	-	-
J.P. Morgan Securities (Asia Pacific) Limited	34,477,811	4.94	28,435	7.26	0.08
The Hongkong and Shanghai Banking Corporation Limited	48,792,347	6.99	25,851	6.60	0.05

(b) Balances with the Manager and its Connected Persons as at year end:

	2022 US\$	2021 US\$
Cash at banks	981,837	1,060,505
Amounts receivable	1	5,742
Amounts payable	(821,969)	(801,036)

(c) During the year ended 30 September 2022, the Fund entered into forward foreign exchange contracts with Connected Persons of the Trustee, with realized losses amounting to US\$417,077 (2021: realized losses amounting to US\$710,198).

(d) During the year ended 30 September 2022, the income accruing to the Manager relating to allotments and redemptions in the Fund, net of commission paid to agents, amounted to US\$317 (2021: US\$2,495).

(e) Management fee of 1.75% per annum of the net asset value of the Fund is paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears.

The Manager also receives a valuation fee of US\$40 per valuation if the Fund's net asset value is larger than US\$5 million but smaller than US\$20 million, or US\$70 per valuation if the Fund's net asset value is larger than US\$20 million.

- (f) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.

The Manager and members of its group of companies held units of the Fund during the year and were entitled to profits from transaction in units of the Fund as follows:

	At the beginning of the year	Total allotments	Total redemptions	At the end of the year	Profits from transaction US\$
<u>2022</u>					
<u>JPMorgan Asset Management (Asia Pacific) Limited</u>					
- USD Class (acc)	12,030.221	8,482.166	(1,991.725)	18,520.662	6,028
<u>JPMorgan Asset Management (S) Limited</u>					
- USD Class (acc)	420.788	538.539	(210.394)	748.933	241
<u>JPMorgan Asset Management Real Assets (Asia) Limited</u>					
- USD Class (acc)	-	-	-	-	-
<u>2021</u>					
<u>JPMorgan Asset Management (Asia Pacific) Limited</u>					
- USD Class (acc)	3,983.475	9,138.425	(1,091.679)	12,030.221	4,738
<u>JPMorgan Asset Management (S) Limited</u>

<u>JPMorgan Asset Management Real Assets (Asia) Limited</u>					
- USD Class (acc)	660.414	-	(660.414)	-	1,242

- (g) Trustee's fee of 0.06% per annum of the net asset value of the Fund for the first US\$40 million, 0.04% per annum for the balance from US\$40 million to US\$70 million, and 0.025% per annum for the balance in excess of US\$70 million is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.
- (h) JPMorgan Funds (Asia) Limited, the registrar agent and Manager, receives a registrar's fee which varies depending on the number of unitholders in the Fund and the number of transactions which occur. The range agreed with the Trustee is between 0.015% and 0.5% per annum of the Fund's net asset value. The registrar's fee is payable quarterly in arrears.
- (i) During the years ended 30 September 2022 and 2021, in addition to the management fee, valuation fee and registrar's fee as disclosed in Note 8(e) and 8(h), respective amounts received from/(paid to) the Manager, JPMorgan Fund (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	1,520	9,008
Other operating expenses	(5,692)	-
Transaction costs	(18,062)	(28,435)
Safe custody and bank charges	(16,084)	(6,089)

- (j) During the years ended 30 September 2022 and 2021, in addition to the trustee's fee as disclosed in Note 8(g), respective amounts received from/(paid to) the Trustee, HSBC Institutional Trust Services (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	7,082	6,909
Other operating expenses	-	(148)
Interest expense	(5,973)	(2,948)
Transaction costs	(30,568)	(62,779)
Safe custody and bank charges	(124,042)	(156,842)

## 9 Borrowings

During the year ended 30 September 2022, the Fund has unsecured short-term bank borrowings with The Hongkong and Shanghai Banking Corporation Limited, a Connected Person of the Trustee. During the year ended 30 September 2021, the Fund has unsecured short-term bank borrowings with different financial institutions, one of which is The Hongkong and Shanghai Banking Corporation Limited, a Connected Person of the Trustee. All bank borrowings have a duration of less than 7 days. All such transactions are entered into in the ordinary course of business and on normal commercial terms.

## 10 Soft dollar arrangements/Commission sharing arrangements

The Investment Manager has entered into soft dollar arrangements/commission sharing arrangements with brokers under which certain goods and services used to support investment decision making are received by the Investment Manager. A portion of the transaction commission paid by the Fund is retained by the brokers as compensation for the goods and services.

The goods and services must be of demonstrable benefit to the Fund and would be limited to research and advisory services.

During the year ended 30 September 2022, the Investment Manager obtained the services through soft dollar arrangements/commission sharing arrangements on transactions amounting to US\$144,842,411 (2021: US\$140,151,579). Commission which amounted to US\$16,135 (2021: US\$30,347) is paid from the Fund on these transactions.

**Independent Auditor's Report**

To the Unitholders of JPMorgan China Income Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan China Income Fund, which are set out on pages 232 to 253, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial transactions and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 21 May 2009, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with HKSAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report (Continued)**

To the Unitholders of JPMorgan China Income Fund (the "Fund")

**Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Matters under the Relevant Disclosure Provisions of the Trust Deed and Appendix E of the SFC Code**

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

PricewaterhouseCoopers  
Certified Public Accountants

Hong Kong, 20 January 2023

**Statement of Responsibilities of the Manager and the Trustee**

**Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund in all material respects is managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto (as far as reasonably practicable); and
- report to the unitholders for each annual accounting period should the Manager not manage the Fund in accordance with the Trust Deed.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 21 May 2009, as amended, for the year ended 30 September 2022.

HSBC Institutional Trust Services (Asia) Limited, Trustee

## Notes to the Financial Statements

### 1 The Fund

JPMorgan China Pioneer A-Share Fund (the "Fund") was established under a Trust Deed dated 14 June 2006, as amended (the "Trust Deed") and is governed by the laws of Hong Kong. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

The investment objective of the Fund is to achieve long-term capital growth by investing primarily (i.e. at least 70% of its total net asset value) in PRC equity securities, including but not limited to China A-Shares listed on the PRC stock exchanges (e.g. Shanghai Stock Exchange, Shenzhen Stock Exchange and Beijing Stock Exchange). The Fund will invest in PRC securities via the Qualified Foreign Investor ("QFI") status of the Investment Manager. For the investment in China A-Shares, the Fund may also invest and have direct access to certain eligible China A-Shares via the Shanghai-Hong Kong Stock Connect and/or Shenzhen-Hong Kong Stock Connect (collectively, the "China Connect") and/or other similar programs as approved by the relevant regulators from time to time. The Fund may invest 30% or more of its total net asset value in stocks listed on the ChiNext Board of the Shenzhen Stock Exchange, the Science and Technology Innovation Board of the Shanghai Stock Exchange and/or the Beijing Stock Exchange.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

### 2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### (a) Basis of preparation of financial statements

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

#### *Standards and amendments to existing standards effective from 1 October 2021*

There are no standards or amendments to existing standards that are effective for the first time for the financial year beginning 1 October 2021 that have had a material impact on the Fund.

#### *New standards, amendments and interpretations effective after 1 October 2021 and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 October 2021, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

#### (b) Investments and derivatives

##### *Classification*

The Fund classifies its investments and derivatives based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

Derivative contracts that have a negative fair value are presented as liabilities at fair value through profit or loss.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

##### *Recognition, derecognition and measurement*

Purchases and sales of investments and derivatives are accounted for on the trade date basis. Investments and derivatives are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments and derivatives are recognized in the Statement of Comprehensive Income. Investments and derivatives are derecognized when the rights to receive cash flows from the investments and derivatives have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

**(c) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(d) Income and expense**

Dividend income is recognized on the ex-dividend date with the corresponding foreign withholding tax recorded as an expense and is accounted for in the Statement of Comprehensive Income.

Interest income on investments is accounted for as part of net gains/losses on investments and derivatives in the Statement of Comprehensive Income.

Interest income on cash at banks and short-term deposits is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis.

**(e) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(f) Foreign currency translation***Functional and presentation currency*

The Fund has adopted United States dollar as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

**(g) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(h) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(i) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

Units of the Fund are redeemable at the option of the holders of redeemable units and are classified as a financial liability in the Statement of Financial Position which represents the net assets attributable to holders of redeemable units (or "net asset value" or "net assets" or "NAV") and is carried at the redemption amount that would be payable at the Statement of Financial Position date if the holders of redeemable units exercised the right to redeem units of the Fund.

**(j) Taxation**

Tax provision made predominantly relates to enterprise income tax arising from investment income realized from trading PRC securities.

Deferred income tax is provided, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, the deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction that at the time of the transaction affects neither accounting nor taxable profit or loss. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the statement of financial position date and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred income tax assets are recognized to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilized.

**3 Number of units in issue and net assets attributable to holders of redeemable units (per unit)**2022

	USD Class (acc) Units	USD Class C (acc) Units
Number of units in issue:		
At the beginning of the year	19,548,433.406	100.000
Total allotments	3,839,147.509	47,938.639
Total redemptions	(4,998,880.568)	(100.000)
At the end of the year	<u>18,388,700.347</u>	<u>47,938.639</u>
	US\$	US\$

	US\$	US\$
Net assets attributable to holders of redeemable units	<u>1,498,975,869</u>	<u>1,012</u>
Net assets attributable to holders of redeemable units (per unit)	<u>76.68</u>	<u>10.12</u>

#### 4 Financial risk management

##### (l) Financial risk factors

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

##### (a) Market risk

##### (i) Market price risk

The Fund's investments and derivatives are subject to the market price risk inherent in all investments and derivatives i.e. the value of holdings may fall as well as rise. The Fund's market risk is managed through (i) deliberate stocks selection, and (ii) diversification of the investment portfolio in accordance with specific investment restrictions and guidelines.

The Investment Manager monitors the Fund's market price sensitivity primarily through the Beta of the Fund on a regular basis. Beta measures the statistical relationship between the return of the Fund and the relevant benchmark index chosen by the Investment Manager.

As at 30 September, the fair value of investments and derivatives and its estimated market sensitivity were as follows:

	2022		2021	
	Fair value of investments US\$	% of net assets	Fair value of investments US\$	% of net assets
Listed/Quoted Investments				
<u>Assets</u>				
<u>Equities</u>				
- Software	75,593,638	7.9	139,608,598	9.3
- Banks	68,759,451	7.2	113,883,739	7.6
- Food Products	64,346,114	6.7	114,635,222	7.6
- Semiconductors & Semiconductor Equipment	60,979,874	6.3	100,072,590	6.7
- Industrial Machinery & Equipment	49,565,312	5.2	33,625,703	2.3
- Beverages	25,771,251	2.7	94,266,861	6.3
- Insurance	19,307,993	2.0	21,961,134	1.5
- Electronic Equipment, Instruments & Components	15,307,452	1.6	15,209,806	1.0
- Others	501,101,445	52.1	758,001,473	50.6
	<u>880,732,530</u>	<u>91.7</u>	<u>1,391,265,126</u>	<u>92.9</u>
	-----	-----	-----	-----
Derivatives				
- Participation notes	55,989,845	5.8	77,056,010	5.2
- Warrants	26,257,808	2.7	31,418,559	2.0
	<u>82,247,653</u>	<u>8.5</u>	<u>108,474,569</u>	<u>7.2</u>
	-----	-----	-----	-----
Total Listed/Quoted Investments	<u>962,980,183</u>	<u>100.2</u>	<u>1,499,739,695</u>	<u>100.1</u>

Also, refer to Note 10 for the exposures on derivatives.

	Net asset value US\$	Relevant benchmark index for the Fund (Note*)	Beta (Note**)	% of reasonable possible change of the relevant benchmark index (Note***)	Estimated impact on net asset value (Note****) US\$
As at 30 September 2022	<u>960,697,095</u>	CSI 300 Net	1.06	-27.4	<u>(279,024,864)</u>
As at 30 September 2021	<u>1,498,976,881</u>	CSI 300 Net	1.00	+13.6	<u>203,860,856</u>

If the relevant benchmark index return was to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Relevant benchmark index for the Fund represents the relevant market index used by the Investment Manager in monitoring the market price risk of the Fund.

\*\* Beta measures the statistical relationship between the return of the Fund and the respective benchmark index over the maximum of past 36 months, or the number of months since portfolio inception. For funds launched within a period of less than 12 months, weekly returns of the Fund are used for calculating the Beta.

\*\*\* % of reasonable possible change is based on the actual historical change in the benchmark index in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns. For funds launched within a period of less than 12 months, actual historical change in the benchmark index since the commencement of operations will be used to calculate the % of reasonable possible change.

\*\*\*\* Estimated impact on net asset value of the Fund is calculated by applying the relevant Beta against the net asset value of the Fund multiplied by the % of reasonable possible change of the relevant benchmark index, assuming all other variables that may impact the net asset value of the Fund are held constant.

(ii) **Interest rate risk**

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	2022 Less than 1 month US\$	2021 Less than 1 month US\$
Cash at banks	12,797,566	13,152,304
Short-term bank loans – unsecured	(8,100,000)	(8,200,000)
Total interest sensitivity gap	<u>4,697,566</u>	<u>4,952,304</u>

Any cash and cash equivalents are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

(iii) **Currency risk**

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

	US\$ equivalent	% of reasonable possible change against US\$ (Note**)	Estimated impact on net asset value US\$
<u>2022</u>			
Chinese Yuan (Offshore)	454,121,739	-9.5	(43,141,565)
Chinese Yuan (Onshore)	373,754,448	-8.9	(33,264,146)
Hong Kong Dollar	64,459,136	-0.8	(515,673)
	<u>892,335,323</u>		<u>(76,921,384)</u>
<u>2021</u>			
Chinese Yuan (Offshore)	556,568,246	+5.1	28,384,981
Chinese Yuan (Onshore)	716,019,773	+5.4	38,665,068
Hong Kong Dollar	128,865,873	-0.4	(515,463)
	<u>1,401,453,892</u>		<u>66,534,586</u>

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

#### (b) Credit risk

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment, amounts due from brokers or dividend and other accounts receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments and derivatives are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments and derivatives sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments and derivatives have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

The table below summarizes the credit rating of the banks/custodians which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties US\$	2021 Exposure to counterparties US\$
Bank balances		
S&P(AA)/Moody's(Aa)/FITCH(AA)	123,697	1,291,092
S&P(A)/Moody's(A)/FITCH(A)	12,673,869	11,861,212
Investment and derivative balances with custodians		
S&P(A)/Moody's(A)/FITCH(A)	<u>962,980,183</u>	<u>1,499,739,695</u>

#### (c) Liquidity risk

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in an active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	2022 Less than 1 month US\$	2021 Less than 1 month US\$
Short-term bank loans – unsecured	8,100,000	8,200,000
Amounts due to brokers	1,202,906	5,054,571
Amounts payable on redemption	5,480,507	7,105,247
Other accounts payable	1,580,105	2,304,093
Net assets attributable to holders of redeemable units	960,697,095	1,498,976,881
Total financial liabilities	<u>977,060,613</u>	<u>1,521,640,792</u>

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

## (II) Capital risk management

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

## (III) Fair value estimation

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

Listed/Quoted Investments	Level 1 US\$	Level 2 US\$	Level 3 US\$	Total US\$
<u>2022</u>				
<u>Assets</u>				
Equities	880,732,530	-	-	880,732,530
Derivatives	-	82,247,653	-	82,247,653
Total financial assets at fair value through profit and loss	<u>880,732,530</u>	<u>82,247,653</u>	<u>-</u>	<u>962,980,183</u>
<u>2021</u>				
<u>Assets</u>				
Equities	1,391,265,126	-	-	1,391,265,126
Derivatives	-	108,474,569	-	108,474,569
Total financial assets at fair value through profit and loss	<u>1,391,265,126</u>	<u>108,474,569</u>	<u>-</u>	<u>1,499,739,695</u>

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Level 3 investments include positions that are not traded in active markets and/or are subject to transfer restrictions, valuations may be adjusted to reflect illiquidity and/or non-transferability, which are generally based on available market information.

There were no transfers between levels for the years ended 30 September 2022 and 2021.

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

## 5 Net (losses)/gains on investments and derivatives

	2022 US\$	2021 US\$
Change in unrealized gains/losses in value of investments and derivatives	(483,381,725)	(12,930,944)
Realized gains on sale of investments and derivatives	39,824,295	132,699,471
	<u>(443,557,430)</u>	<u>119,768,527</u>

## 6 Taxation

Tax provision made predominantly relates to enterprise income tax arising from investment income realized from trading PRC securities.

The amount of taxation charged to the Statement of Comprehensive Income represents:

	2022 US\$	2021 US\$
Withholding tax		
- Dividend and interest income	(1,633,898)	(1,693,035)
Taxation	<u>(1,633,898)</u>	<u>(1,693,035)</u>

The movement in tax payable during the year is as follows:

	2022 US\$	2021 US\$
At the beginning of the year	-	-
Taxation charged to the Statement of Comprehensive Income	1,633,898	1,693,035
Tax paid	(1,633,898)	(1,693,035)
	<u>-</u>	<u>-</u>
At the end of the year	<u>-</u>	<u>-</u>

Provisioning Policy of the Fund

China Taxation

The Fund held A-shares of PRC listed companies through the QFI status of the Investment Manager and China Connect and certain investment in other PRC securities. Under PRC tax law, enterprise income tax of 10% is payable on dividends and interests derived by foreign investors from China, except for Government bond interest which is specifically tax exempt and bond interest derived from 7 November 2018 to 31 December 2025 by foreign institutional investors from bonds traded in PRC local bond market which is temporarily exempt. The paying entity in the PRC will be responsible for withholding such tax when making a payment. Full PRC tax provision of 10% is made for PRC sourced dividends and interests not subject to specific tax exemption where tax has not yet been withheld by the payers.

Under PRC tax law, enterprise income tax of 10% would normally be payable on gains realized from the sale of PRC securities by foreign investors. However, currently gains from disposal of China A-shares (including those on China Connect) are subject to temporary exemptions from enterprise income tax. Full PRC tax provision of 10% is made for gains from disposal of certain PRC securities that are currently not specifically exempt from enterprise income tax.

Hong Kong Taxation

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

**7 Transactions with the Trustee, the Manager and their Connected Persons**

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

(a) Investment transactions with Connected Persons of the Trustee and the Manager are set out below:

Name of company	Aggregate value of purchases and sales of investments US\$	% of the Fund's total aggregate value of transactions	Commission paid US\$	% of the Fund's total commission paid in the year	Average commission rate %
<u>2022</u>					
J.P. Morgan Securities (Asia Pacific) Limited	101,486,777	6.35	107,959	7.28	0.11
J.P. Morgan Securities plc	141,836,336	8.88	-	-	-
The Hongkong and Shanghai Banking Corporation Limited	141,640,738	8.87	119,578	8.06	0.08
<u>2021</u>					
J.P. Morgan Securities (Asia Pacific) Limited	129,205,961	6.87	131,765	6.87	0.10
J.P. Morgan Securities plc	129,681,659	6.90	-	-	-
The Hongkong and Shanghai Banking Corporation Limited	198,616,078	10.56	198,005	10.32	0.10

As at 30 September 2022, the Fund had an investment of US\$45,455,780 (2021: US\$51,554,316) in participation notes issued by J.P. Morgan Structured Products B.V., a Connected Person of the Manager.

During the year ended 30 September 2022, the Fund received dividend income of US\$382,329 (2021: US\$131,854) from its investments in participation notes issued by J.P. Morgan Structured Products B.V.. The aggregate value of purchases and sales of investments in participation notes issued by J.P. Morgan Structured Products B.V. were US\$141,836,336 (2021: US\$129,681,659).

(b) Balances with the Manager and its Connected Persons as at year end:

	2022 US\$	2021 US\$
Cash at banks	123,697	1,291,092
Amounts receivable	-	2
Amounts payable	(1,508,605)	(2,220,834)

(c) During the year, the income accruing to the Manager relating to allotments and redemptions in the Fund, net of commission paid to agents, amounted to US\$3,067 (2021: US\$17,613).

(d) Management fee for USD Class (acc) of 1.75% per annum and USD Class C (acc) of 0.9% per annum of the net asset value of each Class is paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears.

The Manager also receives a valuation fee of US\$40 per valuation if the Fund's net asset value is larger than US\$5 million but smaller than US\$20 million, or US\$70 per valuation if the Fund's net asset value is larger than US\$20 million.

(e) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.

The Manager and certain of its Directors and members of its group of companies held units of the Fund during the year and were entitled to profits from transaction in units of the Fund as follows:

	At the beginning of the year	Increase resulting from director appointments during the year	Total allotments	Total redemptions	Decrease resulting from director resignations during the year	At the end of the year	Profits from transaction US\$
<u>2022</u>							
<u>Directors of the Manager</u>							
- USD Class (acc)	1,743.361	-	-	-	-	1,743.361	-
<u>JPMorgan Asset Management (Asia Pacific) Limited</u>

- USD Class (acc)	538.428	N/A	-	(236.107)	N/A	302.321	11,163

- (f) Trustee's fee of 0.06% per annum of the net asset value of the Fund for the first US\$40 million, 0.04% per annum for the balance from US\$40 million to US\$70 million, and 0.025% per annum for the balance in excess of US\$70 million is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.
- (g) JPMorgan Funds (Asia) Limited, the registrar agent and Manager, receives a registrar's fee which varies depending on the number of unitholders in the Fund and the number of transactions which occur. The range agreed with the Trustee is between 0.015% and 0.5% per annum of the Fund's net asset value. The registrar's fee is payable quarterly in arrears.
- (h) During the years ended 30 September 2022 and 2021, in addition to the management fee, valuation fee and registrar's fee as disclosed in Note 7(d) and 7(g), respective amounts received from/(paid to) the Manager, JPMorgan Funds (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	125	167
Safe custody and bank charges	(9,719)	(3,415)
Transaction costs	(107,959)	(131,765)

- (i) During the years ended 30 September 2022 and 2021, in addition to the trustee's fee as disclosed in Note 7(f), respective amounts received from/(paid to) the Trustee, HSBC Institutional Trust Services (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	2,845	3,985
Other operating expenses	-	(148)
Interest expense	(130,807)	(89,933)
Transaction costs	(141,507)	(232,303)
Safe custody and bank charges	(454,148)	(663,836)

**8 Borrowings**

During the years ended 30 September 2022 and 2021, the Fund has unsecured short-term bank borrowings with different financial institutions, one of which is The Hongkong and Shanghai Banking Corporation Limited, a Connected Person of the Trustee. All bank borrowings have a duration of less than 7 days. All such transactions are entered into in the ordinary course of business and on normal commercial terms.

**9 Soft dollar arrangements/Commission sharing arrangements**

The Investment Manager has entered into soft dollar arrangements/commission sharing arrangements with brokers under which certain goods and services used to support investment decision making are received by the Investment Manager. A portion of the transaction commission paid by the Fund is retained by the brokers as compensation for the goods and services.

The goods and services must be of demonstrable benefit to the Fund and would be limited to research and advisory services.

During the year ended 30 September 2022, the Investment Manager obtained the services through soft dollar arrangements/commission sharing arrangements on transactions amounting to US\$1,174,804,426 (2021: US\$870,823,251). Commission which amounted to US\$228,171 (2021: US\$338,800) is paid from the Fund on these transactions.

## 11 Distribution

No distribution was made during the year (2021: nil).

**Independent Auditor's Report**

To the Unitholders of JPMorgan China Pioneer A-Share Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan China Pioneer A-Share Fund, which are set out on pages 264 to 281, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial transactions and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 14 June 2006, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with HKSAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report** (Continued)

To the Unitholders of JPMorgan China Pioneer A-Share Fund  
(the "Fund")

**Auditor's Responsibilities for the Audit of the  
Financial Statements** (Continued)

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Matters under the Relevant Disclosure  
Provisions of the Trust Deed and Appendix E of the  
SFC Code**

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

PricewaterhouseCoopers  
Certified Public Accountants

Hong Kong, 20 January 2023

**Statement of Responsibilities of the Manager and the Trustee****Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund in all material respects is managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto (as far as reasonably practicable); and
- report to the unitholders for each annual accounting period should the Manager not manage the Fund in accordance with the Trust Deed.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 14 June 2006, as amended, for the year ended 30 September 2022.

HSBC Institutional Trust Services (Asia) Limited, Trustee

**UK Tax Information**

The Fund is transparent for UK income tax purposes and information has been provided to UK investors of the amount of their share of the underlying income, expenses and overseas tax suffered for all financial years from 1 October 2010. Although the Fund is an "offshore fund" for UK tax purposes, there is no need to formally apply for "reporting fund status" as the Fund is considered transparent by HMRC and does not invest more than 5% of its assets in other offshore funds which are not themselves reporting funds. Therefore it is known as a "special category transparent offshore fund" and considered out of scope of the requirements of the offshore fund regime. The principal effect of this is that for unitholders resident in the UK for taxation purposes, any gains accruing on the sale, redemption or other disposal of units during the period will be taxed in the UK as a capital gain and not as income. The Fund has previously been certified by HMRC in the UK as a "distributing fund" in respect of the period from 14 June 2006 to 30 September 2010.

The notes on pages 293 to 311 form part of these financial statements.

## Notes to the Financial Statements

### 1 The Fund

JPMorgan Europe High Yield Bond Fund (the "Fund") was established under a Trust Deed dated 10 March 2016, as amended (the "Trust Deed") and is governed by the laws of Hong Kong. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

The investment objective of the Fund is to aim to achieve a return in excess of European bond markets by investing at least 70% of its total net asset value in European and non-European below investment grade debt securities denominated in European currencies.

Pursuant to the Trust Deed, the Manager may decide to issue separate classes (each a "Class") whose assets will be commonly invested but where a specific fee structure, currency or distribution policy may be applied. Each Class may have a different charging structure with the result that the net asset value attributable to each Class may differ.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

### 2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### (a) Basis of preparation of financial statements

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

#### *Standards and amendments to existing standards effective from 1 October 2021*

There are no standards or amendments to existing standards that are effective for the first time for the financial year beginning 1 October 2021 that have had a material impact on the Fund.

#### *New standards, amendments and interpretations effective after 1 October 2021 and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 October 2021, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

#### (b) Investments and derivatives

##### *Classification*

The Fund classifies its investments and derivatives based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

Derivative contracts that have a negative fair value are presented as liabilities at fair value through profit or loss.

The Fund makes short sales in which a borrowed security is sold in anticipation of a decline in the market value of that security, or it may use short sales for various arbitrage transactions. Short sales are classified as financial liabilities at fair value through profit or loss.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

*Recognition, derecognition and measurement*

Purchases and sales of investments and derivatives are accounted for on the trade date basis. Investments and derivatives are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments and derivatives are recognized in the Statement of Comprehensive Income. Investments and derivatives are derecognized when the rights to receive cash flows from the investments and derivatives have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value.

Debt securities are fair valued based on quoted prices inclusive of accrued interest.

Forward foreign exchange contracts are valued at the forward rates ruling at the valuation date. The differences between the forward rates and the contract rates are recognized in the Statement of Comprehensive Income.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

**(c) Securities borrowing**

The Fund may enter into securities borrowing arrangements for short sale purposes. Short positions represent obligations to deliver securities sold but not yet purchased, and are accounted for as investments and valued at their fair value. Securities borrowed during the year are off-balance sheet transactions and are therefore not included in the investment portfolio of the Fund. Collateral placed for the purpose of securities borrowed generally consist of cash collateral and are included in the Statement of Financial Position separately.

**(d) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(e) Income and expense**

Dividend income is recognized on the ex-dividend date with the corresponding foreign withholding tax recorded as an expense and is accounted for in the Statement of Comprehensive Income.

Interest income on investments is accounted for as part of net gains/losses on investments and derivatives in the Statement of Comprehensive Income.

Interest income on cash at banks is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis.

**(f) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(g) Foreign currency translation***Functional and presentation currency*

The Fund has adopted Euro as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

**(h) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(i) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(j) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

Units of the Fund are redeemable at the option of the holders of redeemable units and are classified as a financial liability in the Statement of Financial Position which represents the net assets attributable to holders of redeemable units (or "net asset value" or "net assets" or "NAV") and is carried at the redemption amount that would be payable at the Statement of Financial Position date if the holders of redeemable units exercised the right to redeem units of the Fund.

**(k) Distribution payable to holders of redeemable units**

Proposed distributions to holders of redeemable units are recognized in the Statement of Comprehensive Income when they are appropriately authorized. The distribution on the redeemable units is recognized as a finance cost in the Statement of Comprehensive Income.

**4 Financial risk management****(l) Financial risk factors**

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

**(a) Market risk****(i) Market price risk**

The Fund primarily invests in debt securities which are subject to interest rate risk. Refer to Note 4(l)(a)(ii) for interest rate risk.

**(ii) Interest rate risk**

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates. The Fund is exposed to risks associated with the effects of fluctuations in the prevailing levels of market interest rates on its investments, derivatives and cash deposits.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	Less than 1 year EUR	1-5 years EUR	Over 5 years EUR	Non-interest bearing EUR	Total EUR

	=====	=====	=====	=====

Also, refer to Note 10 for the exposures on derivatives.

The Investment Manager monitors the Fund's interest rate risk sensitivity primarily through the modified duration of the Fund on a regular basis. The modified duration measures the sensitivity of the price of a bond relative to the change in interest rate. As at 30 September 2022, the Investment Manager estimates that the Fund has a modified duration of 3.26 (2021: 4.05). For the purpose of disclosing relevant sensitivities, the percentage of reasonable possible change in interest rate adopted is 25 basis points, and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns. If the interest rates were to rise by 25 basis points with all other variables that may impact the net asset value of the Fund held constant, this would result in a decrease in net asset value of the Fund by approximately EUR122,949 (2021: EUR346,196). If the interest rates were to fall by 25 basis points, this would result in an increase in the net asset value of the Fund by the same amount.

Any cash and cash equivalents are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

### (iii) Currency risk

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The Fund enters in some forward foreign exchange contracts to hedge some of its foreign currency exposures to maintain limited exposure to non-EUR currencies. Refer to Note 10 for the outstanding forward foreign exchange contracts as at year end.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

Net currency exposures (Note*)	EUR equivalent	% of reasonable possible change against EUR (Note**)	Estimated impact on net asset value EUR
<u>2022</u>			
Australian Dollar	858,414	+5.3	45,496
Chinese Yuan (Offshore)	2,884,092	+7.1	204,771
Hong Kong Dollar	6,375,509	+17.3	1,102,963
Sterling	6,911	-2.1	(145)
United States Dollar	4,150,912	+18.3	759,617
	<u>14,275,838</u>		<u>2,112,702</u>
<u>2021</u>			
Australian Dollar	1,514,104	+2.0	30,282
Chinese Yuan (Offshore)	7,071,266	+6.4	452,561
Hong Kong Dollar	8,176,389	+0.7	57,235
Sterling	7,984	+5.5	439
United States Dollar	15,342,149	+1.2	184,106
	<u>32,111,892</u>		<u>724,623</u>

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

**(b) Credit risk**

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment or interest and other accounts receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

The Fund's investments are predominantly in debt securities and therefore the Fund is exposed to credit risk that the issuers may not be able to repay the principal amount and interest at maturity. Credit risk derived from debt securities is managed and monitored on an on-going basis by making reference to the credit rating and credit outlook provided by credit rating agencies, if available, and internal credit analysis.

The table below summarizes the debt securities by credit rating as at 30 September.

	2022 % of net assets	2021 % of net assets
S&P(BBB)/Moody's(Baa)/FITCH(BBB)	2.0	7.2
S&P(BB)/Moody's(Ba)/FITCH(BB)	25.8	42.1
S&P(B)/Moody's(B)/FITCH(B)	58.5	33.0
S&P(CCC)/Moody's(Caa)/FITCH(CCC)	2.6	7.4
Unrated	4.6	-
	<u>93.5</u>	<u>89.7</u>

The table below summarizes the unrated debt securities as stated in the table above by their issuers' credit rating as at 30 September.

	2022 % of net assets	2021 % of net assets
S&P(B)/Moody's(B)/FITCH(B)	2.0	-
S&P(CCC)/Moody's(Caa)/FITCH(CCC)	1.4	-
Unrated	1.2	-
	<u>4.6</u>	<u>-</u>

The table below summarizes the credit rating of the banks/brokers/custodian which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties EUR	2021 Exposure to counterparties EUR
Bank balances		
S&P(AA)/Moody's(Aa)/FITCH(AA)	14,657	13,172

Derivatives issued by brokers		
S&P(AA)/Moody's(Aa)/FITCH(AA)	5,255	569,826
S&P(A)/Moody's(A)/FITCH(A)	173,378	183,155
Investment balances with custodian		
S&P(A)/Moody's(A)/FITCH(A)	<u>14,164,590</u>	<u>30,774,723</u>

**(c) Liquidity risk**

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in an active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	2022		2021	
	Less than 1 month EUR	1 to 12 months EUR	Less than 1 month EUR	1 to 12 months EUR
Amounts due to brokers	-	-	1,166,060	-
Amounts payable on redemption	156,063	-	12,601	-
Distribution payable	82,579	-	144,554	-
Derivatives	77,559	109	47,449	1,699
Other accounts payable	34,223	-	53,770	-
Net assets attributable to holders of redeemable units	15,085,813	-	34,192,208	-
<b>Total financial liabilities</b>	<b>15,436,237</b>	<b>109</b>	<b>35,616,642</b>	<b>1,699</b>

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

**(d) Offsetting and amounts subject to master netting arrangements and similar agreements**

As at 30 September 2022 and 2021, the Fund was subject to master netting arrangements with certain derivative counterparties.

In the event of default, the Fund and its counterparties have the option to settle transactions on net basis. An event of default may include failure to pay or deliver, breach of agreement or bankruptcy.

The following tables summarize the Fund's financial assets and liabilities subject to offsetting, master netting arrangements and similar agreements as at 30 September by types of financial instruments.

	Gross amounts of recognized financial assets presented in the Statement of Financial Position EUR	Related amounts subject to master netting arrangements and similar agreements net off against		Net amount EUR

Financial liabilities at fair value through profit and loss	35,034	(21,825)	-	13,209

**(II) Capital risk management**

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

**(III) Fair value estimation**

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

Listed/Quoted Investments	Level 1 EUR	Level 2 EUR	Level 3 EUR	Total EUR
<u>2022</u>				
<u>Assets</u>				
Equities	58,515	-	-	58,515
Debt Securities	-	14,106,075	-	14,106,075
Derivatives	-	178,633	-	178,633
Total financial assets at fair value through profit and loss	<u>58,515</u>	<u>14,284,708</u>	<u>-</u>	<u>14,343,223</u>
<u>Liabilities</u>

Total financial liabilities at fair value through profit and loss	<u>-</u>	<u>77,668</u>	<u>-</u>	<u>77,668</u>
<u>2021</u>				
<u>Assets</u>				
Equities	89,196	-	-	89,196
Debt Securities	-	30,685,527	-	30,685,527
Derivatives	-	752,981	-	752,981
Total financial assets at fair value through profit and loss	<u>89,196</u>	<u>31,438,508</u>	<u>-</u>	<u>31,527,704</u>
<u>Liabilities</u>				
Derivatives	-	49,148	-	49,148
Total financial liabilities at fair value through profit and loss	<u>-</u>	<u>49,148</u>	<u>-</u>	<u>49,148</u>

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Investments classified within level 3 have significant unobservable inputs, as they trade infrequently.

There were no transfers between levels for the years ended 30 September 2022 and 2021.

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

**5 Net (losses)/gains on investments and derivatives**

	2022 EUR	2021 EUR
Change in unrealized gains/losses in value of investments and derivatives	(4,073,004)	1,162,021
Realized gains on sale of investments and derivatives	3,960,142	1,999,530
	<u>(112,862)</u>	<u>3,161,551</u>

6 Distribution

In the event that the amount available for distribution is insufficient to pay distributions as the Fund declares, the Manager may in its discretion determine that such distributions be paid from capital.

No undistributed income was carried forward at the end of the year (2021: nil).

(1,264,091)

**7 Taxation**

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

**8 Transactions with the Trustee, the Manager and their Connected Persons**

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

(a) Investment transactions with Connected Persons of the Trustee and the Manager are set out below:

Name of company	Aggregate value of purchases and sales of investments EUR	% of the Fund's total aggregate value of transactions	Commission paid EUR	% of the Fund's total commission paid in the year	Average commission rate %
<u>2022</u>					
HSBC Bank Plc London	1,718,799	7.55	-	-	-
<u>2021</u>					
HSBC Bank Plc London	3,112,653	6.41	-	-	-
J.P. Morgan Securities plc	268,413	0.55	-	-	-

(b) Balances with the Manager and its Connected Persons as at year end:

	2022 EUR	2021 EUR
Cash at banks	14,657	13,172
Amounts payable	(16,825)	(30,729)

(c) During the year ended 30 September 2022, the Fund entered into forward foreign exchange contracts with Connected Persons of the Trustee, with realized gains amounting to EUR286,820 (2021: realized gains amounting to EUR552,629).

(d) During the year ended 30 September 2022, the income accruing to the Manager relating to allotments and redemptions in the Fund, net of commission paid to agents, amounted to EUR116 (2021: EUR641).

(e) Management fee of 1% per annum of the net asset value of the Fund is paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears.

The Manager also receives a valuation fee of US\$40 per valuation if the Fund's net asset value is larger than US\$5 million but smaller than US\$20 million, or US\$70 per valuation if the Fund's net asset value is larger than US\$20 million.

(f) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.

(g) Trustee's fee of 0.06% per annum of the net asset value of the Fund for the first EUR35 million, 0.04% per annum for the balance from EUR35 million to EUR60 million, and 0.025% per annum for the balance in excess of EUR60 million is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.

(h) JPMorgan Funds (Asia) Limited, the registrar agent and Manager, receives a registrar's fee which varies depending on the number of unitholders in the Fund and the number of transactions which occur. The range agreed with the Trustee is between 0.015% and 0.5% per annum of the Fund's net asset value. The registrar's fee is payable quarterly in arrears.

- (i) During the years ended 30 September 2022 and 2021, in addition to the management fee, valuation fee and registrar's fee as disclosed in Note 8(e) and 8(h), respective amounts received from/(paid to) the Manager, JPMorgan Funds (Asia Limited, and its Connected Persons were as follows:

	2022	2021
	EUR	EUR
Interest on deposits	70	88
Safe custody and bank charges	(1,842)	(2,142)

- (j) During the years ended 30 September 2022 and 2021, in addition to the trustee's fee as disclosed in Note 8(g), respective amounts received from/(paid to) the Trustee, HSBC Institutional Trust Services (Asia) Limited, and its Connected Persons were as follows:

	2022	2021
	EUR	EUR
Interest on deposits	62	89
Other operating expenses	-	(121)
Transaction costs	(3,152)	(5,821)
Safe custody and bank charges	(20,873)	(22,064)

## 9 Soft dollar arrangements/Commission sharing arrangements

During the years ended 30 September 2022 and 2021, the Investment Manager and its Connected Persons did not enter into any soft dollar arrangements/commission sharing arrangements in connection with directing transactions of the Fund through a broker or dealer.

## 10 Derivatives

Outstanding forward foreign exchange contracts as at 30 September were as follows:

**Independent Auditor's Report**

To the Unitholders of JPMorgan Europe High Yield Bond Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan Europe High Yield Bond Fund, which are set out on pages 291 to 311, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial transactions and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKASs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 10 March 2016, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKASs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with HKASs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report (Continued)**

To the Unitholders of JPMorgan Europe High Yield Bond Fund  
(the "Fund")

**Auditor's Responsibilities for the Audit of the  
Financial Statements (Continued)**

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Matters under the Relevant Disclosure  
Provisions of the Trust Deed and Appendix E of the  
SFC Code**

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

PricewaterhouseCoopers  
Certified Public Accountants

Hong Kong, 20 January 2023

**Statement of Responsibilities of the Manager and the Trustee**

**Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund in all material respects is managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto (as far as reasonably practicable); and
- report to the unitholders for each annual accounting period should the Manager not manage the Fund in accordance with the Trust Deed.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 10 March 2016, as amended, for the year ended 30 September 2022.

HSBC Institutional Trust Services (Asia) Limited, Trustee

Cash at banks	1,187,838	862,698

The notes on pages 322 to 341 form part of these financial statements.

## Notes to the Financial Statements

### 1 The Fund

JPMorgan Europe Strategic Dividend Fund (the "Fund") was established under a Trust Deed dated 10 March 2016, as amended (the "Trust Deed") and is governed by the laws of Hong Kong. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

The investment objective of the Fund is to aim to provide income and long-term capital growth by investing at least 70% of its total net asset value in equity securities of companies which are based in, listed on stock exchange of or operate principally in Europe and are expected to pay dividends.

Pursuant to the Trust Deed, the Manager may decide to issue separate classes (each a "Class") whose assets will be commonly invested but where a specific fee structure, currency or distribution policy may be applied. Each Class may have a different charging structure with the result that the net asset value attributable to each Class may differ.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

### 2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### (a) Basis of preparation of financial statements

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

#### *Standards and amendments to existing standards effective from 1 October 2021*

There are no standards or amendments to existing standards that are effective for the first time for the financial year beginning 1 October 2021 that have had a material impact on the Fund.

#### *New standards, amendments and interpretations effective after 1 October 2021 and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 October 2021, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

#### (b) Investments and derivatives

##### *Classification*

The Fund classifies its investments and derivatives based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

Derivative contracts that have a negative fair value are presented as liabilities at fair value through profit or loss.

The Fund makes short sales in which a borrowed security is sold in anticipation of a decline in the market value of that security, or it may use short sales for various arbitrage transactions. Short sales are classified as financial liabilities at fair value through profit or loss.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

*Recognition, derecognition and measurement*

Purchases and sales of investments and derivatives are accounted for on the trade date basis. Investments and derivatives are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments and derivatives are recognized in the Statement of Comprehensive Income. Investments and derivatives are derecognized when the rights to receive cash flows from the investments and derivatives have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value.

Open futures are valued at last traded prices for both long and short positions at the valuation date. The differences between the last traded prices and the contract prices are recognized in the Statement of Comprehensive Income.

Forward foreign exchange contracts are valued at the forward rates ruling at the valuation date. The differences between the forward rates and the contract rates are recognized in the Statement of Comprehensive Income.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

**(c) Securities borrowing**

The Fund may enter into securities borrowing arrangements for short sale purposes. Short positions represent obligations to deliver securities sold but not yet purchased, and are accounted for as investments and valued at their fair value. Securities borrowed during the year are off-balance sheet transactions and are therefore not included in the investment portfolio of the Fund. Collateral placed for the purpose of securities borrowed generally consist of cash collateral and are included in the Statement of Financial Position separately.

**(d) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(e) Income and expense**

Dividend income is recognized on the ex-dividend date with the corresponding foreign withholding tax recorded as an expense and is accounted for in the Statement of Comprehensive Income.

Interest income on investments is accounted for as part of net gains/losses on investments and derivatives in the Statement of Comprehensive Income.

Interest income on cash at banks is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis.

**(f) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(g) Foreign currency translation***Functional and presentation currency*

The Fund has adopted Euro as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

**(h) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(i) Margin deposits**

Cash collateral provided by the Fund is identified in the Statement of Financial Position as margin deposits and is not included as a component of cash and cash equivalents.

**(j) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(k) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

Units of the Fund are redeemable at the option of the holders of redeemable units and are classified as a financial liability in the Statement of Financial Position which represents the net assets attributable to holders of redeemable units (or "net asset value" or "net assets" or "NAV") and is carried at the redemption amount that would be payable at the Statement of Financial Position date if the holders of redeemable units exercised the right to redeem units of the Fund.

**(l) Distribution payable to holders of redeemable units**

Proposed distributions to holders of redeemable units are recognized in the Statement of Comprehensive Income when they are appropriately authorized. The distribution on the redeemable units is recognized as a finance cost in the Statement of Comprehensive Income.

**3 Number of units in issue and net assets attributable to holders of redeemable units (per unit)**

**4 Financial risk management**

**(l) Financial risk factors**

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

(a) Market risk

(i) Market price risk

The Fund's investments and derivatives are subject to the market price risk inherent in all investments and derivatives i.e. the value of holdings may fall as well as rise. The Fund's market risk is managed through (i) deliberate stocks selection, and (ii) diversification of the investment portfolio in accordance with specific investment restrictions and guidelines.

The Investment Manager monitors the Fund's market price sensitivity primarily through the Beta of the Fund on a regular basis. Beta measures the statistical relationship between the return of the Fund and the relevant benchmark index chosen by the Investment Manager.

As at 30 September, the fair value of investments and derivatives and its estimated market sensitivity were as follows:

	2022		2021	
Listed/Quoted Investments	Fair value of investments EUR	% of net assets	Fair value of investments EUR	% of net assets
<b>Assets</b>				
<b>Equities</b>				
- United Kingdom	7,373,392	29.2	9,519,830	26.1
- France	3,435,726	13.6	4,900,290	13.5
- Switzerland	3,399,327	13.6	3,428,390	9.4
- Germany	1,595,173	6.4	3,562,732	9.8
- Spain	1,449,310	5.8	1,393,570	3.8
- Netherlands	1,275,224	5.1	3,135,676	8.6
- Sweden	1,028,178	4.2	2,730,477	7.5
- Italy	876,436	3.6	1,847,722	5.1
- Others	3,435,551	13.6	4,736,583	12.9
	<u>23,868,317</u>	<u>95.1</u>	<u>35,255,270</u>	<u>96.7</u>
	-----	-----	-----	-----
<b>Derivatives</b>				
- Forward foreign exchange contracts	293,832	1.2	794,597	2.2
- Futures	-	-	5,627	0.0
	<u>293,832</u>	<u>1.2</u>	<u>800,224</u>	<u>2.2</u>
	-----	-----	-----	-----
	<u>24,162,149</u>	<u>96.3</u>	<u>36,055,494</u>	<u>98.9</u>
	-----	-----	-----	-----
<b>Liabilities</b>				
<b>Derivatives</b>				
- Forward foreign exchange contracts	(471,907)	(1.9)	(91,291)	(0.3)
- Futures	(77,684)	(0.3)	-	-
	<u>(549,591)</u>	<u>(2.2)</u>	<u>(91,291)</u>	<u>(0.3)</u>
	-----	-----	-----	-----
Total Listed/Quoted Investments	<u>23,612,558</u>	<u>94.1</u>	<u>35,964,203</u>	<u>98.6</u>
	=====	=====	=====	=====

Also, refer to Note 10 for the exposures on derivatives.

	Net asset value EUR	Relevant benchmark index for the Fund (Note*)	Beta (Note**)	% of reasonable possible change of the relevant benchmark index (Note***)	Estimated impact on net asset value (Note****) EUR
As at 30 September 2022	<u>25,106,606</u>	MSCI Europe Net Hedged to USD	1.12	-10.0	<u>(2,811,940)</u>
As at 30 September 2021	<u>36,452,952</u>	MSCI Europe Net Hedged to USD	1.13	+28.2	<u>11,616,098</u>

If the relevant benchmark index return was to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Relevant benchmark index for the Fund represents the relevant market index used by the Investment Manager in monitoring the market price risk of the Fund.

\*\* Beta measures the statistical relationship between the return of the Fund and the respective benchmark index over the maximum of past 36 months, or the number of months since portfolio inception. For funds launched within a period of less than 12 months, weekly returns of the Fund are used for calculating the Beta.

\*\*\* % of reasonable possible change is based on the actual historical change in the benchmark index in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns. For funds launched within a period of less than 12 months, actual historical change in the benchmark index since the commencement of operations will be used to calculate the % of reasonable possible change.

\*\*\*\* Estimated impact on net asset value of the Fund is calculated by applying the relevant Beta against the net asset value of the Fund multiplied by the % of reasonable possible change of the relevant benchmark index, assuming all other variables that may impact the net asset value of the Fund are held constant.

**(ii) Interest rate risk**

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	2022 Less than 1 month EUR	2021 Less than 1 month EUR
Cash at banks	1,187,838	862,698
Margin deposits	<u>208,200</u>	<u>59,999</u>
Total interest sensitivity gap	<u>1,396,038</u>	<u>922,697</u>

Any cash and cash equivalents and margin deposits are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

**(iii) Currency risk**

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The Fund enters in some forward foreign exchange contracts to hedge some of its foreign currency exposures to maintain limited exposure to non-EUR currencies. Refer to Note 10(a) for the outstanding forward foreign exchange contracts as at year end.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

Net currency exposures (Note*)	EUR equivalent	% of reasonable possible change against EUR (Note**)	Estimated impact on net asset value EUR
<u>2022</u>			
Australian Dollar	(382,775)	+5.3	(20,287)

Hong Kong Dollar	27,811	+17.3	4,811
Norwegian Krone	953,289	-5.2	(49,570)
Sterling	7,694,982	-2.1	(161,595)
Swedish Krona	1,029,166	-6.7	(68,954)
Swiss Franc	3,403,851	+12.1	411,866
United States Dollar	38,278	+18.3	7,005
	<u>13,632,382</u>		<u>116,791</u>

2021

Australian Dollar	6,043,012	+2.0	120,860
Chinese Yuan (Offshore)	9,348,132	+6.4	598,280
Danish Krone	31,030	+0.1	31
Hong Kong Dollar	9,989,087	+0.7	69,924
Norwegian Krone	144,993	+8.5	12,324
Sterling	170,439	+5.5	9,374
Swedish Krona	85,326	+3.5	2,986
Swiss Franc	111,210	-0.3	(334)
United States Dollar	8,638,078	+1.2	103,657
	<u>34,561,307</u>		<u>917,102</u>

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

**(b) Credit risk**

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment, amounts due from brokers or dividend and other accounts receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments and derivatives are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments and derivatives sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments and derivatives have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

The table below summarizes the credit rating of the banks/brokers/custodian which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties EUR	2021 Exposure to counterparties EUR
Bank balances		
S&P(AA)/Moody's(Aa)/FITCH(AA)	18,040	15,935
S&P(A)/Moody's(A)/FITCH(A)	1,169,798	846,763
Margin deposits with brokers and derivatives held with/issued by brokers		
S&P(AA)/Moody's(Aa)/FITCH(AA)	30,585	489,429
S&P(A)/Moody's(A)/FITCH(A)	471,447	370,794
Investment balances with custodian		
S&P(A)/Moody's(A)/FITCH(A)	<u>23,868,317</u>	<u>35,255,270</u>

**(c) Liquidity risk**

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in an active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	2022		2021	
	Less than 1 month EUR	1 to 12 months EUR	Less than 1 month EUR	1 to 12 months EUR
Amounts due to brokers	91,410	-	362,030	-
Amounts payable on redemption	203,321	-	179,002	-
Distribution payable	153,868	-	165,257	-
Derivatives	471,907	77,684	91,291	0
Other accounts payable	67,654	-	81,426	-
Net assets attributable to holders of redeemable units	<u>25,106,606</u>	-	<u>36,452,952</u>	-
Total financial liabilities	<u>26,094,766</u>	<u>77,684</u>	<u>37,331,958</u>	<u>0</u>

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

**(d) Offsetting and amounts subject to master netting arrangements and similar agreements**

As at 30 September 2022 and 2021, the Fund was subject to master netting arrangements with certain derivative counterparties.

In the event of default, the Fund and its counterparties have the option to settle transactions on net basis. An event of default may include failure to pay or deliver, breach of agreement or bankruptcy.

The following tables summarize the Fund's financial assets and liabilities subject to offsetting, master netting arrangements and similar agreements as at 30 September by types of financial instruments.

	Gross amounts of recognized financial assets presented in the Statement of Financial Position EUR	Related amounts subject to master netting arrangements and similar agreements net off against	Collateral and margin deposits EUR	Net amount EUR

Financial liabilities at fair value through profit and loss	<u>77,747</u>	<u>(53,356)</u>	<u>-</u>	<u>24,391</u>

**(II) Capital risk management**

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

**(III) Fair value estimation**

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

Listed/Quoted Investments	Level 1 EUR	Level 2 EUR	Level 3 EUR	Total EUR
<u>2022</u>				
<u>Assets</u>				
Equities	23,868,317	-	-	23,868,317
Derivatives	-	293,832	-	293,832
Total financial assets at fair value through profit and loss	<u>23,868,317</u>	<u>293,832</u>	<u>-</u>	<u>24,162,149</u>
<u>Liabilities</u>				
Derivatives	77,684	471,907	-	549,591
Total financial liabilities at fair value through profit and loss	<u>77,684</u>	<u>471,907</u>	<u>-</u>	<u>549,591</u>
<u>2021</u>				
<u>Assets</u>				
Equities	35,255,270	-	-	35,255,270
Derivatives	5,627	794,597	-	800,224
Total financial assets at fair value through profit and loss	<u>35,260,897</u>	<u>794,597</u>	<u>-</u>	<u>36,055,494</u>
<u>Liabilities</u>				
Derivatives	-	91,291	-	91,291
Total financial liabilities at fair value through profit and loss	<u>-</u>	<u>91,291</u>	<u>-</u>	<u>91,291</u>

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Investments classified within level 3 have significant unobservable inputs, as they trade infrequently.

There were no transfers between levels for the years ended 30 September 2022 and 2021.

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

## 5 Net (losses)/gains on investments and derivatives

	2022	2021
	EUR	EUR
Change in unrealized gains/losses in value of investments and derivatives	(6,437,645)	7,479,563
Realized gains on sale of investments and derivatives	6,371,348	3,092,303
	<u>(66,297)</u>	<u>10,571,866</u>

## 6 Distribution

In the event that the amount available for distribution is insufficient to pay distributions as the Fund declares, the Manager may in its discretion determine that such distributions be paid from capital.

No undistributed income was carried forward at the end of the year (2021: nil).

## 7 Taxation

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

Overseas tax was withheld or paid on certain dividend income received during the years ended 30 September 2022 and 2021.

## 8 Transactions with the Trustee, the Manager and their Connected Persons

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

(a) Investment transactions with Connected Persons of the Trustee and the Manager are set out below:

Name of company	Aggregate value of purchases and sales of investments EUR	% of the Fund's total aggregate value of transactions	Commission paid EUR	% of the Fund's total commission paid in the year	Average commission rate %
<u>2022</u>					
HSBC Bank Plc London	749,595	0.87	1,124	4.73	0.15
J.P. Morgan Securities plc	1,437,064	1.66	438	1.84	0.03
<u>2021</u>					
HSBC Bank Plc London	1,224,251	1.12	1,806	4.19	0.15
J.P. Morgan Securities plc	1,322,301	1.20	431	1.00	0.03

(b) Balances with the Manager and its Connected Persons as at year end:

	2022 EUR	2021 EUR
Cash at banks	18,040	15,934
Amounts receivable	4	408
Amounts payable	(39,660)	(52,443)

(c) During the year ended 30 September 2022, the Fund entered into forward foreign exchange contracts with Connected Persons of the Trustee, with realized gains amounting to EUR335,024 (2021: realized losses amounting to EUR14,636).

- (d) During the year ended 30 September 2022, the income accruing to the Manager relating to allotments and redemptions in the Fund, net of commission paid to agents, amounted to EUR390 (2021: EUR1,406).
- (e) Management fee of 1.5% per annum of the net asset value of the Fund is paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears.

The Manager also receives a valuation fee of US\$40 per valuation if the Fund's net asset value is larger than US\$5 million but smaller than US\$20 million, or US\$70 per valuation if the Fund's net asset value is larger than US\$20 million.

- (f) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.

Certain Directors of the Manager and members of its group of companies held units of the Fund during the year and were entitled to profits from transaction in units of the Fund as follows:

	At the beginning of the year	Increase resulting from director appointments during the year	Total allotments	Total redemptions	Decrease resulting from director resignations during the year	At the end of the year	Profits from transaction EUR

**Independent Auditor's Report**

To the Unitholders of JPMorgan Europe Strategic Dividend Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan Europe Strategic Dividend Fund, which are set out on pages 320 to 341, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial transactions and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKASs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 10 March 2016, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKASs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with HKASs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report (Continued)**

To the Unitholders of JPMorgan Europe Strategic Dividend Fund (the "Fund")

**Auditor's Responsibilities for the Audit of the  
Financial Statements (Continued)**

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Matters under the Relevant Disclosure  
Provisions of the Trust Deed and Appendix E of the  
SFC Code**

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

PricewaterhouseCoopers  
Certified Public Accountants

Hong Kong, 20 January 2023

**Statement of Responsibilities of the Manager and the Trustee**

**Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund in all material respects is managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto (as far as reasonably practicable); and
- report to the unitholders for each annual accounting period should the Manager not manage the Fund in accordance with the Trust Deed.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 10 March 2016, as amended, for the year ended 30 September 2022.

HSBC Institutional Trust Services (Asia) Limited, Trustee

## Notes to the Financial Statements

### 1 The Fund

JPMorgan Evergreen Fund (the "Fund") was established under a Trust Deed dated 19 January 2004, as amended (the "Trust Deed") and is governed by the laws of Hong Kong. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

Prior to 30 April 2021, the investment objective of the Fund was "to seek to produce a competitive total return in different market conditions", and the Fund sought to achieve this through an actively managed portfolio of collective investment schemes and qualified exchange traded funds managed by the Manager, its connected parties or external parties.

With effect from 30 April 2021, the investment objective of the Fund has been changed to "to seek to produce a competitive total return in different market conditions." The Fund seeks to achieve this by investing primarily (at least 90% of its total net asset value) in a professionally managed portfolio of interests in collective investment schemes (including exchange-traded funds) managed by the Manager, its connected parties or external parties. By investing in developed and emerging markets across a range of collective investment schemes, which may embrace the full spectrum of the risk return trade off from low to high risk, the Fund seeks to allocate across equity, fixed income and money market instruments depending on market conditions and opportunities, with no prescribed limits.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

### 2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### (a) Basis of preparation of financial statements

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

#### *Standards and amendments to existing standards effective from 1 October 2021*

There are no standards or amendments to existing standards that are effective for the first time for the financial year beginning 1 October 2021 that have had a material impact on the Fund.

#### *New standards, amendments and interpretations effective after 1 October 2021 and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 October 2021, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

#### (b) Investments and derivatives

##### *Classification*

The Fund classifies its investments and derivatives based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

Derivative contracts that have a negative fair value are presented as liabilities at fair value through profit or loss.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

*Recognition, derecognition and measurement*

Purchases and sales of investments and derivatives are accounted for on the trade date basis. Investments and derivatives are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments and derivatives are recognized in the Statement of Comprehensive Income. Investments and derivatives are derecognized when the rights to receive cash flows from the investments and derivatives have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value.

Investments in collective investment schemes are stated at fair value based on the net asset value per unit of the respective funds as determined by the administrators of the relevant funds or stated at last traded prices if the collective investment schemes are listed or traded on an exchange.

Open futures contracts are valued at last traded prices for both long and short positions at the valuation date. The differences between the last traded prices and the contract prices are recognized in the Statement of Comprehensive Income.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

*Structured entities*

The Fund considers all of its investments in other funds ("Investee Funds") to be investments in unconsolidated structured entities. The Fund invests in Investee Funds whose objectives range from achieving medium to long-term capital growth.

**(c) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(d) Income and expense**

Dividend income is recognized on the ex-dividend date with the corresponding foreign withholding tax recorded as an expense and is accounted for in the Statement of Comprehensive Income.

Interest income on cash at banks and short-term deposits is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis.

**(e) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(f) Foreign currency translation***Functional and presentation currency*

The Fund has adopted United States dollar as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

**(g) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(h) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(i) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

**3 Number of units in issue and net assets attributable to holders of redeemable units (per unit)**

	2022 Units	2021 Units
Number of units in issue:		
At the beginning of the year	1,805,984.040	1,604,961.718
Total allotments	465,102.902	448,871.546
Total redemptions	(260,483.102)	(247,849.224)
At the end of the year	<u>2,010,603.840</u>	<u>1,805,984.040</u>
	US\$	US\$
Net assets attributable to holders of redeemable units	<u>49,194,879</u>	<u>53,797,896</u>
Net assets attributable to holders of redeemable units (per unit)	<u>24.47</u>	<u>29.79</u>

As at 30 September 2022, the Fund had US\$49,194,879 (2021: US\$53,797,896) of puttable financial instruments, represented by the net assets attributable to the holders of redeemable units (or "net asset value" or "net assets" or "NAV"), classified as equity.

The Fund's policies for managing its obligations for the holders of redeemable units of the Fund are included in Note 4(II) capital risk management.

4 Financial risk management

(l) Financial risk factors

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

The Fund's holding in the collective investment schemes, as a percentage of the collective investment schemes' total net asset value, will vary from time to time dependent on the volume of allotments and redemptions at the collective investment schemes level. It is possible that the Fund may, at any point in time, hold a majority of the collective investment schemes' total units in issue.

(a) Market risk

(i) Market price risk

The Fund's investments and derivatives are subject to the market price risk inherent in all investments and derivatives i.e. the value of holdings may fall as well as rise. The Fund's market risk is managed through (i) deliberate collective investment schemes selection, and (ii) diversification of the investment portfolio in accordance with specific investment restrictions and guidelines.

The Fund's investments in Investee Funds are subject to the terms and conditions of the respective Investee Fund's offering document and are susceptible to market price risk arising from uncertainties about future values of those Investee Funds.

The right of the Fund to request redemption of its investments in Investee Funds is on a daily basis.

As at 30 September, the fair value of investments and derivatives and its estimated market sensitivity were as follows:

	2022		2021	
	Fair value of investments US\$	% of net assets	Fair value of investments US\$	% of net assets
Listed/Quoted Investments				
<u>Assets</u>				
Collective Investment Schemes				
- International	20,603,893	41.9	21,769,241	40.5

Total Listed/Quoted Investments	<u>44,844,062</u>	<u>91.2</u>	<u>52,743,904</u>	<u>98.1</u>

Also, refer to Note 9 for the exposures on derivatives.

The Investment Manager monitors the Fund's market price sensitivity primarily through the Fund's volatility, which helps to describe the likely range of the Fund's return, on a regular basis. In statistical terms, it is the standard deviation of the return distribution. Greater volatility of monthly fund returns means that there is a wider range of likely returns in the future, or greater uncertainty regarding the fund returns. Most investors would equate this greater uncertainty with greater risk.

The table below summarizes the volatility of the Fund expressed in annual terms and the estimated impact on the net asset value.

	2022	2021
Annual volatility (Note*)	12.38%	11.37%

If the above volatility were to be applied to the Fund's net asset value as at 30 September 2022 of US\$49,194,879 (2021: US\$53,797,896) and assuming that the Fund's returns are normally distributed with its mean return equals to nil and with one standard deviation away from the mean return (i.e. a probability of 68%), the estimated reasonable possible change in the Fund's net asset value would be between US\$43,104,553 and US\$55,285,205 or within +/- US\$6,090,326 (2021: between US\$47,681,075 and US\$59,914,717; or within +/- US\$6,116,821) over a twelve-month period based on the Fund's historical annual volatility percentage as a result of the market price fluctuation, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Volatility is calculated based on the monthly Fund's returns over the maximum of past 36 months or the number of months since portfolio inception. For funds launched within a period of less than 12 months, volatility is calculated based on the weekly Fund's returns since the Fund's launch. Volatility is expressed in annual volatility by applying the square root of time adjustment. Volatility may not cover stressed market events, nor represent the Investment Manager's forecast of the Fund's range of future returns.

**(ii) Interest rate risk**

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	Less than 1 month US\$	No stated maturity US\$	Total US\$
<u>2022</u>			
Cash at banks	3,490,759	-	3,490,759
Margin deposits	85,167	-	85,167
Investments	-	20,195,572	20,195,572
Total interest sensitivity gap	<u>3,575,926</u>	<u>20,195,572</u>	<u>23,771,498</u>
<u>2021</u>			
Cash at banks	829,774	-	829,774
Margin deposits	25,201	-	25,201
Investments	-	21,500,731	21,500,731
Total interest sensitivity gap	<u>854,975</u>	<u>21,500,731</u>	<u>22,355,706</u>

Any cash and cash equivalents are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

**(iii) Currency risk**

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

Net currency exposures (Note*)	US\$ equivalent	% of reasonable possible change against US\$ (Note**)	Estimated impact on net asset value US\$
<u>2022</u>			
Euro	2,560,217	-15.5	(396,834)
Hong Kong Dollar	35,230	-0.8	(282)
Japanese Yen	69	-22.9	(16)
	<u>2,595,516</u>		<u>(397,132)</u>
<u>2021</u>			
Euro	2,170,247	-1.2	(26,043)
Hong Kong Dollar	7,473	-0.4	(30)
Japanese Yen	402,205	-5.4	(21,719)
	<u>2,579,925</u>		<u>(47,792)</u>

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

**(b) Credit risk**

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment, amounts due from brokers or interest and other accounts receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments and derivatives are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments and derivatives sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments and derivatives have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

The table below summarizes the credit rating of the banks/broker/custodian which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties US\$	2021 Exposure to Counterparties US\$
Bank balances		
S&P(AA)/Moody's(Aa)/FITCH(AA)	123,407	419,218
S&P(A)/Moody's(A)/FITCH(A)	3,367,352	410,556
Margin deposits with broker and derivatives held with broker		
S&P(A)/Moody's(A)/FITCH(A)	173,710	34,463
Investment balances with custodian		
S&P(A)/Moody's(A)/FITCH(A)	44,796,316	52,752,002

**(c) Liquidity risk**

The Fund is exposed to daily redemption of units. As at 30 September 2022 and 2021, the Fund invests in collective investment schemes which allow daily redemption. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	2022		2021	
	Less than 1 month US\$	1 to 12 months US\$	Less than 1 month US\$	1 to 12 months US\$
Amounts due to brokers	-	-	537,172	-
Amounts payable on redemption	115,873	-	203,880	-
Derivatives	-	40,797	-	17,360
Other accounts payable	45,825	-	51,454	-
Total financial liabilities	161,698	40,797	792,506	17,360

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

**(d) Offsetting and amounts subject to master netting arrangements and similar agreements**

As at 30 September 2022 and 2021, the Fund was subject to master netting arrangements with certain derivative counterparties.

In the event of default, the Fund and its counterparties have the option to settle transactions on net basis. An event of default may include failure to pay or deliver, breach of agreement or bankruptcy.

The following tables summarize the Fund's financial assets and liabilities subject to offsetting, master netting arrangements and similar agreements as at 30 September by types of financial instruments.

2022

	Gross amounts of recognized financial assets presented in the Statement of Financial Position US\$	Related amounts subject to master netting arrangements and similar agreements net off against		Net amount US\$
		Financial Instruments US\$	Collateral and margin deposits US\$	
<u>Assets</u>				
Margin deposits	85,167	-	(40,797)	44,370
Derivatives	88,543	-	-	88,543
Financial assets at fair value through profit and loss	<u>173,710</u>	<u>-</u>	<u>(40,797)</u>	<u>132,913</u>

	Gross amounts of recognized financial liabilities presented in the Statement of Financial Position US\$	Related amounts subject to master netting arrangements and similar agreements net off against		Net amount US\$
		Financial Instruments US\$	Collateral and margin deposits US\$	
<u>Liabilities</u>				
Derivatives	40,797	-	(40,797)	-
Financial liabilities at fair value through profit and loss	<u>40,797</u>	<u>-</u>	<u>(40,797)</u>	<u>-</u>

2021

	Gross amounts of recognized financial assets presented in the Statement of Financial Position US\$	Related amounts subject to master netting arrangements and similar agreements net off against		Net amount US\$
		Financial Instruments US\$	Collateral and margin deposits US\$	
<u>Assets</u>				
Margin deposits	25,201	-	(8,098)	17,103
Derivatives	9,262	(9,262)	-	-
Financial assets at fair value through profit and loss	<u>34,463</u>	<u>(9,262)</u>	<u>(8,098)</u>	<u>17,103</u>

	Gross amounts of recognized financial liabilities presented in the Statement of Financial Position US\$	Related amounts subject to master netting arrangements and similar agreements net off against		Net amount US\$
		Financial Instruments US\$	Collateral and margin deposits US\$	
<u>Liabilities</u>				
Derivatives	17,360	(9,262)	(8,098)	-
Financial liabilities at fair value through profit and loss	<u>17,360</u>	<u>(9,262)</u>	<u>(8,098)</u>	<u>-</u>

**(II) Capital risk management**

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

**(III) Fair value estimation**

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

Listed/Quoted Investments	Level 1 US\$	Level 2 US\$	Level 3 US\$	Total US\$
<u>2022</u>				
<u>Assets</u>				
Collective Investment Schemes	44,796,316	-	-	44,796,316
Derivatives	88,543	-	-	88,543
Total financial assets at fair value through profit and loss	<u>44,884,859</u>	<u>-</u>	<u>-</u>	<u>44,884,859</u>
<u>Liabilities</u>				
Derivatives	40,797	-	-	40,797
Total financial liabilities at fair value through profit and loss	<u>40,797</u>	<u>-</u>	<u>-</u>	<u>40,797</u>
<u>2021</u>				
<u>Assets</u>				
Collective Investment Schemes	52,752,002	-	-	52,752,002
Derivatives	9,262	-	-	9,262
Total financial assets at fair value through profit and loss	<u>52,761,264</u>	<u>-</u>	<u>-</u>	<u>52,761,264</u>
<u>Liabilities</u>				
Derivatives	17,360	-	-	17,360
Total financial liabilities at fair value through profit and loss	<u>17,360</u>	<u>-</u>	<u>-</u>	<u>17,360</u>

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Investments classified within level 3 have significant unobservable inputs, as they trade infrequently.

There were no transfers between levels for the years ended 30 September 2022 and 2021.

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

**5 Net (losses)/gains on investments and derivatives**

	2022 US\$	2021 US\$
Change in unrealized gains/losses in value of investments and derivatives	(12,302,631)	4,389,444
Realized gains on sale of investments and derivatives	1,968,640	3,790,223
	<u>(10,333,991)</u>	<u>8,179,667</u>

**6 Taxation**

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

Overseas tax was withheld or paid on certain dividend income received during the years ended 30 September 2022 and 2021.

**7 Transactions with the Trustee, the Manager and their Connected Persons**

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

(a) Investment transactions with the Manager and its Connected Persons are set out below:

The Fund invests in various funds (“underlying funds”) which are managed by the Manager or its Connected Persons. All fees on allotments and redemptions in the underlying funds payable by the Fund are waived by the managers of underlying funds which are managed by the Manager and its Connected Persons.

During the year ended 30 September 2022, the dividend income amounted to US\$4,068 (2021: US\$863) in the Statement of Comprehensive Income which represents the distributions from investments in collective investment schemes issued and managed by the Manager or its Connected Persons.

Name of company	Aggregate value of purchases and sales of investments US\$	% of the Fund's total aggregate value of transactions	Commission paid US\$	% of the Fund's total commission paid in the year	Average commission rate %
<u>2022</u>					
JPMorgan Asset Management (Europe) S.à r.l.	51,186,408	60.65	-	-	-
JPMorgan Funds (Asia) Limited	23,851,092	28.26	-	-	-
<u>2021</u>					
JPMorgan Asset Management (Europe) S.à r.l.	37,250,633	69.29	-	-	-
JPMorgan Funds (Asia) Limited	14,652,801	27.25	-	-	-

(b) Balances with the Manager and its Connected Persons as at year end:

	2022	2021
	US\$	US\$
Cash at banks	123,407	419,218
Amounts receivable	737,406	744,889
Amounts payable	(30,106)	(569,091)

As at 30 September 2022, the Fund's investment balance of US\$44,796,316 (2021: US\$52,752,002) represents the investments in the collective investment schemes issued and managed by Connected Persons of the Manager.

- (c) During the year ended 30 September 2022, the income accruing to the Manager relating to allotments and redemptions in the Fund, net of commission paid to agents, amounted to US\$823 (2021: US\$2,544).
- (d) Management fee of 0.5% per annum of the net asset value of the Fund is paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears. In addition, the Fund will indirectly bear a pro rata portion of the fees paid by the underlying funds in which it invests to the managers or other services providers of such underlying funds.

The Fund invests in collective investment schemes managed by Connected Persons of the Manager and the management fees of these collective investment schemes currently range between 0% and 2.0% per annum (2021: 0% and 2.0% per annum).

The Manager also receives a valuation fee of US\$40 per valuation if the Fund's net asset value is larger than US\$5 million but smaller than US\$20 million, or US\$70 per valuation if the Fund's net asset value is larger than US\$20 million.

(e) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.

The retirement schemes of the employees of the Manager and its Connected Persons may subscribe to the units of the Fund.

Certain members of the Manager's group of companies held units of the Fund during the year and were entitled to profits from transaction in units of the Fund as follows:

	At the beginning of the year	Total allotments	Total redemptions	At the end of the year	Profits from transaction US\$
<u>2022</u>					
JPMorgan Asset Management (Asia Pacific) Limited	10,845.861	6,562.658	(4,803.990)	12,604.529	30,290
JPMorgan Funds (Asia) Limited	-	515.094	-	515.094	-
<u>2021</u>					
JPMorgan Asset Management (Asia Pacific) Limited	9,607.969	3,220.675	(1,982.783)	10,845.861	12,214

(f) Trustee's fee of 0.03% per annum of the net asset value of the Fund is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.

For investment in underlying fund managed by the Manager or its Connected Persons, such connected underlying funds will be charged a trustee fee. Currently such trustee fees range between 0% and 0.5% per annum (2021: 0% and 0.5% per annum) and may not exceed 1% per annum of the net asset value of the underlying funds.

(g) JPMorgan Funds (Asia) Limited, the registrar agent and Manager, receives a registrar's fee which varies depending on the number of unitholders in the Fund and the number of transactions which occur. The range agreed with the Trustee is between 0.015% and 0.5% per annum of the Fund's net asset value. The registrar's fee is payable quarterly in arrears.

- (h) During the years ended 30 September 2022 and 2021, in addition to the management fee, valuation fee and registrar's fee as disclosed in Note 7(d) and 7(g), respective amounts received from/(paid to) the Manager, JPMorgan Funds (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Other income	318	16
Interest on deposits	161	84
Safe custody and bank charges	(5,521)	(4,619)
	<u>          </u>	<u>          </u>

- (i) During the years ended 30 September 2022 and 2021, in addition to the trustee's fee as disclosed in Note 7(f), respective amounts received from/(paid to) the Trustee, HSBC Institutional Trust Services (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	273	4
Other operating expenses	-	(148)
Transaction costs	(2,335)	(1,660)
Safe custody and bank charges	(3,695)	(1,704)
	<u>          </u>	<u>          </u>

## 8 Soft dollar arrangements/Commission sharing arrangements

During the years ended 30 September 2022 and 2021, the Investment Manager and its Connected Persons did not enter into any soft dollar arrangements/commission sharing arrangements in connection with directing transactions of the Fund through a broker or dealer.

## 9 Derivatives

Open futures contracts as at 30 September were as follows:

**10 Distribution**

No distribution was made during the year (2021: nil).

**Independent Auditor's Report**

To the Unitholders of JPMorgan Evergreen Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan Evergreen Fund, which are set out on pages 349 to 363, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial transactions and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Independence**

We are independent of the Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 19 January 2004, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with HKSA, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report** (Continued)

To the Unitholders of JPMorgan Evergreen Fund (the "Fund")

**Auditor's Responsibilities for the Audit of the  
Financial Statements** (Continued)

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Matters under the Relevant Disclosure  
Provisions of the Trust Deed and Appendix E of the  
SFC Code**

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

Hong Kong, 20 January 2023

**Statement of Responsibilities of the Manager and the Trustee****Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund in all material respects is managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto (as far as reasonably practicable); and
- report to the unitholders for each annual accounting period should the Manager not manage the Fund in accordance with the Trust Deed.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 19 January 2004, as amended, for the year ended 30 September 2022.

HSBC Institutional Trust Services (Asia) Limited, Trustee  
20 January 2023

## Notes to the Financial Statements

### 1 The Fund

JPMorgan Future Transition Multi-Asset Fund (the "Fund") was established under a Trust Deed dated 21 June 2021, as amended (the "Trust Deed") and is governed by the laws of Hong Kong. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

The investment objective of the Fund is to provide medium to long-term moderate capital growth by investing in a diversified portfolio of securities globally, including but not limited to, debt and equity securities whose issuers may benefit from, or contribute to, the transition towards the future world.

Pursuant to the Trust Deed, the Manager may decide to issue separate classes (each a "Class") whose assets will be commonly invested but where a specific fee structure, currency or distribution policy may be applied. Each Class may have a different charging structure with the result that the net asset value attributable to each Class may differ.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

### 2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to the period presented, unless otherwise stated.

#### (a) Basis of preparation of financial statements

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

*New standards, amendments and interpretations effective after 21 June 2021 (Date of Trust Deed) and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 21 June 2021 (Date of Trust Deed), and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

#### (b) Investments and derivatives

##### *Classification*

The Fund classifies its investments and derivatives based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

Derivative contracts that have a negative fair value are presented as liabilities at fair value through profit or loss.

The Fund makes short sales in which a borrowed security is sold in anticipation of a decline in the market value of that security, or it may use short sales for various arbitrage transactions. Short sales are classified as financial liabilities at fair value through profit or loss.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

##### *Recognition, derecognition and measurement*

Purchases and sales of investments and derivatives are accounted for on the trade date basis. Investments and derivatives are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments and derivatives are recognized in the Statement of Comprehensive Income. Investments and derivatives are derecognized when the rights to receive cash flows from the investments and derivatives have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value.

Investments in collective investment schemes are stated at fair value based on the net asset value per unit of the respective funds as determined by the administrators of the relevant funds or stated at last traded prices if the collective investment schemes are listed or traded on an exchange.

Forward foreign exchange contracts are valued at the forward rates ruling at the valuation date. The differences between the forward rates and the contract rates are recognized in the Statement of Comprehensive Income.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

*Structured entities*

The Fund considers all of its investments in other funds ("Investee Funds") to be investments in unconsolidated structured entities. The Fund invests in Investee Funds whose objectives range from achieving medium to long-term capital growth.

**(c) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(d) Income and expense**

Dividend income is recognized on the ex-dividend date with the corresponding foreign withholding tax recorded as an expense and is accounted for in the Statement of Comprehensive Income.

Interest income on investments is accounted for as part of net gains/losses on investments and derivatives in the Statement of Comprehensive Income.

Interest income on cash at banks and short-term deposits is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis.

**(e) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(f) Foreign currency translation***Functional and presentation currency*

The Fund has adopted United States dollar as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at period end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

**(g) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(h) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the period.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(i) Formation costs**

Formation costs are recognized as an expense in the period in which they are incurred.

**(j) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

Units of the Fund are redeemable at the option of the holders of redeemable units and are classified as a financial liability in the Statement of Financial Position which represents the net assets attributable to holders of redeemable units (or "net asset value" or "net assets" or "NAV") and is carried at the redemption amount that would be payable at the Statement of Financial Position date if the holders of redeemable units exercised the right to redeem units of the Fund.

**(k) Distribution payable to holders of redeemable units**

Proposed distributions to holders of redeemable units are recognized in the Statement of Comprehensive Income when they are appropriately authorized. The distribution on the redeemable units is recognized as a finance cost in the Statement of Comprehensive Income.

**3 Number of units in issue and net assets attributable to holders of redeemable units (per unit)**

Fair value adjustment of units of the Fund

As stated in Note 2(j), units of the Fund are redeemable at the option of the holders of redeemable units and are classified as a financial liability in the Statement of Financial Position which represents the net assets attributable to the holders of redeemable units and is carried at the redemption amount that would be payable at the Statement of Financial Position date, if the holders of redeemable units exercised the right to redeem units of the Fund. The redemption amount is determined based on the net assets attributable to holders of redeemable units calculated in accordance with the provisions of the Trust Deed ("Trust Deed NAV").

	2022 US\$
Net assets attributable to holders of redeemable units (In accordance with HKFRS)	61,614,872
Fair value adjustment of units of the Fund:	
Unamortized formation costs as at the end of the period [Note 3(a)]	22,066
	<hr/>
Net assets attributable to holders of redeemable units (In accordance with the Trust Deed)	61,636,938
	<hr/> <hr/>

Note:

- (a) In accordance with the provisions of the Trust Deed, the formation costs (including legal, accounting, and other professional fees and expenses) or costs incidental to the establishment of the Fund will be paid out of the assets of the Fund and amortized over the first three financial years. However, as stated in Note 2(i), the accounting policy of the Fund for the purpose of compliance with HKAS 38 "Intangible Assets" and for reporting purposes is to expense the expenditure incurred in the formation of the Fund in the period in which they arose.

**4 Financial risk management****(l) Financial risk factors**

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

The Fund's holding in the collective investment schemes, as a percentage of the collective investment schemes' total net asset value, will vary from time to time dependent on the volume of allotments and redemptions at the collective investment schemes level. It is possible that the Fund may, at any point in time, hold a majority of the collective investment schemes' total units in issue. The Fund's maximum exposure to loss from its interests in Investee Funds is equal to the total fair value of its investment in collective investment schemes. Total purchase in collective investment schemes during the period ended 30 September 2022 was US\$24,635,301. During the period ended 30 September 2022 total net loss incurred on the investment in collective investment schemes was US\$2,263,788.

**(a) Market risk****(i) Market price risk**

The Fund's investments and derivatives are subject to the market price risk inherent in all investments and derivatives i.e. the value of holdings may fall as well as rise. The Fund's market risk is managed through (i) deliberate stocks selection, and (ii) diversification of the investment portfolio in accordance with specific investment restrictions and guidelines.

As at 30 September, the fair value of investments and derivatives and its estimated market sensitivity were as follows:

	<u>2022</u>	
	Fair value of investments US\$	% of net assets
Listed/Quoted Investments		
<u>Assets</u>		
Equities		
- United States	21,665,573	35.2
- China	3,147,835	5.1
- Others	12,313,682	20.0
	<u>37,127,090</u>	<u>60.3</u>
Collective Investment Schemes		
- Luxembourg	17,764,772	28.8
Derivatives		
- Forward foreign exchange contracts	5,932	0.0
	<u>54,897,794</u>	<u>89.1</u>
<u>Liabilities</u>		
Derivatives		
- Forward foreign exchange contracts	(80,393)	(0.1)
	<u>(80,393)</u>	<u>(0.1)</u>
Total Listed/Quoted Investments	<u>54,817,401</u>	<u>89.0</u>

Also, refer to Note 10 for the exposures on derivatives.

The Investment Manager monitors the Fund's market price sensitivity primarily through the Fund's volatility, which helps to describe the likely range of the Fund's return, on a regular basis. In statistical terms, it is the standard deviation of the return distribution. Greater volatility of monthly fund returns means that there is a wider range of likely returns in the future, or greater uncertainty regarding the fund returns. Most investors would equate this greater uncertainty with greater risk.

The table below summarizes the volatility of the Fund expressed in annual terms and the estimated impact on the net asset value.

	2022
Annual volatility (Note*)	15.63%

If the above volatility were to be applied to the Fund's net asset value as at 30 September 2022 of US\$61,614,872 and assuming that the Fund's returns are normally distributed with its mean return equals to nil and with one standard deviation away from the mean return (i.e. a probability of 68%), the estimated reasonable possible change in the Fund's net asset value would be between US\$51,984,468 and US\$71,245,276, or within +/- US\$9,630,404 over a twelve-month period based on the Fund's historical annual volatility percentage as a result of the market price fluctuation, assuming that all other variables that may impact the net asset value of the Fund are held constant.

Note:

- \* Volatility is calculated based on the monthly Fund's returns over the maximum of past 36 months or the number of months since portfolio inception. For funds launched within a period of less than 12 months, volatility is calculated based on the weekly Fund's returns since the Fund's launch. Volatility is expressed in annual volatility by applying the square root of time adjustment. Volatility may not cover stressed market events, nor represent the Investment Manager's forecast of the Fund's range of future returns.

## (ii) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	2022
	Less than 1 month US\$
Cash at banks	7,047,030
Total interest sensitivity gap	<u>7,047,030</u>

Any cash and cash equivalents are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

## (iii) Currency risk

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The Fund enters in some forward foreign exchange contracts to hedge some of its foreign currency exposures to maintain limited exposure to non-US\$ currencies. Refer to Note 10 for the outstanding forward foreign exchange contracts as at period end.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

Net currency exposures (Note*)	US\$ equivalent	% of reasonable possible change against US\$ (Note**)	Estimated impact on net asset value US\$
<u>2022</u>			
Australian Dollar	689,298	-11.0	(75,823)
Chinese Yuan (Offshore)	3,250,489	-9.5	(308,796)
Euro	2,088,641	-15.5	(323,739)
Hong Kong Dollar	2,130,710	-0.8	(17,046)
Japanese Yen	2,085,726	-22.9	(477,631)
Norwegian Krone	114,724	-19.9	(22,830)
Sterling	2,470,168	-17.2	(424,869)
Swedish Krona	885,574	-21.2	(187,742)
Swiss Franc	1,258,209	-5.2	(65,427)
	14,973,539		(1,903,903)

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

#### (b) Credit risk

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment or dividend and interest receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to credit risk as at 30 September 2022 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

The table below summarizes the credit rating of the banks/brokers/custodian which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties US\$
Bank balances	
S&P(AA)/Moody's(Aa)/FITCH(AA)	396,383
S&P(A)/Moody's(A)/FITCH(A)	6,650,647
Derivatives issued by brokers	
S&P(AA)/Moody's(Aa)/FITCH(AA)	1,203
S&P(A)/Moody's(A)/FITCH(A)	4,729
Investment balances with custodian	
S&P(A)/Moody's(A)/FITCH(A)	<u>54,891,862</u>

**(c) Liquidity risk**

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in an active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	<u>2022</u>	
	Less than 1 month US\$	1 to 12 months US\$
Amounts payable on redemption	115,719	-
Distribution payable	81,968	-
Derivatives	80,387	6
Other accounts payable	108,931	-
Net assets attributable to holders of redeemable units	61,614,872	-
Total financial liabilities	<u>62,001,877</u>	<u>6</u>

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

**(d) Offsetting and amounts subject to master netting arrangements and similar agreements**

As at 30 September 2022, the Fund was subject to master netting arrangements with certain derivative counterparties.

In the event of default, the Fund and its counterparties have the option to settle transactions on net basis. An event of default may include failure to pay or deliver, breach of agreement or bankruptcy.

The following tables summarize the Fund's financial assets and liabilities subject to offsetting, master netting arrangements and similar agreements as at 30 September by types of financial instruments.

	Gross amounts of recognized financial assets presented in the Statement of Financial Position US\$	Related amounts subject to master netting arrangements and similar agreements net off against		Net amount US\$
		Financial Instruments US\$	Collateral and margin deposits US\$	
<u>2022</u>				
<u>Assets</u>				
Derivatives	5,932	(2,075)	-	3,857
Financial assets at fair value through profit and loss	5,932	(2,075)	-	3,857
<u>Liabilities</u>				
Derivatives	80,393	(2,075)	-	78,318
Financial liabilities at fair value through profit and loss	80,393	(2,075)	-	78,318

**(II) Capital risk management**

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

**(III) Fair value estimation**

As at 30 September 2022, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

Listed/Quoted Investments	Level 1 US\$	Level 2 US\$	Level 3 US\$	Total US\$
<u>2022</u>				
<u>Assets</u>				
Equities	37,127,090	-	-	37,127,090
Collective Investment Schemes	17,764,772	-	-	17,764,772
Derivatives	-	5,932	-	5,932
Total financial assets at fair value through profit and loss	<u>54,891,862</u>	<u>5,932</u>	<u>-</u>	<u>54,897,794</u>
<u>Liabilities</u>				
Derivatives	-	80,393	-	80,393
Total financial liabilities at fair value through profit and loss	<u>-</u>	<u>80,393</u>	<u>-</u>	<u>80,393</u>

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Investments classified within level 3 have significant unobservable inputs, as they trade infrequently.

There were no transfers between levels for the period ended 30 September 2022.

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022.

**5 Net losses on investments and derivatives**

	21.6.2021 (Date of Trust Deed) to 30.9.2022 US\$
Change in unrealized gains/losses in value of investments and derivatives	(22,728,804)
Realized losses on sale of investments and derivatives	(2,911,231)
	<u>(25,640,035)</u>

**6 Distribution**

In the event that the amount available for distribution is insufficient to pay distributions as the Fund declares, the Manager may in its discretion determine that such distributions be paid from capital.

No undistributed income was carried forward at the end of the period.

(1,360,043)

## 7 Taxation

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

Overseas tax was withheld or paid on certain dividend income received during the period ended 30 September 2022.

## 8 Transactions with the Trustee, the Manager and their Connected Persons

The following is a summary of significant related party transactions entered into during the period between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

- (a) Investment transactions with Connected Persons of the Manager are set out below:

The Fund invests in various funds ("underlying funds") which are managed by the Manager or its Connected Persons. All fees on allotments and redemptions in the underlying funds payable by the Fund are waived by the managers of underlying funds which are managed by the Manager and/or its Connected Persons.

Name of company	Aggregate value of purchases and sales of investments US\$	% of the Fund's total aggregate value of transactions	Commission paid US\$	% of the Fund's total commission paid in the period	Average commission rate %
<u>2022</u>					
JPMorgan Asset Management (Europe) S.à r.l.	29,242,042	24.09	-	-	-

- (b) Balances with the Manager and its Connected Persons as at period end:

	2022 US\$
Cash at banks	396,383
Amounts payable	(70,742)

As at 30 September 2022, the Fund's investment balance of US\$17,764,772 represents the investments in the collective investment schemes issued and managed by a Connected Person of the Manager.

- (c) During the period ended 30 September 2022, the Fund entered into forward foreign exchange contracts with Connected Persons of the Trustee, with realized losses amounting to US\$156,215.
- (d) During the period ended 30 September 2022, the income accruing to the Manager relating to allotments and redemptions in the Fund, net of commission paid to agents, amounted to US\$9.
- (e) Management fee of 1.25% per annum of the net asset value of the Fund is paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears. If the Fund invests in the collective investment scheme managed by the Manager or its Connected Persons, the management fee of the Manager will be reduced to take account of the management fee levied in respect of such collective investment scheme to the extent attributable to that Fund's interest in such collective investment scheme.

The Manager also receives a valuation fee of US\$40 per valuation if the Fund's net asset value is larger than US\$5 million but smaller than US\$20 million, or US\$70 per valuation if the Fund's net asset value is larger than US\$20 million.

- (f) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.

Certain members of the Manager's group of companies held units of the Fund during the period and were entitled to profits from transaction in units of the Fund as follows:

	At the beginning of the period	Total allotments	Total redemptions	At the end of the period	Profits from transaction US\$
<u>2022</u>					
<u>JPMorgan Asset Management (Asia Pacific) Limited</u>					
- HKD Class (acc)	-	19,263,830.340	-	19,263,830.340	-
- HKD Class (cgdiv)	-	1,569.376	(1,569.376)	-	-
- RMB Hedged Class (acc)	-	128,810.000	-	128,810.000	-
- RMB Hedged Class (cgdiv)	-	134,126.087	(134,126.087)	-	-
- USD Class (acc)	-	2,479,800.000	-	2,479,800.000	-
- USD Class (cgdiv)	-	202.023	(202.023)	-	-

- (g) Trustee's fee of 0.06% per annum of the net asset value of the Fund for the first US\$40 million, 0.04% per annum for the balance from US\$40 million to US\$70 million, and 0.025% per annum for the balance in excess of US\$70 million is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.

- (h) JPMorgan Funds (Asia) Limited, the registrar agent and Manager, receives a registrar's fee which varies depending on the number of unitholders in the Fund and the number of transactions which occur. The range agreed with the Trustee is between 0.015% and 0.5% per annum of the Fund's net asset value. The registrar's fee is payable quarterly in arrears.
- (i) During the period ended 30 September 2022, in addition to the management fee, valuation fee and registrar's fee as disclosed in Note 8(e) and 8(h), respective amounts received from/(paid to) the Manager, JPMorgan Funds (Asia) Limited, and its Connected Persons were as follows:

21.6.2021  
(Date of Trust  
Deed) to  
30.9.2022  
US\$

Interest on deposits	475
Safe custody and bank charges	(1,300)

- (j) During the period ended 30 September 2022, in addition to the trustee's fee as disclosed in Note 8(g), respective amounts received from/(paid to) the Trustee, HSBC Institutional Trust Services (Asia) Limited, and its Connected Persons were as follows:

21.6.2021  
(Date of Trust  
Deed) to  
30.9.2022  
US\$

Interest on deposits	8,544
Safe custody and bank charges	(10,731)
Transaction costs	(87,573)

## 9 Soft dollar arrangements/Commission sharing arrangements

During the period ended 30 September 2022, the Investment Manager and its Connected Persons did not enter into any soft dollar arrangements/commission sharing arrangements in connection with directing transactions of the Fund through a broker or dealer.

## 10 Derivatives

Outstanding forward foreign exchange contracts as at 30 September were as follows:

**Independent Auditor's Report**

To the Unitholders of JPMorgan Future Transition Multi-Asset Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan Future Transition Multi-Asset Fund, which are set out on pages 371 to 386, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the period then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the period then ended;
- the Statement of Cash Flows for the period then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial transactions and its cash flows for the period then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKASs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 21 June 2021, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKASs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with HKASs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report (Continued)**

To the Unitholders of JPMorgan Future Transition Multi-Asset Fund (the "Fund")

**Auditor's Responsibilities for the Audit of the  
Financial Statements (Continued)**

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Matters under the Relevant Disclosure  
Provisions of the Trust Deed and Appendix E of the  
SFC Code**

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

PricewaterhouseCoopers  
Certified Public Accountants

Hong Kong, 20 January 2023

**Statement of Responsibilities of the Manager and the Trustee**

**Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund in all material respects is managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto (as far as reasonably practicable); and
- report to the unitholders for each annual accounting period should the Manager not manage the Fund in accordance with the Trust Deed.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 21 June 2021, as amended, for the period ended 30 September 2022.

**Details of Financial Derivative Instruments  
As at 30 September 2022 (Unaudited)**

**(a) Forward foreign exchange contracts**

As at 30 September 2022, the Fund held outstanding forward foreign exchange contracts with details as shown in Note 11.

**(b) Futures**

As at 30 September 2022, the Fund held futures contracts with details as shown in Note 11.

**Information on Exposure Arising from Financial  
Derivative Instruments  
For the year ended 30 September 2022 (Unaudited)**

The lowest, highest and average gross exposure arising from the use of financial derivative instruments in the Fund for any purpose as a proportion to the Fund's total net asset value for the year ended 30 September 2022.

	<b>2022 % of NAV</b>
Lowest gross exposure	68.6
Highest gross exposure	288.0
Average gross exposure	118.8

The lowest, highest and average net exposure arising from the use of financial derivative instruments in the Fund for non-hedging purpose as a proportion to the Fund's total net asset value for the year ended 30 September 2022.

	<b>2022 % of NAV</b>
Lowest net exposure	0.7
Highest net exposure	41.2
Average net exposure	11.8

<sup>#</sup> There are some share classes with currency hedging features. For the avoidance of doubt, their exposures are not included in the calculation of the gross exposure of the Fund portfolio.

## Notes to the Financial Statements

### 1 The Fund

JPMorgan Global Bond Fund (the "Fund") was established under a Trust Deed dated 30 April 1979, as amended (the "Trust Deed") and is governed by the laws of Hong Kong. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

The investment objective of the Fund is to aim to achieve a return in excess of global bond markets by investing primarily (i.e. at least 80% of its total net asset value) in global investment grade debt securities.

Pursuant to the Trust Deed, the Manager may decide to issue separate classes (each a "Class") whose assets will be commonly invested but where a specific fee structure, currency or distribution policy may be applied. Each Class may have a different charging structure with the result that the net asset value attributable to each Class may differ.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

### 2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### (a) Basis of preparation of financial statements

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

##### *Standards and amendments to existing standards effective from 1 October 2021*

There are no standards or amendments to existing standards that are effective for the first time for the financial year beginning 1 October 2021 that have had a material impact on the Fund.

##### *New standards, amendments and interpretations effective after 1 October 2021 and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 October 2021, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

#### (b) Investments and derivatives

##### *Classification*

The Fund classifies its investments and derivatives based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

Derivative contracts that have a negative fair value are presented as liabilities at fair value through profit or loss.

The Fund makes short sales in which a borrowed security is sold in anticipation of a decline in the market value of that security, or it may use short sales for various arbitrage transactions. Short sales are classified as financial liabilities at fair value through profit or loss.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

*Recognition, derecognition and measurement*

Purchases and sales of investments and derivatives are accounted for on the trade date basis. Investments and derivatives are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments and derivatives are recognized in the Statement of Comprehensive Income. Investments and derivatives are derecognized when the rights to receive cash flows from the investments and derivatives have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value.

Debt securities are fair valued based on quoted prices inclusive of accrued interest.

Investments in collective investment schemes are stated at fair value based on the net asset value per unit of the respective funds as determined by the administrators of the relevant funds or stated at last traded prices if the collective investment schemes are listed or traded on an exchange.

Open futures and swap contracts are valued at last traded prices for both long and short positions at the valuation date. The differences between the last traded prices and the contract prices are recognized in the Statement of Comprehensive Income.

Forward foreign exchange contracts are valued at the forward rates ruling at the valuation date. The differences between the forward rates and the contract rates are recognized in the Statement of Comprehensive Income.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

*Structured entities*

The Fund considers all of its investments in other funds ("Investee Funds") to be investments in unconsolidated structured entities. The Fund invests in Investee Funds whose objectives range from achieving medium to long-term capital growth.

**(c) Securities borrowing**

The Fund may enter into securities borrowing arrangements for short sale purposes. Short positions represent obligations to deliver securities sold but not yet purchased, and are accounted for as investments and valued at their fair value. Securities borrowed during the year are off-balance sheet transactions and are therefore not included in the investment portfolio of the Fund. Collateral placed for the purpose of securities borrowed generally consist of cash collateral and are included in the Statement of Financial Position separately.

**(d) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(e) Income and expense**

Dividend income is recognized on the ex-dividend date with the corresponding foreign withholding tax recorded as an expense and is accounted for in the Statement of Comprehensive Income.

Interest income on investments is accounted for as part of net gains/losses on investments and derivatives in the Statement of Comprehensive Income.

Interest income on cash at banks is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis.

**(f) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(g) Foreign currency translation***Functional and presentation currency*

The Fund has adopted United States dollar as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

**(h) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(i) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(j) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

Units of the Fund are redeemable at the option of the holders of redeemable units and are classified as a financial liability in the Statement of Financial Position which represents the net assets attributable to holders of redeemable units (or "net asset value" or "net assets" or "NAV") and is carried at the redemption amount that would be payable at the Statement of Financial Position date if the holders of redeemable units exercised the right to redeem units of the Fund.

**(k) Distribution payable to holders of redeemable units**

Proposed distributions to holders of redeemable units are recognized in the Statement of Comprehensive Income when they are appropriately authorized. The distribution on the redeemable units is recognized as a finance cost in the Statement of Comprehensive Income.

**4 Financial risk management****(l) Financial risk factors**

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

The Fund's holding in the collective investment schemes, as a percentage of the collective investment schemes' total net asset value, will vary from time to time dependent on the volume of allotments and redemptions at the collective investment schemes level. It is possible that the Fund may, at any point in time, hold a majority of the collective investment schemes' total units in issue. The Fund's maximum exposure to loss from its interests in Investee Funds is equal to the total fair value of its investment in collective investment schemes. Total purchase in collective investment schemes during the year ended 30 September 2022 was US\$78,739,914 (2021: US\$125,080,130). During the year ended 30 September 2022, total net loss incurred on the investment in collective investment schemes was US\$22,833,765 (2021: total net gain of US\$11,338,916).

**(a) Market risk****(i) Market price risk**

The Fund primarily invests in debt securities which are subject to interest rate risk. Refer to Note 4(l)(a)(ii) for interest rate risk.

**(ii) Interest rate risk**

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates. The Fund is exposed to risks associated with the effects of fluctuations in the prevailing levels of market interest rates on its investments, derivatives and cash deposits.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

Also, refer to Note 11 for the exposures on derivatives.

The Investment Manager monitors the Fund's interest rate risk sensitivity primarily through the modified duration of the Fund on a regular basis. The modified duration measures the sensitivity of the price of a bond relative to the change in interest rate. As at 30 September 2022, the Investment Manager estimates that the Fund has a modified duration of 5.38 (2021: 7.41). For the purpose of disclosing relevant sensitivities, the percentage of reasonable possible change in interest rate adopted is 25 basis points, and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns. If the interest rates were to rise by 25 basis points with all other variables that may impact the net asset value of the Fund held constant, this would result in a decrease in net asset value of the Fund by approximately US\$11,662,063 (2021: US\$20,726,944). If the interest rates were to fall by 25 basis points, this would result in an increase in the net asset value of the Fund by the same amount.

Any cash and cash equivalents and margin deposits are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

**(iii) Currency risk**

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The Fund enters in some forward foreign exchange contracts to hedge some of its foreign currency exposures to maintain limited exposure to non-US\$ currencies. Refer to Note 11(a) for the outstanding forward foreign exchange contracts as at year end.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

Net currency exposures (Note*)	US\$ equivalent	% of reasonable possible change against US\$ (Note**)	Estimated impact on net asset value US\$
<u>2022</u>			
Australian Dollar	43,042,551	-11.0	(4,734,681)

Turkish Lira	121	-13.3	(16)
	<u>334,001,777</u>		<u>14,221,267</u>

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

## (b) Credit risk

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment, amounts due from brokers or dividend, interest and other accounts receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to the credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments and derivatives are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments and derivatives sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments and derivatives have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

The Fund's investments are predominantly in debt securities and therefore the Fund is exposed to credit risk that the issuers may not be able to repay the principal amount and interest at maturity. Credit risk derived from debt securities is managed and monitored on an on-going basis by making reference to the credit rating and credit outlook provided by credit rating agencies, if available, and internal credit analysis.

The table below summarizes the debt securities by credit rating as at 30 September.

	2022 % of net assets	2021 % of net assets
S&P(AAA)/Moody's(Aaa)/FITCH(AAA)	35.4	23.2
S&P(AA)/Moody's(Aa)/FITCH(AA)	6.5	7.5
S&P(A)/Moody's(A)/FITCH(A)	9.4	13.7
S&P(BBB)/Moody's(Baa)/FITCH(BBB)	5.6	11.6
S&P(BB)/Moody's(Ba)/FITCH(BB)	0.2	3.1
S&P(B)/Moody's(B)/FITCH(B)	-	0.9
Unrated	27.7	13.6
	<u>84.8</u>	<u>73.6</u>

The table below summarizes the unrated debt securities as stated in the table above by their issuers' credit rating as at 30 September.

	2022 % of net assets	2021 % of net assets
S&P(AAA)/Moody's(Aaa)/FITCH(AAA)	3.9	-
S&P(A)/Moody's(A)/FITCH(A)	20.6	10.0
S&P(BBB)/Moody's(Baa)/FITCH(BBB)	3.0	3.3
Unrated	0.2	0.3
	<u>27.7</u>	<u>13.6</u>

In order to monitor the credit quality of the unrated debt securities, the Investment Manager, on the basis of internal research, prepares its own proprietary ratings for the debt securities for which publicly available credit ratings are not available. The Investment Manager reviews the key financial metrics of the issue and structural features of the debt securities in order to calculate the implied ratings for each of the debt securities.

The table below summarizes the credit rating of the banks/brokers/custodian which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties US\$	2021 Exposure to counterparties US\$
Bank balances		
S&P(AA)/Moody's(Aa)/FITCH(AA)	44,447,749	25,540,063
Margin deposits with brokers and derivatives held with/issued by brokers		
S&P(AA)/Moody's(Aa)/FITCH(AA)	5,676,669	5,572,309
S&P(A)/Moody's(A)/FITCH(A)	19,132,872	11,692,417
Investment balances with custodian		
S&P(AA)/Moody's(Aa)/FITCH(AA)	<u>777,597,053</u>	<u>1,060,494,015</u>

### (c) Liquidity risk

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in an active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	2022		2021	
	Less than 1 month US\$	1 to 12 months US\$	Less than 1 month US\$	1 to 12 months US\$
Overdraft with brokers	861,955	-	1,924,175	-
Amounts payable on redemption	23,722,188	-	12,606,932	-
Distribution payable	2,000,222	-	3,548,275	-
Derivatives	12,539,920	3,642,005	4,553,877	2,829,864
Other accounts payable	697,415	-	915,220	-
Net assets attributable to holders of redeemable units	<u>867,067,860</u>	-	<u>1,118,863,350</u>	-
Total financial liabilities	<u>906,889,560</u>	<u>3,642,005</u>	<u>1,142,411,829</u>	<u>2,829,864</u>

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

**(d) Offsetting and amounts subject to master netting arrangements and similar agreements**

As at 30 September 2022 and 2021, the Fund was subject to master netting arrangements with certain derivative counterparties.

In the event of default, the Fund and its counterparties have the option to settle transactions on net basis. An event of default may include failure to pay or deliver, breach of agreement or bankruptcy.

The following tables summarize the Fund's financial assets and liabilities subject to offsetting, master netting arrangements and similar agreements as at 30 September by types of financial instruments.

	Gross amounts of recognized financial assets presented in the Statement of Financial Position US\$	Related amounts subject to master netting arrangements and similar agreements net off against		Net amount US\$
		Financial Instruments US\$	Collateral and margin deposits US\$	
<u>2022</u>				
<u>Assets</u>

**(II) Capital risk management**

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

**(III) Fair value estimation**

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

	Level 1 US\$	Level 2 US\$	Level 3 US\$	Total US\$
Listed/Quoted Investments				
<u>2022</u>				
<u>Assets</u>				
Debt Securities	-	735,003,256	-	735,003,256
Collective Investment Schemes	42,593,797	-	-	42,593,797
Derivatives	2,688,120	19,086,551	-	21,774,671
Total financial assets at fair value through profit and loss	<u>45,281,917</u>	<u>754,089,807</u>	<u>-</u>	<u>799,371,724</u>

	Level 1 US\$	Level 2 US\$	Level 3 US\$	Total US\$
Listed/Quoted Investments				
<u>2022</u>				
<u>Liabilities</u>				
Derivatives	2,334,643	13,847,282	-	16,181,925
Total financial liabilities at fair value through profit and loss	<u>2,334,643</u>	<u>13,847,282</u>	-	<u>16,181,925</u>
<u>2021</u>				
<u>Assets</u>				
Debt Securities	-	823,751,368	-	823,751,368
Collective Investment Schemes	236,742,647	-	-	236,742,647
Derivatives	4,118,647	10,500,143	-	14,618,790
Total financial assets at fair value through profit and loss	<u>240,861,294</u>	<u>834,251,511</u>	-	<u>1,075,112,805</u>
<u>Liabilities</u>				
Derivatives	1,771,908	5,611,833	-	7,383,741
Total financial liabilities at fair value through profit and loss	<u>1,771,908</u>	<u>5,611,833</u>	-	<u>7,383,741</u>

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities, collective investment schemes and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Investments classified within level 3 have significant unobservable inputs, as they trade infrequently.

There were no transfers between levels for the years ended 30 September 2022 and 2021.

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

## 5 Net (losses)/gains on investments and derivatives

	2022 US\$	2021 US\$
Change in unrealized gains/losses in value of investments and derivatives	(114,373,611)	(44,722,289)
Realized (losses)/gains on sale of investments and derivatives	(5,100,077)	82,196,557
	<u>(119,473,688)</u>	<u>37,474,268</u>

## 6 Distribution

In the event that the amount available for distribution is insufficient to pay distributions as the Fund declares, the Manager may in its discretion determine that such distributions be paid from capital.

No undistributed income was carried forward at the end of the year (2021: nil).

Distribution Class	Ex date	Pay date	Rate	Units	2022 US\$	2021 US\$

## 7 Taxation

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

Overseas tax was withheld or paid on certain interest income received during the years ended 30 September 2022 and 2021.

## 8 Transactions with the Trustee, the Manager and their Connected Persons

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and on normal commercial terms.

(a) Investment transactions with Connected Persons of the Manager are set out below:

The Fund invests in various funds ("underlying funds") which are managed by Connected Persons of the Manager. All fees on allotments and redemptions in the underlying funds payable by the Fund are waived by the managers of underlying funds which are managed by Connected Persons of the Manager.

During the year ended 30 September 2022, dividend income amounted to US\$1,840,535 (2021: US\$5,979,339) in the Statement of Comprehensive Income which represents the distributions from investments in collective investment schemes issued and managed by Connected Persons of the Manager.

Name of company	Aggregate value of purchases and sales of investments US\$	% of the Fund's total aggregate value of transactions	Commission paid US\$	% of the Fund's total commission paid in the year	Average commission rate %
<u>2022</u>					
JPMorgan Asset Management (Europe) S.à r.l.	320,975,039	2.63	-	-	-
<u>2021</u>					
JPMorgan Asset Management (Europe) S.à r.l.	486,134,454	4.44	-	-	-
J.P. Morgan Securities plc	11,484,247	0.10	-	-	-

(b) Balances with the Manager and its Connected Persons as at year end:

	2022 US\$	2021 US\$
Cash at banks	44,447,749	25,540,063
Amounts receivable	30,092,210	35,923,852
Amounts payable	(619,350)	(847,407)
	<u>                    </u>	<u>                    </u>

As at 30 September 2022, the Fund's investment balance of US\$42,593,797 (2021: US\$236,742,647) represents the investments in the collective investment schemes issued and managed by a Connected Person of the Manager.

As at 30 September 2022, the Fund's investment balance of US\$777,597,053 (2021: US\$1,060,494,015) represents the investments held by the custodian, JPMorgan Chase Bank, N.A., a Connected Person of the Manager.

- (c) During the year ended 30 September 2022, the income accruing to the Manager relating to allotments and redemptions in the Fund, net of commission paid to agents, amounted to US\$408 (2021: US\$4,603).
- (d) Management fee of 0.8% per annum of the net asset value of the Fund is paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears. If the Fund invests in the collective investment scheme managed by the Manager or its Connected Persons, the management fee of the Manager will be reduced to take account of the management fee levied in respect of such collective investment scheme to the extent attributable to that Fund's interest in such collective investment scheme.
- (e) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.

Certain Directors of the Manager and members of its group of companies held units of the Fund during the year and were entitled to profits from transaction in units of the Fund as follows:

	At the beginning of the year	Increase resulting from director appointments during the year	Total allotments	Total redemptions	Decrease resulting from director resignations during the year	At the end of the year	Profits from transaction US\$
<u>2022</u>							
<u>Directors of the Manager</u>							
- USD Class (mth)	19.095	-	0.625	-	-	19.720	-
<u>JPMorgan Asset Management (Asia Pacific) Limited</u>							
- USD Class (san)	1,376.388	N/A	617.005	(335.714)	N/A	1,657.679	116
<u>2021</u>							
<u>Directors of the Manager</u>							
- USD Class (mth)	-	6,419.963	19.095	(6,419.963)	-	19.095	1,002
<u>JPMorgan Asset Management (Asia Pacific) Limited</u>							
- USD Class (san)	636.835	N/A	739.553	-	N/A	1,376.388	-

- (f) Trustee's fee of 0.018% per annum of the net asset value of the Fund is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.
- (g) JPMorgan Funds (Asia) Limited, the registrar agent and Manager, receives a registrar's fee which varies depending on the number of unitholders in the Fund and the number of transactions which occur. The range agreed with the Trustee is between 0.015% and 0.5% per annum of the Fund's net asset value. The registrar's fee is payable quarterly in arrears.

(h) During the years ended 30 September 2022 and 2021, in addition to the management fee and registrar's fee as disclosed in Note 8(d) and 8(g), respective amounts received from/(paid to) the Manager, JPMorgan Funds (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	19,188	16,140
Other income	-	127
Transaction costs	(4,763)	(7,012)
Safe custody and bank charges	(323,306)	(382,004)

## 9 Borrowings

The Fund has no bank borrowing during the year ended 30 September 2022. During the year ended 30 September 2021, the Fund has unsecured short-term bank borrowings with duration of less than 7 days. All such transactions are entered into in the ordinary course of business and on normal commercial terms.

## 10 Soft dollar arrangements/Commission sharing arrangements

During the years ended 30 September 2022 and 2021, the Investment Manager and its Connected Persons did not enter into any soft dollar arrangements/commission sharing arrangements in connection with directing transactions of the Fund through a broker or dealer.

**Independent Auditor's Report**

To the Unitholders of JPMorgan Global Bond Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan Global Bond Fund, which are set out on pages 397 to 432, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial transactions and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 30 April 1979, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with HKSAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report** (Continued)

To the Unitholders of JPMorgan Global Bond Fund (the "Fund")

**Auditor's Responsibilities for the Audit of the  
Financial Statements** (Continued)

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Matters under the Relevant Disclosure  
Provisions of the Trust Deed and Appendix E of the  
SFC Code**

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

PricewaterhouseCoopers  
Certified Public Accountants

Hong Kong, 20 January 2023

**Statement of Responsibilities of the Manager and the Trustee**

**Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund is managed by the Manager in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto; and
- report to the unitholders for each annual accounting period on the conduct of the Manager in the management of the Fund.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 30 April 1979, as amended, for the year ended 30 September 2022.

Bank of East Asia (Trustees) Limited, Trustee

## Notes to the Financial Statements

### 1 The Fund

JPMorgan India Fund (the "Fund") was established under a Trust Deed dated 23 November 1989, as amended (the "Trust Deed") and is governed by the laws of the Republic of Mauritius. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

The investment objective of the Fund is to provide long-term capital growth through a portfolio consisting primarily (i.e. at least 70% of its total net asset value) of equity securities linked to the Indian economy. These include, but are not restricted to, securities traded on the stock exchanges of India and the rest of the Indian sub-continent including Pakistan, Bangladesh and Sri Lanka.

Pursuant to the Trust Deed, the Manager may decide to issue separate classes (each a "Class") whose assets will be commonly invested but where a specific fee structure, currency or distribution policy may be applied. Each Class may have a different charging structure with the result that the net asset value attributable to each Class may differ.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

### 2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### (a) Basis of preparation of financial statements

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

##### *Standards and amendments to existing standards effective from 1 October 2021*

There are no standards or amendments to existing standards that are effective for the first time for the financial year beginning 1 October 2021 that have had a material impact on the Fund.

##### *New standards, amendments and interpretations effective after 1 October 2021 and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 October 2021, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

#### (b) Investments and derivatives

##### *Classification*

The Fund classifies its investments and derivatives based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

Derivative contracts that have a negative fair value are presented as liabilities at fair value through profit or loss.

The Fund makes short sales in which a borrowed security is sold in anticipation of a decline in the market value of that security, or it may use short sales for various arbitrage transactions. Short sales are classified as financial liabilities at fair value through profit or loss.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

*Recognition, derecognition and measurement*

Purchases and sales of investments and derivatives are accounted for on the trade date basis. Investments and derivatives are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments and derivatives are recognized in the Statement of Comprehensive Income. Investments and derivatives are derecognized when the rights to receive cash flows from the investments and derivatives have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value. When trading of financial instruments in markets that are not considered to be active, the financial instruments are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

**(c) Securities borrowing**

The Fund may enter into securities borrowing arrangements for short sale purposes. Short positions represent obligations to deliver securities sold but not yet purchased, and are accounted for as investments and valued at their fair value. Securities borrowed during the year are off-balance sheet transactions and are therefore not included in the investment portfolio of the Fund. Collateral placed for the purpose of securities borrowed generally consist of cash collateral and are included in the Statement of Financial Position separately.

**(d) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(e) Income and expense**

Dividend income is recognized on the ex-dividend date with the corresponding foreign withholding tax recorded as an expense and is accounted for in the Statement of Comprehensive Income.

Interest income on investments is accounted for as part of net gains/losses on investments and derivatives in the Statement of Comprehensive Income.

Interest income on cash at banks and short-term deposits is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis.

**(f) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(g) Foreign currency translation***Functional and presentation currency*

The Fund has adopted United States dollar as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

**(h) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(i) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(j) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

**3 Number of units in issue and net assets attributable to holders of redeemable units (per unit)**2022

	USD Class (acc) Units

Net assets attributable to holders of redeemable units	<u>730,894,953</u>
--	--------------------

Net assets attributable to holders of redeemable units (per unit)	<u>336.06</u>
---	---------------

As at 30 September 2022, the Fund had US\$617,326,798 (2021: US\$730,894,953) of puttable financial instruments, represented by the net assets attributable to the holders of redeemable units (or "net asset value" or "net assets" or "NAV"), classified as equity.

The Fund's policies for managing its obligations for the holders of redeemable units of the Fund are included in Note 4(II) capital risk management.

4 Financial risk management

(l) Financial risk factors

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

(a) Market risk

(i) Market price risk

The Fund's investments and derivatives are subject to the market price risk inherent in all investments and derivatives i.e. the value of holdings may fall as well as rise. The Fund's market risk is managed through (i) deliberate stocks selection, and (ii) diversification of the investment portfolio in accordance with specific investment restrictions and guidelines.

The Investment Manager monitors the Fund's market price sensitivity primarily through the Beta of the Fund on a regular basis. Beta measures the statistical relationship between the return of the Fund and the relevant benchmark index chosen by the Investment Manager.

As at 30 September, the fair value of investments and derivatives and its estimated market sensitivity were as follows:

	2022		2021	
	Fair value of investments US\$	% of net assets	Fair value of investments US\$	% of net assets
Listed/Quoted Investments				
<u>Assets</u>				
Equities				
- Banks	120,995,387	19.7	132,036,414	18.1
- IT Services	92,399,585	15.0	118,659,641	16.2
- Automobiles	44,168,379	7.1	40,716,158	5.6
- Thrifts & Mortgage Finance	40,109,223	6.5	63,201,644	8.6
- Household Products	39,094,046	6.3	25,661,231	3.5
- Oil, Gas & Consumable Fuels	28,585,172	4.6	61,749,130	8.5
- Construction Materials	18,146,124	2.9	44,444,466	6.1
- Others	186,339,141	30.2	242,042,611	33.1
	<u>569,837,057</u>	<u>92.3</u>	<u>728,511,295</u>	<u>99.7</u>
Derivatives				
- Rights	-	-	366,675	0.0
	<u>569,837,057</u>	<u>92.3</u>	<u>728,877,970</u>	<u>99.7</u>

Also, refer to Note 9 for the exposures on derivatives.

	Net asset value US\$	Relevant benchmark index for the Fund (Note*)	Beta (Note**)	% of reasonable possible change of the relevant benchmark index (Note***)	Estimated impact on net asset value (Note****) US\$
As at 30 September 2022	<u>617,326,798</u>	MSCI India 10/40 Net	0.95	-9.6	<u>(56,300,204)</u>
As at 30 September 2021	<u>730,894,953</u>	MSCI India 10/40 Net	1.04	+57.0	<u>433,274,528</u>

If the relevant benchmark index return was to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

- \* Relevant benchmark index for the Fund represents the relevant market index used by the Investment Manager in monitoring the market price risk of the Fund.
- \*\* Beta measures the statistical relationship between the return of the Fund and the respective benchmark index over the maximum of past 36 months, or the number of months since portfolio inception. For funds launched within a period of less than 12 months, weekly returns of the Fund are used for calculating the Beta.
- \*\*\* % of reasonable possible change is based on the actual historical change in the benchmark index in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns. For funds launched within a period of less than 12 months, actual historical change in the benchmark index since the commencement of operations will be used to calculate the % of reasonable possible change.
- \*\*\*\* Estimated impact on net asset value of the Fund is calculated by applying the relevant Beta against the net asset value of the Fund multiplied by the % of reasonable possible change of the relevant benchmark index, assuming all other variables that may impact the net asset value of the Fund are held constant.

## (ii) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	2022 Less than 1 month US\$	2021 Less than 1 month US\$
Cash at banks	61,754,261	38,861,805
Total interest sensitivity gap	<u>61,754,261</u>	<u>38,861,805</u>

Any cash and cash equivalents are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

## (iii) Currency risk

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

	US\$ equivalent	% of reasonable possible change against US\$ (Note**)	Estimated impact on net asset value US\$
<u>2022</u>			
Hong Kong Dollar	5,963	-0.8	(48)
Indian Rupee	561,798,776	-8.8	(49,438,292)
	<u>561,804,739</u>		<u>(49,438,340)</u>
<u>2021</u>			
Hong Kong Dollar	7,758	-0.4	(31)
Indian Rupee	732,066,369	-0.6	(4,392,398)
	<u>732,074,127</u>		<u>(4,392,429)</u>

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

- \* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.
- \*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

#### (b) Credit risk

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment, amounts due from brokers or dividend and other accounts receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments and derivatives are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments and derivatives sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments and derivatives have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

The table below summarizes the credit rating of the banks/custodian which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties US\$	2021 Exposure to counterparties US\$
Bank balances		
S&P(AA)/Moody's(Aa)/FITCH(AA)	244,945	4,243,691
S&P(A)/Moody's(A)/FITCH(A)	61,509,316	34,618,114
Investment and derivative balances with custodian		
S&P(A)/Moody's(A)/FITCH(A)	569,837,057	728,877,970

#### (c) Liquidity risk

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in an active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	2022 Less than 1 month US\$	2021 Less than 1 month US\$
Amounts due to brokers	2,098,682	-
Amounts payable on redemption	2,471,309	12,300,203
Other accounts payable	989,558	1,147,072
Total financial liabilities	<u>5,559,549</u>	<u>13,447,275</u>

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

## (II) Capital risk management

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

## (III) Fair value estimation

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

Listed/Quoted Investments	Level 1 US\$	Level 2 US\$	Level 3 US\$	Total US\$
<u>2022</u>				
<u>Assets</u>				
Equities	569,837,057	-	-	569,837,057
Total financial assets at fair value through profit and loss	<u>569,837,057</u>	<u>-</u>	<u>-</u>	<u>569,837,057</u>

Listed/Quoted Investments	Level 1 US\$	Level 2 US\$	Level 3 US\$	Total US\$
<u>2021</u>				
<u>Assets</u>				
Equities	728,511,295	-	-	728,511,295
Derivatives	366,675	-	-	366,675
Total financial assets at fair value through profit and loss	<u>728,877,970</u>	<u>-</u>	<u>-</u>	<u>728,877,970</u>

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Investments classified within level 3 have significant unobservable inputs, as they trade infrequently.

There were no transfers between levels for the years ended 30 September 2022 and 2021.

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

## 5 Net (losses)/gains on investments and derivatives

	2022 US\$	2021 US\$
Change in unrealized gains/losses in value of investments and derivatives	(171,405,271)	192,389,851
Realized gains on sale of investments and derivatives	79,827,038	131,510,079
	<u>(91,578,233)</u>	<u>323,899,930</u>

## 6 Taxation

The amount of taxation charged to the Statement of Comprehensive Income represents:

	2022 US\$	2021 US\$
Capital gains tax - India	8,482,486	(27,369,035)
Withholding tax	(1,980,352)	(2,292,118)
Taxation	<u>6,502,134</u>	<u>(29,661,153)</u>

The movement in tax payable is as follows:

	2022 US\$	2021 US\$
At the beginning of the year	30,347,257	3,301,374
Taxation charged to the Statement of Comprehensive Income	(6,502,134)	29,661,153
Tax paid	(10,429,236)	(2,615,270)
Taxation	<u>13,415,887</u>	<u>30,347,257</u>

India Taxation

The Fund, which is regarded as taxable under Mauritius tax law, mainly invests in India and the Manager hopes to obtain benefits under the double taxation treaty signed by Mauritius with India. To obtain benefits under the double taxation treaty, the Fund must meet certain tests and conditions, including the establishment of Mauritius tax residence and related requirements. The Fund has obtained tax residence certifications ("TRC") from the Mauritian authorities for the year ended 30 September 2022 and 2021 and believes such certifications are determinative of its resident status for treaty purposes. The Fund which is tax resident in Mauritius under the treaty, but has no branch or permanent establishment in India, may be subject to tax on gains from the sale of listed investments in India and withholding tax on dividend derived from investments in equity securities and interest earned on debt securities.

As per the tax treaty between Mauritius and India, any dividend income received from an Indian company on or after 1 April 2020, should be taxable in India at the rate of 15% plus applicable surcharge and cess, subject to the Fund, holding a valid TRC issued by the Mauritius Revenue Authority, being eligible for treaty benefits and being compliant with the other provisions of the Indian domestic law and tax treaty.

The Governments of India and Mauritius signed a protocol amending the India-Mauritius tax treaty on 10 May 2016 altering the tax treatment of capital gains. As per the protocol, capital gains on alienation of equity shares held as on 31 March 2017 are exempt from tax, irrespective of the date of sale of such shares. However, effective 1 April 2019, India has the right to tax capital gains arising from alienation of shares acquired on or after 1 April 2017 and sold after 31 March 2019 at the full rate of tax rate under the domestic tax laws (there was a transitional period of 2 years between 1 April 2017 to 31 March 2019 which provided for taxation at a concessional rate of 50% of the domestic tax rates). There can be no assurance that any future changes to the India-Mauritius tax treaty or future interpretations of the India-Mauritius tax treaty will not adversely affect the tax position of the Fund in India.

Effective 1 April 2019, short-term capital gains arising from the sale of listed equity shares held for less than 12-months are taxed at 15% (plus applicable surcharge and cess) where Securities Transaction Tax has been charged. Long-term capital gains arising from the sale of listed equity shares held for more than 12-months are taxed at 10% (plus applicable surcharge and cess). As at 30 September 2022 and 2021, the Fund has made a tax provision for both net realized and unrealized short-term gains and long-term gains.

Mauritius Taxation

The Fund is subject to income tax in Mauritius on its chargeable income at 15% (2021: 15%). The Fund which holds a Category 1 Global Business Licence ("GBL") is entitled to deemed foreign tax credits. Pursuant to the enactment of the Finance Act 2018 of Mauritius, with effect as from 1 January 2019, the deemed foreign tax credit regime was phased out with the implementation of a new partial exemption regime. The Fund which had obtained GBL before 16 October 2017 is grandfathered and continues to benefit from the deemed foreign tax credit regime up to 30 June 2021. Hence, the Fund is entitled to the deemed foreign tax credit equivalent to 80% (2021: 80%) of the Mauritian tax on its foreign source income resulting in an effective tax rate of 3%. Capital gains of the Fund are exempt from tax in Mauritius. There is no withholding tax payable in Mauritius on the Fund's distribution to unitholders.

Post 30 June 2021, the Fund will be entitled to either a foreign tax credit equivalent to the actual foreign tax suffered or an exemption of 80% of the Mauritius tax on some of the foreign sourced income derived, including but not limited to foreign source dividends or interest income, subject to meeting certain prescribed conditions.

No actual tax expense was incurred for the years ended 30 September 2022 and 2021. The reconciliation between the actual tax expense and the theoretical tax calculated at the applicable rate of 15% (2021: 15%) for the year ended is as follows:

	2022 US\$	2021 US\$
(Loss)/profit before taxation	(96,141,878)	320,395,364
Theoretical tax at the applicable rate of 15%	(14,421,282)	48,059,305
Non-taxable income	(11,974,056)	(48,584,990)
Non-allowable expenses	27,460,298	1,849,064
Non-tax deductible losses	-	79,333
Foreign tax credit	(1,064,960)	(1,402,712)
Actual tax expense	-	-
Underprovision of tax	-	-
Tax expense	-	-

The foregoing is based on current interpretation and practice and is subject to any future changes in tax laws of Mauritius and of the countries in which the Fund has invested and in the tax treaties between Mauritius and these countries.

Hong Kong Taxation

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

**7 Transactions with the Trustee, the Manager and their Connected Persons**

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

(a) Investment transactions with Connected Persons of the Trustee and the Manager are set out below:

Name of company	Aggregate value of purchases and sales of investments US\$	% of the Fund's total aggregate value of transactions	Commission paid US\$	% of the Fund's total commission paid in the year	Average commission rate %
<u>2022</u>					
HSBC Securities and Capital Markets (India) Private Limited	28,579,756	6.81	31,920	10.70	0.11
J.P. Morgan India Private Limited	30,320,624	7.22	12,406	4.16	0.04

2021

HSBC Securities and Capital Markets (India) Private Limited	14,785,026	3.14	15,198	3.96	0.10
J.P. Morgan India Private Limited	12,496,307	2.66	8,646	2.25	0.07

(b) Balances with the Manager and its Connected Persons as at year end:

	2022 US\$	2021 US\$
Cash at banks	244,945	4,243,691
Amounts receivable	-	6
Amounts payable	(894,620)	(1,027,741)

(c) During the year ended 30 September 2022, the income accruing to the Manager relating to allotments and redemptions in the Fund, net of commission paid to agents, amounted to US\$7,458 (2021: US\$11,216).

(d) Management fee of 1.5% per annum of the net asset value of the Fund is paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears.

The Investment Manager also receives a valuation fee of US\$40 per valuation if the Fund's net asset value is larger than US\$5 million but smaller than US\$20 million, or US\$70 per valuation if the Fund's net asset value is larger than US\$20 million.

(e) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.

(f) Trustee's fee of 0.06% per annum of the net asset value of the Fund for the first US\$40 million, 0.04% per annum for the balance from US\$40 million to US\$70 million, and 0.025% per annum for the balance in excess of US\$70 million is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.

(g) JPMorgan Funds (Asia) Limited, the registrar agent and Manager, receives a registrar's fee which varies depending on the number of unitholders in the Fund and the number of transactions which occur. The range agreed with the Trustee is between 0.015% and 0.5% per annum of the Fund's net asset value. The registrar's fee is payable quarterly in arrears.

- (h) During the years ended 30 September 2022 and 2021, in addition to the management fee, valuation fee and registrar's fee as disclosed in Note 7(d) and 7(g), respective amounts received from/(paid to) the Manager, JPMorgan Funds (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	382	266
Transaction costs	(12,406)	(8,646)
Safe custody and bank charges	(21,046)	(1,919)

- (i) During the years ended 30 September 2022 and 2021, in addition to the trustee's fee as disclosed in Note 7(f), respective amounts received from/(paid to) the Trustee, HSBC Institutional Trust Services (Mauritius) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	374	19
Other operating expenses	-	(148)
Transaction costs	(38,160)	(18,878)
Safe custody and bank charges	(168,217)	(206,812)

## 8 Soft dollar arrangements/Commission sharing arrangements

The Investment Manager has entered into soft dollar arrangements/commission sharing arrangements with brokers under which certain goods and services used to support investment decision making are received by the Investment Manager. A portion of the transaction commission paid by the Fund is retained by the brokers as compensation for the goods and services.

The goods and services must be of demonstrable benefit to the Fund and would be limited to research and advisory services.

During the year ended 30 September 2022, the Investment Manager obtained the services through soft dollar arrangements/commission sharing arrangements on transactions amounting to US\$315,075,121 (2021: US\$248,035,978). Commission which amounted to US\$34,830 (2021: US\$62,532) is paid from the fund on these transactions.

## 9 Derivatives

Details of rights as at 30 September were as follows:

	Underlying assets	Issuer	Fair value US\$
<u>2022</u>			
Nil			
<u>2021</u>			
Bharti Airtel Rights 12/49	Bharti Airtel	Bharti Airtel	<u>366,675</u>

## 10 Distribution

No distribution was made during the year (2021: nil).

**Independent Auditor's Report**

To the Unitholders of JPMorgan India Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan India Fund, which are set out on pages 440 to 453, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing ("ISAs"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards) issued by the International Ethics Standards Board for Accountants (the "IESBA Code"). We have fulfilled our other ethical responsibilities in accordance with the IESBA Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises the investment portfolio, the statement of movements in portfolio holdings, the information on exposure arising from financial derivative instruments, the statement of responsibilities of the Manager and the Trustee, the report of the Trustee to the unitholders and the management and administration but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

**Other Information (Continued)**

If, based on the work we have performed on the other information, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 23 November 1989, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report** (Continued)

To the Unitholders of JPMorgan India Fund (the "Fund")

**Auditor's Responsibilities for the Audit of the  
Financial Statements** (Continued)

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Other Legal and Regulatory Requirements**

We report that the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

**Statement of Responsibilities of the Manager and the Trustee****Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund in all material respects is managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto (as far as reasonably practicable); and
- report to the unitholders for each annual accounting period should the Manager not manage the Fund in accordance with the Trust Deed.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 23 November 1989, as amended, for the year ended 30 September 2022.

**UK Tax Information**

The Fund is transparent for UK income tax purposes and information has been provided to UK investors of the amount of their share of the underlying income, expenses and overseas tax suffered for all financial years from 1 October 2010. Although the Fund is an "offshore fund" for UK tax purposes, there is no need to formally apply for "reporting fund status" as the Fund is considered transparent by HMRC and does not invest more than 5% of its assets in other offshore funds which are not themselves reporting funds. Therefore it is known as a "special category transparent offshore fund" and considered out of scope of the requirements of the offshore fund regime. The principal effect of this is that for unitholders resident in the UK for taxation purposes, any gains accruing on the sale, redemption or other disposal of units during the period will be taxed in the UK as a capital gain and not as income. The Fund has previously been certified by HMRC in the UK as a "distributing fund" in respect of the period from 23 November 1989 to 30 September 2010.

## Notes to the Financial Statements

### 1 The Fund

JPMorgan India Smaller Companies Fund (the "Fund") was established under a Trust Deed dated 13 April 2006, as amended (the "Trust Deed") and is governed by the laws of the Republic of Mauritius. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

The investment objective of the Fund is to provide investors with long-term capital growth by investing primarily (i.e. at least 70% of its total net asset value) in equity securities of small to medium-sized companies in India.

Pursuant to the Trust Deed, the Manager may decide to issue separate classes (each a "Class") whose assets will be commonly invested but where a specific fee structure, currency or distribution policy may be applied. Each Class may have a different charging structure with the result that the net asset value attributable to each Class may differ.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

### 2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### (a) Basis of preparation of financial statements

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

*Standards and amendments to existing standards effective from 1 October 2021*

There are no standards or amendments to existing standards that are effective for the first time for the financial year beginning 1 October 2021 that have had a material impact on the Fund.

*New standards, amendments and interpretations effective after 1 October 2021 and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 October 2021, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

#### (b) Investments and derivatives

##### *Classification*

The Fund classifies its investments and derivatives based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

Derivative contracts that have a negative fair value are presented as liabilities at fair value through profit or loss.

The Fund makes short sales in which a borrowed security is sold in anticipation of a decline in the market value of that security, or it may use short sales for various arbitrage transactions. Short sales are classified as financial liabilities at fair value through profit or loss.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

##### *Recognition, derecognition and measurement*

Purchases and sales of investments and derivatives are accounted for on the trade date basis. Investments and derivatives are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments and derivatives are recognized in the Statement of Comprehensive Income. Investments and derivatives are derecognized when the rights to receive cash flows from the investments and derivatives have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value. When trading of financial instruments in markets that are not considered to be active, the financial instruments are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

**(c) Securities borrowing**

The Fund may enter into securities borrowing arrangements for short sale purposes. Short positions represent obligations to deliver securities sold but not yet purchased, and are accounted for as investments and valued at their fair value. Securities borrowed during the year are off-balance sheet transactions and are therefore not included in the investment portfolio of the Fund. Collateral placed for the purpose of securities borrowed generally consist of cash collateral and are included in the Statement of Financial Position separately.

**(d) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(e) Income and expense**

Dividend income is recognized on the ex-dividend date with the corresponding foreign withholding tax recorded as an expense and is accounted for in the Statement of Comprehensive Income.

Interest income on investments is accounted for as part of net gains/losses on investments and derivatives in the Statement of Comprehensive Income.

Interest income on cash at banks and short-term deposits is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis.

**(f) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(g) Foreign currency translation***Functional and presentation currency*

The Fund has adopted United States dollar as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

**(h) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(i) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(j) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

**3 Number of units in issue and net assets attributable to holders of redeemable units (per unit)**

2022

	USD Class (acc) Units
Number of units in issue:	
At the beginning of the year	3,756,663.321
Total allotments	891,617.863
Total redemptions	(466,163.625)
At the end of the year	<u>4,182,117.559</u>
	US\$
Net assets attributable to holders of redeemable units	<u>117,013,616</u>
Net assets attributable to holders of redeemable units (per unit)	<u>27.98</u>

2021

	USD Class (acc)
	Units
Number of units in issue:	
At the beginning of the year	3,535,416.122
Total allotments	636,151.482
Total redemptions	(414,904.283)
At the end of the year	<u>3,756,663.321</u>
	US\$
Net assets attributable to holders of redeemable units	<u>119,745,997</u>
Net assets attributable to holders of redeemable units (per unit)	<u>31.88</u>

As at 30 September 2022, the Fund had US\$117,013,616 (2021: US\$119,745,997) of puttable financial instruments, represented by the net assets attributable to the holders of redeemable units (or "net asset value" or "net assets" or "NAV"), classified as equity.

The Fund's policies for managing its obligations for the holders of redeemable units of the Fund are included in Note 4(II) capital risk management.

#### **4 Financial risk management**

##### **(I) Financial risk factors**

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

##### **(a) Market risk**

##### **(i) Market price risk**

The Fund's investments and derivatives are subject to the market price risk inherent in all investments and derivatives i.e. the value of holdings may fall as well as rise. The Fund's market risk is managed through (i) deliberate stocks selection and (ii) diversification of the investment portfolio in accordance with specific investment restrictions and guidelines.

As at 30 September, the fair value of investments and derivatives and its estimated market sensitivity were as follows:

Listed/Quoted Investments	2022		2021	
	Fair value of investments US\$	% of net assets	Fair value of investments US\$	% of net assets
<b>Assets</b>				
<b>Equities</b>				
- Health Care Providers & Services	10,812,759	9.2	10,876,355	9.1
- Air Freight & Logistics	8,515,509	7.3	9,006,559	7.5
- Business Support Services	7,995,186	6.8	-	-
- Capital Markets	7,887,425	6.7	14,173,954	11.8
- Real Estate Management & Development	7,510,177	6.4	4,704,159	4.0
- Electrical Equipment	7,488,010	6.4	3,155,052	2.6
- Machinery	4,117,752	3.5	10,258,898	8.6
- Professional Services	4,034,859	3.5	7,634,075	6.4
- Consumer Finance	3,606,579	3.1	7,104,803	5.9
- Others	47,229,273	40.4	38,840,950	32.4
<b>Total Listed/Quoted Investments</b>	<b>109,197,529</b>	<b>93.3</b>	<b>105,754,805</b>	<b>88.3</b>

The Investment Manager monitors the Fund's market price sensitivity primarily through the Fund's volatility, which helps to describe the likely range of the Fund's return, on a regular basis. In statistical terms, it is the standard deviation of the return distribution. Greater volatility of monthly fund returns means that there is a wider range of likely returns in the future, or greater uncertainty regarding the fund returns. Most investors would equate this greater uncertainty with greater risk.

The table below summarizes the volatility of the Fund expressed in annual terms and the estimated impact on the net asset value.

	2022	2021
Annual volatility (Note*)	23.03%	23.95%

If the above volatility were to be applied to the Fund's net asset value as at 30 September 2022 of US\$117,013,616 (2021: US\$119,745,997) and assuming that the Fund's returns are normally distributed with its mean return equals to nil and with one standard deviation away from the mean return (i.e. a probability of 68%), the estimated reasonable possible change in the Fund's net asset value would be between US\$90,065,380 and US\$143,961,852; or within +/- US\$26,948,236 (2021: between US\$91,066,831 and US\$148,425,163; or within +/- US\$28,679,166) over a twelve-month period based on the Fund's historical annual volatility percentage as a result of the market price fluctuation, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

- \* Volatility is calculated based on the monthly Fund's returns over the maximum of past 36 months or the number of months since portfolio inception. For funds launched within a period of less than 12 months, volatility is calculated based on the weekly Fund's returns since the Fund's launch. Volatility is expressed in annual volatility by applying the square root of time adjustment. Volatility may not cover stressed market events, nor represent the Investment Manager's forecast of the Fund's range of future returns.

(ii) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	2022 Less than 1 month US\$	2021 Less than 1 month US\$
Cash at banks	10,969,655	18,717,647
Total interest sensitivity gap	<u>10,969,655</u>	<u>18,717,647</u>

Any cash and cash equivalents are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

(iii) Currency risk

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

	US\$ equivalent	% of reasonable possible change against US\$ (Note**)	Estimated impact on net asset value US\$
<u>2022</u>			
Hong Kong Dollar	158	-0.8	(1)
Indian Rupee	103,423,170	-8.8	(9,101,239)
Singapore Dollar	3,134,048	-5.4	(169,239)
	<u>106,557,376</u>		<u>(9,270,479)</u>
<u>2021</u>			
Hong Kong Dollar	5,083	-0.4	(20)
Indian Rupee	106,148,732	-0.6	(636,892)
Singapore Dollar	2,978,116	+0.6	17,869
	<u>109,131,931</u>		<u>(619,043)</u>

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

(b) Credit risk

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment, amounts due from brokers or dividend and other accounts receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

The table below summarizes the credit rating of the banks/custodian which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties US\$	2021 Exposure to counterparties US\$
Bank balances		
S&P(AA)/Moody's(Aa)/FITCH(AA)	234,457	1,926,851
S&P(A)/Moody's(A)/FITCH(A)	10,735,198	16,790,796
Investment balances with custodian		
S&P(A)/Moody's(A)/FITCH(A)	<u>109,197,529</u>	<u>105,754,805</u>

(c) Liquidity risk

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in an active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	2022 Less than 1 month US\$	2021 Less than 1 month US\$
Amounts due to brokers	2,119,245	2,459,342
Amounts payable on redemption	116,900	240,658
Other accounts payable	193,906	192,560
Total financial liabilities	<u>2,430,051</u>	<u>2,892,560</u>

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

**(II) Capital risk management**

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

**(III) Fair value estimation**

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

Listed/Quoted Investments	Level 1 US\$	Level 2 US\$	Level 3 US\$	Total US\$
<u>2022</u>				
<u>Assets</u>				
Equities	109,197,529	-	-	109,197,529
Total financial assets at fair value through profit and loss	<u>109,197,529</u>	<u>-</u>	<u>-</u>	<u>109,197,529</u>
<u>2021</u>				
<u>Assets</u>				
Equities	105,754,805	-	-	105,754,805
Total financial assets at fair value through profit and loss	<u>105,754,805</u>	<u>-</u>	<u>-</u>	<u>105,754,805</u>

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Investments classified within level 3 have significant unobservable inputs, as they trade infrequently.

There were no transfers between levels for the years ended 30 September 2022 and 2021.

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

**5 Net (losses)/gains on investments and derivatives**

	2022 US\$	2021 US\$
Change in unrealized gains/losses in value of investments and derivatives	(34,719,099)	35,245,450
Realized gains on sale of investments and derivatives	18,469,443	10,951,368
	<u>(16,249,656)</u>	<u>46,196,818</u>

**6 Taxation**

The amount of taxation charged to the Statement of Comprehensive Income represents:

	2022 US\$	2021 US\$
Capital gains tax – India	1,176,169	(3,562,319)
Income tax credit – Mauritius	-	371
Withholding tax	(235,601)	(191,856)
Taxation	<u>940,568</u>	<u>(3,753,804)</u>

The movement in tax payable is as follows:

	2022 US\$	2021 US\$
At the beginning of the year	3,947,788	668,178
Taxation charged to the Statement of Comprehensive Income	(940,568)	3,753,804
Tax paid	(1,242,094)	(474,194)
Taxation	<u>1,765,126</u>	<u>3,947,788</u>

India Taxation

The Fund, which is regarded as taxable under Mauritius tax law, mainly invests in India and the Manager hopes to obtain benefits under the double taxation treaty signed by Mauritius with India. To obtain benefits under the double taxation treaty, the Fund must meet certain tests and conditions, including the establishment of Mauritius tax residence and related requirements. The Fund has obtained tax residence certifications ("TRC") from the Mauritian authorities for the year ended 30 September 2022 and 2021 and believes such certifications are determinative of its resident status for treaty purposes. The Fund which is tax resident in Mauritius under the treaty, but has no branch or permanent establishment in India, may be subject to tax on gains from the sale of listed investments in India and withholding tax on dividend derived from investments in equity securities and interest earned on debt securities.

As per the tax treaty between Mauritius and India, any dividend income received from an Indian company on or after 1 April 2020, should be taxable in India at the rate of 15% plus applicable surcharge and cess, subject to the Fund, holding a valid TRC issued by the Mauritius Revenue Authority, being eligible for treaty benefits and being compliant with the other provisions of the Indian domestic law and tax treaty.

The Governments of India and Mauritius signed a protocol amending the India-Mauritius tax treaty on 10 May 2016 altering the tax treatment of capital gains. As per the protocol, capital gains on alienation of equity shares held as on 31 March 2017 are exempt from tax, irrespective of the date of sale of such shares. However, effective 1 April 2019, India has the right to tax capital gains arising from alienation of shares acquired on or after 1 April 2017 and sold after 31 March 2019 at the full rate of tax under the domestic tax laws (there was a transitional period of 2 years between 1 April 2017 to 31 March 2019 which provided for taxation at a concessional rate of 50% of the domestic tax rates). There can be no assurance that any future changes to the India-Mauritius tax treaty or future interpretations of the India-Mauritius tax treaty will not adversely affect the tax position of the Fund in India.

Effective 1 April 2019, short-term capital gains arising from the sale of listed equity shares held for less than 12-months are taxed at 15% (plus applicable surcharge and cess) where Securities Transaction Tax has been charged. Long-term capital gains arising from the sale of listed equity shares held for more than 12-months are taxed at 10% (plus applicable surcharge and cess). As at 30 September 2022 and 2021, the Fund has made a tax provision for both net realized and unrealized short-term and long-term gains.

Mauritius Taxation

The Fund is subject to income tax in Mauritius on its chargeable income at 15% (2021: 15%). The Fund which holds a Category 1 Global Business Licence ("GBL") is entitled to deemed foreign tax credits. Pursuant to the enactment of the Finance Act 2018 of Mauritius, with effect as from 1 January 2019, the deemed foreign tax credit regime was phased out with the implementation of a new partial exemption regime. The Fund which had obtained GBL before 16 October 2017 is grandfathered and continues to benefit from the deemed foreign tax credit regime up to 30 June 2021. Hence, the Fund is entitled to the deemed foreign tax credit equivalent to 80% (2021: 80%) of the Mauritian tax on its foreign source income resulting in an effective tax rate of 3%. Capital gains of the Fund are exempt from tax in Mauritius. There is no withholding tax payable in Mauritius on the Fund's distribution to unitholders.

Post 30 June 2021, the Fund will be entitled to either a foreign tax credit equivalent to the actual foreign tax suffered or an exemption of 80% of the Mauritius tax on some of the foreign sourced income derived, including but not limited to foreign source dividends or interest income, subject to meeting certain prescribed conditions.

No actual tax expense was incurred for the years ended 30 September 2022 and 2021. The reconciliation between the actual tax expense and the theoretical tax calculated at the applicable rate of 15% (2021: 15%) for the year ended is as follows:

	2022 US\$	2021 US\$
(Loss)/profit before taxation	(17,315,207)	45,559,943
Theoretical tax at the applicable rate of 15%	(2,597,281)	6,833,991
Non-taxable income	(2,770,416)	(6,929,523)
Non-allowable expenses	5,578,032	221,428
Non-tax deductible losses	-	1,562
Foreign tax credit	(210,335)	(127,458)
Actual tax expense	-	-
Underprovision of tax	-	(371)
Tax credit	-	(371)

The foregoing is based on current interpretation and practice and is subject to any future changes in tax laws of Mauritius and of the countries in which the Fund has invested and in the tax treaties between Mauritius and these countries.

Hong Kong Taxation

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

7 Transactions with the Trustee, the Manager and their Connected Persons

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

(a) Investment transactions with Connected Persons of the Trustee and the Manager are set out below:

Name of company	Aggregate value of purchases and sales of investments US\$	% of the Fund's total aggregate value of transactions	Commission paid US\$	% of the Fund's total commission paid in the year	Average commission rate %
<u>2022</u>					
HSBC Securities and Capital Markets (India) Private Limited	12,920	0.01	14	0.02	0.11
J.P. Morgan India Private Limited	7,025,159	6.43	5,177	6.09	0.07
<u>2021</u>					
HSBC Securities and Capital Markets (India) Private Limited	92,377	0.34	148	0.82	0.16
J.P. Morgan India Private Limited	1,181,515	4.29	624	3.48	0.05
J.P. Morgan Securities (Asia Pacific) Limited	424,240	1.54	509	2.84	0.12

(b) Balances with the Manager and its Connected Persons as at year end:

	2022 US\$	2021 US\$
Cash at banks	234,457	1,926,851
Amounts receivable	-	711,950
Amounts payable	(283,148)	(159,622)

(c) During the year ended 30 September 2022, the income accruing to the Manager relating to allotments and redemptions in the Fund, net of commission paid to agents, amounted to US\$3,977 (2021: US\$5,575).

(d) Management fee of 1.5% per annum of the net asset value of the Fund is paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears.

The Manager also receives a valuation fee of US\$40 per valuation if the Fund's net asset value is larger than US\$5 million but smaller than US\$20 million, or US\$70 per valuation if the Fund's net asset value is larger than US\$20 million.

(e) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.

(f) Trustee's fee of 0.06% per annum of the net asset value of the Fund for the first US\$40 million, 0.04% per annum for the balance from US\$40 million to US\$70 million, and 0.025% per annum for the balance in excess of US\$70 million is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.

(g) JPMorgan Funds (Asia) Limited, the registrar agent and Manager, receives a registrar's fee which varies depending on the number of unitholders in the Fund and the number of transactions which occur. The range agreed with the Trustee is between 0.015% and 0.5% per annum of the Fund's net asset value. The registrar's fee is payable quarterly in arrears.

- (h) During the years ended 30 September 2022 and 2021, in addition to the management fee, valuation fee and registrar's fee as disclosed in Note 7(d) and 7(g), respective amounts received from/(paid to) the Manager, JPMorgan Funds (Asia) Limited, and its Connected Persons were as follows:

	2022	2021
	US\$	US\$
Interest on deposits	170	96
Safe custody and bank charges	(4,614)	(3,626)
Transaction costs	(5,177)	(1,133)
	<u>(9,617)</u>	<u>(4,663)</u>

- (i) During the years ended 30 September 2022 and 2021, in addition to the trustee's fee as disclosed in Note 7(f), respective amounts received from/(paid to) the Trustee, HSBC Institutional Trust Services (Mauritius) Limited, and its Connected Persons were as follows:

	2022	2021
	US\$	US\$
Interest on deposits	832	19
Other operating expenses	-	(148)
Interest expense	(1,106)	-
Transaction costs	(7,809)	(2,228)
Safe custody and bank charges	(70,259)	(50,397)
	<u>(78,342)</u>	<u>(52,646)</u>

## 8 Borrowings

During the year ended 30 September 2022, the Fund has unsecured short-term bank borrowings with The Hongkong and Shanghai Banking Corporation Limited, a Connected Person of the Trustee. All bank borrowings have a duration of less than 7 days. All such transactions are entered into in the ordinary course of business and on normal commercial terms. The Fund has no bank borrowing during the year ended 30 September 2021.

## 9 Soft dollar arrangements/Commission sharing arrangements

The Investment Manager has entered into soft dollar arrangements/commission sharing arrangements with brokers under which certain goods and services used to support investment decision making are received by the Investment Manager. A portion of the transaction commission paid by the Fund is retained by the brokers as compensation for the goods and services.

The goods and services must be of demonstrable benefit to the Fund and would be limited to research and advisory services.

During the year ended 30 September 2022, the Investment Manager obtained the services through soft dollar arrangements/commission sharing arrangements on transactions amounting to US\$86,310,111 (2021: US\$18,660,302). Commission which amounted to US\$8,876 (2021: US\$3,270) is paid from the Fund on these transactions.

## 10 Distribution

No distribution was made during the year (2021: nil).

**Independent Auditor's Report**

To the Unitholders of JPMorgan India Smaller Companies Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan India Smaller Companies Fund, which are set out on pages 460 to 473, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing ("ISA"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Independence**

We are independent of the Fund in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards) issued by the International Ethics Standards Board for Accountants (the "IESBA Code"). We have fulfilled our other ethical responsibilities in accordance with the IESBA Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises the investment portfolio, the statement of movements in portfolio holdings, the statement of responsibilities of the Manager and the Trustee, the report of the Trustee to the unitholders and the management and administration but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

**Other Information (Continued)**

If, based on the work we have performed on the other information, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 13 April 2006, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report** (Continued)

To the Unitholders of JPMorgan India Smaller Companies Fund  
(the "Fund")

**Auditor's Responsibilities for the Audit of the  
Financial Statements** (Continued)

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Other Legal and Regulatory Requirements**

We report that the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

Robert Coutet, Licensed by FRC  
PricewaterhouseCoopers

20 January 2023

**Statement of Responsibilities of the Manager and the Trustee**

**Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund in all material respects is managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto (as far as reasonably practicable); and
- report to the unitholders for each annual accounting period should the Manager not manage the Fund in accordance with the Trust Deed.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 13 April 2006, as amended, for the year ended 30 September 2022.

HSBC Institutional Trust Services (Mauritius) Limited, Trustee

## Notes to the Financial Statements

### 1 The Fund

JPMorgan Indonesia Fund (the "Fund") was established under a Trust Deed dated 19 September 2006, as amended (the "Trust Deed") and is governed by the laws of Hong Kong. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

The investment objective of the Fund is to provide investors with long-term capital appreciation through a portfolio consisting primarily (i.e. at least 70% of its total net asset value) of equity securities linked to the Indonesian economy. These include, but are not restricted to, securities traded on the stock exchanges of Indonesia.

Pursuant to the Trust Deed, the Manager may decide to issue separate classes (each a "Class") whose assets will be commonly invested but where a specific fee structure, currency or distribution policy may be applied. Each Class may have a different charging structure with the result that the net asset value attributable to each Class may differ.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

### 2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### (a) Basis of preparation of financial statements

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

#### *Standards and amendments to existing standards effective from 1 October 2021*

There are no standards or amendments to existing standards that are effective for the first time for the financial year beginning 1 October 2021 that have had a material impact on the Fund.

#### *New standards, amendments and interpretations effective after 1 October 2021 and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 October 2021, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

#### (b) Investments and derivatives

##### *Classification*

The Fund classifies its investments and derivatives based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

Derivative contracts that have a negative fair value are presented as liabilities at fair value through profit or loss.

The Fund makes short sales in which a borrowed security is sold in anticipation of a decline in the market value of that security, or it may use short sales for various arbitrage transactions. Short sales are classified as financial liabilities at fair value through profit or loss.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

*Recognition, derecognition and measurement*

Purchases and sales of investments and derivatives are accounted for on the trade date basis. Investments and derivatives are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments and derivatives are recognized in the Statement of Comprehensive Income. Investments and derivatives are derecognized when the rights to receive cash flows from the investments and derivatives have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

**(c) Securities borrowing**

The Fund may enter into securities borrowing arrangements for short sale purposes. Short positions represent obligations to deliver securities sold but not yet purchased, and are accounted for as investments and valued at their fair value. Securities borrowed during the year are off-balance sheet transactions and are therefore not included in the investment portfolio of the Fund. Collateral placed for the purpose of securities borrowed generally consist of cash collateral and are included in the Statement of Financial Position separately.

**(d) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(e) Income and expense**

Dividend income is recognized on the ex-dividend date with the corresponding foreign withholding tax recorded as an expense and is accounted for in the Statement of Comprehensive Income.

Interest income on investments is accounted for as part of net gains/losses on investments and derivatives in the Statement of Comprehensive Income.

Interest income on cash at banks and short-term deposits is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis.

**(f) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(g) Foreign currency translation***Functional and presentation currency*

The Fund has adopted United States dollar as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

**(h) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(i) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(j) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

**3 Number of units in issue and net assets attributable to holders of redeemable units (per unit)**2022

	USD Class (acc) Units
Number of units in issue:	
At the beginning of the year	1,071,502.979

2021

	USD Class (acc) Units
Number of units in issue:	
At the beginning of the year	1,338,395.406
Total allotments	193,999.954
Total redemptions	(460,892.381)
At the end of the year	<u>1,071,502.979</u>

US\$

Net assets attributable to holders of redeemable units	<u>27,947,211</u>
Net assets attributable to holders of redeemable units (per unit)	<u>26.08</u>

As at 30 September 2022, the Fund had US\$27,855,697 (2021: US\$27,947,211) of puttable financial instruments, represented by the net assets attributable to the holders of redeemable units (or "net asset value" or "net assets" or "NAV"), classified as equity.

The Fund's policies for managing its obligations for the holders of redeemable units of the Fund are included in Note 4(II) capital risk management.

**4 Financial risk management****(I) Financial risk factors**

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

## (a) Market risk

## (i) Market price risk

The Fund's investments and derivatives are subject to the market price risk inherent in all investments and derivatives i.e. the value of holdings may fall as well as rise. The Fund's market risk is managed through (i) deliberate stocks selection, and (ii) diversification of the investment portfolio in accordance with specific investment restrictions and guidelines.

The Investment Manager monitors the Fund's market price sensitivity primarily through the Beta of the Fund on a regular basis. Beta measures the statistical relationship between the return of the Fund and the relevant benchmark index chosen by the Investment Manager.

As at 30 September, the fair value of investments and derivatives and its estimated market sensitivity were as follows:

	2022		2021	
	Fair value of investments US\$	% of net assets	Fair value of investments US\$	% of net assets
Listed/Quoted Investments				
<b>Assets</b>				
Equities				
- Banks	9,203,005	33.0	9,333,421	33.4
- Diversified Telecommunication Services	2,924,621	10.5	3,494,487	12.5
- Food Products	2,519,042	9.0	2,748,584	9.8
- Oil, Gas & Consumable Fuels	2,324,393	8.3	1,363,336	4.9
- Automobiles	2,245,430	8.1	2,310,288	8.3
- Others	7,953,586	28.6	8,704,275	31.1
Total Listed/Quoted Investments	<u>27,170,077</u>	<u>97.5</u>	<u>27,954,391</u>	<u>100.0</u>

	Net asset value US\$	Relevant benchmark index for the Fund (Note*)	Beta (Note**)	% of reasonable possible change of the relevant benchmark index (Note***)	Estimated impact on net asset value (Note****) US\$
As at 30 September 2022	<u>27,855,697</u>	MSCI Indonesia IMI Capped to 8% Net	1.01	+8.0	<u>2,250,740</u>
As at 30 September 2021	<u>27,947,211</u>	MSCI Indonesia IMI Capped to 8% Net	1.00	+28.5	<u>7,964,955</u>

If the relevant benchmark index return was to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Relevant benchmark index for the Fund represents the relevant market index used by the Investment Manager in monitoring the market price risk of the Fund.

\*\* Beta measures the statistical relationship between the return of the Fund and the respective benchmark index over the maximum of past 36 months, or the number of months since portfolio inception. For funds launched within a period of less than 12 months, weekly returns of the Fund are used for calculating the Beta.

\*\*\* % of reasonable possible change is based on the actual historical change in the benchmark index in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns. For funds launched within a period of less than 12 months, actual historical change in the benchmark index since the commencement of operations will be used to calculate the % of reasonable possible change.

\*\*\*\* Estimated impact on net asset value of the Fund is calculated by applying the relevant Beta against the net asset value of the Fund multiplied by the % of reasonable possible change of the relevant benchmark index, assuming all other variables that may impact the net asset value of the Fund are held constant.

**(ii) Interest rate risk**

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	2022 Less than 1 month US\$	2021 Less than 1 month US\$
Cash at banks	650,999	302,336
Short-term bank loans - unsecured	-	(200,000)
Total interest sensitivity gap	<u>650,999</u>	<u>102,336</u>

Any cash and cash equivalents are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

**(iii) Currency risk**

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

	US\$ equivalent	% of reasonable possible change against US\$ (Note**)	Estimated impact on net asset value US\$
Net currency exposures (Note*)			
<u>2022</u>			
Australian Dollar	321	-11.0	(35)
Hong Kong Dollar	866	-0.8	(7)
Indonesian Rupiah	27,472,371	-6.0	(1,648,342)
Singapore Dollar	348	-5.4	(19)
	<u>27,473,906</u>		<u>(1,648,403)</u>
<u>2021</u>			
Australian Dollar	297,174	+0.8	2,377
Hong Kong Dollar	225	-0.4	(1)
Indonesian Rupiah	27,452,826	+4.0	1,098,113
Singapore Dollar	893	+0.6	5
	<u>27,751,118</u>		<u>1,100,494</u>

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

### (b) Credit risk

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment or interest receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

The table below summarizes the credit rating of the banks/custodian which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties US\$	2021 Exposure to counterparties US\$
Bank balances		
S&P(AA)/Moody's(Aa)/FITCH(AA)	235,036	15,070
S&P(A)/Moody's(A)/FITCH(A)	415,963	287,266
Investment balances with custodian		
S&P(A)/Moody's(A)/FITCH(A)	<u>27,170,077</u>	<u>27,954,391</u>

### (c) Liquidity risk

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in an active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	2022 Less than 1 month US\$	2021 Less than 1 month US\$
Short-term bank loans - unsecured	-	200,000
Amounts payable on redemption	41,989	139,029
Other accounts payable	63,962	59,324
Total financial liabilities	<u>105,951</u>	<u>398,353</u>

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

**(II) Capital risk management**

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

**(III) Fair value estimation**

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

Listed/Quoted Investments	Level 1 US\$	Level 2 US\$	Level 3 US\$	Total US\$
<u>2022</u>				
<u>Assets</u>				
Equities	27,170,077	-	-	27,170,077
Total financial assets at fair value through profit and loss	<u>27,170,077</u>	<u>-</u>	<u>-</u>	<u>27,170,077</u>
<u>2021</u>				
<u>Assets</u>				
Equities	27,954,391	-	-	27,954,391
Total financial assets at fair value through profit and loss	<u>27,954,391</u>	<u>-</u>	<u>-</u>	<u>27,954,391</u>

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Investments classified within level 3 have significant unobservable inputs, as they trade infrequently.

There were no transfers between levels for the years ended 30 September 2022 and 2021.

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

**5 Net gains on investments and derivatives**

	2022 US\$	2021 US\$
Change in unrealized gains/losses in value of investments and derivatives	2,311,730	6,670,050
Realized gains on sale of investments and derivatives	161,325	196,750
	2,473,055	6,866,800

**6 Taxation**

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

Overseas tax was withheld or paid on certain dividend income received during the years ended 30 September 2022 and 2021.

**7 Transactions with the Trustee, the Manager and their Connected Persons**

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

(a) Investment transactions with Connected Persons of the Trustee and the Manager are set out below:

Name of company	Aggregate value of purchases and sales of investments US\$	% of the Fund's total aggregate value of transactions	Commission paid US\$	% of the Fund's total commission paid in the year	Average commission rate %
<u>2022</u>					
J.P. Morgan Securities (Asia Pacific) Limited	1,455,734	3.69	582	2.47	0.04
The Hongkong and Shanghai Banking Corporation Limited	416,485	1.06	2,843	12.07	0.68
<u>2021</u>					
J.P. Morgan Securities (Asia Pacific) Limited	1,219,370	3.18	1,005	3.73	0.08
The Hongkong and Shanghai Banking Corporation Limited	115,020	0.30	81	0.30	0.07

(b) Balances with the Manager and its Connected Persons as at year end:

	2022 US\$	2021 US\$
Cash at banks	235,036	15,070
Amounts payable	(43,047)	(40,956)

(c) During the year ended 30 September 2022, the income accruing to the Manager relating to allotments and redemptions in the Fund, net of commission paid to agents, amounted to US\$1,140 (2021: US\$5,098).

(d) Management fee of 1.5% per annum of the net asset value of the Fund is paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears.

The Manager also receives a valuation fee of US\$40 per valuation if the Fund's net asset value is larger than US\$5 million but smaller than US\$20 million, or US\$70 per valuation if the Fund's net asset value is larger than US\$20 million.

- (e) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.

The Manager and certain members of its group of companies held units of the Fund during the year and were entitled to profits from transaction in units of the Fund as follows:

	At the beginning of the year	Total allotments	Total redemptions	At the end of the year	Profits from transaction US\$
<u>2022</u>					
<u>JPMorgan Asset Management (Asia Pacific) Limited</u>					
- USD Class (acc)	748.422	200.852	(416.956)	532.318	-
<u>JPMorgan Asset Management (S) Limited</u>					
- USD Class (acc)	765.481	-	(278.843)	486.638	-
<u>2021</u>					
<u>JPMorgan Asset Management (Asia Pacific) Limited</u>					
- USD Class (acc)	645.936	425.453	(322.967)	748.422	-
<u>JPMorgan Asset Management (S) Limited</u>					
- USD Class (acc)	557.686	207.795	-	765.481	-

- (f) Trustee's fee of 0.06% per annum of the net asset value of the Fund for the first US\$40 million, 0.04% per annum for the balance from US\$40 million to US\$70 million, and 0.025% per annum for the balance in excess of US\$70 million is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.
- (g) JPMorgan Funds (Asia) Limited, the registrar agent and Manager, receives a registrar's fee which varies depending on the number of unitholders in the Fund and the number of transactions which occur. The range agreed with the Trustee is between 0.015% and 0.5% per annum of the Fund's net asset value. The registrar's fee is payable quarterly in arrears.
- (h) During the years ended 30 September 2022 and 2021, in addition to the management fee, valuation fee and registrar's fee as disclosed in Note 7(d) and 7(g), respective amounts received from/(paid to) the Manager, JPMorgan Funds (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	76	23
Other income	2	-
Transaction costs	(582)	(1,005)
Safe custody and bank charges	(2,218)	(984)
	<u>(2,722)</u>	<u>(1,066)</u>

- (i) During the years ended 30 September 2022 and 2021, in addition to the trustee's fee as disclosed in Note 7(f), respective amounts received from/(paid to) the Trustee, HSBC Institutional Trust Services (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	92	1
Other operating expenses	-	(148)
Interest expense	(491)	(106)
Safe custody and bank charges	(19,616)	(13,847)
Transaction costs	(28,840)	(22,964)
	<u>(48,955)</u>	<u>(37,964)</u>

**8 Borrowings**

During the years ended 30 September 2022 and 2021, the Fund has unsecured short-term bank borrowings with The Hongkong and Shanghai Banking Corporation Limited, a Connected Person of the Trustee. All bank borrowings have a duration of less than 7 days. All such transactions are entered into in the ordinary course of business and on normal commercial terms.

**9 Soft dollar arrangements/Commission sharing arrangements**

The Investment Manager has entered into soft dollar arrangements/commission sharing arrangements with brokers under which certain goods and services used to support investment decision making are received by the Investment Manager. A portion of the transaction commission paid by the Fund is retained by the brokers as compensation for the goods and services.

The goods and services must be of demonstrable benefit to the Fund and would be limited to research and advisory services.

During the year ended 30 September 2022, the Investment Manager obtained the services through soft dollar arrangements/commission sharing arrangements on transactions amounting to US\$34,615,267 (2021: US\$32,237,750). Commission which amounted to US\$3,416 (2021: US\$8,895) is paid from the Fund on these transactions.

**10 Distribution**

No distribution was made during the year (2021: nil).

**Independent Auditor's Report**

To the Unitholders of JPMorgan Indonesia Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan Indonesia Fund, which are set out on pages 480 to 492, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial transactions and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKASs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 19 September 2006, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKASs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with HKASs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report (Continued)**

To the Unitholders of JPMorgan Indonesia Fund (the "Fund")

**Auditor's Responsibilities for the Audit of the  
Financial Statements (Continued)**

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Matters under the Relevant Disclosure  
Provisions of the Trust Deed and Appendix E of the  
SFC Code**

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

PricewaterhouseCoopers  
Certified Public Accountants

Hong Kong, 20 January 2023

**Statement of Responsibilities of the Manager and the Trustee****Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund in all material respects is managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto (as far as reasonably practicable); and
- report to the unitholders for each annual accounting period should the Manager not manage the Fund in accordance with the Trust Deed.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 19 September 2006, as amended, for the year ended 30 September 2022.

HSBC Institutional Trust Services (Asia) Limited, Trustee

**UK Tax Information**

The Fund is transparent for UK income tax purposes and information has been provided to UK investors of the amount of their share of the underlying income, expenses and overseas tax suffered for all financial years from 1 October 2010. Although the Fund is an "offshore fund" for UK tax purposes, there is no need to formally apply for "reporting fund status" as the Fund is considered transparent by HMRC and does not invest more than 5% of its assets in other offshore funds which are not themselves reporting funds. Therefore it is known as a "special category transparent offshore fund" and considered out of scope of the requirements of the offshore fund regime. The principal effect of this is that for unitholders resident in the UK for taxation purposes, any gains accruing on the sale, redemption or other disposal of units during the period will be taxed in the UK as a capital gain and not as income. The Fund has previously been certified by HMRC in the UK as a "distributing fund" in respect of the period from 19 September 2006 to 30 September 2010.

## Notes to the Financial Statements

### 1 The Fund

JPMorgan Japan (Yen) Fund (the "Fund") was established under a Trust Deed dated 1 August 1969, as amended (the "Trust Deed") and is governed by the laws of Hong Kong. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

The investment objective of the Fund is to provide long-term capital growth through investment primarily (i.e. at least 70% of its total net asset value) in Japanese equity securities and other equity securities whose performance is linked to that of the Japanese economy.

Pursuant to the Trust Deed, the Manager may decide to issue separate classes (each a "Class") whose assets will be commonly invested but where a specific fee structure, currency or distribution policy may be applied. Each Class may have a different charging structure with the result that the net asset value attributable to each Class may differ.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

### 2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### (a) Basis of preparation of financial statements

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

#### *Standards and amendments to existing standards effective from 1 October 2021*

There are no standards or amendments to existing standards that are effective for the first time for the financial year beginning 1 October 2021 that have had a material impact on the Fund.

#### *New standards, amendments and interpretations effective after 1 October 2021 and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 October 2021, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

#### (b) Investments and derivatives

##### *Classification*

The Fund classifies its investments and derivatives based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

Derivative contracts that have a negative fair value are presented as liabilities at fair value through profit or loss.

The Fund makes short sales in which a borrowed security is sold in anticipation of a decline in the market value of that security, or it may use short sales for various arbitrage transactions. Short sales are classified as financial liabilities at fair value through profit or loss.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

*Recognition, derecognition and measurement*

Purchases and sales of investments and derivatives are accounted for on the trade date basis. Investments and derivatives are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments and derivatives are recognized in the Statement of Comprehensive Income. Investments and derivatives are derecognized when the rights to receive cash flows from the investments and derivatives have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value.

Forward foreign exchange contracts are valued at the forward rates ruling at the valuation date. The differences between the forward rates and the contract rates are recognized in the Statement of Comprehensive Income.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

**(c) Securities lending and borrowing**

Securities lenders' agreements are entered into with institutions of appropriate financial standing who engage in such arrangements acceptable to the Trustee and on arm's length commercial terms. Securities lent are included in the investment portfolio of the Fund. Relevant securities lending income entitled by the Fund is accounted for in the Statement of Comprehensive Income. Collateral received for the purpose of securities lent generally consist of non-cash collateral which are off-balance sheet transactions and are therefore not included in the financial statements.

The Fund may enter into securities borrowing arrangements for short sale purposes. Short positions represent obligations to deliver securities sold but not yet purchased, and are accounted for as investments and valued at their fair value. Securities borrowed during the year are off-balance sheet transactions and are therefore not included in the investment portfolio of the Fund. Collateral placed for the purpose of securities borrowed generally consist of cash collateral and are included in the Statement of Financial Position separately.

**(d) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(e) Income and expense**

Dividend income is recognized on the ex-dividend date with the corresponding foreign withholding tax recorded as an expense and is accounted for in the Statement of Comprehensive Income.

Interest income on investments is accounted for as part of net gains/losses on investments and derivatives in the Statement of Comprehensive Income.

Interest income on cash at banks and short-term deposits is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis

**(f) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(g) Foreign currency translation***Functional and presentation currency*

The Fund has adopted Japanese Yen as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

**(h) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(i) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(j) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

Units of the Fund are redeemable at the option of the holders of redeemable units and are classified as a financial liability in the Statement of Financial Position which represents the net assets attributable to holders of redeemable units (or "net asset value" or "net assets" or "NAV") and is carried at the redemption amount that would be payable at the Statement of Financial Position date if the holders of redeemable units exercised the right to redeem units of the Fund.

**4 Financial risk management****(l) Financial risk factors**

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

**(a) Market risk****(i) Market price risk**

The Fund's investments and derivatives are subject to the market price risk inherent in all investments and derivatives i.e. the value of holdings may fall as well as rise. The Fund's market risk is managed through (i) deliberate stocks selection, and (ii) diversification of the investment portfolio in accordance with specific investment restrictions and guidelines.

The Investment Manager monitors the Fund's market price sensitivity primarily through the Beta of the Fund on a regular basis. Beta measures the statistical relationship between the return of the Fund and the relevant benchmark index chosen by the Investment Manager.

As at 30 September, the fair value of investments and derivatives and its estimated market sensitivity were as follows:

	2022		2021	
	Fair value of investments JPY'000	% of net assets	Fair value of investments JPY'000	% of net assets
Listed/Quoted Investments				
<b>Assets</b>				
Equities				
- Information & Communication	4,449,464	10.6	5,331,342	12.1
- Electric Appliances	4,163,373	9.9	6,204,286	14.0
- Chemicals	3,098,027	7.4	1,791,725	4.0
- Services	2,888,432	6.9	6,798,722	15.4
- Precision Instruments	2,852,245	6.8	4,065,874	9.2
- Machinery	2,624,609	6.2	3,108,303	7.0
- Other Products	2,512,508	6.0	1,817,683	4.1
- Insurance	2,525,498	6.0	158,886	0.4
- Retail Trade	2,461,588	5.8	3,516,786	8.0
- Household Electronics	2,302,928	5.5	1,956,681	4.4
- Others	9,217,246	21.7	8,119,652	18.4
	<u>39,095,918</u>	<u>92.8</u>	<u>42,869,940</u>	<u>97.0</u>
Derivatives				
- Forward foreign exchange contracts	73,880	0.2	233,015	0.6
	<u>39,169,798</u>	<u>93.0</u>	<u>43,102,955</u>	<u>97.6</u>
<b>Liabilities</b>				
Derivatives				
- Forward foreign exchange contracts	(19,330)	(0.1)	(36,832)	(0.1)
	<u>39,150,468</u>	<u>92.9</u>	<u>43,066,123</u>	<u>97.5</u>

Also, refer to Note 10 for the exposures on derivatives.

	Net asset value JPY'000	Relevant benchmark index for the Fund (Note*)	Beta (Note**)	% of reasonable possible change of the relevant benchmark index (Note***)	Estimated impact on net asset value (Note****) JPY'000
As at 30 September 2022	<u>42,118,563</u>	TOPIX Net	1.03	-7.5	<u>(3,253,659)</u>
As at 30 September 2021	<u>44,189,285</u>	TOPIX Net	0.99	+27.1	<u>11,855,543</u>

If the relevant benchmark index return was to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Relevant benchmark index for the Fund represents the relevant market index used by the Investment Manager in monitoring the market price risk of the Fund.

\*\* Beta measures the statistical relationship between the return of the Fund and the respective benchmark index over the maximum of past 36 months, or the number of months since portfolio inception. For funds launched within a period of less than 12 months, weekly returns of the Fund are used for calculating the Beta.

\*\*\* % of reasonable possible change is based on the actual historical change in the benchmark index in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns. For funds launched within a period of less than 12 months, actual historical change in the benchmark index since the commencement of operations will be used to calculate the % of reasonable possible change.

\*\*\*\* Estimated impact on net asset value of the Fund is calculated by applying the relevant Beta against the net asset value of the Fund multiplied by the % of reasonable possible change of the relevant benchmark index, assuming all other variables that may impact the net asset value of the Fund are held constant.

## (ii) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	2022 Less than 1 month JPY'000	2021 Less than 1 month JPY'000
Cash at banks	2,754,940	563,947
Short-term bank loans - unsecured	-	(313,000)
Total interest sensitivity gap	<u>2,754,940</u>	<u>250,947</u>

Any cash and cash equivalents are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

## (iii) Currency risk

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The Fund enters in some forward foreign exchange contracts to hedge some of its foreign currency exposures to maintain limited exposure to non-JPY currencies. Refer to Note 10 for the outstanding forward foreign exchange contracts as at year end.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

Net currency exposures (Note*)	JPY'000 equivalent	% of reasonable possible change against JPY (Note**)	Estimated impact on net asset value JPY'000
<u>2022</u>			
Chinese Yuan (Offshore)	3,610	+17.4	628
Hong Kong Dollar	790	+28.7	227
United States Dollar	30,577	+29.7	9,081
	34,977		9,936
<u>2021</u>			
Chinese Yuan (Offshore)	65,932	+11.2	7,384
Hong Kong Dollar	800,598	+5.3	42,432
United States Dollar	11,390,757	+5.7	649,273
	12,257,287		699,089

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

#### (b) Credit risk

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment, amounts due from brokers or dividend and other accounts receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

The table below summarizes the credit rating of the banks/brokers/custodian which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties JPY'000	2021 Exposure to counterparties JPY'000
Bank balances		
S&P(AA)/Moody's(Aa)/FITCH(AA)	917,085	444,301

Investment balances with custodian		
S&P(A)/Moody's(A)/FITCH(A)	<u>39,095,918</u>	<u>42,869,940</u>

### (c) Liquidity risk

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in an active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	<u>2022</u>		<u>2021</u>	
	Less than 1 month JPY'000	1 to 12 months JPY'000	Less than 1 month JPY'000	1 to 12 months JPY'000
Short-term bank loans - unsecured	-	-	313,000	-
Amounts due to brokers	-	-	450,950	-
Amounts payable on redemption	61,314	-	682,539	-
Derivatives	19,272	58	36,831	1
Other accounts payable	67,189	-	68,262	-
Net assets attributable to holders of redeemable units	<u>42,118,563</u>	<u>-</u>	<u>44,189,285</u>	<u>-</u>
Total financial liabilities	<u>42,266,338</u>	<u>58</u>	<u>45,740,867</u>	<u>1</u>

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

### (d) Offsetting and amounts subject to master netting arrangements and similar agreements

As at 30 September 2022 and 2021, the Fund was subject to master netting arrangements with certain derivative counterparties.

In the event of default, the Fund and its counterparties have the option to settle transactions on net basis. An event of default may include failure to pay or deliver, breach of agreement or bankruptcy.

The following tables summarize the Fund's financial assets and liabilities subject to offsetting, master netting arrangements and similar agreements as at 30 September by types of financial instruments.

	Gross amounts of recognized financial assets presented in the Statement of Financial Position JPY'000	Related amounts subject to master netting arrangements and similar agreements net off against		Net amount JPY'000
		Financial Instruments JPY'000	Collateral and margin deposits JPY'000	
<u>2022</u>

Financial liabilities at fair value through profit and loss	26,685	(23,421)	-	3,264

**(II) Capital risk management**

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

**(III) Fair value estimation**

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

	Level 1 JPY'000	Level 2 JPY'000	Level 3 JPY'000	Total JPY'000
<b>2022</b>				
<b>Assets</b>				
Equities	39,095,918	-	-	39,095,918
Derivatives	-	73,880	-	73,880
<b>Total financial assets at fair value through profit and loss</b>	<b>39,095,918</b>	<b>73,880</b>	<b>-</b>	<b>39,169,798</b>
<b>Liabilities</b>				
Derivatives	-	19,330	-	19,330
<b>Total financial liabilities at fair value through profit and loss</b>	<b>-</b>	<b>19,330</b>	<b>-</b>	<b>19,330</b>
<b>2021</b>				
<b>Assets</b>				
Equities	42,869,940	-	-	42,869,940
Derivatives	-	233,015	-	233,015
<b>Total financial assets at fair value through profit and loss</b>	<b>42,869,940</b>	<b>233,015</b>	<b>-</b>	<b>43,102,955</b>
<b>Liabilities</b>				
Derivatives	-	36,832	-	36,832
<b>Total financial liabilities at fair value through profit and loss</b>	<b>-</b>	<b>36,832</b>	<b>-</b>	<b>36,832</b>

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Investments classified within level 3 have significant unobservable inputs, as they trade infrequently.

There were no transfers between levels for the years ended 30 September 2022 and 2021.

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

## 5 Net (losses)/gains on investments and derivatives

	2022 JPY'000	2021 JPY'000
Change in unrealized gains/losses in value of investments and derivatives	(14,407,969)	4,668,815
Realized gains on sale of investments and derivatives	3,077,082	3,677,036
	<u>(11,330,887)</u>	<u>8,345,851</u>

## 6 Taxation

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

Overseas tax was withheld or paid on certain dividend income received during the years ended 30 September 2022 and 2021.

## 7 Transactions with the Trustee, the Manager and their Connected Persons

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

(a) Investment transactions with Connected Persons of the Manager are set out below:

Name of company	Aggregate value of purchases and sales of investments JPY'000	% of the Fund's total aggregate value of transactions	Commission paid JPY'000	% of the Fund's total commission paid in the year	Average commission rate %
<u>2022</u>					
J.P. Morgan Securities Japan Co., Ltd	793,920	2.69	318	2.50	0.04
<u>2021</u>					
J.P. Morgan Securities Japan Co., Ltd	405,469	1.49	169	1.35	0.04

(b) Balances with the Manager and its Connected Persons as at year end:

	2022 JPY'000	2021 JPY'000
Cash at banks	917,085	444,301
Amounts receivable	0	18
Amounts payable	(63,193)	(62,319)
	<u>          </u>	<u>          </u>

- (c) During the year ended 30 September 2022, the fund entered into forward exchange contracts with Connected Persons of the Trustee, with realized gains amounting to JPY71,242,000 (2021: realized gains amounting to JPY354,958,000).
- (d) During the year ended 30 September 2022, the income accruing to the Manager relating to allotments and redemptions in the Fund, net of commission paid to agents, amounted to JPY510,000 (2021: JPY706,000).
- (e) Management fee of 1.5% per annum of the net asset value of the Fund is paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears.

The Manager also receives a valuation fee of US\$40 per valuation if the Fund's net asset value is larger than US\$5 million but smaller than US\$20 million, or US\$70 per valuation if the Fund's net asset value is larger than US\$20 million.

(f) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.

The Manager and certain members of its group of companies held units of the Fund during the year and were entitled to profits from transaction in units of the Fund as follows:

	At the beginning of the year	Total allotments	Total redemptions	At the end of the year	Profits from transaction JPY'000
<u>2022</u>					
<u>JPMorgan Asset Management</u>					
<u>(Asia Pacific) Limited</u>					
- JPY Class (acc)	5.486	38.684	-	44.170	-
<u>JPMorgan Asset Management (S)</u>					
<u>Limited</u>					
- JPY Class (acc)	13.022	-	(13.022)	-	213
<u>JPMorgan Asset Management Real</u>					
<u>Assets (Asia) Limited</u>					
- JPY Class (acc)	-	-	-	-	-
<u>JPMorgan Funds (Asia) Limited</u>					
- JPY Class (acc)	-	-	-	-	-
<u>2021</u>					
<u>JPMorgan Asset Management</u>					
<u>(Asia Pacific) Limited</u>					
- JPY Class (acc)	-	5.486	-	5.486	-
<u>JPMorgan Asset Management (S)</u>					
<u>Limited</u>

<u>JPMorgan Asset Management Real</u>					
<u>Assets (Asia) Limited</u>					
- JPY Class (acc)	8.962	-	(8.962)	-	127
<u>JPMorgan Funds (Asia) Limited</u>					
- JPY Class (acc)	6.685	-	(6.685)	-	94

(g) Trustee's fee of 0.06% per annum of the net asset value of the Fund for the first JPY3,000 million, 0.04% per annum for the balance from JPY3,000 million to JPY5,300 million, and 0.025% per annum for the balance in excess of JPY5,300 million is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.

- (h) JPMorgan Funds (Asia) Limited, the registrar agent and Manager, receives a registrar's fee which varies depending on the number of unitholders in the Fund and the number of transactions which occur. The range agreed with the Trustee is between 0.015% and 0.5% per annum of the Fund's net asset value. The registrar's fee is payable quarterly in arrears.
- (i) During the years ended 30 September 2022 and 2021, in addition to the management fee, valuation fee and registrar's fee as disclosed in Note 7(e) and 7(h), respective amounts received from/(paid to) the Manager, JPMorgan Funds (Asia) Limited, and its Connected Persons were as follows:

	2022	2021
	JPY'000	JPY'000
Other income	-	136
Interest on deposits	36	68
Transaction costs	(318)	(169)
Safe custody and bank charges	(3,754)	(932)
	<u>(3,754)</u>	<u>(932)</u>

- (j) During the years ended 30 September 2022 and 2021, in addition to the trustee's fee as disclosed in Note 7(g), respective amounts received from/(paid to) the Trustee, HSBC Institutional Trust Services (Asia) Limited, and its Connected Persons were as follows:

	2022	2021
	JPY'000	JPY'000
Interest on deposits	45	3
Other operating expenses	-	(16)
Interest expense	(113)	(281)
Transaction costs	(741)	(528)
Safe custody and bank charges	(10,371)	(10,125)
	<u>(10,371)</u>	<u>(10,125)</u>

## 8 Borrowings

During the years ended 30 September 2022 and 2021, the Fund has unsecured short-term bank borrowings with The Hongkong and Shanghai Banking Corporation Limited, a Connected Person of the Trustee. All bank borrowings have a duration of less than 7 days. All such transactions are entered into in the ordinary course of business and on normal commercial terms.

## 9 Soft dollar arrangements/Commission sharing arrangements

The Investment Manager has entered into soft dollar arrangements/commission sharing arrangements with brokers under which certain goods and services used to support investment decision making are received by the Investment Manager. A portion of the transaction commission paid by the Fund is retained by the brokers as compensation for the goods and services.

The goods and services must be of demonstrable benefit to the Fund and would be limited to research and advisory services.

During the year ended 30 September 2022, the Investment Manager obtained the services through soft dollar arrangements/commission sharing arrangements on transactions amounting to JPY19,307,929,000 (2021: JPY6,110,420,000). Commission which amounted to JPY1,931,000 (2021: JPY719,000) is paid from the Fund on these transactions.

## 10 Derivatives

Outstanding forward foreign exchange contracts as at 30 September were as follows:

**Independent Auditor's Report**

To the Unitholders of JPMorgan Japan (Yen) Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan Japan (Yen) Fund, which are set out on pages 500 to 520, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial transactions and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 1 August 1969, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with HKSA, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report** (Continued)

To the Unitholders of JPMorgan Japan (Yen) Fund (the "Fund")

**Auditor's Responsibilities for the Audit of the  
Financial Statements** (Continued)

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Matters under the Relevant Disclosure  
Provisions of the Trust Deed and Appendix E of the  
SFC Code**

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

PricewaterhouseCoopers  
Certified Public Accountants

Hong Kong, 20 January 2023

**Statement of Responsibilities of the Manager and the Trustee****Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund in all material respects is managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto (as far as reasonably practicable); and
- report to the unitholders for each annual accounting period should the Manager not manage the Fund in accordance with the Trust Deed.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 1 August 1969, as amended, for the year ended 30 September 2022.

HSBC Institutional Trust Services (Asia) Limited, Trustee  
20 January 2023

## UK Tax Information

The Fund is transparent for UK income tax purposes and information has been provided to UK investors of the amount of their share of the underlying income, expenses and overseas tax suffered for all financial years from 1 October 2010. Although the Fund is an "offshore fund" for UK tax purposes, there is no need to formally apply for "reporting fund status" as the Fund is considered transparent by HMRC and does not invest more than 5% of its assets in other offshore funds which are not themselves reporting funds. Therefore it is known as a "special category transparent offshore fund" and considered out of scope of the requirements of the offshore fund regime. The principal effect of this is that for unitholders resident in the UK for taxation purposes, any gains accruing on the sale, redemption or other disposal of units during the period will be taxed in the UK as a capital gain and not as income. The Fund has previously been certified by HMRC in the UK as a "distributing fund" in respect of the period from 1 January 1984 to 30 September 2010.

The notes on pages 531 to 541 form part of these financial statements.

**Notes to the Financial Statements****1 The Fund**

JPMorgan Korea Fund (the "Fund") was established under a Trust Deed dated 11 December 1991, as amended (the "Trust Deed") and is governed by the laws of Hong Kong. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

The investment objective of the Fund is to provide investors with long-term capital appreciation through investment primarily (i.e. at least 70% of its total net asset value) in companies whose shares are listed on the Korea Stock Exchange or traded on the Korean over-the-counter market.

Pursuant to the Trust Deed, the Manager may decide to issue separate classes (each a "Class") whose assets will be commonly invested but where a specific fee structure, currency or distribution policy may be applied. Each Class may have a different charging structure with the result that the net asset value attributable to each Class may differ.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

**2 Summary of significant accounting policies**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

**(a) Basis of preparation of financial statements**

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

*Standards and amendments to existing standards effective from 1 October 2021*

There are no standards or amendments to existing standards that are effective for the first time for the financial year beginning 1 October 2021 that have had a material impact on the Fund.

*New standards, amendments and interpretations effective after 1 October 2021 and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 October 2021, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

**(b) Investments and derivatives***Classification*

The Fund classifies its investments and derivatives based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

Derivative contracts that have a negative fair value are presented as liabilities at fair value through profit or loss.

The Fund makes short sales in which a borrowed security is sold in anticipation of a decline in the market value of that security, or it may use short sales for various arbitrage transactions. Short sales are classified as financial liabilities at fair value through profit or loss.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

*Recognition, derecognition and measurement*

Purchases and sales of investments and derivatives are accounted for on the trade date basis. Investments and derivatives are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments and derivatives are recognized in the Statement of Comprehensive Income. Investments and derivatives are derecognized when the rights to receive cash flows from the investments and derivatives have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

**(c) Securities lending and borrowing**

Securities lenders' agreements are entered into with institutions of appropriate financial standing who engage in such arrangements acceptable to the Trustee and on arm's length commercial terms. Securities lent are included in the investment portfolio of the Fund. Relevant securities lending income entitled by the Fund is accounted for in the Statement of Comprehensive Income. Collateral received for the purpose of securities lent generally consist of non-cash collateral which are off-balance sheet transactions and are therefore not included in the financial statements.

The Fund may enter into securities borrowing arrangements for short sale purposes. Short positions represent obligations to deliver securities sold but not yet purchased, and are accounted for as investments and valued at their fair value. Securities borrowed during the year are off-balance sheet transactions and are therefore not included in the investment portfolio of the Fund. Collateral placed for the purpose of securities borrowed generally consist of cash collateral and are included in the Statement of Financial Position separately.

**(d) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(e) Income and expense**

Dividend income is recognized on the ex-dividend date with the corresponding foreign withholding tax recorded as an expense and is accounted for in the Statement of Comprehensive Income.

Interest income on investments is accounted for as part of net gains/losses on investments and derivatives in the Statement of Comprehensive Income.

Interest income on cash at banks and short-term deposits is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis.

**(f) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(g) Foreign currency translation***Functional and presentation currency*

The Fund has adopted United States dollar as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

**(h) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(i) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(j) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

**3 Number of units in issue and net assets attributable to holders of redeemable units (per unit)**2022

	USD Class (acc) Units
Number of units in issue:	
At the beginning of the year	2,749,307.247

Total redemptions	(794,897.326)
At the end of the year	<u>2,687,873.100</u>
	US\$
Net assets attributable to holders of redeemable units	<u>143,424,110</u>
Net assets attributable to holders of redeemable units (per unit)	<u>53.36</u>

2021

	USD Class (acc) Units
Number of units in issue:	
At the beginning of the year	3,075,471.908
Total allotments	1,982,542.486
Total redemptions	(2,308,707.147)
At the end of the year	<u>2,749,307.247</u>
	US\$
Net assets attributable to holders of redeemable units	<u>247,385,691</u>
Net assets attributable to holders of redeemable units (per unit)	<u>89.98</u>

As at 30 September 2022, the Fund had US\$143,424,110 (2021: US\$247,385,691) of puttable financial instruments, represented by the net assets attributable to the holders of redeemable units (or "net asset value" or "net assets" or "NAV"), classified as equity.

The Fund's policies for managing its obligations for the holders of redeemable units of the Fund are included in Note 4(II) capital risk management.

#### 4 Financial risk management

##### (I) Financial risk factors

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

##### (a) Market risk

##### (i) Market price risk

The Fund's investments and derivatives are subject to the market price risk inherent in all investments and derivatives i.e. the value of holdings may fall as well as rise. The Fund's market risk is managed through (i) deliberate stocks selection, and (ii) diversification of the investment portfolio in accordance with specific investment restrictions and guidelines.

The Investment Manager monitors the Fund's market price sensitivity primarily through the Beta of the Fund on a regular basis. Beta measures the statistical relationship between the return of the Fund and the relevant benchmark index chosen by the Investment Manager.

As at 30 September, the fair value of investments and derivatives and its estimated market sensitivity were as follows:

	2022		2021	
	Fair value of investments US\$	% of net assets	Fair value of investments US\$	% of net assets
Listed/Quoted Investments				
<b>Assets</b>				
<b>Equities</b>				
- Technology Hardware, Storage & Peripherals	14,535,584	10.1	24,058,910	9.7
- Semiconductors & Semiconductor Equipment	13,417,279	9.3	21,052,365	8.5
- Chemicals - Commodity	10,497,316	7.3	9,698,649	3.9
- Automobiles	9,282,813	6.5	10,907,821	4.4
- Auto Components	8,408,803	5.9	10,024,282	4.1
- Oil, Gas & Consumable Fuels	7,873,034	5.5	20,854,899	8.4
- Pharmaceuticals - Diversified	7,851,618	5.5	8,478,619	3.4
- Interactive Media & Services	7,648,103	5.3	16,367,770	6.6
- Banks	7,406,182	5.2	13,420,667	5.4
- Others	55,780,815	38.9	106,341,384	43.1
Total Listed/Quoted Investments	142,701,547	99.5	241,205,366	97.5

	Net asset value US\$	Relevant benchmark index for the Fund (Note*)	Beta benchmark index (Note**)	% of reasonable possible change of the relevant benchmark index (Note***)	Estimated impact on net asset value (Note****) US\$
As at 30 September 2022	143,424,110	Korea Composite Stock Price (KOSPI)	1.01	-41.9	(60,695,649)
As at 30 September 2021	247,385,691	Korea Composite Stock Price (KOSPI)	0.94	+30.2	70,227,850

If the relevant benchmark index return was to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Relevant benchmark index for the Fund represents the relevant market index used by the Investment Manager in monitoring the market price risk of the Fund.

\*\* Beta measures the statistical relationship between the return of the Fund and the respective benchmark index over the maximum of past 36 months, or the number of months since portfolio inception. For funds launched within a period of less than 12 months, weekly returns of the Fund are used for calculating the Beta.

\*\*\* % of reasonable possible change is based on the actual historical change in the benchmark index in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns. For funds launched within a period of less than 12 months, actual historical change in the benchmark index since the commencement of operations will be used to calculate the % of reasonable possible change.

\*\*\*\* Estimated impact on net asset value of the Fund is calculated by applying the relevant Beta against the net asset value of the Fund multiplied by the % of reasonable possible change of the relevant benchmark index, assuming all other variables that may impact the net asset value of the Fund are held constant.

## (ii) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	2022 Less than 1 month US\$	2021 Less than 1 month US\$
Cash at banks	1,129,364	6,207,930
Total interest sensitivity gap	<u>1,129,364</u>	<u>6,207,930</u>

Any cash and cash equivalents are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

**(iii) Currency risk**

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

	US\$ equivalent	% of reasonable possible change against US\$ (Note**)	Estimated impact on net asset value US\$
<u>2022</u>			
Hong Kong Dollar	4,687	-0.8	(37)
Japanese Yen	4,255	-22.9	(974)
Korean Won	139,092,218	-17.2	(23,923,861)
	<u>139,101,160</u>		<u>(23,924,872)</u>
<u>2021</u>			
Hong Kong Dollar	2,138	-0.4	(9)
Japanese Yen	5,520	-5.4	(298)
Korean Won	238,561,794	-1.2	(2,862,742)
	<u>238,569,452</u>		<u>(2,863,049)</u>

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

**(b) Credit risk**

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment, amounts due from brokers or interest and other accounts receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

The table below summarizes the credit rating of the banks/custodian which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties US\$	2021 Exposure to counterparties US\$
Bank balances		
S&P(AA)/Moody's(Aa)/FITCH(AA)	441,065	271,566
S&P(A)/Moody's(A)/FITCH(A)	688,299	5,936,364
Investment balances with custodian		
S&P(A)/Moody's(A)/FITCH(A)	<u>142,701,547</u>	<u>241,205,366</u>

**(c) Liquidity risk**

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in an active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	2022 Less than 1 month US\$	2021 Less than 1 month US\$
Amounts due to brokers	410,613	484,707
Amounts payable on redemption	671,743	2,085,036
Other accounts payable	287,752	430,565
Total financial liabilities	<u>1,370,108</u>	<u>3,000,308</u>

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

**(II) Capital risk management**

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

### (III) Fair value estimation

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

Listed/Quoted Investments	Level 1 US\$	Level 2 US\$	Level 3 US\$	Total US\$
<u>2022</u>				
<u>Assets</u>				
Equities	142,701,547	-	-	142,701,547
Total financial assets at fair value through profit and loss	<u>142,701,547</u>	<u>-</u>	<u>-</u>	<u>142,701,547</u>
<u>2021</u>				
<u>Assets</u>				
Equities	241,205,366	-	-	241,205,366
Total financial assets at fair value through profit and loss	<u>241,205,366</u>	<u>-</u>	<u>-</u>	<u>241,205,366</u>

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Investments classified within level 3 have significant unobservable inputs, as they trade infrequently.

There were no transfers between levels for the years ended 30 September 2022 and 2021.

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

**5 Net (losses)/gains on investments and derivatives**

	2022 US\$	2021 US\$
Change in unrealized gains/losses in value of investments and derivatives	(98,247,116)	18,586,183
Realized (losses)/gains on sale of investments and derivatives	(555,225)	57,028,989
	<u>(98,802,341)</u>	<u>75,615,172</u>

**6 Taxation**

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

Overseas tax was withheld or paid on certain dividend income received during the years ended 30 September 2022 and 2021.

**7 Transactions with the Trustee, the Manager and their Connected Persons**

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

(a) Investment transactions with Connected Persons of the Trustee and the Manager are set out below:

Name of company	Aggregate value of purchases and sales of investments US\$	% of the Fund's total aggregate value of transactions	Commission paid US\$	% of the Fund's total commission paid in the year	Average commission rate %
<u>2022</u>					
J.P. Morgan Securities (Asia Pacific) Limited	4,295,997	2.02	2,232	1.06	0.05
The Hongkong and Shanghai Banking Corporation Limited, Seoul	542,502	0.25	694	0.33	0.13
<u>2021</u>					
J.P. Morgan Securities (Asia Pacific) Limited	4,963,039	1.12	3,861	0.71	0.08
The Hongkong and Shanghai Banking Corporation Limited, Seoul	1,461,278	0.33	684	0.13	0.05

(b) Balances with the Manager and its Connected Persons as at year end:

	2022 US\$	2021 US\$
Cash at banks	441,065	271,566
Amounts receivable	1	0
Amounts payable	<u>(243,807)</u>	<u>(370,029)</u>

(c) During the year ended 30 September 2022, the income accruing to the Manager relating to allotments and redemptions in the Fund, net of commission paid to agents, amounted to US\$2,748 (2021: US\$9,504).

(d) Management fee of 1.5% per annum of the net asset value of the Fund is paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears.

The Manager also receives a valuation fee of US\$40 per valuation if the Fund's net asset value is larger than US\$5 million but smaller than US\$20 million, or US\$70 per valuation if the Fund's net asset value is larger than US\$20 million.

- (e) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.

Certain members of the Manager's group of companies held units of the Fund during the year and were entitled to profits from transaction in units of the Fund as follows:

	At the beginning of the year	Total allotments	Total redemptions	At the end of the year	Profits from transaction US\$
<u>2022</u>					
<u>JPMorgan Asset Management (Asia Pacific) Limited</u>					
- USD Class (acc)	1,155.031	-	(567.215)	587.816	16,211
<u>JPMorgan Asset Management (S) Limited</u>					
- USD Class (acc)	32.193	-	-	32.193	-
<u>2021</u>					
<u>JPMorgan Asset Management (Asia Pacific) Limited</u>					
- USD Class (acc)	1,134.431	20.600	-	1,155.031	-
<u>JPMorgan Asset Management (S) Limited</u>					
- USD Class (acc)	-	32.193	-	32.193	-

- (f) Trustee's fee of 0.06% per annum of the net asset value of the Fund for the first US\$40 million, 0.04% per annum for the balance from US\$40 million to US\$70 million, and 0.025% per annum for the balance in excess of US\$70 million is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.
- (g) JPMorgan Funds (Asia) Limited, the registrar agent and Manager, receives a registrar's fee which varies depending on the number of unitholders in the Fund and the number of transactions which occur. The range agreed with the Trustee is between 0.015% and 0.5% per annum of the Fund's net asset value. The registrar's fee is payable quarterly in arrears.
- (h) During the years ended 30 September 2022 and 2021, in addition to the management fee, valuation fee and registrar's fee as disclosed in Note 7(d) and 7(g), respective amounts received from/(paid to) the Manager, JPMorgan Funds (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Other income	2,959	3,797
Interest on deposits	166	95
Transaction costs	(2,232)	(3,861)
Safe custody and bank charges	(13,939)	(3,974)
	<u>                    </u>	<u>                    </u>

- (i) During the years ended 30 September 2022 and 2021, in addition to the trustee's fee as disclosed in Note 7(f), respective amounts received from/(paid to) the Trustee, HSBC Institutional Trust Services (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	665	14
Interest expense	-	(79)
Other operating expenses	-	(148)
Transaction costs	(28,744)	(41,934)
Safe custody and bank charges	(77,493)	(108,981)
	<u>                    </u>	<u>                    </u>

**8 Borrowings**

The Fund has no bank borrowing during the year ended 30 September 2022. During the year ended 30 September 2021, the Fund has unsecured short-term bank borrowing with The Hongkong and Shanghai Banking Corporation Limited, a Connected Person of the Trustee. All bank borrowings have a duration of less than 7 days. All such transactions are entered into in the ordinary course of business and on normal commercial terms.

**9 Soft dollar arrangements/Commission sharing arrangements**

The Investment Manager has entered into soft dollar arrangements/commission sharing arrangements with brokers under which certain goods and services used to support investment decision making are received by the Investment Manager. A portion of the transaction commission paid by the Fund is retained by the brokers as compensation for the goods and services.

The goods and services must be of demonstrable benefit to the Fund and would be limited to research and advisory services.

During the year ended 30 September 2022, the Investment Manager obtained the services through soft dollar arrangements/commission sharing arrangements on transactions amounting to US\$92,754,443 (2021: US\$190,532,873). Commission which amounted to US\$8,794 (2021: US\$39,345) is paid from the Fund on these transactions.

**10 Distribution**

No distribution was made during the year (2021: nil).

**Independent Auditor's Report**

To the Unitholders of JPMorgan Korea Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan Korea Fund, which are set out on pages 529 to 541, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial transactions and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 11 December 1991, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with HKSA, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report** (Continued)

To the Unitholders of JPMorgan Korea Fund (the "Fund")

**Auditor's Responsibilities for the Audit of the  
Financial Statements** (Continued)

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Matters under the Relevant Disclosure  
Provisions of the Trust Deed and Appendix E of the  
SFC Code**

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

PricewaterhouseCoopers  
Certified Public Accountants

Hong Kong, 20 January 2023

**Statement of Responsibilities of the Manager and the Trustee****Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund in all material respects is managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto (as far as reasonably practicable); and
- report to the unitholders for each annual accounting period should the Manager not manage the Fund in accordance with the Trust Deed.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 11 December 1991, as amended, for the year ended 30 September 2022.

HSBC Institutional Trust Services (Asia) Limited, Trustee

**UK Tax Information**

The Fund is transparent for UK income tax purposes and information has been provided to UK investors of the amount of their share of the underlying income, expenses and overseas tax suffered for all financial years from 1 October 2010. Although the Fund is an "offshore fund" for UK tax purposes, there is no need to formally apply for "reporting fund status" as the Fund is considered transparent by HMRC and does not invest more than 5% of its assets in other offshore funds which are not themselves reporting funds. Therefore it is known as a "special category transparent offshore fund" and considered out of scope of the requirements of the offshore fund regime. The principal effect of this is that for unitholders resident in the UK for taxation purposes, any gains accruing on the sale, redemption or other disposal of units during the period will be taxed in the UK as a capital gain and not as income. The Fund has previously been certified by HMRC in the UK as a "distributing fund" in respect of the period from 11 December 1991 to 30 September 2010.

**Notes to the Financial Statements****1 The Fund**

JPMorgan Malaysia Fund (the "Fund") was established under a Trust Deed dated 12 December 1989, as amended (the "Trust Deed") and is governed by the laws of Hong Kong. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

The investment objective of the Fund is to provide long-term capital growth by investing primarily (i.e. at least 70% of its total net asset value) in equity securities linked to the Malaysian economy. These include, but are not restricted to, securities listed on the Kuala Lumpur Stock Exchange.

Pursuant to the Trust Deed, the Manager may decide to issue separate classes (each a "Class") whose assets will be commonly invested but where a specific fee structure, currency or distribution policy may be applied. Each Class may have a different charging structure with the result that the net asset value attributable to each Class may differ.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

**2 Summary of significant accounting policies**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

**(a) Basic of preparation of financial statements**

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

*Standards and amendments to existing standards effective from 1 October 2021*

There are no standards or amendments to existing standards that are effective for the first time for the financial year beginning 1 October 2021 that have had a material impact on the Fund.

*New standards, amendments and interpretations effective after 1 October 2021 and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 October 2021, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

**(b) Investments and derivatives***Classification*

The Fund classifies its investments and derivatives based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

Derivative contracts that have a negative fair value are presented as liabilities at fair value through profit or loss.

The Fund makes short sales in which a borrowed security is sold in anticipation of a decline in the market value of that security, or it may use short sales for various arbitrage transactions. Short sales are classified as financial liabilities at fair value through profit or loss.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

*Recognition, derecognition and measurement*

Purchases and sales of investments and derivatives are accounted for on the trade date basis. Investments and derivatives are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments and derivatives are recognized in the Statement of Comprehensive Income. Investments and derivatives are derecognized when the rights to receive cash flows from the investments and derivatives have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

**(c) Securities borrowing**

The Fund may enter into securities borrowing arrangements for short sale purposes. Short positions represent obligations to deliver securities sold but not yet purchased, and are accounted for as investments and valued at their fair value. Securities borrowed during the year are off-balance sheet transactions and are therefore not included in the investment portfolio of the Fund. Collateral placed for the purpose of securities borrowed generally consist of cash collateral and are included in the Statement of Financial Position separately.

**(d) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(e) Income and expense**

Dividend income is recognized on the ex-dividend date with the corresponding foreign withholding tax recorded as an expense and is accounted for in the Statement of Comprehensive Income.

Interest income on investments is accounted for as part of net gains/losses on investments and derivatives in the Statement of Comprehensive Income.

Interest income on cash at banks and short-term deposits is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis.

**(f) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(g) Foreign currency translation***Functional and presentation currency*

The Fund has adopted United States dollar as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

**(h) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(i) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(j) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

Units of the Fund are redeemable at the option of the holders of redeemable units and are classified as a financial liability in the Statement of Financial Position which represents the net assets attributable to holders of redeemable units (or "net asset value" or "net assets" or "NAV") and is carried at the redemption amount that would be payable at the Statement of Financial Position date if the holders of redeemable units exercised the right to redeem units of the Fund.

**3 Number of units in issue and net assets attributable to holders of redeemable units (per unit)**

2022

	USD Class (acc) Units	USD Class C (acc) Units

Total redemptions	(253,373.640)	-
At the end of the year	<u>882,095.346</u>	<u>10,036.000</u>
	US\$	US\$
Net assets attributable to holders of redeemable units	<u>53,504,345</u>	<u>99,731</u>
Net assets attributable to holders of redeemable units (per unit)	<u>60.66</u>	<u>9.94</u>

#### 4 Financial risk management

##### (l) Financial risk factors

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

##### (a) Market risk

##### (i) Market price risk

The Fund's investments and derivatives are subject to the market price risk inherent in all investments and derivatives i.e. the value of holdings may fall as well as rise. The Fund's market risk is managed through (i) deliberate stocks selection, and (ii) diversification of the investment portfolio in accordance with specific investment restrictions and guidelines.

The Investment Manager monitors the Fund's market price sensitivity primarily through the Beta of the Fund on a regular basis. Beta measures the statistical relationship between the return of the Fund and the relevant benchmark index chosen by the Investment Manager.

As at 30 September, the fair value of investments and derivatives and its estimated market sensitivity were as follows:

	2022		2021	
	Fair value of investments US\$	% of net assets	Fair value of investments US\$	% of net assets
Listed/Quoted Investments				
<u>Assets</u>				
Equities				
- Finance	15,521,106	37.1	16,654,066	31.1
- Trading Services	7,915,377	19.1	10,605,757	19.8
- Consumer Products	3,360,391	8.1	6,040,380	11.3
- Plantations	2,549,134	6.1	2,519,027	4.7
- Industrial Products	1,525,402	3.6	3,285,991	6.1
- Others	9,113,572	21.8	13,439,853	25.0
	<u>39,984,982</u>	<u>95.8</u>	<u>52,545,074</u>	<u>98.0</u>
Derivatives				
- Warrants	17,619	0.0	75,752	0.2
Total Listed/Quoted Investments	<u>40,002,601</u>	<u>95.8</u>	<u>52,620,826</u>	<u>98.2</u>

Also, refer to Note 10 for the exposures on derivatives.

	Net asset value US\$	Relevant benchmark index for the Fund (Note*)	Beta (Note**)	% of reasonable possible change of the relevant benchmark index (Note***)	Estimated impact on net asset value (Note****) US\$
As at 30 September 2022	<u>41,743,854</u>	MSCI Malaysia Net	1.03	-15.9	<u>(6,836,391)</u>
As at 30 September 2021	<u>53,604,076</u>	MSCI Malaysia Net	1.04	+1.4	<u>780,475</u>

If the relevant benchmark index return was to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Relevant benchmark index for the Fund represents the relevant market index used by the Investment Manager in monitoring the market price risk of the Fund.

\*\* Beta measures the statistical relationship between the return of the Fund and the respective benchmark index over the maximum of past 36 months, or the number of months since portfolio inception. For funds launched within a period of less than 12 months, weekly returns of the Fund are used for calculating the Beta.

\*\*\* % of reasonable possible change is based on the actual historical change in the benchmark index in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns. For funds launched within a period of less than 12 months, actual historical change in the benchmark index since the commencement of operations will be used to calculate the % of reasonable possible change.

\*\*\*\* Estimated impact on net asset value of the Fund is calculated by applying the relevant Beta against the net asset value of the Fund multiplied by the % of reasonable possible change of the relevant benchmark index, assuming all other variables that may impact the net asset value of the Fund are held constant.

## (ii) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	2022 Less than 1 month US\$	2021 Less than 1 month US\$
Cash at banks	1,642,671	754,027
Total interest sensitivity gap	<u>1,642,671</u>	<u>754,027</u>

Any cash and cash equivalents are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

## (iii) Currency risk

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

	US\$ equivalent	% of reasonable possible change against US\$ (Note**)	Estimated impact on net asset value US\$
<u>2022</u>			
Hong Kong Dollar	3,314	-0.8	(27)
Malaysian Ringgit	40,474,858	-9.7	(3,926,061)
Singapore Dollar	962	-5.4	(52)
	<u>40,479,134</u>		<u>(3,926,140)</u>
<u>2021</u>			
Hong Kong Dollar	537	-0.4	(2)
Malaysian Ringgit	52,945,063	-0.7	(370,615)
Singapore Dollar	1,017	+0.6	6
	<u>52,946,617</u>		<u>(370,611)</u>

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

#### (b) Credit risk

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment, amounts due from brokers or dividend and other accounts receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments and derivatives are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments and derivatives sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments and derivatives have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

The table below summarizes the credit rating of the banks/custodian which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties US\$	2021 Exposure to counterparties US\$
Bank balances		
S&P(AA)/Moody's(Aa)/FITCH(AA)	90,510	78,760
S&P(A)/Moody's(A)/FITCH(A)	1,552,161	675,267
Investment and derivative balances with custodian		
S&P(A)/Moody's(A)/FITCH(A)	<u>40,002,601</u>	<u>52,620,826</u>

#### (c) Liquidity risk

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in an active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	2022 Less than 1 month US\$	2021 Less than 1 month US\$
Amounts due to brokers	192,724	60,362
Amounts payable on redemption	88,627	232,159
Other accounts payable	96,806	122,989
Net assets attributable to holders of redeemable units	41,743,854	53,604,076
Total financial liabilities	<u>42,122,011</u>	<u>54,019,586</u>

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

### (II) Capital risk management

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

### (III) Fair value estimation

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

Listed/Quoted Investments	Level 1 US\$	Level 2 US\$	Level 3 US\$	Total US\$
<u>2022</u>				
<u>Assets</u>				
Equities	39,984,982	-	-	39,984,982
Derivatives	-	17,619	-	17,619
Total financial assets at fair value through profit and loss	<u>39,984,982</u>	<u>17,619</u>	<u>-</u>	<u>40,002,601</u>
<u>2021</u>				
<u>Assets</u>				
Equities	52,545,074	-	-	52,545,074
Derivatives	-	75,752	-	75,752
Total financial assets at fair value through profit and loss	<u>52,545,074</u>	<u>75,752</u>	<u>-</u>	<u>52,620,826</u>

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Investments classified within level 3 have significant unobservable inputs, as they trade infrequently.

There were no transfers between levels for the years ended 30 September 2022 and 2021.

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

## 5 Net (losses)/gains on investments and derivatives

	2022 US\$	2021 US\$
Change in unrealized gains/losses in value of investments and derivatives	(8,957,951)	595,187
Realized (losses)/gains on sale of investments and derivatives	(1,580,403)	3,088,286
	<u>(10,538,354)</u>	<u>3,683,473</u>

## 6 Taxation

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

Overseas tax was withheld or paid on certain dividend income received during the years ended 30 September 2022 and 2021.

**7 Transactions with the Trustee, the Manager and their Connected Persons**

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

(a) Investment transactions with Connected Persons of the Trustee and the Manager are set out below:

Name of company	Aggregate value of purchases and sales of investments US\$	% of the Fund's total aggregate value of transactions	Commission paid US\$	% of the Fund's total commission paid in the year	Average commission rate %
<u>2022</u>					
HSBC Securities (USA) Inc	8,306	0.03	18	0.07	0.22
J.P. Morgan Securities (Asia Pacific) Limited	1,037,717	4.32	792	3.18	0.08
The Hongkong and Shanghai Banking Corporation Limited	136,607	0.57	55	0.22	0.04
<u>2021</u>					
J.P. Morgan Securities (Asia Pacific) Limited	962,480	2.79	618	1.48	0.06
The Hongkong and Shanghai Banking Corporation Limited	159,523	0.46	115	0.28	0.07

(b) Balances with the Manager and its Connected Persons as at year end:

	2022 US\$	2021 US\$
Cash at banks	90,510	78,760
Amounts receivable	0	1
Amounts payable	(162,718)	(93,429)

(c) During the year ended 30 September 2022, the income accruing to the Manager relating to allotments and redemptions in the Fund, net of commission paid to agents, amounted to US\$711 (2021: US\$1,119).

(d) Management fee for USD Class (acc) of 1.5% per annum and USD Class C (acc) of 0.75% per annum of the net asset value of each Class is paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears.

The Manager also receives a valuation fee of US\$40 per valuation if the Fund's net asset value is larger than US\$5 million but smaller than US\$20 million, or US\$70 per valuation if the Fund's net asset value is larger than US\$20 million.

(e) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.

Certain members of the Manager's group of companies held units of the Fund during the year and were entitled to profits from transaction in units of the Fund as follows:

	At the beginning of the year	Total allotments	Total redemptions	At the end of the year	Profits from transaction US\$
<u>2022</u>					
<u>JPMorgan Asset Management (Asia Pacific) Limited</u>					
- USD Class (acc)	373.975	-	(186.983)	186.992	1,021
<u>2021</u>					
<u>JPMorgan Asset Management (Asia Pacific) Limited</u>					
- USD Class (acc)	373.975	-	-	373.975	-

- (f) Trustee's fee of 0.06% per annum of the net asset value of the Fund for the first US\$40 million, 0.04% per annum for the balance from US\$40 million to US\$70 million, and 0.025% per annum for the balance in excess of US\$70 million is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.
- (g) JPMorgan Funds (Asia) Limited, the registrar agent and Manager, receives a registrar's fee which varies depending on the number of unitholders in the Fund and the number of transactions which occur. The range agreed with the Trustee is between 0.015% and 0.5% per annum of the Fund's net asset value. The registrar's fee is payable quarterly in arrears.
- (h) During the years ended 30 September 2022 and 2021, in addition to the management fee, valuation fee and registrar's fee as disclosed in Note 7(d) and 7(g), respective amounts received from/(paid to) the Manager, JPMorgan Funds (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	90	21
Other income	6	-
Transaction costs	(792)	(618)
Safe custody and bank charges	(7,844)	(961)

- (i) During the years ended 30 September 2022 and 2021, in addition to the trustee's fee as disclosed in Note 7(f), respective amounts received from/(paid to) the Trustee, HSBC Institutional Trust Services (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	195	2
Other operating expenses	-	(148)
Interest expense	(27)	(16)
Transaction costs	(13,821)	(14,220)
Safe custody and bank charges	(24,485)	(28,982)

## 8 Borrowings

During the years ended 30 September 2022 and 2021, the Fund has unsecured short-term bank borrowings with The Hongkong and Shanghai Banking Corporation Limited, a Connected Person of the Trustee. All bank borrowings have a duration of less than 7 days. All such transactions are entered into in the ordinary course of business and on normal commercial terms.

## 9 Soft dollar arrangements/Commission sharing arrangements

The Investment Manager has entered into soft dollar arrangements/commission sharing arrangements with brokers under which certain goods and services used to support investment decision making are received by the Investment Manager. A portion of the transaction commission paid by the Fund is retained by the brokers as compensation for the goods and services.

The goods and services must be of demonstrable benefit to the Fund and would be limited to research and advisory services.

During the year ended 30 September 2022, the Investment Manager obtained the services through soft dollar arrangements/commission sharing arrangements on transactions amounting to US\$20,338,682 (2021: US\$28,948,572). Commission which amounted to US\$1,944 (2021: US\$9,820) is paid from the Fund on these transactions.

**10 Derivatives**

Details of warrants as at 30 September were as follows:

**11 Distribution**

No distribution was made during the year (2021: nil).

**Independent Auditor's Report**

To the Unitholders of JPMorgan Malaysia Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan Malaysia Fund, which are set out on pages 549 to 562, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial transactions and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKASs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 12 December 1989, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKASs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with HKASs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report** (Continued)

To the Unitholders of JPMorgan Malaysia Fund (the "Fund")

**Auditor's Responsibilities for the Audit of the  
Financial Statements** (Continued)

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Matters under the Relevant Disclosure  
Provisions of the Trust Deed and Appendix E of the  
SFC Code**

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

PricewaterhouseCoopers  
Certified Public Accountants

Hong Kong, 20 January 2023

**Statement of Responsibilities of the Manager and the Trustee****Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund in all material respects is managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto (as far as reasonably practicable); and
- report to the unitholders for each annual accounting period should the Manager not manage the Fund in accordance with the Trust Deed.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 12 December 1989, as amended, for the year ended 30 September 2022.

HSBC Institutional Trust Services (Asia) Limited, Trustee

## UK Tax Information

The Fund is transparent for UK income tax purposes and information has been provided to UK investors of the amount of their share of the underlying income, expenses and overseas tax suffered for all financial years from 1 October 2010. Although the Fund is an "offshore fund" for UK tax purposes, there is no need to formally apply for "reporting fund status" as the Fund is considered transparent by HMRC and does not invest more than 5% of its assets in other offshore funds which are not themselves reporting funds. Therefore it is known as a "special category transparent offshore fund" and considered out of scope of the requirements of the offshore fund regime. The principal effect of this is that for unitholders resident in the UK for taxation purposes, any gains accruing on the sale, redemption or other disposal of units during the period will be taxed in the UK as a capital gain and not as income. The Fund has previously been certified by HMRC in the UK as a "distributing fund" in respect of the period from 12 December 1989 to 30 September 2010.

The notes on pages 571 to 582 form part of these financial statements.

## Notes to the Financial Statements

### 1 The Fund

JPMorgan Money Fund (the "Fund") was established under a Trust Deed dated 13 June 1983, as amended (the "Trust Deed") and is governed by the laws of Hong Kong. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

The Fund currently comprises the HK\$ portfolio ("Portfolio").

The investment objective of the Portfolio is to provide an efficient vehicle for holding liquid assets currently denominated in the currency of Hong Kong by investing in short-term deposits and high quality money market instruments. The Manager will aim to secure long-term capital growth.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

### 2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### (a) Basis of preparation of financial statements

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

##### *Standards and amendments to existing standards effective from 1 October 2021*

There are no standards or amendments to existing standards that are effective for the first time for the financial year beginning 1 October 2021 that have had a material impact on the Fund.

##### *New standards, amendments and interpretations effective after 1 October 2021 and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 October 2021, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

#### (b) Investments

##### *Classification*

The Fund classifies its investments based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

*Recognition, derecognition and measurement*

Purchases and sales of investments are accounted for on the trade date basis. Investments are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments are recognized in the Statement of Comprehensive Income. Investments are derecognized when the rights to receive cash flows from the investments have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value.

Debt securities and money market are fair valued based on quoted prices inclusive of accrued interest.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

**(c) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(d) Income and expense**

Interest income on investments is accounted for as part of net gains/losses on investments in the Statement of Comprehensive Income.

Interest income on cash at banks and short-term deposits is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis.

**(e) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(f) Foreign currency translation***Functional and presentation currency*

The Fund has adopted Hong Kong dollar as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments".

**(g) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(h) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments sold and payables for investments purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(i) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

**3 Short-term deposits**

Analysis by financial institution

	2022		2021	
	HK\$	% of net assets	HK\$	% of net assets

7 days or less	570,000,000	610,000,000
Over 7 days	255,000,000	575,000,000
	<u>825,000,000</u>	<u>1,185,000,000</u>

**4 Number of units in issue and net assets attributable to holders of redeemable units (per unit)**Fair value adjustment of units of the Fund

As at 30 September 2022, the Fund had HK\$1,768,765,153 (2021: HK\$2,129,904,696) of puttable financial instruments, represented by the net assets attributable to the holders of redeemable units (or “net asset value” or “net assets” or “NAV”), classified as equity. The redemption amount is determined based on the net assets attributable to holders of redeemable units calculated in accordance with the provisions of the Trust Deed (“Trust Deed NAV”).

	2022 HK\$	2021 HK\$
Net assets attributable to holders of redeemable units (In accordance with HKFRS)	1,768,765,153	2,129,904,696
Fair value adjustment of units of the Fund:		
Difference in valuation of investments [Note 4(a)]	<u>564,667</u>	<u>177,495</u>
Net assets attributable to holders of redeemable units (In accordance with the Trust Deed)	<u>1,769,329,820</u>	<u>2,130,082,191</u>

Note:

- (a) In accordance with the Trust Deed, amortized cost method may be used in respect of certain debt instruments specified in the Explanatory Memorandum. In accordance with the Explanatory Memorandum, debt investments of the Fund with a residual maturity exceeding 90 days will be valued at their latest market quoted price on the relevant dealing day. Debt investments of the Fund with a residual maturity of 90 days or less at the time of purchase will be valued using the amortized cost method, whereby the investments are valued at cost and adjusted to account for the amortization of premiums or discounts over the remaining life of such debt investments. For debt investments being held by the Fund and turning to have a residual maturity of 90 days, such debt investments will begin to be valued using the amortized cost method, whereby their closing price on the dealing day immediately before the investments turned 90 days to maturity will be used as the basis and adjusted for the amortization of premiums or discounts over the investments' remaining life. However, as stated in Note 2(b), the accounting policy of the Fund for the purpose of compliance with HKFRS 9 “Financial Instruments” and for reporting purposes is to fair value debt securities and money market based on quoted prices inclusive of accrued interest.

Number of units in issue

	2022 Units	2021 Units
Number of units in issue:		
At the beginning of the year	12,778,195.213	17,284,261.481

Total redemptions	<u>(6,010,815.801)</u>	<u>(10,474,920.729)</u>
At the end of the year	<u>10,588,113.962</u>	<u>12,778,195.213</u>
	HK\$	HK\$
Net assets attributable to holders of redeemable units (In accordance with HKFRS)	<u>1,768,765,153</u>	<u>2,129,904,696</u>
Net assets attributable to holders of redeemable units (per unit) (In accordance with HKFRS)	<u>167.05</u>	<u>166.68</u>
Net assets attributable to holders of redeemable units (In accordance with the Trust Deed)	<u>1,769,329,820</u>	<u>2,130,082,191</u>
Net assets attributable to holders of redeemable units (per unit) (In accordance with the Trust Deed)	<u>167.11</u>	<u>166.70</u>

The Fund's policies for managing its obligations for the holders of redeemable units of the Fund are included in Note 5(II) capital risk management.

**5 Financial risk management****(l) Financial risk factors**

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

**(a) Market risk****(i) Market price risk**

The Fund primarily invests in debt securities and money market which are subject to interest rate risk. Refer to Note 5(l)(a)(ii) for interest rate risk.

**(ii) Interest rate risk**

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates. The Fund is exposed to risks associated with the effects of fluctuations in the prevailing levels of market interest rates on its investments and cash deposits.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	Less than 1 year HK\$
<u>2022</u>	
Cash at banks	114,871,119
Short-term deposits	825,000,000
Investments (Note*)	926,963,203
Total interest sensitivity gap	<u>1,866,834,322</u>
<u>2021</u>	
Cash at banks	64,084,711
Short-term deposits	1,185,000,000
Investments (Note*)	934,722,442
Total interest sensitivity gap	<u>2,183,807,153</u>

Note:

\* The coupon rate of the investments ranged between 0.00% p.a. - 4.47% p.a. (2021: 0.00% p.a. - 3.92% p.a.).

As at 30 September, the Fund's fair value of investments were as follows:

Listed/Quoted Investments	2022		2021	
	Fair value of investments HK\$	% of net assets	Fair value of investments HK\$	% of net assets
<b>Assets</b>				
<b>Debt Securities</b>				
- Others	214,455,397	12.1	81,581,959	3.8
	<u>214,455,397</u>	<u>12.1</u>	<u>81,581,959</u>	<u>3.8</u>
<b>Money Market</b>				
- Hong Kong	179,415,824	10.2	79,967,880	3.7
- France	104,950,350	5.9	122,985,510	5.8
- Norway	99,878,496	5.6	-	-
- China	88,776,308	5.0	310,252,545	14.6
- Others	239,486,828	13.6	339,934,548	16.0
	<u>712,507,806</u>	<u>40.3</u>	<u>853,140,483</u>	<u>40.1</u>
Total Listed/Quoted Investments	<u>926,963,203</u>	<u>52.4</u>	<u>934,722,442</u>	<u>43.9</u>

The Investment Manager monitors the Fund's interest rate risk sensitivity primarily through the modified duration of the Fund on a regular basis. The modified duration measures the sensitivity of the price of a bond and money market investment relative to the change in interest rate. As at 30 September 2022, the Investment Manager estimates that the Fund has a modified duration of 0.06 (2021: 0.09). For the purpose of disclosing relevant sensitivities, the percentage of reasonable possible change in interest rate adopted is 25 basis points, and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns. If the interest rates were to rise by 25 basis points with all other variables that may impact the net asset value of the Fund held constant, this would result in a decrease in net asset value of the Fund by approximately HK\$265,315 (2021: HK\$479,229). If the interest rates were to fall by 25 basis points, this would result in an increase in the net asset value of the Fund by the same amount.

Any cash and cash equivalents are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

### (iii) Currency risk

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

Net currency exposures (Note*)	HK\$ equivalent	% of reasonable possible change against HK\$ (Note**)	Estimated impact on net asset value HK\$
<u>2022</u>			
United States Dollar	376,153	+0.8	3,009
	<u>376,153</u>		<u>3,009</u>
<u>2021</u>			
United States Dollar	79,798	+0.4	319
	<u>79,798</u>		<u>319</u>

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

#### (b) Credit risk

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment or interest and other accounts receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

The Fund's investments are predominantly in debt securities and money market and therefore the Fund is exposed to credit risk that the issuers may not be able to repay the principal amount and interest at maturity. Credit risk derived from debt securities and money market are managed and monitored on an on-going basis by making reference to the credit rating and credit outlook provided by credit rating agencies, if available, and internal credit analysis.

The table below summarizes the debt securities and money market by credit rating as at 30 September.

	2022 % of net assets	2021 % of net assets
S&P(AA)/Moody's(Aa)/FITCH(AA)	2.8	0.6
S&P(A)/Moody's(A)/FITCH(A)	3.2	0.9
Unrated	46.4	42.4
	<u>52.4</u>	<u>43.9</u>

The table below summarizes the unrated debt securities and money market as stated in the table above by their issuers' credit rating as at 30 September.

	2022 % of net assets	2021 % of net assets
S&P(AA)/Moody's(Aa)/FITCH(AA)	20.3	11.2
S&P(A)/Moody's(A)/FITCH(A)	20.8	23.1
S&P(BBB)/Moody's(Baa)/FITCH(BBB)	1.7	3.7
Unrated	3.6	4.4
	<u>46.4</u>	<u>42.4</u>

In order to monitor the credit quality of the unrated debt securities and money market, the Investment Manager, on the basis of internal research, prepares its own proprietary ratings for the debt securities and money market for which publicly available credit ratings are not available. The Investment Manager reviews the key financial metrics of the issue and structural features of the debt securities and money market in order to calculate the implied ratings for each of the debt securities and money market.

The table below summarizes the credit rating of the banks/custodian which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties HK\$	2021 Exposure to counterparties HK\$
Bank balances and short-term deposits		
S&P(AA)/Moody's(Aa)/FITCH(AA)	744,871,119	854,084,711
S&P(A)/Moody's(A)/FITCH(A)	195,000,000	395,000,000
Investment balances with custodian		
S&P(AA)/Moody's(Aa)/FITCH(AA)	<u>926,963,203</u>	<u>934,722,442</u>

### (c) Liquidity risk

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in an active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	2022	2021
	Less than 1 month HK\$	Less than 1 month HK\$
Amounts due to brokers	90,066,749	55,276,073
Amounts payable on redemption	8,226,034	1,129,769
Other accounts payable	549,232	378,560
	<hr/>	<hr/>
Total financial liabilities	<u>98,842,015</u>	<u>56,784,402</u>

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

## (II) Capital risk management

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

## (III) Fair value estimation

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments (by class) within the fair value hierarchy measured at fair value as at 30 September:

Listed/Quoted Investments	Level 1 HK\$	Level 2 HK\$	Level 3 HK\$	Total HK\$
<u>2022</u>				
<u>Assets</u>				
Debt Securities	-	214,455,397	-	214,455,397
Money Market	-	712,507,806	-	712,507,806
Total financial assets at fair value through profit and loss	-	926,963,203	-	926,963,203
<u>2021</u>				
<u>Assets</u>				
Debt Securities	-	81,581,959	-	81,581,959
Money Market	-	853,140,483	-	853,140,483
Total financial assets at fair value through profit and loss	-	934,722,442	-	934,722,442

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Investments classified within level 3 have significant unobservable inputs, as they trade infrequently.

There were no transfers between levels for the years ended 30 September 2022 and 2021.

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

## 6 Net gains on investments

	2022 HK\$	2021 HK\$
Change in unrealized gains/losses in value of investments	4,263,727	(5,298,019)
Realized gains on sale of investments	279,693	9,372,150
	<u>4,543,420</u>	<u>4,074,131</u>

## 7 Taxation

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

## 8 Transactions with the Trustee, the Manager and their Connected Persons

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

- (a) Balances with the Manager and its Connected Persons as at year end:

	2022 HK\$	2021 HK\$
Cash at banks	114,871,119	64,084,711
Amounts receivable	6,357	-
Amounts payable	(372,632)	(168,354)
	<u>                    </u>	<u>                    </u>

As at 30 September 2022, the Fund's investment balance of HK\$926,963,203 (2021: HK\$934,722,442) represents the investments held by the custodian, JPMorgan Chase Bank, N.A., a Connected Person of the Manager.

- (b) During the years ended 30 September 2022 and 2021, there was no income accruing to the Manager relating to allotments and redemptions in the Fund.
- (c) Prior to 9 December 2020, management fee of 0.25% per annum of the net asset value of the Portfolio was paid to JPMorgan Funds (Asia) Limited. With effect from 9 December 2020, management fee of up to 0.25% per annum of the net asset value of the Portfolio would be paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears.
- (d) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.

Certain Directors of the Manager held units of the Fund during the year and were entitled to profits from transaction in units of the Fund as follows:

	At the beginning of the year	Increase resulting from director appointments during the year	Total allotments	Total redemptions	Decrease resulting from director resignations during the year	At the end of the year	Profits from transaction HK\$
<u>2022</u>							
Directors of the Manager	23,876.392	-	16,049.437	(33,814.322)	-	6,111.507	1,309
<u>2021</u>							
Directors of the Manager	38,545.741	5,977.901	17,898.491	(38,545.741)	-	23,876.392	9,240

- (e) Trustee's fee of 0.018% per annum of the net asset value of the Portfolio is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.
- (f) Prior to 23 March 2021, JPMorgan Funds (Asia) Limited, the registrar agent and Manager, received a registrar's fee at the rate of 0.075% per annum of the net asset value of the Portfolio. With effect from 23 March 2021, JPMorgan Funds (Asia) Limited would receive a registrar's fee at the rate of up to 0.075% per annum of the net asset value of the Portfolio. The registrar's fee is accrued daily based on the net asset value of the Portfolio on each dealing day and is payable quarterly in arrears.
- (g) During the years ended 30 September 2022 and 2021, in addition to the management fee and registrar's fee as disclosed in Note 8(c) and 8(f), respective amounts received from/(paid to) the Manager, JPMorgan Funds (Asia) Limited, and its Connected Persons were as follows:

	2022 HK\$	2021 HK\$
Interest on deposits	115,418	1,528
Transaction costs	(10,796)	(10,516)
Safe custody and bank charges	(186,396)	(196,781)
	<u>                    </u>	<u>                    </u>

**9 Soft dollar arrangements/Commission sharing arrangements**

During the years ended 30 September 2022 and 2021, the Investment Manager and its Connected Persons did not enter into any soft dollar arrangements/commission sharing arrangements in connection with directing transactions of the Fund through a broker or dealer.

**10 Distribution**

No distribution was made during the year (2021: nil).

**Independent Auditor's Report**

To the Unitholders of JPMorgan Money Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan Money Fund, which are set out on pages 569 to 582, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial transactions and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKASs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 13 June 1983, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKASs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with HKASs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report** (Continued)

To the Unitholders of JPMorgan Money Fund (the "Fund")

**Auditor's Responsibilities for the Audit of the  
Financial Statements** (Continued)

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Matters under the Relevant Disclosure  
Provisions of the Trust Deed and Appendix E of the  
SFC Code**

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

PricewaterhouseCoopers  
Certified Public Accountants

Hong Kong, 20 January 2023

**Statement of Responsibilities of the Manager and the Trustee****Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund is managed by the Manager in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto; and
- report to the unitholders for each annual accounting period on the conduct of the Manager in the management of the Fund.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 13 June 1983, as amended, for the year ended 30 September 2022.

Bank of East Asia (Trustees) Limited, Trustee

**Details of Financial Derivative Instruments  
As at 30 September 2022 (Unaudited)**

**(a) Convertible bonds**

As at 30 September 2022, the Fund held convertible bonds, which the underlying assets and counterparties were the issuers themselves, with details as shown in the Investment Portfolio.

**(b) Equity-linked notes**

As at 30 September 2022, the Fund held equity-linked notes with details as shown in Note 10.

**(c) Forward foreign exchange contracts**

As at 30 September 2022, the Fund held outstanding forward foreign exchange contracts with details as shown in Note 11.

**(d) Futures**

As at 30 September 2022, the Fund held futures contracts with details as shown in Note 11.

**(e) Warrants**

As at 30 September 2022, the Fund held warrants with details as shown in Note 11.

**(f) Rights**

As at 30 September 2022, the Fund held rights with details as shown in Note 11.

**Information on Exposure Arising from Financial  
Derivative Instruments  
For the year ended 30 September 2022 (Unaudited)**

The lowest, highest and average gross exposure arising from the use of financial derivative instruments in the Fund for any purpose as a proportion to the Fund's total net asset value for the year ended 30 September 2022.

	<b>2022</b>
	<b>% of NAV</b>
Lowest gross exposure	17.9
Highest gross exposure	45.8
Average gross exposure	26.2

The lowest, highest and average net exposure arising from the use of financial derivative instruments in the Fund for non-hedging purpose as a proportion to the Fund's total net asset value for the year ended 30 September 2022.

	<b>2022</b>
	<b>% of NAV</b>
Lowest net exposure	4.8
Highest net exposure	9.2
Average net exposure	6.2

\* The calculation of gross exposure on financial derivative instruments does not include convertible bonds.

# There are some share classes with currency hedging features. For the avoidance of doubt, their exposures are not included in the calculation of the gross exposure of the Fund portfolio.

The notes on pages 622 to 654 form part of these financial statements.

**Notes to the Financial Statements****1 The Fund**

JPMorgan Multi Balanced Fund (the "Fund") was established under a Trust Deed dated 23 February 2017, as amended (the "Trust Deed") and is governed by the laws of Hong Kong. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

The investment objective of the Fund is to provide regular income by investing primarily in a conservatively constructed portfolio of income generating securities globally, including but not limited to, equities (including preferred shares), senior secured bonds, high yield bonds, investment grade bonds, below investment grade bonds, emerging market bonds, convertible bonds, asset backed securities (including asset backed commercial papers) and mortgage backed securities.

Pursuant to the Trust Deed, the Manager may decide to issue separate classes (each a "Class") whose assets will be commonly invested but where a specific fee structure, currency or distribution policy may be applied. Each Class may have a different charging structure with the result that the net asset value attributable to each Class may differ.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

**2 Summary of significant accounting policies**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

**(a) Basis of preparation of financial statements**

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

*Standards and amendments to existing standards effective from 1 October 2021*

There are no standards or amendments to existing standards that are effective for the first time for the financial year beginning 1 October 2021 that have had a material impact on the Fund.

*New standards, amendments and interpretations effective after 1 October 2021 and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 October 2021, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

**(b) Investments and derivatives***Classification*

The Fund classifies its investments and derivatives based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

Derivative contracts that have a negative fair value are presented as liabilities at fair value through profit or loss.

The Fund makes short sales in which a borrowed security is sold in anticipation of a decline in the market value of that security, or it may use short sales for various arbitrage transactions. Short sales are classified as financial liabilities at fair value through profit or loss.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

*Recognition, derecognition and measurement*

Purchases and sales of investments and derivatives are accounted for on the trade date basis. Investments and derivatives are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments and derivatives are recognized in the Statement of Comprehensive Income. Investments and derivatives are derecognized when the rights to receive cash flows from the investments and derivatives have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value. When trading of financial instruments in markets that are not considered to be active, the financial instruments are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs.

Debt securities and money market are fair valued based on quoted prices inclusive of accrued interest.

Investments in collective investment schemes are stated at fair value based on the net asset value per unit of the respective funds as determined by the administrators of the relevant funds or stated at last traded prices if the collective investment schemes are listed or traded on an exchange.

Open futures and swap contracts are valued at last traded prices for both long and short positions at the valuation date. The differences between the last traded prices and the contract prices are recognized in the Statement of Comprehensive Income.

Open option contracts are valued at last traded prices for both long and short positions at the valuation date. The differences between the last traded prices and the premium amounts/contract prices are recognized in the Statement of Comprehensive Income.

Forward foreign exchange contracts are valued at the forward rates ruling at the valuation date. The differences between the forward rates and the contract rates are recognized in the Statement of Comprehensive Income.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

*Structured entities*

The Fund considers all of its investments in other funds ("Investee Funds") to be investments in unconsolidated structured entities. The Fund invests in Investee Funds whose objectives range from achieving medium to long-term capital growth.

**(c) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(d) Income and expense**

Dividend income is recognized on the ex-dividend date with the corresponding foreign withholding tax recorded as an expense and is accounted for in the Statement of Comprehensive Income.

Interest income on investments is accounted for as part of net gains/losses on investments and derivatives in the Statement of Comprehensive Income.

Interest income on cash at banks and short-term deposits is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis.

**(e) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(f) Foreign currency translation***Functional and presentation currency*

The Fund has adopted United States dollar as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

**(g) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(h) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(i) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

Units of the Fund are redeemable at the option of the holders of redeemable units and are classified as a financial liability in the Statement of Financial Position which represents the net assets attributable to holders of redeemable units (or "net asset value" or "net assets" or "NAV") and is carried at the redemption amount that would be payable at the Statement of Financial Position date if the holders of redeemable units exercised the right to redeem units of the Fund.

**(j) Distribution payable to holders of redeemable units**

Proposed distributions to holders of redeemable units are recognized in the Statement of Comprehensive Income when they are appropriately authorized. The distribution on the redeemable units is recognized as a finance cost in the Statement of Comprehensive Income.

**(k) Investments pledged as collateral**

If the party to whom the collateral is provided has the right by contract or custom to sell or re-pledge the collateral, the Fund classifies that asset in its Statement of Financial Position separately from other assets and identifies the asset as pledged collateral. Where the party to whom the collateral is provided does not have the right to sell or re-pledge the collateral, a disclosure of the collateral provided is made in the notes to the financial statements.

**3 Number of units in issue and net assets attributable to holders of redeemable units (per unit)**

**4 Financial risk management**

**(I) Financial risk factors**

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

The Fund's holding in the collective investment schemes, as a percentage of the collective investment schemes' total net asset value, will vary from time to time dependent on the volume of allotments and redemptions at the collective investment schemes level. It is possible that the Fund may, at any point in time, hold a majority of the collective investment schemes' total units in issue. The Fund's maximum exposure to loss from its interests in Investee Funds is equal to the total fair value of its investment in collective investment schemes. Total purchase in collective investment schemes during the year ended 30 September 2022 was US\$13,664,136 (2021: US\$5,025,000). During the year ended 30 September 2022, total net loss incurred on the investment in collective investment schemes was US\$5,132,469 (2021: total net gain of US\$3,605,322).

(a) Market risk

(i) Market price risk

The Fund's investments and derivatives are subject to the market price risk inherent in all investments and derivatives i.e. the value of holdings may fall as well as rise. The Fund's market risk is managed through (i) deliberate stocks selection, and (ii) diversification of the investment portfolio in accordance with specific investment restrictions and guidelines.

As at 30 September, the fair value of investments and derivatives and its estimated market sensitivity were as follows:

	2022		2021	
	Fair value of investments US\$	% of net assets	Fair value of investments US\$	% of net assets

Also, refer to Note 11 for the exposures on derivatives.

The Investment Manager monitors the Fund's market price sensitivity primarily through the Fund's volatility, which helps to describe the likely range of the Fund's return, on a regular basis. In statistical terms, it is the standard deviation of the return distribution. Greater volatility of monthly fund returns means that there is a wider range of likely returns in the future, or greater uncertainty regarding the fund returns. Most investors would equate this greater uncertainty with greater risk.

The table below summarizes the volatility of the Fund expressed in annual terms and the estimated impact on the net asset value.

	2022	2021
Annual volatility (Note*)	8.04%	6.43%

If the above volatility were to be applied to the Fund's net asset value as at 30 September 2022 of US\$292,350,894 (2021: US\$376,715,099) and assuming that the Fund's returns are normally distributed with its mean return equals to nil and with one standard deviation away from the mean return (i.e. a probability of 68%), the estimated reasonable possible change in the Fund's net asset value would be between US\$268,845,882 and US\$315,855,906, or within +/- US\$23,505,012 (2021: between US\$352,492,318 and US\$400,937,880, or within +/- US\$24,222,781) over a twelve-month period based on the Fund's historical annual volatility percentage as a result of the market price fluctuation, assuming that all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Volatility is calculated based on the monthly Fund's returns over the maximum of past 36 months or the number of months since portfolio inception. For funds launched within a period of less than 12 months, volatility is calculated based on the weekly Fund's returns since the Fund's launch. Volatility is expressed in annual volatility by applying the square root of time adjustment. Volatility may not cover stressed market events, nor represent the Investment Manager's forecast of the Fund's range of future returns.

**(ii) Interest rate risk**

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates. The Fund is exposed to risks associated with the effects of fluctuations in the prevailing levels of market interest rates on its investments, derivatives, cash deposits and short-term bank loans.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	Less than 1 year US\$	1-5 years US\$	Over 5 years US\$	Total US\$

Investments (Note*)	4,073,613	36,524,269	154,566,442	195,164,324
Total interest sensitivity gap	<u>26,664,695</u>	<u>36,524,269</u>	<u>154,566,442</u>	<u>217,755,406</u>

	Less than 1 year US\$	1-5 years US\$	Over 5 years US\$	Total US\$
<u>2021</u>				
Cash at banks	45,079,509	-	-	45,079,509
Margin deposits	39,406	-	-	39,406
Equity-linked notes	15,798,615	-	-	15,798,615
Investments (Note*)	1,965,511	26,084,515	193,620,809	221,670,835
Total interest sensitivity gap	<u>62,883,041</u>	<u>26,084,515</u>	<u>193,620,809</u>	<u>282,588,365</u>

Note:

\* The coupon rate of the investments ranged between 0.13% p.a. – 13.00% p.a. (2021: 0.00% p.a. – 13.00% p.a.).

Any cash and cash equivalents and margin deposits are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

The Fund held 70.9% (2021: 63.0%) of net asset value in debt securities, money market, convertible bonds and equity-linked notes with an average duration of 3.99 (2021: 4.32). If the interest rates were to rise by 25 basis points with all other variables that may impact the net asset value of the Fund held constant, this would result in a decrease in the fair value of debt securities, money market, convertible bonds and equity-linked notes by approximately US\$2,066,761 (2021: US\$2,564,670). Conversely, if the interest rates were to fall by 25 basis points, this would result in an increase in the fair value of debt securities, money market, convertible bonds and equity-linked notes by the same amount.

### (iii) Currency risk

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The Fund enters in some forward foreign exchange contracts to hedge some of its foreign currency exposures to maintain limited exposure to non-US\$ currencies. Refer to Note 11(a) for the outstanding forward foreign exchange contracts as at year end.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

	US\$ equivalent	% of reasonable possible change against US\$ (Note**)	Estimated impact on net asset value US\$
<u>2022</u>			
Australian Dollar	29,911,363	-11.0	(3,290,250)

Swedish Krona	97,769	+2.3	2,249
Swiss Franc	78,311	-1.5	(1,175)
	97,211,350		3,015,459

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

**(b) Credit risk**

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment, amounts due from brokers, dividend and other accounts receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments and derivatives are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments and derivatives sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments and derivatives have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

As at 30 September 2022, the Fund held 70.9% (2021: 63.0%) of net asset value in debt securities, money market, convertible bonds and equity-linked notes and therefore the Fund is exposed to credit risk that the issuers may not be able to repay the principal amount and interest at maturity. Credit risk derived from debt securities, money market, convertible bonds and equity-linked notes are managed and monitored on an on-going basis by making reference to the credit rating and credit outlook provided by credit rating agencies, if available, and internal credit analysis.

The table below summarizes the debt securities, money market, convertible bonds and equity-linked notes by credit rating as at 30 September.

	2022 % of net assets	2021 % of net assets
S&P(AAA)/Moody's(Aaa)/FITCH(AAA)	10.7	10.3
S&P(AA)/Moody's(Aa)/FITCH(AA)	2.8	2.2
S&P(A)/Moody's(A)/FITCH(A)	6.4	4.9
S&P(BBB)/Moody's(Baa)/FITCH(BBB)	27.9	21.5
S&P(BB)/Moody's(Ba)/FITCH(BB)	10.1	8.8
S&P(B)/Moody's(B)/FITCH(B)	5.2	4.6
S&P(CCC)/Moody's(Caa)/FITCH(CCC)	0.8	0.4
Unrated	7.0	10.3
	<u>70.9</u>	<u>63.0</u>

The table below summarizes the unrated debt securities, money market, convertible bonds and equity-linked notes as stated in the table above by their issuers' credit rating as at 30 September.

	2022 % of net assets	2021 % of net assets
S&P(AAA)/Moody's(Aaa)/FITCH(AAA)	-	5.5
S&P(AA)/Moody's(Aa)/FITCH(AA)	-	2.0
S&P(A)/Moody's(A)/FITCH(A)	-	2.2
Unrated	7.0	0.6
	<u>7.0</u>	<u>10.3</u>

In order to monitor the credit quality of the unrated debt securities, money market, convertible bonds and equity-linked notes, the Investment Manager, on the basis of internal research, prepares its own proprietary ratings for the debt securities for which publicly available credit ratings are not available. The Investment Manager reviews the key financial metrics of the issue and structural features of the debt securities in order to calculate the implied ratings for each of the debt securities, money market, convertible bonds and equity-linked notes.

The table below summarizes the credit rating of the banks/brokers/custodian which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties US\$	2021 Exposure to counterparties US\$
Bank balances		
S&P(AA)/Moody's(Aa)/FITCH(AA)	85,261	319,994
S&P(A)/Moody's(A)/FITCH(A)	10,476,073	44,759,515
Margin deposits with brokers and derivatives held with/issued by brokers		
S&P(AA)/Moody's(Aa)/FITCH(AA)	854,707	326,215
S&P(A)/Moody's(A)/FITCH(A)	1,711,835	575,528
Investment and derivative balances with custodian		
S&P(A)/Moody's(A)/FITCH(A)	<u>282,272,980</u>	<u>331,225,137</u>

**(c) Liquidity risk**

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in an active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	2022		2021	
	Less than 1 month US\$	1 to 12 months US\$	Less than 1 month US\$	1 to 12 months US\$
Overdraft with brokers	444,853	-	-	-
Amounts due to brokers	3,193,370	-	8,159,630	-
Amounts payable on redemption	1,661,041	-	1,376,542	-
Distribution payable	973,897	-	1,135,786	-
Derivatives	3,175,094	451	1,093,694	1,036
Other accounts payable	412,229	-	449,805	-
Net assets attributable to holders of redeemable units	292,350,894	-	376,715,099	-
<b>Total financial liabilities</b>	<b>302,211,378</b>	<b>451</b>	<b>388,930,556</b>	<b>1,036</b>

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

**(d) Offsetting and amounts subject to master netting arrangements and similar agreements**

As at 30 September 2022 and 2021, the Fund was subject to master netting arrangements with certain derivative counterparties.

In the event of default, the Fund and its counterparties have the option to settle transactions on net basis. An event of default may include failure to pay or deliver, breach of agreement or bankruptcy.

The following tables summarize the Fund's financial assets and liabilities subject to offsetting, master netting arrangements and similar agreements as at 30 September by types of financial instruments.

	Gross amounts of recognized financial assets presented in the Statement of Financial Position US\$	Related amounts subject to master netting arrangements and similar agreements net off against		Net amount US\$
		Financial Instruments US\$	Collateral and margin deposits US\$

<u>Liabilities</u>				
Derivatives	926,665	(135,065)	-	791,600
Financial liabilities at fair value through profit and loss	<u>926,665</u>	<u>(135,065)</u>	<u>-</u>	<u>791,600</u>

**(II) Capital risk management**

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

**(III) Fair value estimation**

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

Listed/Quoted Investments	Level 1 US\$	Level 2 US\$	Level 3 US\$	Total US\$
<u>2022</u>				
<u>Assets</u>				
Equities and Convertibles	62,802,080	40,757	116,215	62,959,052
Equity-linked Notes	-	12,029,748	-	12,029,748
Debt Securities (Note*)	-	194,403,896	5,337	194,409,233
Money Market	-	734,505	-	734,505
Collective Investment Schemes	12,063,855	-	-	12,063,855
Derivatives	1,425,927	1,217,202	-	2,643,129
Total financial assets at fair value through profit and loss	<u>76,291,862</u>	<u>208,426,108</u>	<u>121,552</u>	<u>284,839,522</u>
<u>Liabilities</u>				
Derivatives	33,012	3,142,533	-	3,175,545
Total financial liabilities at fair value through profit and loss	<u>33,012</u>	<u>3,142,533</u>	<u>-</u>	<u>3,175,545</u>
<u>2021</u>				
<u>Assets</u>				
Equities and Convertibles	79,738,303	31,508	-	79,769,811
Equity-linked Notes	-	15,798,615	-	15,798,615
Debt Securities	-	221,142,317	-	221,142,317
Money Market	-	497,010	-	497,010
Collective Investment Schemes	13,984,718	-	-	13,984,718
Derivatives	50,715	844,288	-	895,003
Total financial assets at fair value through profit and loss	<u>93,773,736</u>	<u>238,313,738</u>	<u>-</u>	<u>332,087,474</u>
<u>Liabilities</u>				
Derivatives	-	1,094,730	-	1,094,730
Total financial liabilities at fair value through profit and loss	<u>-</u>	<u>1,094,730</u>	<u>-</u>	<u>1,094,730</u>

Note:

\* As at 30 September 2022, debt securities include a security pledged as collateral with fair value of US\$1,494,834 (2021: nil).

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities, collective investment schemes and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Investments classified within level 3 have significant unobservable inputs, as they trade infrequently.

The level 3 equities as at 30 September 2022 of US\$116,215 are equity positions with a single broker quote without comparables or actual commitment to transact at the quoted price (2021: nil).

The level 3 debt securities as at 30 September 2022 of US\$5,337 (2021: nil) are listed/quoted investments suspended from trading as at year end for a period of more than 1 month, listed/quoted investments under entity restructuring or illiquid investments. The Fund adjusts the last traded price of the investments by applying a valuation discount, which is considered to be the unobservable input in the valuation. If the discount was to change by +/-5%, this would result in a change in the Fund's net asset value by +/-US\$267 (2021: nil), assuming all other variables that may impact the net asset value of the Fund are held constant.

The table below summarizes the transfers between levels of the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value for the year ended 30 September 2022.

	Level 1 US\$	Level 2 US\$	Level 3 US\$
<u>2022</u>			
Transfers between Levels 2 and 3: Financial assets at fair value through profit and loss			
Debt Securities			
- Luxembourg	-	(251,961)	251,961
	<u>          </u>	<u>          </u>	<u>          </u>

Luxembourg

Debt securities transferred from Level 2 to Level 3 were valued based on unobservable inputs as at 30 September 2022, but were valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs as at 30 September 2021.

There were no transfers between levels for the year ended 30 September 2021.

The following table presents the movement in level 3 instruments for the year ended 30 September 2022 by class of financial instrument.

	2022 US\$
Opening balance	-
Transfers between Levels 2 and 3	251,961
Purchases	-
Sales	(40,564)
Net losses recognized in net (losses)/gains on investments and derivatives	(89,845)
Closing balance	<u>121,552</u>
Change in unrealized gains/losses for Level 3 assets held at year end and included in net (losses)/gains on investments and derivatives	<u>(89,845)</u>

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

5 Net (losses)/gains on investments and derivatives

	2022	2021
	US\$	US\$
Change in unrealized gains/losses in value of investments and derivatives	(63,454,483)	4,405,296
Realized gains on sale of investments and derivatives	558,456	15,989,462
	<u>(62,896,027)</u>	<u>20,394,758</u>

6 Distribution

In the event that the amount available for distribution is insufficient to pay distributions as the Fund declares, the Manager may in its discretion determine that such distributions be paid from capital.

No undistributed income was carried forward at the end of the year (2021: nil).

Distribution Class	Ex date	Pay date	Rate	Units	2022 US\$	2021 US\$

## 7 Taxation

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

Overseas tax was withheld or paid on certain dividend income received and interest income received during the years ended 30 September 2022 and 2021.

## 8 Transactions with the Trustee, the Manager and their Connected Persons

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

(a) Investment transactions with Connected Persons of the Trustee and the Manager are set out below:

The Fund invests in various funds ("underlying funds") which are managed by the Manager or its Connected Persons. All fees on allotments and redemptions in the underlying funds payable by the Fund are waived by the managers of underlying funds which are managed by the Manager and/or its Connected Persons.

Name of company	Aggregate value of purchases and sales of investments US\$	% of the Fund's total aggregate value of transactions	Commission paid US\$	% of the Fund's total commission paid in the year	Average commission rate %
<u>2022</u>					
HSBC Bank Plc London	730,162	0.12	726	1.71	0.10
HSBC Securities (USA) Inc	2,166,373	0.35	-	-	-
J.P. Morgan Securities (Asia Pacific) Limited	22,050	0.00	7	0.02	0.03

(b) Balances with the Manager and its Connected Persons as at year end:

	2022	2021
	US\$	US\$
Cash at banks	85,261	319,994
Amounts receivable	12	-
Amounts payable	(636,148)	(2,011,245)
	<u>                    </u>	<u>                    </u>

As at 30 September 2022, the Fund's investment balance of US\$12,063,855 (2021: US\$13,984,718) represents the investments in the collective investment schemes issued and managed by Connected Persons of the Manager.

- (c) During the year ended 30 September 2022, the Fund entered into forward foreign exchange contracts with Connected Persons of the Trustee with realized losses amounting to US\$977,369 (2021: realized gains amounting to US\$262,144).
- (d) During the year ended 30 September 2022, the income accruing to the Manager relating to allotments and redemptions in the Fund, net of commission paid to agents, amounted to US\$609 (2021: US\$1,203).
- (e) Management fee of 1.25% per annum of the net asset value of the Fund is paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears. If the Fund invests in the collective investment scheme managed by the Manager or its Connected Persons, the management fee of the Manager will be reduced to take account of the management fee levied in respect of such collective investment scheme to the extent attributable to that Fund's interest in such collective investment scheme.

The Manager also receives a valuation fee of US\$40 per valuation if the Fund's net asset value is larger than US\$5 million but smaller than US\$20 million, or US\$70 per valuation if the Fund's net asset value is larger than US\$20 million.

- (f) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.
- (g) Trustee's fee of 0.06% per annum of the net asset value of the Fund for the first US\$40 million, 0.04% per annum for the balance from US\$40 million to US\$70 million, and 0.025% per annum for the balance in excess of US\$70 million is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.
- (h) JPMorgan Funds (Asia) Limited, the registrar agent and Manager, receives a registrar's fee which varies depending on the number of unitholders in the Fund and the number of transactions which occur. The range agreed with the Trustee is between 0.015% and 0.5% per annum of the Fund's net asset value. The registrar's fee is payable quarterly in arrears.
- (i) During the years ended 30 September 2022 and 2021, in addition to the management fee, valuation fee and registrar's fee as disclosed in Note 8(e) and 8(h), respective amounts received from/(paid to) the Manager, JPMorgan Funds (Asia) Limited, and its Connected Persons were as follows:

	2022	2021
	US\$	US\$
Other income	14,265	16,939
Interest on deposits	293	217
Transaction costs	(297)	(65)
Safe custody and bank charges	(8,889)	(3,818)
	<u>                    </u>	<u>                    </u>

- (j) During the years ended 30 September 2022 and 2021, in addition to the trustee's fee as disclosed in Note 8(g), respective amounts received from/(paid to) the Trustee, HSBC Institutional Trust Services (Asia) Limited, and its Connected Persons were as follows:

	2022	2021
	US\$	US\$
Interest on deposits	20,381	1,141
Other operating expenses	-	(148)
Safe custody and bank charges	(79,708)	(139,143)
Transaction costs	(292,174)	(218,211)
	<u>                    </u>	<u>                    </u>

**9 Soft dollar arrangements/Commission sharing arrangements**

During the years ended 30 September 2022 and 2021, the Investment Manager and its Connected Persons did not enter into any soft dollar arrangements/commission sharing arrangements in connection with directing transactions of the Fund through a broker or dealer.

**10 Equity-linked notes**

Details of equity-linked notes as at 30 September were as follows:

**Independent Auditor's Report**

To the Unitholders of JPMorgan Multi Balanced Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan Multi Balanced Fund, which are set out on pages 620 to 654, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial transactions and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 23 February 2017, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with HKSAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report (Continued)**

To the Unitholders of JPMorgan Multi Balanced Fund (the "Fund")

**Auditor's Responsibilities for the Audit of the  
Financial Statements (Continued)**

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Matters under the Relevant Disclosure  
Provisions of the Trust Deed and Appendix E of the  
SFC Code**

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

PricewaterhouseCoopers  
Certified Public Accountants

Hong Kong, 20 January 2023

**Statement of Responsibilities of the Manager and the Trustee**

**Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund in all material respects is managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto (as far as reasonably practicable); and
- report to the unitholders for each annual accounting period should the Manager not manage the Fund in accordance with the Trust Deed.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 23 February 2017, as amended, for the year ended 30 September 2022.

**Details of Financial Derivative Instruments  
As at 30 September 2022 (Unaudited)**

**(a) Convertible bonds**

As at 30 September 2022, the Fund held convertible bonds, which the underlying assets and counterparties were the issuers themselves, with details as shown in the Investment Portfolio.

**(b) Equity-linked notes**

As at 30 September 2022, the Fund held equity-linked notes with details as shown in Note 11.

**(c) Forward foreign exchange contracts**

As at 30 September 2022, the Fund held outstanding forward foreign exchange contracts with details as shown in Note 12.

**(d) Futures**

As at 30 September 2022, the Fund held futures contracts with details as shown in Note 12.

**(e) Rights**

As at 30 September 2022, the Fund held rights with details as shown in Note 12.

**(f) Warrants**

As at 30 September 2022, the Fund held warrants with details as shown in Note 12.

**Information on Exposure Arising from Financial  
Derivative Instruments  
For the year ended 30 September 2022 (Unaudited)**

The lowest, highest and average gross exposure arising from the use of financial derivative instruments in the Fund for any purpose as a proportion to the Fund's total net asset value for the year ended 30 September 2022.

**2022  
% of NAV**

Lowest gross exposure 32.6

Highest gross exposure 76.4

Average gross exposure 47.3

The lowest, highest and average net exposure arising from the use of financial derivative instruments in the Fund for non-hedging purpose as a proportion to the Fund's total net asset value for the year ended 30 September 2022.

**2022  
% of NAV**

Lowest net exposure 7.6

Highest net exposure 26.0

Average net exposure 14.9

\* The calculation of gross exposure on financial derivative instruments does not include convertible bonds.

# There are some share classes with currency hedging features. For the avoidance of doubt, their exposures are not included in the calculation of the gross exposure of the Fund portfolio.

**Notes to the Financial Statements****1 The Fund**

JPMorgan Multi Income Fund (the "Fund") was established under a Trust Deed dated 24 June 2011, as amended (the "Trust Deed") and is governed by the laws of Hong Kong. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

The investment objective of the Fund is to maximize the income return primarily through investing in a diversified portfolio of income producing equities, bonds and other securities. In addition, the Fund aims to provide medium to long-term moderate capital growth. The Manager will seek to achieve these objectives by active asset allocation to, and within, different asset classes and geographies. The asset classes include but are not limited to investment grade bonds, below investment grade bonds, high yield bonds, emerging market bonds, convertible bonds, real estate investment trusts ("REITs") and equities.

Pursuant to the Trust Deed, the Manager may decide to issue separate classes (each a "Class") whose assets will be commonly invested but where a specific fee structure, currency or distribution policy may be applied. Each Class may have a different charging structure with the result that the net asset value attributable to each Class may differ.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

**2 Summary of significant accounting policies**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

**(a) Basis of preparation of financial statements**

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

*Standards and amendments to existing standards effective from 1 October 2021*

There are no standards or amendments to existing standards that are effective for the first time for the financial year beginning 1 October 2021 that have had a material impact on the Fund.

*New standards, amendments and interpretations effective after 1 October 2021 and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 October 2021, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

**(b) Investments and derivatives***Classification*

The Fund classifies its investments and derivatives based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

Derivative contracts that have a negative fair value are presented as liabilities at fair value through profit or loss.

The Fund makes short sales in which a borrowed security is sold in anticipation of a decline in the market value of that security, or it may use short sales for various arbitrage transactions. Short sales are classified as financial liabilities at fair value through profit or loss.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

*Recognition, derecognition and measurement*

Purchases and sales of investments and derivatives are accounted for on the trade date basis. Investments and derivatives are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments and derivatives are recognized in the Statement of Comprehensive Income. Investments and derivatives are derecognized when the rights to receive cash flows from the investments and derivatives have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value. When trading of financial instruments in markets that are not considered to be active, the financial instruments are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs.

Debt securities and money market are fair valued based on quoted prices inclusive of accrued interest.

Open futures and swap contracts are valued at last traded prices for both long and short positions at the valuation date. The differences between the last traded prices and the contract prices are recognized in the Statement of Comprehensive Income.

Forward foreign exchange contracts are valued at the forward rates ruling at the valuation date. The differences between the forward rates and the contract rates are recognized in the Statement of Comprehensive Income.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

**(c) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(d) Income and expense**

Dividend income is recognized on the ex-dividend date with the corresponding foreign withholding tax recorded as an expense and is accounted for in the Statement of Comprehensive Income.

Interest income on investments is accounted for as part of net gains/losses on investments and derivatives in the Statement of Comprehensive Income.

Interest income on cash at banks and short-term deposits is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis.

**(e) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(f) Foreign currency translation***Functional and presentation currency*

The Fund has adopted United States dollar as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

**(g) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(h) Margin deposits**

Cash collateral provided by the Fund is identified in the Statement of Financial Position as margin deposits and is not included as a component of cash and cash equivalents.

**(i) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(j) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

Units of the Fund are redeemable at the option of the holders of redeemable units and are classified as a financial liability in the Statement of Financial Position which represents the net assets attributable to holders of redeemable units (or "net asset value" or "net assets" or "NAV") and is carried at the redemption amount that would be payable at the Statement of Financial Position date if the holders of redeemable units exercised the right to redeem units of the Fund.

**(k) Distribution payable to holders of redeemable units**

Proposed distributions to holders of redeemable units are recognized in the Statement of Comprehensive Income when they are appropriately authorized. The distribution on the redeemable units is recognized as a finance cost in the Statement of Comprehensive Income.

**(l) Investments pledged as collateral**

If the party to whom the collateral is provided has the right by contract or custom to sell or re-pledge the collateral, the Fund classifies that asset in its Statement of Financial Position separately from other assets and identifies the asset as pledged collateral. Where the party to whom the collateral is provided does not have the right to sell or re-pledge the collateral, a disclosure of the collateral provided is made in the notes to the financial statements.

4 Financial risk management

(l) Financial risk factors

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

(a) Market risk

(i) Market price risk

The Fund's investments and derivatives are subject to the market price risk inherent in all investments and derivatives i.e. the value of holdings may fall as well as rise. The Fund's market risk is managed through (i) deliberate stock selection, and (ii) diversification of the investment portfolio in accordance with specific investment restrictions and guidelines.

As at 30 September, the fair value of investments and derivatives and its estimated market sensitivity were as follows:

Also, refer to Note 12 for the exposures on derivatives.

The Investment Manager monitors the Fund's market price sensitivity primarily through the Fund's volatility, which helps to describe the likely range of the Fund's return, on a regular basis. In statistical terms, it is the standard deviation of the return distribution. Greater volatility of monthly fund returns means that there is a wider range of likely returns in the future, or greater uncertainty regarding the fund returns. Most investors would equate this greater uncertainty with greater risk.

The table below summarizes the volatility of the Fund expressed in annual terms and the estimated impact on the net asset value.

	2022	2021
Annual volatility (Note*)	11.52%	10.20%

If the above volatility were to be applied to the Fund's net asset value as at 30 September 2022 of US\$4,811,255,692 (2021: US\$5,822,270,485) and assuming that the Fund's returns are normally distributed with its mean return equals to nil and with one standard deviation away from the mean return (i.e. a probability of 68%), the estimated reasonable possible change in the Fund's net asset value would be between US\$4,256,999,036 and US\$5,365,512,348; or within +/- US\$554,256,656 (2021: US\$5,228,398,896 and US\$6,416,142,074; or within +/- US\$593,871,589) over a twelve-month period based on the Fund's historical annual volatility percentage as a result of the market price fluctuation, assuming that all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Volatility is calculated based on the monthly Fund's returns over the maximum of past 36 months or the number of months since portfolio inception. For funds launched within a period of less than 12 months, volatility is calculated based on the weekly Fund's returns since the Fund's launch. Volatility is expressed in annual volatility by applying the square root of time adjustment. Volatility may not cover stressed market events, nor represent the Investment Manager's forecast of the Fund's range of future returns.

(ii) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates. The Fund is exposed to risks associated with the effects of fluctuations in the prevailing levels of market interest rates on its investments, derivatives and cash deposits.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	Less than 1 year US\$	1-5 years US\$	Over 5 years US\$	Total US\$
<u>2022</u>				
Cash at banks	1,085,987	-	-	1,085,987

Investments (Note*)	83,960,706	708,864,442	1,570,602,582	2,363,427,730
Total interest sensitivity gap	<u>617,854,095</u>	<u>708,864,442</u>	<u>1,570,602,582</u>	<u>2,897,321,119</u>
<u>2021</u>				
Cash at banks	20,541,728	-	-	20,541,728
Short-term deposits	85,400,648	-	-	85,400,648
Margin deposits	7,569,137	-	-	7,569,137
Derivatives	(5,480,125)	-	-	(5,480,125)
Equity-linked notes	527,785,313	-	-	527,785,313
Investments (Note*)	58,921,331	694,159,950	1,925,282,270	2,678,363,551
Total interest sensitivity gap	<u>694,738,032</u>	<u>694,159,950</u>	<u>1,925,282,270</u>	<u>3,314,180,252</u>

Note:

\* The coupon rate of the investments ranged between 0.00% p.a. – 19.45% p.a. (2021: 0.00% p.a. – 13.13% p.a.).

The Fund held 57.2% (2021: 55.1%) of net asset value in debt securities, money market, convertible bonds and equity-linked notes with an average duration of 5.32 (2021: 3.61). If the interest rates were to rise by 25 basis points with all other variables that may impact the net asset value of the Fund held constant, this would result in a decrease in the fair value of debt securities, money market, convertible bonds and equity-linked notes by approximately US\$36,609,919 (2021: US\$28,935,493). Conversely, if the interest rates were to fall by 25 basis points, this would result in an increase in the fair value of debt securities, money market, convertible bonds and equity-linked notes by the same amount.

Any cash and cash equivalents and margin deposits are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

(iii) Currency risk

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The Fund enters in some forward foreign exchange contracts to hedge some of its foreign currency exposures to maintain limited exposure to non-US\$ currencies. Refer to Note 12(a) for the outstanding forward foreign exchange contracts as at year end.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

Net currency exposures (Note*)	US\$ equivalent	% of reasonable possible change against US\$ (Note**)	Estimated impact on net asset value US\$

Thai Baht	4,287,921	-6.3	(270,139)
	<u>2,276,776,708</u>		<u>78,894,711</u>

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

**(b) Credit risk**

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment, amounts due from brokers or dividend and other accounts receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments and derivatives are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments and derivatives sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments and derivatives have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

As at 30 September 2022, the Fund held 57.3% (2021: 55.1%) of net asset value in debt securities, money market, convertible bonds and equity-linked notes therefore the Fund is exposed to credit risk that the issuers may not be able to repay the principal amount and interest at maturity. Credit risk derived from debt securities, money market, convertible bonds and equity-linked notes is managed and monitored on an on-going basis by making reference to the credit rating and credit outlook provided by credit rating agencies, if available, and internal credit analysis.

The table below summarizes the debt securities, money market, convertible bonds and equity-linked notes by credit rating as at 30 September.

	2022 % of net assets	2021 % of net assets
S&P(AAA)/Moody's(Aaa)/FITCH(AAA)	1.2	0.8
S&P(AA)/Moody's(Aa)/FITCH(AA)	0.5	0.6
S&P(A)/Moody's(A)/FITCH(A)	0.8	1.2
S&P(BBB)/Moody's(Baa)/FITCH(BBB)	12.7	12.6
S&P(BB)/Moody's(Ba)/FITCH(BB)	19.0	17.6
S&P(B)/Moody's(B)/FITCH(B)	7.9	7.5
S&P(CCC)/Moody's(Caa)/FITCH(CCC)	1.5	1.4
Unrated	13.7	13.4
	<u>57.3</u>	<u>55.1</u>

The table below summarizes the unrated debt securities, money market, convertible bonds and equity-linked notes as stated in the table above by their issuers' credit rating as at 30 September.

	2022 % of net assets	2021 % of net assets
S&P(AAA)/Moody's(Aaa)/FITCH(AAA)	0.0	1.0
S&P(AA)/Moody's(Aa)/FITCH(AA)	0.0	4.2
S&P(A)/Moody's(A)/FITCH(A)	0.0	5.1
S&P(BBB)/Moody's(Baa)/FITCH(BBB)	0.1	0.0
S&P(BB)/Moody's(Ba)/FITCH(BB)	0.0	0.0
S&P(B)/Moody's(B)/FITCH(B)	0.0	0.0
Unrated	13.6	3.1
	<u>13.7</u>	<u>13.4</u>

In order to monitor the credit quality of the unrated debt securities, money market, convertible bonds and equity-linked notes, the Investment Manager, on the basis of internal research, prepares its own proprietary ratings for the debt securities, money market, convertible bonds and equity-linked notes for which publicly available credit ratings are not available. The Investment Manager reviews the key financial metrics of the issue and structural features of the debt securities, money market, convertible bonds and equity-linked notes in order to calculate the implied ratings for each of the debt securities, money market, convertible bonds and equity-linked notes.

The table below summarizes the credit rating of the banks/brokers/custodian which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties US\$	2021 Exposure to counterparties US\$
Bank balances and short-term deposits		
S&P(AA)/Moody's(Aa)/FITCH(AA)	1,085,987	2,557,451
S&P(A)/Moody's(A)/FITCH(A)	163,054,184	103,384,925
Margin deposits with brokers and derivatives held with/issued by brokers		
S&P(AA)/Moody's(Aa)/FITCH(AA)	5,059,423	3,694,092
S&P(A)/Moody's(A)/FITCH(A)	60,257,589	22,641,552
Investment and derivative balances with custodian		
S&P(A)/Moody's(A)/FITCH(A)	<u>4,726,375,468</u>	<u>5,748,299,103</u>

**(c) Liquidity risk**

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in an active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	2022		2021	
	Less than 1 month US\$	1 to 12 months US\$	Less than 1 month US\$	1 to 12 months US\$
Bank overdraft	32,515,165	-	-	-
Amounts due to brokers	104,125,576	-	19,578,661	-
Amounts payable on redemption	20,648,297	-	49,424,336	-
Distribution payable	20,716,701	-	19,668,121	-
Derivatives	66,880,212	41,947,776	31,086,450	5,492,243
Other accounts payable	5,566,689	-	6,421,135	-
Net assets attributable to holders of redeemable units	<u>4,811,255,692</u>	<u>-</u>	<u>5,822,270,485</u>	<u>-</u>
Total financial liabilities	<u>5,061,708,332</u>	<u>41,947,776</u>	<u>5,948,449,188</u>	<u>5,492,243</u>

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

**(d) Offsetting and amounts subject to master netting arrangements and similar agreements**

As at 30 September 2022 and 2021, the Fund was subject to master netting arrangements with certain derivative counterparties.

In the event of default, the Fund and its counterparties have the option to settle transactions on net basis. An event of default may include failure to pay or deliver, breach of agreement or bankruptcy.

The following tables summarize the Fund's financial assets and liabilities subject to offsetting, master netting arrangements and similar agreements as at 30 September by types of financial instruments.

	Gross amounts of recognized financial assets presented in the Statement of Financial Position US\$	Related amounts subject to master netting arrangements and similar agreements net off against		Net amount US\$

**(II) Capital risk management**

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

**(III) Fair value estimation**

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

Debt Securities	-	-	-	-
Total financial assets at fair value through profit and loss	<u>-</u>	<u>-</u>	<u>-</u>	<u>-</u>

Note:

\* As at 30 September 2022, debt securities include a security pledged as collateral with fair value of US\$38,280,434 (2021: US\$19,339,313).

The Fund has not sold or re-pledged any collateral during the years ended 30 September 2022 and 2021. The terms and conditions associated with collateral have no significant unusual requirements from the usual practice of recourse when a default occurs.

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Level 3 investments include positions that are not traded in active markets and/or are subject to transfer restrictions, valuations may be adjusted to reflect illiquidity and/or non-transferability, which are generally based on available market information.

The level 3 equities as at 30 September 2022 of US\$9,061,471 are equity positions with a single broker quote without comparables or actual commitment to transact at the quoted price (2021: US\$4,376,200).

The Fund uses discounted cash-flow method for valuation of the level 3 debt securities as at 30 September 2022 of US\$18,630,475 (2021: nil). Interest rate is considered to be the unobservable input in the valuation. No sensitivity analysis was disclosed as the level 3 debt securities have a fixed interest rate.

The level 3 equities and debt securities as at 30 September 2022 of US\$656,051 and US\$204,659 respectively (2021: nil) are listed/quoted investments suspended from trading as at year end for a period of more than 1 month, listed/quoted investments under entity restructuring or illiquid investments. The Fund adjusts the last traded price of the securities by applying a valuation discount, which is considered to be the unobservable input in the valuation. If the discount was to change by +/-5%, this would result in a change in the Fund's net asset value by +/-US\$974,559 (2021: nil), assuming all other variables that may impact the net asset value of the Fund are held constant.

The table below summarizes the transfers between levels of the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value for the year ended 30 September 2022.

	Level 1 US\$	Level 2 US\$	Level 3 US\$
<u>2022</u>

	-	(10,159,383)	10,159,383

Russia

Equities transferred from Level 1 to Level 3 were valued based on unobservable inputs as at 30 September 2022, but were valued based on quoted market prices in active markets as at 30 September 2021.

Luxembourg

Debt securities transferred from Level 2 to Level 3 were valued based on unobservable inputs as at 30 September 2022, but were valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs as at 30 September 2021.

United States

Equities transferred from Level 2 to Level 3 were valued based on unobservable inputs as at 30 September 2022, but were valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs as at 30 September 2021.

The table below summarizes the transfers between levels of the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value for the year ended 30 September 2021.

	Level 1 US\$	Level 2 US\$	Level 3 US\$
<u>2021</u>			
Transfers between Levels 1 and 2: Financial assets at fair value through profit and loss			
Equities			
- United States	(1,190,907)	1,190,907	-
	<u>                    </u>	<u>                    </u>	<u>                    </u>

United States

Equities transferred from Level 1 to 2 were equities valued based on quotation market prices, dealer/broker quotation or alternative pricing sources supported by observable inputs as at 30 September 2021, but were valued based on quoted market price in active markets as at 30 September 2020. Since the adjustment to the valuation was considered to be significant, these securities were classified as Level 2 as at 30 September 2021.

The following table presents the movement in level 3 instruments for the years ended 30 September 2022 and 2021 by class of financial instrument.

	2022 US\$	2021 US\$
Opening balance	4,376,200	4,182,900
Transfers between Level 1 to 3	13,221,756	-
Transfers between Level 2 to 3	10,159,383	-
Purchase	29,901,729	-
Sales	(16,880,808)	(496,174)
Net (losses)/gains recognized in net (losses)/gains on investments and derivatives	<u>(12,225,604)</u>	<u>689,474</u>
Closing balance	<u>28,552,656</u>	<u>4,376,200</u>
Change in unrealized gains/losses for Level 3 assets held at year end and included in net (losses)/gains on investments and derivatives	<u>(11,591,114)</u>	<u>307,336</u>

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

## 5 Net (losses)/gains on investments and derivatives

	2022 US\$	2021 US\$
Change in unrealized gains/losses in value of investments and derivatives	(1,080,615,581)	238,997,704
Realized (losses)/gains on sale of investments and derivatives	<u>(1,795,615)</u>	<u>493,374,621</u>
	<u>(1,082,411,196)</u>	<u>732,372,325</u>

## 6 Distribution

In the event that the amount available for distribution is insufficient to pay distributions as the Fund declares, the Manager may in its discretion determine that such distributions be paid from capital.

No undistributed income was carried forward at the end of the year (2021: nil).

## 7 Taxation

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

Overseas tax was withheld or paid on certain dividend income received, interest income received and capital gains derived during the years ended 30 September 2022 and 2021.

## 8 Transactions with the Trustee, the Manager and their Connected Persons

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

(a) Investment transactions with Connected Persons of the Trustee and the Manager are set out below:

Name of company	Aggregate value of purchases and sales of investments US\$	% of the Fund's total aggregate value of transactions	Commission paid US\$	% of the Fund's total commission paid in the year	Average commission rate %
<u>2022</u>

- (g) Trustee's fee of 0.06% per annum of the net asset value of the Fund for the first US\$40 million, 0.04% per annum for the balance from US\$40 million to US\$70 million, and 0.025% per annum for the balance in excess of US\$70 million is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.
- (h) JPMorgan Funds (Asia) Limited, the registrar agent and Manager, receives a registrar's fee which varies depending on the number of unitholders in the Fund and the number of transactions which occur. The range agreed with the Trustee is between 0.015% and 0.5% per annum of the Fund's net asset value. The registrar's fee is payable quarterly in arrears.
- (i) During the years ended 30 September 2022 and 2021, in addition to the management fee, valuation fee and registrar's fee as disclosed in Note 8(e) and 8(h), respective amounts received from/(paid to) the Manager, JPMorgan Funds (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Other income	8,526	20,349
Interest on deposits	4,484	7,926
Transaction costs	(4,357)	(8,129)
Safe custody and bank charges	(49,029)	(26,996)

- (j) During the years ended 30 September 2022 and 2021, in addition to the trustee's fee as disclosed in Note 8(g), respective amounts received from/(paid to) the Trustee, HSBC Institutional Trust Services (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	27,843	63,983
Transaction costs	(360,929)	(446,544)
Safe custody and bank charges	(773,024)	(731,955)
Interest expense	-	(93)
Other operating expenses	-	(148)
	<u>                    </u>	<u>                    </u>

## 9 Borrowings

The Fund has no bank borrowing during the year ended 30 September 2022. During the year ended 30 September 2021, the Fund has unsecured short-term bank borrowings with The Hongkong and Shanghai Banking Corporation Limited, a Connected Person of the Trustee. All bank borrowings have a duration of less than 7 days. All such transactions are entered into in the ordinary course of business and on normal commercial terms.

## 10 Soft dollar arrangements/Commission sharing arrangements

During the years ended 30 September 2022 and 2021, the Investment Manager and its Connected Persons did not enter into any soft dollar arrangements/commission sharing arrangements in connection with directing transactions of the Fund through a broker or dealer.

**Independent Auditor's Report**

To the Unitholders of JPMorgan Multi Income Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan Multi Income Fund, which are set out on pages 713 to 762, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial transactions and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 24 June 2011, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with HKSAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report (Continued)**

To the Unitholders of JPMorgan Multi Income Fund (the "Fund")

**Auditor's Responsibilities for the Audit of the  
Financial Statements (Continued)**

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Matters under the Relevant Disclosure  
Provisions of the Trust Deed and Appendix E of the  
SFC Code**

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

PricewaterhouseCoopers  
Certified Public Accountants

Hong Kong, 20 January 2023

**Statement of Responsibilities of the Manager and the Trustee**

**Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund in all material respects is managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto (as far as reasonably practicable); and
- report to the unitholders for each annual accounting period should the Manager not manage the Fund in accordance with the Trust Deed.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 24 June 2011, as amended, for the year ended 30 September 2022.

HSBC Institutional Trust Services (Asia) Limited, Trustee

**Notes to the Financial Statements****1 The Fund**

JPMorgan Pacific Securities Fund (the "Fund") was established under a Trust Deed dated 7 April 1978, as amended (the "Trust Deed") and is governed by the laws of Hong Kong. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

The investment objective of the Fund is to provide investors with long-term capital growth by investing primarily (i.e. at least 70% of its total net asset value) in the securities of companies in the Asia-Pacific region, including Japan, Australia and New Zealand.

Pursuant to the Trust Deed, the Manager may decide to issue separate classes (each a "Class") whose assets will be commonly invested but where a specific fee structure, currency or distribution policy may be applied. Each Class may have a different charging structure with the result that the net asset value attributable to each Class may differ.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

**2 Summary of significant accounting policies**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

**(a) Basis of preparation of financial statements**

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

*Standards and amendments to existing standards effective from 1 October 2021*

There are no standards or amendments to existing standards that are effective for the first time for the financial year beginning 1 October 2021 that have had a material impact on the Fund.

*New standards, amendments and interpretations effective after 1 October 2021 and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 October 2021, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

**(b) Investments and derivatives***Classification*

The Fund classifies its investments and derivatives based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

Derivative contracts that have a negative fair value are presented as liabilities at fair value through profit or loss.

The Fund makes short sales in which a borrowed security is sold in anticipation of a decline in the market value of that security, or it may use short sales for various arbitrage transactions. Short sales are classified as financial liabilities at fair value through profit or loss.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

*Recognition, derecognition and measurement*

Purchases and sales of investments and derivatives are accounted for on the trade date basis. Investments and derivatives are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments and derivatives are recognized in the Statement of Comprehensive Income. Investments and derivatives are derecognized when the rights to receive cash flows from the investments and derivatives have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value.

Forward foreign exchange contracts are valued at the forward rates ruling at the valuation date. The differences between the forward rates and the contract rates are recognized in the Statement of Comprehensive Income.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

**(c) Securities lending and borrowing**

Securities lenders' agreements are entered into with institutions of appropriate financial standing who engage in such arrangements acceptable to the Trustee and on arm's length commercial terms. Securities lent are included in the investment portfolio of the Fund. Relevant securities lending income entitled by the Fund is accounted for in the Statement of Comprehensive Income. Collateral received for the purpose of securities lent generally consist of non-cash collateral which are off-balance sheet transactions and are therefore not included in the financial statements.

The Fund may enter into securities borrowing arrangements for short sale purposes. Short positions represent obligations to deliver securities sold but not yet purchased, and are accounted for as investments and valued at their fair value. Securities borrowed during the year are off-balance sheet transactions and are therefore not included in the investment portfolio of the Fund. Collateral placed for the purpose of securities borrowed generally consist of cash collateral and are included in the Statement of Financial Position separately.

**(d) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(e) Income and expense**

Dividend income is recognized on the ex-dividend date with the corresponding foreign withholding tax recorded as an expense and is accounted for in the Statement of Comprehensive Income.

Interest income on investments is accounted for as part of net gains/losses on investments and derivatives in the Statement of Comprehensive Income.

Interest income on cash at banks and short-term deposits is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis.

**(f) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(g) Foreign currency translation***Functional and presentation currency*

The Fund has adopted United States dollar as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

**(h) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(i) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(j) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

Units of the Fund are redeemable at the option of the holders of redeemable units and are classified as a financial liability in the Statement of Financial Position which represents the net assets attributable to holders of redeemable units (or "net asset value" or "net assets" or "NAV") and is carried at the redemption amount that would be payable at the Statement of Financial Position date if the holders of redeemable units exercised the right to redeem units of the Fund.

**4 Financial risk management****(i) Financial risk factors**

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

(a) Market risk

(i) Market price risk

The Fund's investments and derivatives are subject to the market price risk inherent in all investments and derivatives i.e. the value of holdings may fall as well as rise. The Fund's market risk is managed through (i) deliberate stocks selection, and (ii) diversification of the investment portfolio in accordance with specific investment restrictions and guidelines.

The Investment Manager monitors the Fund's market price sensitivity primarily through the Beta of the Fund on a regular basis. Beta measures the statistical relationship between the return of the Fund and the relevant benchmark index chosen by the Investment Manager.

As at 30 September, the fair value of investments and derivatives and its estimated market sensitivity were as follows:

	2022		2021	
	Fair value of investments US\$	% of net assets	Fair value of investments US\$	% of net assets
Listed/Quoted Investments				
<u>Assets</u>				
Equities				
- Japan	159,884,267	30.2	317,701,660	32.9
- China	97,520,183	18.4	180,941,876	18.8
- Taiwan	60,220,000	11.4	115,448,526	12.0
- Australia	56,499,040	10.7	64,656,411	6.7
- Korea	41,785,996	7.9	76,304,950	7.9
- India	39,448,326	7.5	61,245,779	6.3
- Hong Kong	32,337,928	6.1	61,256,733	6.4
- Indonesia	30,393,961	5.7	46,827,379	4.9
- Others	12,125,153	2.2	33,100,426	3.4
	<u>530,214,854</u>	<u>100.1</u>	<u>957,483,740</u>	<u>99.3</u>
Derivatives				
- Forward foreign exchange contracts	283,468	0.1	705,447	0.1
	<u>530,498,322</u>	<u>100.2</u>	<u>958,189,187</u>	<u>99.4</u>
<u>Liabilities</u>				
Derivatives				
- Forward foreign exchange contracts	(2,371,133)	(0.5)	(43,530)	(0.0)
Total Listed/Quoted Investments	<u>528,127,189</u>	<u>99.7</u>	<u>958,145,657</u>	<u>99.4</u>

Also, refer to Note 10 for the exposures on derivatives.

	Net asset value US\$	Relevant benchmark index for the Fund (Note*)	Beta (Note**)	% of reasonable possible change of the relevant benchmark index (Note***)	Estimated impact on net asset value (Note****) US\$
As at 30 September 2022	<u>529,442,116</u>	MSCI AC Asia Pacific Net	1.08	-27.7	<u>(158,387,903)</u>
As at 30 September 2021	<u>964,569,368</u>	MSCI AC Asia Pacific Net	1.03	+18.3	<u>181,811,680</u>

If the relevant benchmark index return was to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

- \* Relevant benchmark index for the Fund represents the relevant market index used by the Investment Manager in monitoring the market price risk of the Fund.
- \*\* Beta measures the statistical relationship between the return of the Fund and the respective benchmark index over the maximum of past 36 months, or the number of months since portfolio inception. For funds launched within a period of less than 12 months, weekly returns of the Fund are used for calculating the Beta.
- \*\*\* % of reasonable possible change is based on the actual historical change in the benchmark index in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns. For funds launched within a period of less than 12 months, actual historical change in the benchmark index since the commencement of operations will be used to calculate the % of reasonable possible change.
- \*\*\*\* Estimated impact on net asset value of the Fund is calculated by applying the relevant Beta against the net asset value of the Fund multiplied by the % of reasonable possible change of the relevant benchmark index, assuming all other variables that may impact the net asset value of the Fund are held constant.

## (ii) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	2022 Less than 1 month US\$	2021 Less than 1 month US\$
Cash at banks	1,412,850	11,813,290
Total interest sensitivity gap	<u>1,412,850</u>	<u>11,813,290</u>

Any cash and cash equivalents are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

## (iii) Currency risk

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The Fund enters in some forward foreign exchange contracts to hedge some of its foreign currency exposures to maintain limited exposure to non-US\$ currencies. Refer to Note 10 for the outstanding forward foreign exchange contracts as at year end.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

Net currency exposures (Note*)	US\$ equivalent	% of reasonable possible change against US\$ (Note**)	Estimated impact on net asset value US\$
<u>2022</u>			
Australian Dollar	56,808,808	-11.0	(6,248,969)
Chinese Yuan (Offshore)	108,956,481	-9.5	(10,350,866)
Hong Kong Dollar	108,904,340	-0.8	(871,235)
Indian Rupee	39,448,326	-8.8	(3,471,453)
Indonesian Rupiah	30,393,961	-6.0	(1,823,638)
Japanese Yen	160,420,704	-22.9	(36,736,341)
Korean Won	41,785,995	-17.2	(7,187,191)
Singapore Dollar	7,518,770	-5.4	(406,014)
Taiwan Dollar	60,385,930	-12.2	(7,367,083)
Vietnamese Dong	4,852,151	-4.6	(223,199)
	<u>619,475,466</u>		<u>(74,685,989)</u>
<u>2021</u>			
Australian Dollar	65,027,386	+0.8	520,219
Chinese Yuan (Offshore)	265,079,333	+5.1	13,519,046
Hong Kong Dollar	215,335,366	-0.4	(861,341)
Indian Rupee	61,245,779	-0.6	(367,475)
Indonesian Rupiah	46,827,379	+4.0	1,873,095
Japanese Yen	318,513,452	-5.4	(17,199,726)
Korean Won	76,304,950	-1.2	(915,659)
Singapore Dollar	8,940,172	+0.6	53,641
Taiwan Dollar	117,741,814	+4.0	4,709,673
Vietnamese Dong	7,845,998	+1.9	149,074
	<u>1,182,861,629</u>		<u>1,480,547</u>

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

#### (b) Credit risk

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment, amounts due from brokers or dividend and other accounts receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

The table below summarizes the credit rating of the banks/brokers/custodian which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties US\$	2021 Exposure to counterparties US\$
Bank balances		
S&P(AA)/Moody's(Aa)/FITCH(AA)	440,675	1,527,347
S&P(A)/Moody's(A)/FITCH(A)	972,175	10,285,943
Derivatives issued by brokers		
S&P(AA)/Moody's(Aa)/FITCH(AA)	149,493	84,684
S&P(A)/Moody's(A)/FITCH(A)	133,975	620,763
Investment balances with custodian		
S&P(A)/Moody's(A)/FITCH(A)	<u>530,214,854</u>	<u>957,483,740</u>

**(c) Liquidity risk**

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in an active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	<u>2022</u>		<u>2021</u>	
	Less than 1 month US\$	1 to 12 months US\$	Less than 1 month US\$	1 to 12 months US\$
Amounts due to brokers	-	-	8,299,348	-
Amounts payable on redemption	836,929	-	1,339,982	-
Derivatives	2,371,126	7	36,747	6,783
Other accounts payable	844,566	-	1,439,915	-
Net assets attributable to holders of redeemable units	<u>529,442,116</u>	<u>-</u>	<u>964,569,368</u>	<u>-</u>
Total financial liabilities	<u>533,494,737</u>	<u>7</u>	<u>975,685,360</u>	<u>6,783</u>

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

**(d) Offsetting and amounts subject to master netting arrangements and similar agreements**

As at 30 September 2022 and 2021, the Fund was subject to master netting arrangements with certain derivative counterparties.

In the event of default, the Fund and its counterparties have the option to settle transactions on net basis. An event of default may include failure to pay or deliver, breach of agreement or bankruptcy.

The following tables summarize the Fund's financial assets and liabilities subject to offsetting, master netting arrangements and similar agreements as at 30 September by types of financial instruments.

	Gross amounts of recognized financial assets presented in the Statement of Financial Position US\$	Related amounts subject to master netting arrangements and similar agreements net off against Financial Instruments US\$	Collateral and margin deposits US\$	Net amount US\$
<u>2022</u>				
<u>Assets</u>				
Derivatives	283,468	(65,974)	-	217,494
Financial assets at fair value through profit and loss	283,468	(65,974)	-	217,494
	Gross amounts of recognized financial liabilities presented in the Statement of Financial Position US\$	Related amounts subject to master netting arrangements and similar agreements net off against Financial Instruments US\$	Collateral and margin deposits US\$	Net amount US\$
<u>Liabilities</u>				
Derivatives	2,371,133	(65,974)	-	2,305,159

	Gross amounts of recognized financial assets presented in the Statement of Financial Position US\$	Related amounts subject to master netting arrangements and similar agreements net off against Financial Instruments US\$	Collateral and margin deposits US\$	Net amount US\$
<u>2021</u>				
<u>Assets</u>				
Derivatives	705,346	(40,890)	-	664,456
Financial assets at fair value through profit and loss	705,346	(40,890)	-	664,456

	Gross amounts of recognized financial liabilities presented in the Statement of Financial Position US\$	Related amounts subject to master netting arrangements and similar agreements net off against Financial Instruments US\$	Collateral and margin deposits US\$	Net amount US\$
<u>2021</u>				
<u>Liabilities</u>				
Derivatives	43,513	(40,890)	-	2,623
Financial liabilities at fair value through profit and loss	<u>43,513</u>	<u>(40,890)</u>	<u>-</u>	<u>2,623</u>

**(II) Capital risk management**

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

**(III) Fair value estimation**

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

Listed/Quoted Investments	Level 1 US\$	Level 2 US\$	Level 3 US\$	Total US\$
<u>2022</u>				
<u>Assets</u>				
Equities	530,214,854	-	-	530,214,854
Derivatives	-	283,468	-	283,468
Total financial assets at fair value through profit and loss	<u>530,214,854</u>	<u>283,468</u>	<u>-</u>	<u>530,498,322</u>

	Level 1 US\$	Level 2 US\$	Level 3 US\$	Total US\$
<u>2022</u>				
<u>Liabilities</u>				
Derivatives	-	2,371,133	-	2,371,133
Total financial liabilities at fair value through profit and loss	-	2,371,133	-	2,371,133
<u>2021</u>				
<u>Assets</u>				
Equities	957,483,740	-	-	957,483,740
Derivatives	-	705,447	-	705,447
Total financial assets at fair value through profit and loss	957,483,740	705,447	-	958,189,187
<u>Liabilities</u>				
Derivatives	-	43,530	-	43,530
Total financial liabilities at fair value through profit and loss	-	43,530	-	43,530

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Investments classified within level 3 have significant unobservable inputs, as they trade infrequently.

There were no transfers between levels for the years ended 30 September 2022 and 2021.

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

## 5 Net (losses)/gains on investments and derivatives

	2022 US\$	2021 US\$
Change in unrealized gains/losses in value of investments and derivatives	(348,473,154)	38,168,195
Realized gains on sale of investments and derivatives	34,655,464	135,138,883
	<u>(313,817,690)</u>	<u>173,307,078</u>

## 6 Taxation

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

Overseas tax was withheld or paid on certain dividend income received and capital gains derived during the years ended 30 September 2022 and 2021.

7 Transactions with the Trustee, the Manager and their Connected Persons

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

(a) Investment transactions with Connected Persons of the Trustee and the Manager are set out below:

Name of company	Aggregate value of purchases and sales of investments US\$	% of the Fund's total aggregate value of transactions	Commission paid US\$	% of the Fund's total commission paid in the year	Average commission rate %
<u>2022</u>					
J.P. Morgan India Private Limited	3,914,594	0.67	1,566	0.52	0.04
J.P. Morgan Securities (Asia Pacific) Limited	11,445,286	1.96	5,763	1.91	0.05
J.P. Morgan Securities Australia Limited	5,837,600	1.00	2,335	0.78	0.04
J.P. Morgan Securities Japan Co., Ltd	2,269,216	0.39	908	0.30	0.04
The Hongkong and Shanghai Banking Corporation Limited	10,792,394	1.85	5,555	1.85	0.05

2021

HSBC Securities and Capital Markets (India) Private Limited	3,041,403	0.37	4,866	0.81	0.16
J.P. Morgan India Private Limited	2,624,089	0.32	1,050	0.17	0.04
J.P. Morgan Securities (Asia Pacific) Limited	11,699,567	1.41	10,036	1.67	0.09
J.P. Morgan Securities Australia Limited	3,074,853	0.37	1,230	0.20	0.04
J.P. Morgan Securities Japan Co., Ltd	7,115,064	0.86	2,942	0.49	0.04
The Hongkong and Shanghai Banking Corporation Limited, Seoul	1,095,168	0.13	696	0.12	0.06
The Hongkong and Shanghai Banking Corporation Limited	33,287,196	4.03	84,025	13.98	0.25

(b) Balances with the Manager and its Connected Persons as at year end:

	2022 US\$	2021 US\$
Cash at banks	440,675	1,527,347
Amounts receivable	16	29
Amounts payable	(764,275)	(1,309,922)

(c) During the year ended 30 September 2022, the Fund entered into forward foreign exchange contracts with Connected Persons of the Trustee, with realized losses amounting to US\$2,190,399 (2021: realized gains amounting to US\$5,070,644).

(d) During the year ended 30 September 2022, the income accruing to the Manager relating to allotments and redemptions in the Fund, net of commission paid to agents, amounted to US\$5,471 (2021: US\$11,822).

(e) Management fee of 1.5% per annum of the net asset value of the Fund is paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears.

The Manager also receives a valuation fee of US\$40 per valuation if the Fund's net asset value is larger than US\$5 million but smaller than US\$20 million, or US\$70 per valuation if the Fund's net asset value is larger than US\$20 million.

(f) The Fund has a securities lender's agreement with J.P. Morgan Securities plc, a Connected Person of the Manager. However, the Fund does not intend to carry out any securities lending transactions. The arrangement is mainly intended to allow the Fund to carry out securities borrowing transactions.

- (g) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.

The retirement schemes of the employees of the Manager and its Connected Persons may subscribe to USD Class (acc) of the Fund.

The Manager and certain members of its group of companies held units of the Fund during the year and were entitled to profits from transaction in units of the Fund as follows:

	At the beginning of the year	Total allotments	Total redemptions	At the end of the year	Profits from transaction US\$
<u>2022</u>					
<u>JPMorgan Asset Management (Asia Pacific) Limited</u>					
- USD Class (acc)	956.929	624.381	(424.652)	1,156.658	60,208
<u>JPMorgan Asset Management (S) Limited</u>					
- USD Class (acc)	300.014	-	(142.783)	157.231	14,678
<u>JPMorgan Asset Management Real Assets (Asia) Limited</u>					
- USD Class (acc)	-	-	-	-	-
<u>JPMorgan Funds (Asia) Limited</u>					
- USD Class (acc)	-	-	-	-	-
<u>2021</u>					
<u>JPMorgan Asset Management (Asia Pacific) Limited</u>					
- USD Class (acc)	849.305	319.124	(211.500)	956.929	47,395
<u>JPMorgan Asset Management (S) Limited</u>					
- USD Class (acc)	285.566	14.448	-	300.014	-
<u>JPMorgan Asset Management Real Assets (Asia) Limited</u>					
- USD Class (acc)	1.786	-	(1.786)	-	400
<u>JPMorgan Funds (Asia) Limited</u>					
- USD Class (acc)	8.834	-	(8.834)	-	1,559

- (h) Trustee's fee of 0.06% per annum of the net asset value of the Fund for the first US\$40 million, 0.04% per annum for the balance from US\$40 million to US\$70 million, and 0.025% per annum for the balance in excess of US\$70 million is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.
- (i) JPMorgan Funds (Asia) Limited, the registrar agent and Manager, receives a registrar's fee which varies depending on the number of unitholders in the Fund and the number of transactions which occur. The range agreed with the Trustee is between 0.015% and 0.5% per annum of the Fund's net asset value. The registrar's fee is payable quarterly in arrears.
- (j) During the years ended 30 September 2022 and 2021, in addition to the management fee, valuation fee and registrar's fee as disclosed in Note 7(e) and 7(i), respective amounts received from/(paid to) the Manager, JPMorgan Funds (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	4,685	16,857
Other income	-	3,432
Safe custody and bank charges	(23,831)	(7,562)
Transaction costs	(9,916)	(15,258)
	<u>          </u>	<u>          </u>

(k) During the years ended 30 September 2022 and 2021, in addition to the trustee's fee as disclosed in Note 7(h), respective amounts received from/(paid to) the Trustee, HSBC Institutional Trust Services (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	1,645	579
Other operating expenses	-	(148)
Interest expense	(5,950)	(5,979)
Transaction costs	(21,961)	(114,968)
Safe custody and bank charges	(202,446)	(245,110)

## 8 Borrowings

During the year ended 30 September 2022, the Fund has unsecured short-term bank borrowing with The Hongkong and Shanghai Banking Corporation Limited, a Connected Person of the Trustee. During the year ended 30 September 2021, the Fund has unsecured short-term bank borrowings with different financial institutions, one of which is The Hongkong and Shanghai Banking Corporation Limited, a Connected Person of the Trustee. All bank borrowings have a duration of less than 7 days. All such transactions are entered into in the ordinary course of business and on normal commercial terms.

## 9 Soft dollar arrangements/Commission sharing arrangements

The Investment Manager has entered into soft dollar arrangements/commission sharing arrangements with brokers under which certain goods and services used to support investment decision making are received by the Investment Manager. A portion of the transaction commission paid by the Fund is retained by the brokers as compensation for the goods and services.

The goods and services must be of demonstrable benefit to the Fund and would be limited to research and advisory services.

During the year ended 30 September 2022, the Investment Manager obtained the services through soft dollar arrangements/commission sharing arrangements on transactions amounting to US\$450,064,693 (2021: US\$622,201,720). Commission which amounted to US\$44,618 (2021: US\$133,832) is paid from the Fund on these transactions.

## 10 Derivatives

Outstanding forward foreign exchange contracts as at 30 September were as follows:

Contract to deliver	In exchange for	Settlement date	Counterparty	Unrealized gains/(losses) US\$

**11 Distribution**

No distribution was made during the year (2021: nil).

**Independent Auditor's Report**

To the Unitholders of JPMorgan Pacific Securities Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan Pacific Securities Fund, which are set out on pages 771 to 790, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial transactions and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKASAs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 7 April 1978, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKASAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with HKASAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report (Continued)**

To the Unitholders of JPMorgan Pacific Securities Fund  
(the "Fund")

**Auditor's Responsibilities for the Audit of the  
Financial Statements (Continued)**

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Matters under the Relevant Disclosure  
Provisions of the Trust Deed and Appendix E of the  
SFC Code**

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

PricewaterhouseCoopers  
Certified Public Accountants

Hong Kong, 20 January 2023

**Statement of Responsibilities of the Manager and the Trustee**

**Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund in all material respects is managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto (as far as reasonably practicable); and
- report to the unitholders for each annual accounting period should the Manager not manage the Fund in accordance with the Trust Deed.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 7 April 1978, as amended, for the year ended 30 September 2022.

HSBC Institutional Trust Services (Asia) Limited, Trustee  
20 January 2023

UK Tax Information

The Fund is transparent for UK income tax purposes and information has been provided to UK investors of the amount of their share of the underlying income, expenses and overseas tax suffered for all financial years from 1 October 2010. Although the Fund is an "offshore fund" for UK tax purposes, there is no need to formally apply for "reporting fund status" as the Fund is considered transparent by HMRC and does not invest more than 5% of its assets in other offshore funds which are not themselves reporting funds. Therefore it is known as a "special category transparent offshore fund" and considered out of scope of the requirements of the offshore fund regime. The principal effect of this is that for unitholders resident in the UK for taxation purposes, any gains accruing on the sale, redemption or other disposal of units during the period will be taxed in the UK as a capital gain and not as income. The Fund has previously been certified by HMRC in the UK as a "distributing fund" in respect of the period from 1 January 1984 to 30 September 2010.

## Notes to the Financial Statements

### 1 The Fund

JPMorgan Pacific Technology Fund (the "Fund") was established under a Trust Deed dated 14 August 1997, as amended (the "Trust Deed") and is governed by the laws of Hong Kong. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

Prior to 30 October 2020, the investment objective of the Fund was "to provide long-term capital growth through a portfolio consisting primarily of securities of technology companies (including but are not limited to companies related to technology, media and telecommunication) in the Pacific region, including Japan."

With effect from 30 October 2020, the investment objective of the Fund has been changed to "provide long-term capital growth through a portfolio consisting primarily (i.e. at least 70% of its total net asset value) of securities of technology companies (including but not limited to companies related to technology, media and communication services) in the Pacific region, including Japan."

Pursuant to the Trust Deed, the Manager may decide to issue separate classes (each a "Class") whose assets will be commonly invested but where a specific fee structure, currency or distribution policy may be applied. Each Class may have a different charging structure with the result that the net asset value attributable to each Class may differ.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

### 2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### (a) Basis of preparation of financial statements

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

#### *Standards and amendments to existing standards effective from 1 October 2021*

There are no standards or amendments to existing standards that are effective for the first time for the financial year beginning 1 October 2021 that have had a material impact on the Fund.

#### *New standards, amendments and interpretations effective after 1 October 2021 and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 October 2021, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

#### (b) Investments and derivatives

##### *Classification*

The Fund classifies its investments and derivatives based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

Derivative contracts that have a negative fair value are presented as liabilities at fair value through profit or loss.

The Fund makes short sales in which a borrowed security is sold in anticipation of a decline in the market value of that security, or it may use short sales for various arbitrage transactions. Short sales are classified as financial liabilities at fair value through profit or loss.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

*Recognition, derecognition and measurement*

Purchases and sales of investments and derivatives are accounted for on the trade date basis. Investments and derivatives are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments and derivatives are recognized in the Statement of Comprehensive Income. Investments and derivatives are derecognized when the rights to receive cash flows from the investments and derivatives have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value.

Forward foreign exchange contracts are valued at the forward rates ruling at the valuation date. The differences between the forward rates and the contract rates are recognized in the Statement of Comprehensive Income.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

**(c) Securities borrowing**

The Fund may enter into securities borrowing arrangements for short sale purposes. Short positions represent obligations to deliver securities sold but not yet purchased, and are accounted for as investments and valued at their fair value. Securities borrowed during the year are off-balance sheet transactions and are therefore not included in the investment portfolio of the Fund. Collateral placed for the purpose of securities borrowed generally consist of cash collateral and are included in the Statement of Financial Position separately.

**(d) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(e) Income and expense**

Dividend income is recognized on the ex-dividend date with the corresponding foreign withholding tax recorded as an expense and is accounted for in the Statement of Comprehensive Income.

Interest income on investments is accounted for as part of net gains/losses on investments and derivatives in the Statement of Comprehensive Income.

Interest income on cash at banks and short-term deposits is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis.

**(f) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(g) Foreign currency translation***Functional and presentation currency*

The Fund has adopted United States dollar as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

**(h) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(i) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(j) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

Units of the Fund are redeemable at the option of the holders of redeemable units and are classified as a financial liability in the Statement of Financial Position which represents the net assets attributable to holders of redeemable units (or "net asset value" or "net assets" or "NAV") and is carried at the redemption amount that would be payable at the Statement of Financial Position date if the holders of redeemable units exercised the right to redeem units of the Fund.

3 Number of units in issue and net assets attributable to holders of redeemable units (per unit)

2022

4 Financial risk management

(l) Financial risk factors

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

(a) Market risk

(i) Market price risk

The Fund's investments and derivatives are subject to the market price risk inherent in all investments and derivatives i.e. the value of holdings may fall as well as rise. The Fund's market risk is managed through (i) deliberate stocks selection, and (ii) diversification of the investment portfolio in accordance with specific investment restrictions and guidelines.

A relevant benchmark index for the Fund was introduced and took effect on 1 January 2022. The Investment Manager monitors the Fund's market price sensitivity relative to the benchmark through the measure of beta. Weekly returns of the Fund were used for calculating beta since 1 January 2022. Actual historical change in the benchmark index since 1 January 2022 will be used to calculate the % of reasonable possible change of the relevant benchmark index as at 30 September 2022.

As at 30 September, the fair value of investments and derivatives and its estimated market sensitivity were as follows:

	2022		2021	
	Fair value of investments US\$	% of net assets	Fair value of investments US\$	% of net assets
Listed/Quoted Investments				
<u>Assets</u>				
Equities				
- China	341,912,730	48.1	511,512,457	35.1
- Japan	134,653,843	18.9	325,155,364	22.3
- Taiwan	92,154,257	13.0	199,434,856	13.7
- India	66,227,300	9.3	38,585,770	2.7
- Korea	37,740,311	5.3	124,021,358	8.5
- Others	12,478,570	1.7	180,355,444	12.4
	<u>685,167,011</u>	<u>96.3</u>	<u>1,379,065,249</u>	<u>94.7</u>
Derivatives				
- Forward foreign exchange contracts	492,618	0.0	769,116	0.0
- Warrants	-	-	21,255,083	1.5
	<u>492,618</u>	<u>0.0</u>	<u>22,024,199</u>	<u>1.5</u>
	<u>685,659,629</u>	<u>96.3</u>	<u>1,401,089,448</u>	<u>96.2</u>
<u>Liabilities</u>				
Derivatives				
- Forward foreign exchange contracts	(3,731,303)	(0.5)	(615,080)	(0.0)
Total Listed/Quoted Investments	<u>681,928,326</u>	<u>95.8</u>	<u>1,400,474,368</u>	<u>96.2</u>

Also, refer to Note 10 for the exposures on derivatives.

Since 1 January 2022, the Investment Manager monitors the Fund's market price sensitivity primarily through the Beta of the Fund on a regular basis. Beta measures the statistical relationship between the return of the Fund and the relevant benchmark index chosen by the Investment Manager.

	Net asset value US\$	Relevant benchmark index for the Fund (Note*)	Beta (Note**)	% of reasonable possible change of the relevant benchmark index (Note***)	Estimated impact on net asset value (Note****) US\$
		MSCI AC Asia Pacific Tech 100 Equal Weighted Index (Total Return Net)			
As at 30 September 2022	<u>711,578,039</u>		0.94	-33.8	<u>(226,082,575)</u>

If the relevant benchmark index return was to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

- \* Relevant benchmark index for the Fund represents the relevant market index used by the Investment Manager in monitoring the market price risk of the Fund.
- \*\* Beta measures the statistical relationship between the return of the Fund and the respective benchmark index over the maximum of past 36 months, or the number of months since portfolio inception. For funds launched within a period of less than 12 months, weekly returns of the Fund are used for calculating the Beta.
- \*\*\* % of reasonable possible change is based on the actual historical change in the benchmark index in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns. For funds launched within a period of less than 12 months, actual historical change in the benchmark index since the commencement of operations will be used to calculate the % of reasonable possible change.
- \*\*\*\* Estimated impact on net asset value of the Fund is calculated by applying the relevant Beta against the net asset value of the Fund multiplied by the % of reasonable possible change of the relevant benchmark index, assuming all other variables that may impact the net asset value of the Fund are held constant.

Prior to 1 January 2022, the Investment Manager monitors the Fund's market price sensitivity primarily through the Fund's volatility, which helps to describe the likely range of the Fund's return, on a regular basis. In statistical terms, it is the standard deviation of the return distribution. Greater volatility of monthly fund returns means that there is a wider range of likely returns in the future, or greater uncertainty regarding the fund returns. Most investors would equate this greater uncertainty with greater risk.

The table below summarizes the volatility of the Fund expressed in annual terms and the estimated impact on the net asset value.

	2022	2021
Annual volatility (Note*)	25.18%	24.16%

If the above volatility were to be applied to the Fund's net asset value as at 30 September 2022 of US\$711,578,039 (2021: US\$1,456,218,163) and assuming that the Fund's returns are normally distributed with its mean return equals to nil and with one standard deviation away from the mean return (i.e. a probability of 68%), the estimated reasonable possible change in the Fund's net asset value would be between US\$532,402,689 and US\$890,753,389; or within +/- US\$179,175,350 (2021: between US\$1,104,395,855 and US\$1,808,040,471; or within +/- US\$351,822,308) over a twelve-month period based on the Fund's historical annual volatility percentage as a result of the market price fluctuation, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

- \* Volatility is calculated based on the monthly Fund's returns over the maximum of past 36 months or the number of months since portfolio inception. For funds launched within a period of less than 12 months, volatility is calculated based on the weekly Fund's returns since the Fund's launch. Volatility is expressed in annual volatility by applying the square root of time adjustment. Volatility may not cover stressed market events, nor represent the Investment Manager's forecast of the Fund's range of future returns.

(ii) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	2022 Less than 1 month US\$	2021 Less than 1 month US\$
Cash at banks	29,957,974	47,019,127
Total interest sensitivity gap	<u>29,957,974</u>	<u>47,019,127</u>

Any cash and cash equivalents are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

(iii) Currency risk

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The Fund enters in some forward foreign exchange contracts to hedge some of its foreign currency exposures to maintain limited exposure to non-US\$ currencies. Refer to Note 10(a) for the outstanding forward foreign exchange contracts as at year end.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

	US\$ equivalent	% of reasonable possible change against US\$ (Note**)	Estimated impact on net asset value US\$
<u>2022</u>			
Australian Dollar	7,738,888	-11.0	(851,278)
Chinese Yuan (Offshore)	238,195,457	-9.5	(22,628,568)
Hong Kong Dollar	185,753,682	-0.8	(1,486,029)
Indian Rupee	66,227,300	-8.8	(5,828,002)
Japanese Yen	138,230,458	-22.9	(31,654,775)
Korean Won	37,740,311	-17.2	(6,491,333)
Singapore Dollar	19,672,312	-5.4	(1,062,305)
Taiwan Dollar	92,393,403	-12.2	(11,271,995)
	<u>785,951,811</u>		<u>(81,274,285)</u>
<u>2021</u>			
Australian Dollar	84,048,161	+0.8	672,385
Chinese Yuan (Offshore)	352,059,541	+5.1	17,955,037
Hong Kong Dollar	421,019,235	-0.4	(1,684,077)
Indian Rupee	38,585,770	-0.6	(231,515)
Japanese Yen	325,973,517	-5.4	(17,602,570)
Korean Won	124,021,358	-1.2	(1,488,256)
Singapore Dollar	33,351,835	+0.6	200,111
Taiwan Dollar	199,756,476	+4.0	7,990,259
	<u>1,578,815,893</u>		<u>5,811,374</u>

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

**(b) Credit risk**

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment, amounts due from brokers or dividend and other accounts receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown on the Statement of Financial Position.

All transactions in investments and derivatives are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments and derivatives sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments and derivatives have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

The table below summarizes the credit rating of the banks/brokers/custodian which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties US\$	2021 Exposure to counterparties US\$
Bank balances		
S&P(AA)/Moody's(Aa)/FITCH(AA)	370,310	1,878,278
S&P(A)/Moody's(A)/FITCH(A)	29,587,664	45,140,849
Derivatives issued by brokers		
S&P(AA)/Moody's(Aa)/FITCH(AA)	207,907	99,388
S&P(A)/Moody's(A)/FITCH(A)	284,711	669,728
Investment and derivative balances with custodian		
S&P(A)/Moody's(A)/FITCH(A)	<u>685,167,011</u>	<u>1,400,320,332</u>

**(c) Liquidity risk**

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in an active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	2022		2021	
	Less than 1 month US\$	1 to 12 months US\$	Less than 1 month US\$	1 to 12 months US\$
Amounts payable on redemption	3,474,451	-	7,147,541	-
Derivatives	3,731,278	25	603,787	11,293
Other accounts payable	1,083,039	-	2,087,340	-
Net assets attributable to holders of redeemable units	711,578,039	-	1,456,218,163	-
<b>Total financial liabilities</b>	<b>719,866,807</b>	<b>25</b>	<b>1,466,056,831</b>	<b>11,293</b>

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

**(d) Offsetting and amounts subject to master netting arrangements and similar agreements**

As at 30 September 2022 and 2021, the Fund was subject to master netting arrangements with certain derivative counterparties.

In the event of default, the Fund and its counterparties have the option to settle transactions on net basis. An event of default may include failure to pay or deliver, breach of agreement or bankruptcy.

The following tables summarize the Fund's financial assets and liabilities subject to offsetting, master netting arrangements and similar agreements as at 30 September by types of financial instruments.

	Gross amounts of recognized financial assets presented in the Statement of Financial Position US\$	Related amounts subject to master netting arrangements and similar agreements net off against Financial Instruments US\$	Collateral and margin deposits US\$	Net amount US\$
<u>2022</u>				
<u>Assets</u>				
Derivatives	492,618	(277,649)	-	214,969
Financial assets at fair value through profit and loss	492,618	(277,649)	-	214,969

<u>Liabilities</u>				
Derivatives	3,731,303	(277,649)	-	3,453,654
Financial liabilities at fair value through profit and loss	3,731,303	(277,649)	-	3,453,654

	Gross amounts of recognized financial assets presented in the Statement of Financial Position US\$	Related amounts subject to master netting arrangements and similar agreements net off against Financial Instruments US\$	Collateral and margin deposits US\$	Net amount US\$
<u>2021</u>				
<u>Assets</u>				
Derivatives	761,673	(87,859)	-	673,814
Financial assets at fair value through profit and loss	761,673	(87,859)	-	673,814
	Gross amounts of recognized financial liabilities presented in the Statement of Financial Position US\$	Related amounts subject to master netting arrangements and similar agreements net off against Financial Instruments US\$	Collateral and margin deposits US\$	Net amount US\$
<u>Liabilities</u>				
Derivatives	588,624	(87,859)	-	500,765
Financial liabilities at fair value through profit and loss	588,624	(87,859)	-	500,765

**(II) Capital risk management**

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

**(III) Fair value estimation**

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

Listed/Quoted Investments	Level 1 US\$	Level 2 US\$	Level 3 US\$	Total US\$
<u>2022</u>				
<u>Assets</u>				
Equities	685,167,011	-	-	685,167,011
Derivatives	-	492,618	-	492,618
Total financial assets at fair value through profit and loss	<u>685,167,011</u>	<u>492,618</u>	<u>-</u>	<u>685,659,629</u>
<u>Liabilities</u>				
Derivatives	-	3,731,303	-	3,731,303
Total financial liabilities at fair value through profit and loss	<u>-</u>	<u>3,731,303</u>	<u>-</u>	<u>3,731,303</u>
<u>2021</u>				
<u>Assets</u>				
Equities	1,379,065,249	-	-	1,379,065,249
Derivatives	-	22,024,199	-	22,024,199
Total financial assets at fair value through profit and loss	<u>1,379,065,249</u>	<u>22,024,199</u>	<u>-</u>	<u>1,401,089,448</u>
<u>Liabilities</u>				
Derivatives	-	615,080	-	615,080
Total financial liabilities at fair value through profit and loss	<u>-</u>	<u>615,080</u>	<u>-</u>	<u>615,080</u>

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Investments classified within level 3 have significant unobservable inputs, as they trade infrequently.

There were no transfers between levels for the years ended 30 September 2022 and 2021.

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

**5 Net losses on investments and derivatives**

	2022 US\$	2021 US\$
Change in unrealized gains/losses in value of investments and derivatives	(376,949,144)	1,737,020
Realized losses on sale of investments and derivatives	(238,245,545)	(73,818,737)
	<u>(615,194,689)</u>	<u>(72,081,717)</u>

6 Taxation

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

Overseas tax was withheld or paid on certain dividend income received and capital gains derived during the years ended 30 September 2022 and 2021.

7 Transactions with the Trustee, the Manager and their Connected Persons

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

(a) Investment transactions with Connected Persons of the Trustee and the Manager are set out below:

Name of company	Aggregate value of purchases and sales of investments US\$	% of the Fund's total aggregate value of transactions	Commission paid US\$	% of the Fund's total commission paid in the year	Average commission rate %
<u>2022</u>					
HSBC Securities and Capital Markets (India) Private Limited	25,165,478	1.34	27,682	2.53	0.11
J.P. Morgan Securities (Asia Pacific) Limited	91,164,282	4.85	58,444	5.35	0.06
J.P. Morgan Securities Australia Limited	3,285,311	0.17	1,314	0.12	0.04
J.P. Morgan Securities Japan Co., Ltd	17,288,542	0.92	6,915	0.63	0.04
The Hongkong and Shanghai Banking Corporation Limited	76,494,050	4.07	53,879	4.93	0.07

2021

J.P. Morgan India Private Limited	12,584,290	0.52	5,034	0.33	0.04
J.P. Morgan Securities (Asia Pacific) Limited	77,423,942	3.21	57,483	3.80	0.07

The Hongkong and Shanghai Banking Corporation Limited	40,991,163	1.70	31,047	2.05	0.08
The Hongkong and Shanghai Banking Corporation Limited, Seoul	3,988,649	0.17	2,125	0.14	0.05

(b) Balances with the Manager and its Connected Persons as at year end:

	2022 US\$	2021 US\$
Cash at banks	370,310	1,878,278
Amounts receivable	2	16
Amounts payable	(1,002,901)	(1,918,683)

(c) During the year ended 30 September 2022, the Fund entered into forward foreign exchange contracts with Connected Persons of the Trustee, with realized losses amounting to US\$2,941,585 (2021: realized gains amounting to US\$1,611,152).

(d) During the year ended 30 September 2022, the income accruing to the Manager relating to allotments and redemptions in the Fund, net of commission paid to agents, amounted to US\$4,302 (2021: US\$30,542).

(e) Management fee for HKD Class C (acc) and USD Class C (acc) of 0.75% per annum and all other share classes of 1.5% per annum of the net asset value of each Class is paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears.

The Manager also receives a valuation fee of US\$40 per valuation if the Fund's net asset value is larger than US\$5 million but smaller than US\$20 million, or US\$70 per valuation if the Fund's net asset value is larger than US\$20 million.

(f) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.

Certain members of the Manager's group of companies held units of the Fund during the year and were entitled to profits from transaction in units of the Fund as follows:

	At the beginning of the year	Total allotments	Total redemptions	At the end of the year	Profits from transaction US\$
<u>2022</u>					
<u>JPMorgan Asset Management (Asia Pacific) Limited</u>					
- HKD Class C (acc)	777.850	-	-	777.850	-
- USD Class (acc)	2,917.751	4,953.775	(564.161)	7,307.365	15,827
- USD Class C (acc)	-	-	-	-	-
<u>JPMorgan Asset Management (S) Limited</u>					
- USD Class (acc)	87.651	-	(43.825)	43.826	1,462
<u>JPMorgan Asset Management Real Assets (Asia) Limited</u>					
- USD Class (acc)	62.776	-	(17.927)	44.849	598
<u>2021</u>					
<u>JPMorgan Asset Management (Asia Pacific) Limited</u>					
- HKD Class C (acc)	-	777.850	-	777.850	-
- USD Class (acc)	948.837	1,968.914	-	2,917.751	-
- USD Class C (acc)	-	100.000	(100.000)	-	48
<u>JPMorgan Asset Management (S) Limited</u>					
- USD Class (acc)	87.651	-	-	87.651	-
<u>JPMorgan Asset Management Real Assets (Asia) Limited</u>					
- USD Class (acc)	35.854	26.922	-	62.776	-

- (g) Trustee's fee of 0.06% per annum of the net asset value of the Fund for the first US\$40 million, 0.04% per annum for the balance from US\$40 million to US\$70 million, and 0.025% per annum for the balance in excess of US\$70 million is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.
- (h) JPMorgan Funds (Asia) Limited, the registrar agent and Manager, receives a registrar's fee which varies depending on the number of unitholders in the Fund and the number of transactions which occur. The range agreed with the Trustee is between 0.015% and 0.5% per annum of the Fund's net asset value. The registrar's fee is payable quarterly in arrears.
- (i) During the years ended 30 September 2022 and 2021, in addition to the management fee, valuation fee and registrar's fee as disclosed in Note 7(e) and 7(h), respective amounts received from/(paid to) the Manager, JPMorgan Funds (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	1,422	59,477
Safe custody and bank charges	(55,148)	(13,256)
Transaction costs	(66,673)	(68,478)
	<u>                    </u>	<u>                    </u>

- (j) During the years ended 30 September 2022 and 2021, in addition to the trustee's fee as disclosed in Note 7(g), respective amounts received from/(paid to) the Trustee, HSBC Institutional Trust Services (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	3,308	4,567
Other operating expenses	-	(148)
Interest expense	(1,596)	(40,027)
Transaction costs	(106,858)	(62,203)
Safe custody and bank charges	(302,484)	(299,902)

## 8 Borrowings

During the year ended 30 September 2022, the Fund has unsecured short-term bank borrowings with The Hongkong and Shanghai Banking Corporation Limited, a Connected Person of the Trustee. During the year ended 30 September 2021, the Fund has unsecured short-term bank borrowings with different financial institutions, one of which is The Hongkong and Shanghai Banking Corporation Limited, a Connected Person of the Trustee. All bank borrowings have a duration of less than 7 days. All such transactions are entered into in the ordinary course of business and on normal commercial terms.

## 9 Soft dollar arrangements/Commission sharing arrangements

The Investment Manager has entered into soft dollar arrangements/commission sharing arrangements with brokers under which certain goods and services used to support investment decision making are received by the Investment Manager. A portion of the transaction commission paid by the Fund is retained by the brokers as compensation for the goods and services.

The goods and services must be of demonstrable benefit to the Fund and would be limited to research and advisory services.

During the year ended 30 September 2022, the Investment Manager obtained the services through soft dollar arrangements/commission sharing arrangements on transactions amounting to US\$1,626,672,024 (2021: US\$1,438,179,719). Commission which amounted to US\$215,385 (2021: US\$286,810) is paid from the Fund on these transactions.

**11 Distribution**

No distribution was made during the year (2021: nil).

**Independent Auditor's Report**

To the Unitholders of JPMorgan Pacific Technology Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan Pacific Technology Fund, which are set out on pages 798 to 820, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial transactions and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKASs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 14 August 1997, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKASs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with HKASs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report (Continued)**

To the Unitholders of JPMorgan Pacific Technology Fund (the "Fund")

**Auditor's Responsibilities for the Audit of the  
Financial Statements (Continued)**

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Matters under the Relevant Disclosure  
Provisions of the Trust Deed and Appendix E of the  
SFC Code**

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

PricewaterhouseCoopers  
Certified Public Accountants

Hong Kong, 20 January 2023

**Statement of Responsibilities of the Manager and the Trustee**

**Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund in all material respects is managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto (as far as reasonably practicable); and
- report to the unitholders for each annual accounting period should the Manager not manage the Fund in accordance with the Trust Deed.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 14 August 1997, as amended, for the year ended 30 September 2022.

HSBC Institutional Trust Services (Asia) Limited, Trustee

UK Tax Information

The Fund is transparent for UK income tax purposes and information has been provided to UK investors of the amount of their share of the underlying income, expenses and overseas tax suffered for all financial years from 1 October 2010. Although the Fund is an "offshore fund" for UK tax purposes, there is no need to formally apply for "reporting fund status" as the Fund is considered transparent by HMRC and does not invest more than 5% of its assets in other offshore funds which are not themselves reporting funds. Therefore it is known as a "special category transparent offshore fund" and considered out of scope of the requirements of the offshore fund regime. The principal effect of this is that for unitholders resident in the UK for taxation purposes, any gains accruing on the sale, redemption or other disposal of units during the period will be taxed in the UK as a capital gain and not as income. The Fund has previously been certified by HMRC in the UK as a "distributing fund" in respect of the period from 14 August 1997 to 30 September 2010.

## Notes to the Financial Statements

### 1 The Fund

JPMorgan Philippine Fund (the "Fund") was established under a Trust Deed dated 29 July 1974, as amended (the "Trust Deed") and is governed by the laws of Hong Kong. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

The investment objective of the Fund is to provide long-term capital growth through investment primarily (i.e. at least 70% of its total net asset value) in the equity securities of companies based or operating in the Philippines.

Pursuant to the Trust Deed, the Manager may decide to issue separate classes (each a "Class") whose assets will be commonly invested but where a specific fee structure, currency or distribution policy may be applied. Each Class may have a different charging structure with the result that the net asset value attributable to each Class may differ.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

### 2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### (a) Basis of preparation of financial statements

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

##### *Standards and amendments to existing standards effective from 1 October 2021*

There are no standards or amendments to existing standards that are effective for the first time for the financial year beginning 1 October 2021 that have had a material impact on the Fund.

##### *New standards, amendments and interpretations effective after 1 October 2021 and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 October 2021, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

#### (b) Investments and derivatives

##### *Classification*

The Fund classifies its investments and derivatives based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

Derivative contracts that have a negative fair value are presented as liabilities at fair value through profit or loss.

The Fund makes short sales in which a borrowed security is sold in anticipation of a decline in the market value of that security, or it may use short sales for various arbitrage transactions. Short sales are classified as financial liabilities at fair value through profit or loss.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

*Recognition, derecognition and measurement*

Purchases and sales of investments and derivatives are accounted for on the trade date basis. Investments and derivatives are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments and derivatives are recognized in the Statement of Comprehensive Income. Investments and derivatives are derecognized when the rights to receive cash flows from the investments and derivatives have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

**(c) Securities borrowing**

The Fund may enter into securities borrowing arrangements for short sale purposes. Short positions represent obligations to deliver securities sold but not yet purchased, and are accounted for as investments and valued at their fair value. Securities borrowed during the year are off-balance sheet transactions and are therefore not included in the investment portfolio of the Fund. Collateral placed for the purpose of securities borrowed generally consist of cash collateral and are included in the Statement of Financial Position separately.

**(d) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(e) Income and expense**

Dividend income is recognized on the ex-dividend date with the corresponding foreign withholding tax recorded as an expense and is accounted for in the Statement of Comprehensive Income.

Interest income on investments is accounted for as part of net gains/losses on investments and derivatives in the Statement of Comprehensive Income.

Interest income on cash at banks and short-term deposits is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis.

**(f) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(g) Foreign currency translation***Functional and presentation currency*

The Fund has adopted United States dollar as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

**(h) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(i) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(j) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

Units of the Fund are redeemable at the option of the holders of redeemable units and are classified as a financial liability in the Statement of Financial Position which represents the net assets attributable to holders of redeemable units (or "net asset value" or "net assets" or "NAV") and is carried at the redemption amount that would be payable at the Statement of Financial Position date if the holders of redeemable units exercised the right to redeem units of the Fund.

**3 Number of units in issue and net assets attributable to holders of redeemable units (per unit)**2022

	USD Class (acc) Units	USD Class C (acc) Units
Number of units in issue:		
At the beginning of the year	383,139.399	4,083.000
Total allotments	48,060.511	-
Total redemptions	(67,480.248)	-
At the end of the year	<u>363,719.662</u>	<u>4,083.000</u>
	US\$	US\$
Net assets attributable to holders of redeemable units	<u>31,172,958</u>	<u>35,864</u>
Net assets attributable to holders of redeemable units (per unit)	<u>85.71</u>	<u>8.78</u>

2021

	USD Class (acc) Units	USD Class C (acc) Units
Number of units in issue:		
At the beginning of the year	444,727.307	124,564.928
Total allotments	64,482.148	-
Total redemptions	(126,070.056)	(120,481.928)
At the end of the year	<u>383,139.399</u>	<u>4,083.000</u>
	US\$	US\$
Net assets attributable to holders of redeemable units	<u>44,729,575</u>	<u>48,488</u>
Net assets attributable to holders of redeemable units (per unit)	<u>116.74</u>	<u>11.88</u>

**4 Financial risk management****(I) Financial risk factors**

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

## (a) Market risk

## (i) Market price risk

The Fund's investments and derivatives are subject to the market price risk inherent in all investments and derivatives i.e. the value of holdings may fall as well as rise. The Fund's market risk is managed through (i) deliberate stocks selection, and (ii) diversification of the investment portfolio in accordance with specific investment restrictions and guidelines.

The Investment Manager monitors the Fund's market price sensitivity primarily through the Beta of the Fund on a regular basis. Beta measures the statistical relationship between the return of the Fund and the relevant benchmark index chosen by the Investment Manager.

As at 30 September, the fair value of investments and derivatives and its estimated market sensitivity were as follows:

	2022		2021	
	Fair value of investments US\$	% of net assets	Fair value of investments US\$	% of net assets
Listed/Quoted Investments				
<b>Assets</b>				
<b>Equities</b>				
- Holding Firms	8,453,889	27.1	12,439,427	27.8
- Banks	5,874,331	18.8	7,400,572	16.5
- Property	5,021,502	16.1	7,983,847	17.8
- Food, Beverages & Tobacco	4,929,390	15.8	4,677,356	10.5
- Communications	2,714,836	8.7	4,516,539	10.1
- Transportation Services	1,858,071	6.0	3,659,700	8.2
- Others	1,626,067	5.2	3,609,358	8.0
Total Listed/Quoted Investments	30,478,086	97.7	44,286,799	98.9

	Net asset value US\$	Relevant benchmark index for the Fund (Note*)	Beta (Note**)	% of reasonable possible change of the relevant benchmark index (Note***)	Estimated impact on net asset value (Note****) US\$
As at 30 September 2022	31,208,822	MSCI Philippines Net	0.95	-26.3	(7,797,524)
As at 30 September 2021	44,778,063	MSCI Philippines Net	0.94	+13.3	5,598,153

If the relevant benchmark index return was to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Relevant benchmark index for the Fund represents the relevant market index used by the Investment Manager in monitoring the market price risk of the Fund.

\*\* Beta measures the statistical relationship between the return of the Fund and the respective benchmark index over the maximum of past 36 months, or the number of months since portfolio inception. For funds launched within a period of less than 12 months, weekly returns of the Fund are used for calculating the Beta.

\*\*\* % of reasonable possible change is based on the actual historical change in the benchmark index in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns. For funds launched within a period of less than 12 months, actual historical change in the benchmark index since the commencement of operations will be used to calculate the % of reasonable possible change.

\*\*\*\* Estimated impact on net asset value of the Fund is calculated by applying the relevant Beta against the net asset value of the Fund multiplied by the % of reasonable possible change of the relevant benchmark index, assuming all other variables that may impact the net asset value of the Fund are held constant.

(ii) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	2022 Less than 1 month US\$	2021 Less than 1 month US\$
Cash at banks	914,212	779,210
Total interest sensitivity gap	<u>914,212</u>	<u>779,210</u>

Any cash and cash equivalents are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

(iii) Currency risk

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

	US\$ equivalent	% of reasonable possible change against US\$ (Note**)	Estimated impact on net asset value US\$
<u>2022</u>			
Hong Kong Dollar	10,825	-0.8	(87)
Philippine Peso	30,891,555	-13.0	(4,015,902)
	<u>30,902,380</u>		<u>(4,015,989)</u>
<u>2021</u>			
Hong Kong Dollar	3,121	-0.4	(12)
Philippine Peso	44,292,633	-5.0	(2,214,632)
	<u>44,295,754</u>		<u>(2,214,644)</u>

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

**(b) Credit risk**

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment, amounts due from brokers or dividend and other accounts receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

The table below summarizes the credit rating of the banks/custodian which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties US\$	2021 Exposure to counterparties US\$
Bank balances		
S&P(AA)/Moody's(Aa)/FITCH(AA)	186,429	138,034
S&P(A)/Moody's(A)/FITCH(A)	727,783	641,176
Investment balances with custodian		
S&P(A)/Moody's(A)/FITCH(A)	30,478,086	44,286,799

**(c) Liquidity risk**

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in an active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	2022 Less than 1 month US\$	2021 Less than 1 month US\$
Amounts due to brokers	69,321	92,657
Amounts payable on redemption	54,241	648,301
Other accounts payable	76,838	100,306
Net assets attributable to holders of redeemable units	31,208,822	44,778,063
Total financial liabilities	31,409,222	45,619,327

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

**(II) Capital risk management**

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

**(III) Fair value estimation**

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

Listed/Quoted Investments	Level 1 US\$	Level 2 US\$	Level 3 US\$	Total US\$
<u>2022</u>				
<u>Assets</u>				
Equities	30,478,086	-	-	30,478,086
Total financial assets at fair value through profit and loss	<u>30,478,086</u>	<u>-</u>	<u>-</u>	<u>30,478,086</u>
<u>2021</u>				
<u>Assets</u>				
Equities	44,286,799	-	-	44,286,799
Total financial assets at fair value through profit and loss	<u>44,286,799</u>	<u>-</u>	<u>-</u>	<u>44,286,799</u>

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Investments classified within level 3 have significant unobservable inputs, as they trade infrequently.

There were no transfers between levels for the years ended 30 September 2022 and 2021.

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

**5 Net (losses)/gains on investments and derivatives**

	2022 US\$	2021 US\$
Change in unrealized gains/losses in value of investments and derivatives	(12,181,905)	7,501,194
Realized gains on sale of investments and derivatives	1,479,178	803,041
	<u>(10,702,727)</u>	<u>8,304,235</u>

**6 Taxation**

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

Overseas tax was withheld or paid on certain dividend income received during the years ended 30 September 2022 and 2021.

**7 Transactions with the Trustee, the Manager and their Connected Persons**

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

(a) Investment transactions with Connected Persons of the Trustee and the Manager are set out below:

Name of company	Aggregate value of purchases and sales of investments US\$	% of the Fund's total aggregate value of transactions	Commission paid US\$	% of the Fund's total commission paid in the year	Average commission rate %
<u>2022</u>					
J.P. Morgan Securities (Asia Pacific) Limited	1,477,524	4.88	2,043	9.94	0.14
The Hongkong and Shanghai Banking Corporation Limited	136,892	0.45	178	0.87	0.13
<u>2021</u>					
J.P. Morgan Securities (Asia Pacific) Limited	1,335,426	4.04	1,809	4.22	0.14
The Hongkong and Shanghai Banking Corporation Limited	465,685	1.41	363	0.85	0.08

(b) Balances with the Manager and its Connected Persons as at year end:

	2022 US\$	2021 US\$
Cash at banks	186,429	138,034
Amounts receivable	-	8
Amounts payable	<u>(59,575)</u>	<u>(75,468)</u>

(c) During the year ended 30 September 2022, the income accruing to the Manager relating to allotments and redemptions in the Fund, net of commission paid to agents, amounted to US\$407 (2021: US\$2,282).

(d) Management fee for USD Class (acc) of 1.5% per annum and USD Class C (acc) of 0.75% per annum of the net asset value of each Class is paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears.

The Manager also receives a valuation fee of US\$40 per valuation if the Fund's net asset value is larger than US\$5 million but smaller than US\$20 million, or US\$70 per valuation if the Fund's net asset value is larger than US\$20 million.

- (e) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.

Certain members of the Manager's group of companies held units of the Fund during the year and were entitled to profits from transaction in units of the Fund as follows:

	At the beginning of the year	Total allotments	Total redemptions	At the end of the year	Profits from transaction US\$
<u>2022</u>					
<u>JPMorgan Asset Management (S) Limited</u>					
- USD Class (acc)	50.327	-	-	50.327	-
<u>2021</u>					
<u>JPMorgan Asset Management (S) Limited</u>					
- USD Class (acc)	-	50.327	-	50.327	-

- (f) Trustee's fee of 0.06% per annum of the net asset value of the Fund for the first US\$40 million, 0.04% per annum for the balance from US\$40 million to US\$70 million, and 0.025% per annum for the balance in excess of US\$70 million is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.
- (g) JPMorgan Funds (Asia) Limited, the registrar agent and Manager, receives a registrar's fee which varies depending on the number of unitholders in the Fund and the number of transactions which occur. The range agreed with the Trustee is between 0.015% and 0.5% per annum of the Fund's net asset value. The registrar's fee is payable quarterly in arrears.
- (h) During the years ended 30 September 2022 and 2021, in addition to the management fee, valuation fee and registrar's fee as disclosed in Note 7(d) and 7(g), respective amounts received from/(paid to) the Manager, JPMorgan Funds (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	88	34
Other income	3	-
Safe custody and bank charges	(6,052)	(1,884)
Transaction costs	(15,476)	(1,809)
	<u>          </u>	<u>          </u>

- (i) During the years ended 30 September 2022 and 2021, in addition to the trustee's fee as disclosed in Note 7(f), respective amounts received from/(paid to) the Trustee, HSBC Institutional Trust Services (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	193	2
Other operating expenses	-	(148)
Interest expense	(35)	(26)
Transaction costs	(178)	(10,271)
Safe custody and bank charges	(28,094)	(29,612)
	<u>          </u>	<u>          </u>

## 8 Borrowings

During the years ended 30 September 2022 and 2021, the Fund has unsecured short-term bank borrowings with The Hongkong and Shanghai Banking Corporation Limited, a Connected Person of the Trustee. All bank borrowings have a duration of less than 7 days. All such transactions are entered into in the ordinary course of business and on normal commercial terms.

**9 Soft dollar arrangements/Commission sharing arrangements**

The Investment Manager has entered into soft dollar arrangements/commission sharing arrangements with brokers under which certain goods and services used to support investment decision making are received by the Investment Manager. A portion of the transaction commission paid by the Fund is retained by the brokers as compensation for the goods and services.

The goods and services must be of demonstrable benefit to the Fund and would be limited to research and advisory services.

During the year ended 30 September 2022, the Investment Manager obtained the services through soft dollar arrangements/commission sharing arrangements on transactions amounting to US\$25,447,297 (2021: US\$19,120,792). Commission which amounted to US\$2,568 (2021: US\$6,249) is paid from the Fund on these transactions.

**10 Distribution**

No distribution was made during the year (2021: nil).

**Independent Auditor's Report**

To the Unitholders of JPMorgan Philippine Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan Philippine Fund, which are set out on pages 827 to 839, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial transactions and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 29 July 1974, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with HKSAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report (Continued)**

To the Unitholders of JPMorgan Philippine Fund (the "Fund")

**Auditor's Responsibilities for the Audit of the  
Financial Statements (Continued)**

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Matters under the Relevant Disclosure  
Provisions of the Trust Deed and Appendix E of the  
SFC Code**

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

PricewaterhouseCoopers  
Certified Public Accountants

Hong Kong, 20 January 2023

**Statement of Responsibilities of the Manager and the Trustee****Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund in all material respects is managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto (as far as reasonably practicable); and
- report to the unitholders for each annual accounting period should the Manager not manage the Fund in accordance with the Trust Deed.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 29 July 1974, as amended, for the year ended 30 September 2022.

HSBC Institutional Trust Services (Asia) Limited, Trustee

## UK Tax Information

The Fund is transparent for UK income tax purposes and information has been provided to UK investors of the amount of their share of the underlying income, expenses and overseas tax suffered for all financial years from 1 October 2010. Although the Fund is an "offshore fund" for UK tax purposes, there is no need to formally apply for "reporting fund status" as the Fund is considered transparent by HMRC and does not invest more than 5% of its assets in other offshore funds which are not themselves reporting funds. Therefore it is known as a "special category transparent offshore fund" and considered out of scope of the requirements of the offshore fund regime. The principal effect of this is that for unitholders resident in the UK for taxation purposes, any gains accruing on the sale, redemption or other disposal of units during the period will be taxed in the UK as a capital gain and not as income. The Fund has previously been certified by HMRC in the UK as a "distributing fund" in respect of the period from 30 June 1987 to 30 September 2010.

## Notes to the Financial Statements

### 1 The Fund

JPMorgan Sustainable Infrastructure Fund (the "Fund") was established under a Trust Deed dated 6 July 2005, as amended (the "Trust Deed") and is governed by the laws of Hong Kong. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

With effect from 12 July 2022, the Fund has been renamed from JPMorgan Global Property Income Fund to JPMorgan Sustainable Infrastructure Fund.

Prior to 12 July 2022, the investment objective of the Fund was "to achieve a high level of current income and long-term capital appreciation primarily (i.e. at least 70% of its total net asset value) through investing in equity securities that are listed on any stock exchange and are principally engaged in or related to the property industry or which own significant property assets, and the Fund does not invest in real estate directly."

With effect from 12 July 2022, the investment objective of the Fund has been changed to "to achieve a return by investing primarily (i.e. at least 70% of its total net asset value) in equity securities globally (including listed real estate investment trusts) that are well positioned to promote the development of the infrastructure required to facilitate a sustainable and inclusive economy, whilst not significantly harming any environmental or social objectives and following good governance practices."

Pursuant to the Trust Deed, the Manager may decide to issue separate classes (each a "Class") whose assets will be commonly invested but where a specific fee structure, currency or distribution policy may be applied. Each Class may have a different charging structure with the result that the net asset value attributable to each Class may differ.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

### 2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### (a) Basis of preparation of financial statements

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

#### *Standards and amendments to existing standards effective from 1 October 2021*

There are no standards or amendments to existing standards that are effective for the first time for the financial year beginning 1 October 2021 that have had a material impact on the Fund.

#### *New standards, amendments and interpretations effective after 1 October 2021 and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 October 2021, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

#### (b) Investments and derivatives

##### *Classification*

The Fund classifies its investments and derivatives based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

Derivative contracts that have a negative fair value are presented as liabilities at fair value through profit or loss.

The Fund makes short sales in which a borrowed security is sold in anticipation of a decline in the market value of that security, or it may use short sales for various arbitrage transactions. Short sales are classified as financial liabilities at fair value through profit or loss.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

*Recognition, derecognition and measurement*

Purchases and sales of investments and derivatives are accounted for on the trade date basis. Investments and derivatives are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments and derivatives are recognized in the Statement of Comprehensive Income. Investments and derivatives are derecognized when the rights to receive cash flows from the investments and derivatives have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value.

Forward foreign exchange contracts are valued at the forward rates ruling at the valuation date. The differences between the forward rates and the contract rates are recognized in the Statement of Comprehensive Income.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

**(c) Securities borrowing**

The Fund may enter into securities borrowing arrangements for short sale purposes. Short positions represent obligations to deliver securities sold but not yet purchased, and are accounted for as investments and valued at their fair value. Securities borrowed during the year are off-balance sheet transactions and are therefore not included in the investment portfolio of the Fund. Collateral placed for the purpose of securities borrowed generally consist of cash collateral and are included in the Statement of Financial Position separately.

**(d) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(e) Income and expense**

Dividend income is recognized on the ex-dividend date with the corresponding foreign withholding tax recorded as an expense and is accounted for in the Statement of Comprehensive Income.

Interest income on investments is accounted for as part of net gains/losses on investments and derivatives in the Statement of Comprehensive Income.

Interest income on cash at banks and short-term deposits is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis.

**(f) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(g) Foreign currency translation**

*Functional and presentation currency*

The Fund has adopted United States dollar as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

**(h) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(i) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(j) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

Units of the Fund are redeemable at the option of the holders of redeemable units and are classified as a financial liability in the Statement of Financial Position which represents the net assets attributable to holders of redeemable units (or "net asset value" or "net assets" or "NAV") and is carried at the redemption amount that would be payable at the Statement of Financial Position date if the holders of redeemable units exercised the right to redeem units of the Fund.

**(k) Distribution payable to holders of redeemable units**

Proposed distributions to holders of redeemable units are recognized in the Statement of Comprehensive Income when they are appropriately authorized. The distribution on the redeemable units is recognized as a finance cost in the Statement of Comprehensive Income.

**3 Number of units in issue and net assets attributable to holders of redeemable units (per unit)**

2022

#### **4 Financial risk management**

##### **(l) Financial risk factors**

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

##### **(a) Market risk**

##### **(i) Market price risk**

The Fund's investments and derivatives are subject to the market price risk inherent in all investments and derivatives i.e. the value of holdings may fall as well as rise. The Fund's market risk is managed through (i) deliberate stocks selection, and (ii) diversification of the investment portfolio in accordance with specific investment restrictions and guidelines.

As at 30 September, the fair value of investments and derivatives and its estimated market sensitivity were as follows:

	2022		2021	
	Fair value of investments US\$	% of net assets	Fair value of investments US\$	% of net assets
Listed/Quoted Investments				
<u>Assets</u>				
Equities				
- United States	29,696,538	47.1	9,627,981	54.4

Also, refer to Note 10 for the exposures on derivatives.

The Investment Manager monitors the Fund's market price sensitivity primarily through the Fund's volatility, which helps to describe the likely range of the Fund's return, on a regular basis. In statistical terms, it is the standard deviation of the return distribution. Greater volatility of monthly fund returns means that there is a wider range of likely returns in the future, or greater uncertainty regarding the fund returns. Most investors would equate this greater uncertainty with greater risk.

The table below summarizes the volatility of the Fund expressed in annual terms and the estimated impact on the net asset value.

	2022	2021
Annual volatility (Note*)	30.10%**	19.34%

If the above volatility were to be applied to the Fund's net asset value as at 30 September 2022 of US\$63,043,323 (2021: US\$17,698,521) and assuming that the Fund's returns are normally distributed with its mean return equals to nil and with one standard deviation away from the mean return (i.e. a probability of 68%), the estimated reasonable possible change in the Fund's net asset value would be between US\$44,067,283 and US\$82,019,363; or within +/- US\$18,976,040 (2021: between US\$14,275,627 and US\$21,121,415; or within +/- US\$3,422,894) over a twelve-month period based on the Fund's historical annual volatility percentage as a result of the market price fluctuation, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Volatility is calculated based on the monthly Fund's returns over the maximum of past 36 months or the number of months since portfolio inception. For funds launched within a period of less than 12 months, volatility is calculated based on the weekly Fund's returns since the Fund's launch. Volatility is expressed in annual volatility by applying the square root of time adjustment. Volatility may not cover stressed market events, nor represent the Investment Manager's forecast of the Fund's range of future returns.

\*\* With effect from 12 July 2022, the representative class of the Fund for the purpose of disclosing past performance has been changed to a new Class which was launched on 12 July 2022, in light of the change of investment objective of the Fund. As such, volatility was calculated based on the weekly returns since 12 July 2022.

**(ii) Interest rate risk**

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	2022	2021
	Less than 1 month	Less than 1 month
	US\$	US\$
Cash at banks	2,469,086	449,941
Total interest sensitivity gap	<u>2,469,086</u>	<u>449,941</u>

Any cash and cash equivalents are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

**(iii) Currency risk**

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The Fund enters in some forward foreign exchange contracts to hedge some of its foreign currency exposures to maintain limited exposure to non-US\$ currencies. Refer to Note 10 for the outstanding forward foreign exchange contracts as at year end.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

Net currency exposures (Note*)	US\$ equivalent	% of reasonable possible change against US\$ (Note**)	Estimated impact on net asset value US\$
<u>2022</u>			
Australian Dollar	2,684,174	-11.0	(295,259)
Chinese Yuan (Offshore)	26,115,407	-9.5	(2,480,964)
Danish Krone	1,534,363	-15.5	(237,826)
Euro	14,689,887	-15.5	(2,276,932)
Hong Kong Dollar	539,526	-0.8	(4,316)
Japanese Yen	675,033	-22.9	(154,583)
Korean Won	1,047,960	-17.2	(180,249)
Singapore Dollar	518,058	-5.4	(27,975)
Sterling	6,941,006	-17.2	(1,193,853)
	<u>54,745,414</u>		<u>(6,851,957)</u>
<u>2021</u>			
Australian Dollar	25,760	+0.8	206
Canadian Dollar	22,409	+5.4	1,210
Euro	13,924	-1.2	(167)
Hong Kong Dollar	11,035	-0.4	(44)
Japanese Yen	(13,088)	-5.4	707
Korean Won	98,835	-1.2	(1,186)
Singapore Dollar	37,554	+0.6	225
Sterling	28,724	+4.3	1,235
	<u>225,153</u>		<u>2,186</u>

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

**(b) Credit risk**

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment or dividend and other accounts receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

The table below summarizes the credit rating of the banks/brokers/custodian which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties US\$	2021 Exposure to counterparties US\$
Bank balances		
S&P(AA)/Moody's(Aa)/FITCH(AA)	17,822	9,855
S&P(A)/Moody's(A)/FITCH(A)	2,451,264	440,086
Derivatives issued by brokers		
S&P(AA)/Moody's(Aa)/FITCH(AA)	23,550	91,607
S&P(A)/Moody's(A)/FITCH(A)	37,203	3,179
Investment balances with custodian		
S&P(A)/Moody's(A)/FITCH(A)	<u>61,461,737</u>	<u>17,337,116</u>

**(c) Liquidity risk**

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in an active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	<u>2022</u>		<u>2021</u>	
	Less than 1 month US\$	1 to 12 months US\$	Less than 1 month US\$	1 to 12 months US\$
Amounts payable on redemption	399,288	-	38,344	-
Distribution payable	112,102	-	135,021	-
Derivatives	637,636	67	-	8,141
Other accounts payable	80,595	-	52,483	-
Net assets attributable to holders of redeemable units	<u>63,043,323</u>	<u>-</u>	<u>17,698,521</u>	<u>-</u>
Total financial liabilities	<u>64,272,944</u>	<u>67</u>	<u>17,924,369</u>	<u>8,141</u>

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

**(d) Offsetting and amounts subject to master netting arrangements and similar agreements**

As at 30 September 2022 and 2021, the Fund was subject to master netting arrangements with certain derivative counterparties.

In the event of default, the Fund and its counterparties have the option to settle transactions on net basis. An event of default may include failure to pay or deliver, breach of agreement or bankruptcy.

The following tables summarize the Fund's financial assets and liabilities subject to offsetting, master netting arrangements and similar agreements as at 30 September by types of financial instruments.

	Gross amounts of recognized financial assets presented in the Statement of Financial Position US\$	Related amounts subject to master netting arrangements and similar agreements net off against Financial Instruments US\$	Collateral and margin deposits US\$	Net amount US\$

Financial liabilities at fair value through profit and loss	<u>5,529</u>	<u>(4,185)</u>	<u>-</u>	<u>1,344</u>

**(II) Capital risk management**

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

**(III) Fair value estimation**

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

	Level 1 US\$	Level 2 US\$	Level 3 US\$	Total US\$
Listed/Quoted Investments				
<u>2022</u>				
<u>Assets</u>

<u>2021</u>				
<u>Assets</u>				
Equities	-	-	-	-
Total financial assets at fair value through profit and loss	<u>-</u>	<u>-</u>	<u>-</u>	<u>-</u>

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Investments classified within level 3 have significant unobservable inputs, as they trade infrequently.

There were no transfers between levels for the years ended 30 September 2022 and 2021.

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

**5 Net (losses)/gains on investments and derivatives**

	2022	2021
	US\$	US\$
Change in unrealized gains/losses in value of investments and derivatives	(11,622,674)	3,001,388
Realized losses on sale of investments and derivatives	(1,314,561)	(64,840)
	<u>(12,937,235)</u>	<u>2,936,548</u>

**6 Distribution**

In the event that the amount available for distribution is insufficient to pay distributions as the Fund declares, the Manager may in its discretion determine that such distributions be paid from capital.

No undistributed income was carried forward at the end of the year (2021: nil).

## 7 Taxation

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

Overseas tax was withheld or paid on certain dividend income received during the years ended 30 September 2022 and 2021.

## 8 Transactions with the Trustee, the Manager and their Connected Persons

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

(a) Investment transactions with Connected Persons of the Trustee are set out below:

Name of company	Aggregate value of purchases and sales of investments US\$	% of the Fund's total aggregate value of transactions	Commission paid US\$	% of the Fund's total commission paid in the year	Average commission rate %
<u>2022</u>					
Nil					
<u>2021</u>					
The Hongkong and Shanghai Banking Corporation Limited	11,983	0.06	25	0.35	0.21
The Hongkong and Shanghai Banking Corporation Limited, Seoul	3,950	0.02	1	0.02	0.03

(b) Balances with the Manager and its Connected Persons as at year end:

	2022	2021
	US\$	US\$
Cash at banks	17,822	9,855
Amounts receivables	307	-
Amounts payable	(66,848)	(32,977)
	<u>                    </u>	<u>                    </u>

(c) During the year ended 30 September 2022, the income accruing to the Manager relating to allotments and redemptions in the Fund, net of commission paid to agents, amounted to US\$778 (2021: US\$2,317).

(d) Prior to 12 July 2022, management fee of 1.5% per annum of the net asset value of the Fund was paid to JPMorgan Funds (Asia) Limited. With effect from 12 July 2022, management fee of 1.0% per annum of the net asset value of the Fund would be paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears.

The Manager also receives a valuation fee of US\$40 per valuation if the Fund's net asset value is larger than US\$5 million but smaller than US\$20 million, or US\$70 per valuation if the Fund's net asset value is larger than US\$20 million.

(e) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.

Certain members of the Manager's group of companies held units of the Fund during the year and were entitled to profits from transaction in units of the Fund as follows:

	At the beginning of the year	Total allotments	Total redemptions	At the end of the year	Profits from transaction US\$
<u>2022</u>					
<u>JPMorgan Asset Management</u>					
<u>(Asia Pacific) Limited</u>					
- HKD Class (acc)	-	784,447.700	-	784,447.700	-

2021

Nil

(f) Trustee's fee of 0.06% per annum of the net asset value of the Fund for the first US\$40 million, 0.04% per annum for the balance from US\$40 million to US\$70 million, and 0.025% per annum for the balance in excess of US\$70 million is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.

(g) JPMorgan Funds (Asia) Limited, the registrar agent and Manager, receives a registrar's fee which varies depending on the number of unitholders in the Fund and the number of transactions which occur. The range agreed with the Trustee is between 0.015% and 0.5% per annum of the Fund's net asset value. The registrar's fee is payable quarterly in arrears.

(h) During the years ended 30 September 2022 and 2021, in addition to the management fee, valuation fee and registrar's fee as disclosed in Note 8(d) and 8(g), respective amounts received from/(paid to) the Manager, JPMorgan Funds (Asia) Limited, and its Connected Persons were as follows:

	2022	2021
	US\$	US\$
Other income	304	-
Interest on deposits	27	1
Safe custody and bank charges	(4,749)	(4,002)
	<u>                    </u>	<u>                    </u>

- (i) During the years ended 30 September 2022 and 2021, in addition to the trustee's fee as disclosed in Note 8(f), respective amounts received from/(paid to) the Trustee, HSBC Institutional Trust Services (Asia) Limited, and its Connected Persons were as follows:

	2022	2021
	US\$	US\$
Interest on deposits	2,973	4
Other operating expenses	-	(148)
Transaction costs	(15,407)	(28,193)
Safe custody and bank charges	(15,459)	(14,510)
	<u>(15,459)</u>	<u>(14,510)</u>

## 9 Soft dollar arrangements/Commission sharing arrangements

During the years ended 30 September 2022 and 2021, the Investment Manager and its Connected Persons did not enter into any soft dollar arrangements/commission sharing arrangements in connection with directing transactions of the Fund through a broker or dealer.

## Independent Auditor's Report

To the Unitholders of JPMorgan Sustainable Infrastructure Fund (the "Fund")

### Report on the Audit of the Financial Statements

#### Opinion

What we have audited

The financial statements of JPMorgan Sustainable Infrastructure Fund (formerly known as JPMorgan Global Property Income Fund), which are set out on pages 847 to 865, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial transactions and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

#### Basis for Opinion

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

#### Other Information

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of the Management for the Financial Statements

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 6 July 2005, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with HKSA, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report (Continued)**

To the Unitholders of JPMorgan Sustainable Infrastructure Fund (the "Fund")

**Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

As part of an audit in accordance with HKSAAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Matters under the Relevant Disclosure Provisions of the Trust Deed and Appendix E of the SFC Code**

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

PricewaterhouseCoopers  
Certified Public Accountants

Hong Kong, 20 January 2023

**Statement of Responsibilities of the Manager and the Trustee**

**Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund in all material respects is managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto (as far as reasonably practicable); and
- report to the unitholders for each annual accounting period should the Manager not manage the Fund in accordance with the Trust Deed.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 6 July 2005, as amended, for the year ended 30 September 2022.

## Notes to the Financial Statements

### 1 The Fund

JPMorgan Thailand Fund (the "Fund") was established under a Trust Deed dated 20 July 1989, as amended (the "Trust Deed") and is governed by the laws of Hong Kong. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

The investment objective of the Fund is to provide investors with long-term capital appreciation through a portfolio consisting primarily (i.e. at least 70% of its total net asset value) of equity securities of companies based or operating principally in Thailand.

Pursuant to the Trust Deed, the Manager may decide to issue separate classes (each a "Class") whose assets will be commonly invested but where a specific fee structure, currency or distribution policy may be applied. Each Class may have a different charging structure with the result that the net asset value attributable to each Class may differ.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

### 2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### (a) Basis of preparation of financial statements

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

*Standards and amendments to existing standards effective from 1 October 2021*

There are no standards or amendments to existing standards that are effective for the first time for the financial year beginning 1 October 2021 that have had a material impact on the Fund.

*New standards, amendments and interpretations effective after 1 October 2021 and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 October 2021, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

#### (b) Investments and derivatives

##### *Classification*

The Fund classifies its investments and derivatives based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

Derivative contracts that have a negative fair value are presented as liabilities at fair value through profit or loss.

The Fund makes short sales in which a borrowed security is sold in anticipation of a decline in the market value of that security, or it may use short sales for various arbitrage transactions. Short sales are classified as financial liabilities at fair value through profit or loss.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

*Recognition, derecognition and measurement*

Purchases and sales of investments and derivatives are accounted for on the trade date basis. Investments and derivatives are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments and derivatives are recognized in the Statement of Comprehensive Income. Investments and derivatives are derecognized when the rights to receive cash flows from the investments and derivatives have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value. When trading of financial instruments in markets that are not considered to be active, the financial instruments are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

**(c) Securities borrowing**

The Fund may enter into securities borrowing arrangements for short sale purposes. Short positions represent obligations to deliver securities sold but not yet purchased, and are accounted for as investments and valued at their fair value. Securities borrowed during the year are off-balance sheet transactions and are therefore not included in the investment portfolio of the Fund. Collateral placed for the purpose of securities borrowed generally consist of cash collateral and are included in the Statement of Financial Position separately.

**(d) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(e) Income and expense**

Dividend income is recognized on the ex-dividend date with the corresponding foreign withholding tax recorded as an expense and is accounted for in the Statement of Comprehensive Income.

Interest income on investments is accounted for as part of net gains/losses on investments and derivatives in the Statement of Comprehensive Income.

Interest income on cash at banks and short-term deposits is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis.

**(f) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(g) Foreign currency translation***Functional and presentation currency*

The Fund has adopted United States dollar as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

**(h) Cash and cash equivalents**

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

**(i) Amounts due from/to brokers**

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

**(j) Proceeds and payments on allotment and redemption of units**

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

**3 Number of units in issue and net assets attributable to holders of redeemable units (per unit)**

2022

	USD Class (acc) Units
Number of units in issue:	
At the beginning of the year	1,523,631.225
Total allotments	257,578.646
Total redemptions	(358,038.094)
At the end of the year	<u>1,423,171.777</u>
	US\$
Net assets attributable to holders of redeemable units	<u>230,674,358</u>
Net assets attributable to holders of redeemable units (per unit)	<u>162.08</u>

2021

	USD Class (acc) Units
Number of units in issue:	
At the beginning of the year	1,621,501.916
Total allotments	590,727.538
Total redemptions	(688,598.229)
At the end of the year	<u>1,523,631.225</u>
	US\$
Net assets attributable to holders of redeemable units	<u>262,678,188</u>
Net assets attributable to holders of redeemable units (per unit)	<u>172.40</u>

As at 30 September 2022, the Fund had US\$230,674,358 (2021: US\$262,678,188) of puttable financial instruments, represented by the net assets attributable to the holders of redeemable units (or "net asset value" or "net assets" or "NAV"), classified as equity.

The Fund's policies for managing its obligations for the holders of redeemable units of the Fund are included in Note 4(II) capital risk management.

#### 4 Financial risk management

##### (I) Financial risk factors

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

##### (a) Market risk

##### (i) Market price risk

The Fund's investments and derivatives are subject to the market price risk inherent in all investments and derivatives i.e. the value of holdings may fall as well as rise. The Fund's market risk is managed through (i) deliberate stocks selection, and (ii) diversification of the investment portfolio in accordance with specific investment restrictions and guidelines.

The Investment Manager monitors the Fund's market price sensitivity primarily through the Beta of the Fund on a regular basis. Beta measures the statistical relationship between the return of the Fund and the relevant benchmark index chosen by the Investment Manager.

As at 30 September, the fair value of investments and derivatives and its estimated market sensitivity were as follows:

	2022		2021	
	Fair value of investments US\$	% of net assets	Fair value of investments US\$	% of net assets
Listed/Quoted Investments				
<b>Assets</b>				
Equities				
- Energy	42,161,441	18.3	49,458,572	18.8

	<u>227,543,738</u>	<u>98.6</u>	<u>258,572,629</u>	<u>98.4</u>
Derivatives				
- Warrants	150,564	0.1	168,662	0.1
	<u>150,564</u>	<u>0.1</u>	<u>168,662</u>	<u>0.1</u>
Total Listed/Quoted Investments	<u>227,694,302</u>	<u>98.7</u>	<u>258,741,291</u>	<u>98.5</u>
Unlisted/Quoted Investments				
Assets				
Derivatives				
- Warrants	-	-	-	-
Total Unlisted/Unquoted Investments	<u>-</u>	<u>-</u>	<u>-</u>	<u>-</u>
Total Investments	<u>227,694,302</u>	<u>98.7</u>	<u>258,741,291</u>	<u>98.5</u>

Also, refer to Note 10 for the exposures on derivatives.

	Net asset value US\$	Relevant benchmark index for the Fund (Note*)	Beta (Note**)	% of reasonable possible change of the relevant benchmark index (Note***)	Estimated impact on net asset value (Note****) US\$
As at 30 September 2022	<u>230,674,358</u>	MSCI Thailand Net	0.98	-6.8	<u>(15,372,139)</u>
As at 30 September 2021	<u>262,678,188</u>	MSCI Thailand Net	0.98	+20.1	<u>51,742,349</u>

If the relevant benchmark index return was to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Relevant benchmark index for the Fund represents the relevant market index used by the Investment Manager in monitoring the market price risk of the Fund.

\*\* Beta measures the statistical relationship between the return of the Fund and the respective benchmark index over the maximum of past 36 months, or the number of months since portfolio inception. For funds launched within a period of less than 12 months, weekly returns of the Fund are used for calculating the Beta.

\*\*\* % of reasonable possible change is based on the actual historical change in the benchmark index in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns. For funds launched within a period of less than 12 months, actual historical change in the benchmark index since the commencement of operations will be used to calculate the % of reasonable possible change.

\*\*\*\* Estimated impact on net asset value of the Fund is calculated by applying the relevant Beta against the net asset value of the Fund multiplied by the % of reasonable possible change of the relevant benchmark index, assuming all other variables that may impact the net asset value of the Fund are held constant.

## (ii) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	2022 Less than 1 month US\$	2021 Less than 1 month US\$
Cash at banks	3,404,154	3,956,296
Total interest sensitivity gap	<u>3,404,154</u>	<u>3,956,296</u>

Any cash and cash equivalents are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

## (iii) Currency risk

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

	US\$ equivalent	% of reasonable possible change against US\$ (Note**)	Estimated impact on net asset value US\$
<u>2022</u>			
Hong Kong Dollar	4,628	-0.8	(37)
Singapore Dollar	1,073,379	-5.4	(57,962)
Thai Baht	229,858,884	-10.3	(23,675,465)
	<u>230,936,891</u>		<u>(23,733,464)</u>
<u>2021</u>			
Hong Kong Dollar	4,616	-0.4	(18)
Singapore Dollar	16	+0.6	0
Thai Baht	258,820,222	-6.3	(16,305,674)
	<u>258,824,854</u>		<u>(16,305,692)</u>

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

## (b) Credit risk

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment, amounts due from brokers or dividend and other accounts receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to the credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments and derivatives are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments and derivatives sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments and derivatives have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

The table below summarizes the credit rating of the banks/custodian which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties US\$	2021 Exposure to counterparties US\$
Bank balances		
S&P(AA)/Moody's(Aa)/FITCH(AA)	106,368	1,133,848
S&P(A)/Moody's(A)/FITCH(A)	3,297,786	2,822,448
Investment and derivative balances with custodian		
S&P(A)/Moody's(A)/FITCH(A)	<u>227,694,302</u>	<u>258,741,291</u>

## (c) Liquidity risk

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	2022 Less than 1 month US\$	2021 Less than 1 month US\$
Amounts due to brokers	111,484	1,170,516
Amounts payable on redemption	454,541	341,346
Other accounts payable	403,401	439,656
Total financial liabilities	<u>969,426</u>	<u>1,951,518</u>

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

## (II) Capital risk management

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

## (III) Fair value estimation

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

Listed/Quoted Investments	Level 1 US\$	Level 2 US\$	Level 3 US\$	Total US\$
<u>2022</u>

Total financial assets at fair value through profit and loss	<u>-</u>	<u>-</u>	<u>-</u>	<u>-</u>

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Investments classified within level 3 have significant unobservable inputs, as they trade infrequently.

There were no transfers between levels for the years ended 30 September 2022 and 2021.

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

## 5 Net (losses)/gains on investments and derivatives

	2022 US\$	2021 US\$
Change in unrealized gains/losses in value of investments and derivatives	(12,938,431)	39,971,383
Realized (losses)/gains on sale of investments and derivatives	(1,337,828)	9,718,956
	<u>(14,276,259)</u>	<u>49,690,339</u>

## 6 Taxation

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

Overseas tax was withheld or paid on certain dividend income received during the years ended 30 September 2022 and 2021.

## 7 Transactions with the Trustee, the Manager and their Connected Persons

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

(a) Investment transactions with Connected Persons of the Manager are set out below:

Name of company	Aggregate value of purchases and sales of investments US\$	% of the Fund's total aggregate value of transactions	Commission paid US\$	% of the Fund's total commission paid in the year	Average commission rate %
<u>2022</u>					
HSBC Securities (USA) Inc	20,550	0.01	44	0.03	0.21
J.P. Morgan Securities (Asia Pacific) Limited	20,699,843	8.56	8,462	6.05	0.04
<u>2021</u>					
J.P. Morgan Securities (Asia Pacific) Limited	22,207,459	5.99	34,040	10.37	0.15

(b) Balances with the Manager and its Connected Persons as at year end:

	2022 US\$	2021 US\$
Cash at banks	106,368	1,133,848
Amounts receivable	-	23
Amounts payable	(343,552)	(387,200)
	<u>(237,184)</u>	<u>746,671</u>

- (c) During the year ended 30 September 2022, the income accruing to the Manager relating to allotments and redemptions in the Fund, net of commission paid to agents, amounted to US\$2,950 (2021: US\$7,570).
- (d) Management fee of 1.5% per annum of the net asset value of the Fund is paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears.

The Manager also receives a valuation fee of US\$40 per valuation if the Fund's net asset value is larger than US\$5 million but smaller than US\$20 million, or US\$70 per valuation if the Fund's net asset value is larger than US\$20 million.

- (e) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.

Certain members of the Manager's group of companies held units of the Fund during the year and were entitled to profits from transaction in units of the Fund as follows:

	At the beginning of the year	Total allotments	Total redemptions	At the end of the year	Profits from transaction US\$
<u>2022</u>					
<u>JPMorgan Asset Management (Asia Pacific) Limited</u>					
- USD Class (acc)	459.677	30.430	(413.307)	76.800	167
<u>JPMorgan Asset Management (S) Limited</u>					
- USD Class (acc)	132.322	361.347	(9.822)	483.847	1
<u>2021</u>					
<u>JPMorgan Asset Management (Asia Pacific) Limited</u>					
- USD Class (acc)	800.246	14.411	(354.980)	459.677	-
<u>JPMorgan Asset Management (S) Limited</u>					
- USD Class (acc)	19.644	122.500	(9.822)	132.322	-

- (f) Trustee's fee of 0.06% per annum of the net asset value of the Fund for the first US\$40 million, 0.04% per annum for the balance from US\$40 million to US\$70 million, and 0.025% per annum for the balance in excess of US\$70 million is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.
- (g) JPMorgan Funds (Asia) Limited, the registrar agent and Manager, receives a registrar's fee which varies depending on the number of unitholders in the Fund and the number of transactions which occur. The range agreed with the Trustee is between 0.015% and 0.5% per annum of the Fund's net asset value. The registrar's fee is payable quarterly in arrears.
- (h) During the years ended 30 September 2022 and 2021, in addition to the management fee, valuation fee and registrar's fee as disclosed in Note 7(d) and 7(g), respective amounts received from/(paid to) the Manager, JPMorgan Funds (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	119	160
Other income	12	4,591
Transaction costs	(8,462)	(34,040)
Safe custody and bank charges	(13,030)	(1,135)
	<u>                    </u>	<u>                    </u>

- (i) During the years ended 30 September 2022 and 2021, in addition to the trustee's fee as disclosed in Note 7(f), respective amounts received from/(paid to) the Trustee, HSBC Institutional Trust Services (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	297	6
Other operating expenses	-	(148)
Interest expense	(41)	(12)
Transaction costs	(20,354)	(27,743)
Safe custody and bank charges	(116,296)	(126,317)
	<u>                    </u>	<u>                    </u>

**8 Borrowings**

During the years ended 30 September 2022 and 2021, the Fund has unsecured short-term bank borrowings with The Hongkong and Shanghai Banking Corporation Limited, a Connected Person of the Trustee. All bank borrowings have a duration of less than 7 days. All such transactions are entered into in the ordinary course of business and on normal commercial terms.

**9 Soft dollar arrangements/Commission sharing arrangements**

The Investment Manager has entered into soft dollar arrangements/commission sharing arrangements with brokers under which certain goods and services used to support investment decision making are received by the Investment Manager. A portion of the transaction commission paid by the Fund is retained by the brokers as compensation for the goods and services.

The goods and services must be of demonstrable benefit to the Fund and would be limited to research and advisory services.

During the year ended 30 September 2022, the Investment Manager obtained the services through soft dollar arrangements/commission sharing arrangements on transactions amounting to US\$217,783,915 (2021: US\$318,189,594). Commission which amounted to US\$21,172 (2021: US\$98,109) is paid from the Fund on these transactions.

**11 Distribution**

No distribution was made during the year (2021: nil).

**Independent Auditor's Report**

To the Unitholders of JPMorgan Thailand Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan Thailand Fund, which are set out on pages 873 to 885, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial transactions and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKASs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 20 July 1989, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKASs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with HKASs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report** (Continued)

To the Unitholders of JPMorgan Thailand Fund (the "Fund")

**Auditor's Responsibilities for the Audit of the  
Financial Statements** (Continued)

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Matters under the Relevant Disclosure  
Provisions of the Trust Deed and Appendix E of the  
SFC Code**

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

PricewaterhouseCoopers  
Certified Public Accountants

Hong Kong, 20 January 2023

**Statement of Responsibilities of the Manager and the Trustee****Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund in all material respects is managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto (as far as reasonably practicable); and
- report to the unitholders for each annual accounting period should the Manager not manage the Fund in accordance with the Trust Deed.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 20 July 1989, as amended, for the year ended 30 September 2022.

HSBC Institutional Trust Services (Asia) Limited, Trustee

**UK Tax Information**

The Fund is transparent for UK income tax purposes and information has been provided to UK investors of the amount of their share of the underlying income, expenses and overseas tax suffered for all financial years from 1 October 2010. Although the Fund is an "offshore fund" for UK tax purposes, there is no need to formally apply for "reporting fund status" as the Fund is considered transparent by HMRC and does not invest more than 5% of its assets in other offshore funds which are not themselves reporting funds. Therefore it is known as a "special category transparent offshore fund" and considered out of scope of the requirements of the offshore fund regime. The principal effect of this is that for unitholders resident in the UK for taxation purposes, any gains accruing on the sale, redemption or other disposal of units during the period will be taxed in the UK as a capital gain and not as income. The Fund has previously been certified by HMRC in the UK as a "distributing fund" in respect of the period from 8 August 1989 to 30 September 2010.

## Notes to the Financial Statements

### 1 The Fund

JPMorgan Vietnam Opportunities Fund (the "Fund") was established under a Trust Deed dated 15 August 2006, as amended (the "Trust Deed") and is governed by the laws of Hong Kong. The Fund is authorized by the Securities and Futures Commission of Hong Kong ("SFC").

The investment objective of the Fund is to provide investors with long-term capital growth by investing primarily (i.e. at least 70% of its total net asset value) in equity securities of companies either (i) domiciled or listed on a stock exchange in Vietnam, or (ii) with actual or prospective operations, assets or investments, direct or indirect, in Vietnam in an aggregate amount of not less than either US\$50 million or 10 per cent. of the gross assets of the investing company (albeit such operations, assets or investments may at the time of investment be immaterial to the financial results of such company).

Pursuant to the Trust Deed, the Manager may decide to issue separate classes (each a "Class") whose assets will be commonly invested but where a specific fee structure, currency or distribution policy may be applied. Each Class may have a different charging structure with the result that the net asset value attributable to each Class may differ.

All unitholders' rights with regard to the convening, voting or otherwise acting at any meeting of unitholders are the same.

### 2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### (a) Basis of preparation of financial statements

The financial statements of the Fund have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and financial liabilities (including derivative financial instruments) held at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires the Manager and the Trustee (the "Management") to exercise their judgment in the process of applying the Fund's accounting policies.

#### *Standards and amendments to existing standards effective from 1 October 2021*

There are no standards or amendments to existing standards that are effective for the first time for the financial year beginning 1 October 2021 that have had a material impact on the Fund.

#### *New standards, amendments and interpretations effective after 1 October 2021 and have not been early adopted*

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 October 2021, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Fund.

#### (b) Investments and derivatives

##### *Classification*

The Fund classifies its investments and derivatives based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

Derivative contracts that have a negative fair value are presented as liabilities at fair value through profit or loss.

The Fund makes short sales in which a borrowed security is sold in anticipation of a decline in the market value of that security, or it may use short sales for various arbitrage transactions. Short sales are classified as financial liabilities at fair value through profit or loss.

As such, the Fund classifies all of its investment portfolio as financial assets or liabilities at fair value through profit or loss.

*Recognition, derecognition and measurement*

Purchases and sales of investments and derivatives are accounted for on the trade date basis. Investments and derivatives are initially recognized at fair value and are subsequently re-measured at fair value. Realized and unrealized gains and losses on investments and derivatives are recognized in the Statement of Comprehensive Income. Investments and derivatives are derecognized when the rights to receive cash flows from the investments and derivatives have expired or the Fund has transferred substantially all risks and rewards of ownership.

*Fair value estimation*

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of financial assets and liabilities traded in active markets are based on last traded prices. When trading in the securities of an investee company is suspended, the investment is valued at the Manager's estimate of its fair value. When trading of financial instruments in markets that are not considered to be active, the financial instruments are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs.

*Transfers between levels of the fair value hierarchy*

Transfers between levels of the fair value hierarchy are deemed to have occurred at the beginning of the reporting period.

**(c) Securities borrowing**

The Fund may enter into securities borrowing arrangements for short sale purposes. Short positions represent obligations to deliver securities sold but not yet purchased, and are accounted for as investments and valued at their fair value. Securities borrowed during the year are off-balance sheet transactions and are therefore not included in the investment portfolio of the Fund. Collateral placed for the purpose of securities borrowed generally consist of cash collateral and are included in the Statement of Financial Position separately.

**(d) Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

**(e) Income and expense**

Dividend income is recognized on the ex-dividend date with the corresponding foreign withholding tax recorded as an expense and is accounted for in the Statement of Comprehensive Income.

Interest income on investments is accounted for as part of net gains/losses on investments and derivatives in the Statement of Comprehensive Income.

Interest income on cash at banks and short-term deposits is accounted for in the Statement of Comprehensive Income on an effective interest basis.

Expenses are accounted for in the Statement of Comprehensive Income on an accrual basis.

**(f) Transaction costs**

Transaction costs are costs incurred to acquire/dispose financial assets or liabilities at fair value through profit or loss. They include fees and commissions paid to agents, brokers and dealers. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

**(g) Foreign currency translation***Functional and presentation currency*

The Fund has adopted United States dollar as its functional and presentation currency.

*Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net foreign currency exchange gains/losses". Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gains/losses on investments and derivatives".

#### (h) Cash and cash equivalents

For the purpose of the Statement of Cash Flows, cash and cash equivalents comprise cash at banks and bank deposits with maturity of three months or less from the date of placing the deposits, net of certain short-term bank loans which the Fund usually undertakes as overnight bank borrowings.

#### (i) Amounts due from/to brokers

Amounts due from/to brokers represent receivables for investments and derivatives sold and payables for investments and derivatives purchased that have been contracted for but not yet settled by the end of the year.

These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Fund shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganization and default in payments are all considered indicators that a loss allowance may be required.

#### (j) Proceeds and payments on allotment and redemption of units

The net asset value per unit is computed for each dealing day. The price at which units are allotted or redeemed is calculated by reference to the net asset value per unit as at the close of business on the relevant dealing day in accordance with the provisions of the Trust Deed which may be different from the accounting policies stated in the financial statements.

Units of the Fund are redeemable at the option of the holders of redeemable units and are classified as a financial liability in the Statement of Financial Position which represents the net assets attributable to holders of redeemable units (or "net asset value" or "net assets" or "NAV") and is carried at the redemption amount that would be payable at the Statement of Financial Position date if the holders of redeemable units exercised the right to redeem units of the Fund.

### 3 Number of units in issue and net assets attributable to holders of redeemable units (per unit)

Net assets attributable to holders of redeemable units (per unit)	<u>26.34</u>	<u>16.80</u>

4 Financial risk management

(l) Financial risk factors

The Fund's activities expose it to a variety of financial risks: market risk (including market price risk, interest rate risk and currency risk), credit risk and liquidity risk.

(a) Market risk

(i) Market price risk

The Fund's investments and derivatives are subject to the market price risk inherent in all investments and derivatives i.e. the value of holdings may fall as well as rise. The Fund's market risk is managed through (i) deliberate stocks selection, and (ii) diversification of the investment portfolio in accordance with specific investment restrictions and guidelines.

The Investment Manager monitors the Fund's market price sensitivity primarily through the Beta of the Fund on a regular basis. Beta measures the statistical relationship between the return of the Fund and relevant benchmark index chosen by the Investment Manager.

As at 30 September, the fair value of investments and derivatives and its estimated market sensitivity were as follows:

	2022		2021	
Listed/Quoted Investments	Fair value of investments US\$	% of net assets	Fair value of investments US\$	% of net assets
<u>Assets</u>				
Equities				
- Real Estate Management & Development	58,629,409	22.5	108,522,982	24.3
- Financial Services	40,359,201	15.5	75,086,239	16.8
- Banking	40,350,866	15.4	52,841,996	11.8
- Multi-Industry	23,057,103	8.8	43,135,377	9.7
- Food & House Products	17,257,124	6.6	43,983,455	9.8
- Retailing	13,791,232	5.3	18,120,413	4.1
- Others	59,336,191	22.9	96,436,983	21.6
Total Listed/Quoted Investments	<u>252,781,126</u>	<u>97.0</u>	<u>438,127,445</u>	<u>98.1</u>

	Net asset value US\$	Relevant benchmark index for the Fund (Note*)	Beta (Note**)	% of reasonable possible change of the relevant benchmark index (Note***)	Estimated impact on net asset value (Note****) US\$
As at 30 September 2022	<u>260,718,710</u>	MSCI Vietnam IMI Capped Net Index	1.00	-27.3	<u>(71,176,208)</u>
As at 30 September 2021	<u>446,722,593</u>	MSCI Vietnam IMI Capped Net Index	1.04	+59.4	<u>275,967,349</u>

If the relevant benchmark index return was to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

- \* Relevant benchmark index for the Fund represents the relevant market index used by the Investment Manager in monitoring the market price risk of the Fund.
- \*\* Beta measures the statistical relationship between the return of the Fund and the respective benchmark index over the maximum of past 36 months, or the number of months since portfolio inception. For funds launched within a period of less than 12 months, weekly returns of the Fund are used for calculating the Beta.
- \*\*\* % of reasonable possible change is based on the actual historical change in the benchmark index in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns. For funds launched within a period of less than 12 months, actual historical change in the benchmark index since the commencement of operations will be used to calculate the % of reasonable possible change.
- \*\*\*\* Estimated impact on net asset value of the Fund is calculated by applying the relevant Beta against the net asset value of the Fund multiplied by the % of reasonable possible change of the relevant benchmark index, assuming all other variables that may impact the net asset value of the Fund are held constant.

**(ii) Interest rate risk**

Interest rate risk is the risk that the value of a financial instrument or future cash flow will fluctuate due to changes in market interest rates.

The table below summarizes the Fund's financial assets and liabilities as at 30 September which expose it to the risk associated with the effects of fluctuations in the prevailing levels of market interest rates, categorized by remaining maturity dates.

	2022 Less than 1 month US\$	2021 Less than 1 month US\$
Cash at banks	7,542,057	9,228,168
Short-term bank loans - unsecured	-	(4,000,000)
Total interest sensitivity gap	<u>7,542,057</u>	<u>5,228,168</u>

Any cash and cash equivalents are placed/borrowed at short-term market interest rates and the Investment Manager considers that the Fund is not subject to significant amount of risk due to the stable and low fluctuation in the prevailing levels of market interest rates.

**(iii) Currency risk**

The Fund holds assets and liabilities denominated in a number of currencies. HKFRS 7 considers the foreign exchange exposure relating to non-monetary assets and liabilities to be a component of market price risk not currency risk. However, the Investment Manager monitors the exposure to currency risk on all foreign currency denominated assets and liabilities including both monetary and non-monetary assets and liabilities.

The table below summarizes the Fund's exposure to currency risk as at 30 September together with the percentage of reasonable possible change in foreign currencies and the estimated impact on net asset value of the Fund.

Net currency exposures (Note*)	US\$ equivalent	% of reasonable possible change against US\$ (Note**)	Estimated impact on net asset value US\$
<u>2022</u>			
Hong Kong Dollar	261	-0.8	(2)
Vietnamese Dong	259,335,949	-4.6	(11,929,454)
	<u>259,336,210</u>		<u>(11,929,456)</u>
<u>2021</u>			
Hong Kong Dollar	112	-0.4	(0)
Thai Baht	3,634,639	-6.3	(228,982)
Vietnamese Dong	435,219,304	+1.9	8,269,167
	<u>438,854,055</u>		<u>8,040,185</u>

If the foreign currency fluctuations were to move in the opposite direction, this would result in an opposite movement in the net asset value of the Fund by the same amount, assuming all other variables that may impact the net asset value of the Fund are held constant.

Note:

\* Net currency exposures on assets and liabilities include both monetary and non-monetary assets and liabilities.

\*\* % of reasonable possible change is based on the actual historical change in the respective currencies against the functional currency of the Fund in the past 12 months and does not include remote or "worst case" scenarios or "stress tests" nor represent the Investment Manager's forecast of the Fund's future returns.

#### (b) Credit risk

Credit risk is the risk that a counterparty will not be able to pay amounts in full when due.

The Manager monitors credit risk with reference to a number of factors including history of default and the credit rating of counterparties. The Manager considers the credit risk of other receivables such as amounts receivable on allotment, amounts due from brokers or dividend, interest and other accounts receivable, to be insignificant as the Fund has no default history on such receivables in the past 5 years. Overall, the Manager considers the probability of default to be close to zero as these instruments have a low risk of default and the Fund's counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognized based on 12-month expected credit losses.

The maximum exposure to credit risk as at 30 September 2022 and 2021 is the carrying amount of the financial assets as shown in the Statement of Financial Position.

All transactions in investments are settled on a delivery versus payment basis using approved brokers. The risk of default is considered minimal, as delivery of investments sold is only made when the Fund's custodian bank has received payment. For a purchase, payment is made once the investments have been received by the Fund's custodian bank. The trade will fail if either party fails to meet the obligation.

The table below summarizes the credit rating of the banks/custodian which the Fund has placed the financial assets as at 30 September.

	2022 Exposure to counterparties US\$	2021 Exposure to counterparties US\$
Bank balances		
S&P(AA)/Moody's(Aa)/FITCH(AA)	145,391	599,656
S&P(A)/Moody's(A)/FITCH(A)	7,396,666	8,628,512
Investment balances with custodian		
S&P(A)/Moody's(A)/FITCH(A)	<u>252,781,126</u>	<u>438,127,445</u>

**(c) Liquidity risk**

The Fund is exposed to daily redemption of units, the majority of its assets in investments are traded in an active market which can be readily disposed of. The Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.

The Fund has the ability to enter into borrowing arrangements subject to the investment restrictions and guidelines.

The table below summarizes the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at 30 September to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	2022 Less than 1 month US\$	2021 Less than 1 month US\$
Short-term bank loans - unsecured	-	4,000,000
Amounts due to brokers	606,696	2,882,208
Amounts payable on redemption	1,554,138	5,548,205
Other accounts payable	421,974	640,039
Net assets attributable to holders of redeemable units	<u>260,718,710</u>	<u>446,722,593</u>
Total financial liabilities	<u>263,301,518</u>	<u>459,793,045</u>

The Investment Manager manages the Fund's liquidity risk by investing in investments that the Investment Manager expects to liquidate normally within 1 month and making short-term bank borrowing to meet the total financial liabilities.

**(II) Capital risk management**

The capital of the Fund is represented by the net assets attributable to holders of redeemable units which is subject to allotments and redemptions of redeemable units. The Fund's objective for capital management is to provide returns and long-term capital growth for unitholders.

In order to maintain the capital structure, the Management performs the following:

- Monitor allotment and redemption activities relative to the liquid assets.
- To protect the interest of unitholders and in exceptional circumstances, the Manager may also limit the total number of units redeemed for the Fund on any dealing day to 10% or more of the units in issue on any dealing day.
- Monitor fund investment guidelines and restrictions, in accordance with the constitutional documents, to maintain sufficient liquidity through diversification.

**(III) Fair value estimation**

As at 30 September 2022 and 2021, the Management considers that the carrying values of assets and liabilities were reasonable approximations of their fair value.

HKFRS 13 requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The table below summarizes the Fund's investments and derivatives (by class) within the fair value hierarchy measured at fair value as at 30 September:

Listed/Quoted Investments	Level 1 US\$	Level 2 US\$	Level 3 US\$	Total US\$
<u>2022</u>				
<u>Assets</u>				
Equities	252,781,126	-	-	252,781,126
Total financial assets at fair value through profit and loss	<u>252,781,126</u>	<u>-</u>	<u>-</u>	<u>252,781,126</u>
<u>2021</u>				
<u>Assets</u>				
Equities	438,127,445	-	-	438,127,445
Total financial assets at fair value through profit and loss	<u>438,127,445</u>	<u>-</u>	<u>-</u>	<u>438,127,445</u>

Investments, whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities and exchange traded derivatives. The Fund does not adjust the quoted price for these instruments.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer/broker quotations or alternative pricing sources supported by observable inputs are classified within level 2.

Investments classified within level 3 have significant unobservable inputs, as they trade infrequently.

There were no transfers between levels for the years ended 30 September 2022 and 2021.

For assets and liabilities carried at amortized cost, their carrying values are a reasonable approximation of fair value as at 30 September 2022 and 2021.

## 5 Net (losses)/gains on investments and derivatives

	2022 US\$	2021 US\$
Change in unrealized gains/losses in value of investments and derivatives	(134,086,783)	109,193,206
Realized gains on sale of investments and derivatives	37,790,936	68,144,614
	<u>(96,295,847)</u>	<u>177,337,820</u>

## 6 Taxation

No provision for Hong Kong profits tax has been made as the Fund was authorized as a collective investment scheme under Section 104 of the Securities and Futures Ordinance and is therefore exempt from profits tax under Section 26A(1A) of the Inland Revenue Ordinance.

Overseas tax was withheld or paid on certain dividend income received during the years ended 30 September 2022 and 2021.

## 7 Transactions with the Trustee, the Manager and their Connected Persons

The following is a summary of significant related party transactions entered into during the year between the Fund and the Trustee, the Manager and their Connected Persons. Connected Persons of the Trustee and the Manager are those as defined in the Code on Unit Trusts and Mutual Funds established by the SFC. All such transactions were entered into in the ordinary course of business and were on normal commercial terms.

(a) Investment transactions with Connected Persons of the Trustee and the Manager are set out below:

Name of company	Aggregate value of purchases and sales of investments US\$	% of the Fund's total aggregate value of transactions	Commission paid US\$	% of the Fund's total commission paid in the year	Average commission rate %
<u>2022</u>					
J.P. Morgan Securities (Asia Pacific) Limited	1,302,903	0.21	521	0.05	0.04
<u>2021</u>					
J.P. Morgan Securities (Asia Pacific) Limited	423,099	0.09	169	0.02	0.04

(b) Balances with the Manager and its Connected Persons as at year end:

	2022 US\$	2021 US\$
Cash at banks	145,391	599,656
Amounts receivable	-	1
Amounts payable	(359,290)	(549,460)

(c) During the year ended 30 September 2022, the income accruing to the Manager relating to allotments and redemptions in the Fund, net of commission paid to agents, amounted to US\$433 (2021: US\$14,186).

(d) Management fee for USD Class (acc) of 1.5% per annum and USD Class C (acc) of 0.75% per annum of the net asset value of each Class is paid to JPMorgan Funds (Asia) Limited. Management fee is accrued on each dealing day and is payable monthly in arrears.

The Manager also receives a valuation fee of US\$40 per valuation if the Fund's net asset value is larger than US\$5 million but smaller than US\$20 million, or US\$70 per valuation if the Fund's net asset value is larger than US\$20 million.

(e) The Fund allows the Trustee, the Manager and their Connected Persons to subscribe for, and redeem, units of the Fund.

The Manager and certain members of its group of companies held units of the Fund during the year and were entitled to profits from transaction in units of the Fund as follows:

	At the beginning of the year	Total allotments	Total redemptions	At the end of the year	Profits from transaction US\$
<u>2022</u>					
<u>JPMorgan Asset Management (Asia Pacific) Limited</u>					
- USD Class (acc)	2,871.696	-	-	2,871.696	-
<u>JPMorgan Asset Management (S) Limited</u>					
- USD Class (acc)	410.633	-	-	410.633	-
<u>JPMorgan Asset Management Real Assets (Asia) Limited</u>					
- USD Class (acc)	-	-	-	-	-
<u>JPMorgan Funds (Asia) Limited</u>					
- USD Class (acc)	-	-	-	-	-

	At the beginning of the year	Total allotments	Total redemptions	At the end of the year	Profits from transaction US\$
<u>2021</u>					
<u>JPMorgan Asset Management (Asia Pacific) Limited</u>					
- USD Class (acc)	527.292	2,871.696	(527.292)	2,871.696	-
<u>JPMorgan Asset Management (S) Limited</u>					
- USD Class (acc)	-	410.633	-	410.633	-
<u>JPMorgan Asset Management Real Assets (Asia) Limited</u>					
- USD Class (acc)	849.820	-	(849.820)	-	-
<u>JPMorgan Funds (Asia) Limited</u>					
- USD Class (acc)	109.554	-	(109.554)	-	-

- (f) Trustee's fee of 0.06% per annum of the net asset value of the Fund for the first US\$40 million, 0.04% per annum for the balance from US\$40 million to US\$70 million, and 0.025% per annum for the balance in excess of US\$70 million is paid to the Trustee. Trustee's fee is accrued on each dealing day and is payable monthly in arrears.
- (g) JPMorgan Funds (Asia) Limited, the registrar agent and Manager, receives a registrar's fee which varies depending on the number of unitholders in the Fund and the number of transactions which occur. The range agreed with the Trustee is between 0.015% and 0.5% per annum of the Fund's net asset value. The registrar's fee is payable quarterly in arrears.
- (h) During the years ended 30 September 2022 and 2021, in addition to the management fee, valuation fee and registrar's fee as disclosed in Note 7(d) and 7(g), respective amounts received from/(paid to) the Manager, JPMorgan Funds (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Other income	933	-
Interest on deposits	183	108
Transaction costs	(521)	(169)
Safe custody and bank charges	(7,345)	(1,680)

- (i) During the years ended 30 September 2022 and 2021, in addition to the trustee's fee as disclosed in Note 7(f), respective amounts received from/(paid to) the Trustee, HSBC Institutional Trust Services (Asia) Limited, and its Connected Persons were as follows:

	2022 US\$	2021 US\$
Interest on deposits	406	3
Other operating expenses	-	(148)
Interest expense	(40,451)	(11,561)
Transaction costs	(41,215)	(34,512)
Safe custody and bank charges	(526,196)	(528,593)

## 8 Borrowings

During the years ended 30 September 2022 and 2021, the Fund has unsecured short-term bank borrowings with different financial institutions, one of which is The Hongkong and Shanghai Banking Corporation Limited, a Connected Person of the Trustee. All bank borrowings have a duration of less than 7 days. All such transactions are entered into in the ordinary course of business and on normal commercial terms.

**9 Soft dollar arrangements/Commission sharing arrangements**

The Investment Manager has entered into soft dollar arrangements/commission sharing arrangements with brokers under which certain goods and services used to support investment decision making are received by the Investment Manager. A portion of the transaction commission paid by the Fund is retained by the brokers as compensation for the goods and services.

The goods and services must be of demonstrable benefit to the Fund and would be limited to research and advisory services.

During the year ended 30 September 2022, the Investment Manager obtained the services through soft dollar arrangements/commission sharing arrangements on transactions amounting to US\$8,847,741 (2021: US\$6,081,986). Commission which amounted to US\$658 (2021: US\$279) is paid from the Fund on these transactions.

**10 Distribution**

No distribution was made during the year (2021: nil).

**Independent Auditor's Report**

To the Unitholders of JPMorgan Vietnam Opportunities Fund (the "Fund")

**Report on the Audit of the Financial Statements****Opinion**

What we have audited

The financial statements of JPMorgan Vietnam Opportunities Fund, which are set out on pages 893 to 905, comprise:

- the Statement of Financial Position as at 30 September 2022;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Units for the year then ended;
- the Statement of Cash Flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 September 2022, and of its financial transactions and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

**Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Fund in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

**Other Information**

The Trustee and the Manager (the "Management") of the Fund are responsible for the other information. The other information comprises all of the information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Management for the Financial Statements**

The Management of the Fund is responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management of the Fund is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

In addition, the Management of the Fund is required to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Trust Deed dated 15 August 2006, as amended (the "Trust Deed") and Appendix E of the Code on Unit Trusts and Mutual Funds issued by the Hong Kong Securities and Futures Commission (the "SFC Code").

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. In addition, we are required to assess whether the financial statements of the Fund have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

As part of an audit in accordance with HKSAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

**Independent Auditor's Report (Continued)**

To the Unitholders of JPMorgan Vietnam Opportunities Fund  
(the "Fund")

**Auditor's Responsibilities for the Audit of the  
Financial Statements (Continued)**

- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Matters under the Relevant Disclosure  
Provisions of the Trust Deed and Appendix E of the  
SFC Code**

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with the relevant disclosure provisions of the Trust Deed and Appendix E of the SFC Code.

PricewaterhouseCoopers  
Certified Public Accountants

Hong Kong, 20 January 2023

**Statement of Responsibilities of the Manager and the Trustee****Manager's Responsibilities**

The Manager of the Fund is required by the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong and the Trust Deed to prepare financial statements for each annual accounting period which give a true and fair view of the financial position of the Fund at the end of that period and of the transactions for the period then ended. In preparing these financial statements, the Manager is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are prudent and reasonable; and
- prepare the financial statements on the basis that the Fund will continue in operation unless it is inappropriate to presume this.

The Manager is also required to manage the Fund in accordance with the Trust Deed and take reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustee's Responsibilities**

The Trustee of the Fund is required to:

- ensure that the Fund in all material respects is managed in accordance with the Trust Deed and that the investment and borrowing powers are complied with;
- satisfy itself that sufficient accounting and other records have been maintained;
- safeguard the property of the Fund and rights attaching thereto (as far as reasonably practicable); and
- report to the unitholders for each annual accounting period should the Manager not manage the Fund in accordance with the Trust Deed.

**Report of the Trustee to the Unitholders**

We hereby confirm that, in our opinion, the Manager of the Fund has, in all material respects, managed the Fund in accordance with the provisions of the Trust Deed dated 15 August 2006, as amended, for the year ended 30 September 2022.
