

Invesco ASEAN Equity Fund

31 March 2024

Morningstar Rating™*

Important Information

- The Fund invests primarily in equity or equity related securities with exposure to ASEAN countries.
- Investors should note the emerging markets risk, liquidity risk, concentration risk of investing in equity or equity related securities with exposure to ASEAN countries, currency exchange risk, equities risk, volatility risk, and general investment risk.
- Financial derivative instruments (FDI) may be used for efficient portfolio management purposes or to hedge or reduce the overall risk of investments. Risks associated with FDI include counterparty/credit risk, liquidity risk, valuation risk, volatility risk and over-the-counter transaction risk. The leverage element/component of a FDI can result in a loss significantly greater than the amount invested in the FDI by the Fund. Exposure to FDI may lead to a high risk of significant loss by the Fund.
- The value of the Fund can be volatile and could go down substantially.
- Investors should not base their investment decision on this material alone.

Objectives and investment strategy

Aims at achieving long-term capital growth by investing in ASEAN countries. ASEAN countries are defined as the members of the Association of South East Asian Nations. The fund's investment emphasis is on geographical asset allocation without proportional limit for any one country.

SFDR (Sustainable Finance Disclosure Regulation)

The Fund complies with Article 8 with respect to the EU's Sustainable Finance Disclosure Regulation*. As such, the fund promotes, among other characteristics, environmental or social characteristics or a combination of those characteristics. In addition, the companies in which the fund invests follow good governance practices. *Regulation (EU) 2019/2088 on sustainability - related disclosures in the financial services sector.

Exclusion Framework

The Fund embeds an exclusionary framework to specific activities based on UN Global Compact, severe governmental sanctions, revenue thresholds for certain activities linked to environmental and/or social criteria, as well as ensuring that companies follow good governance practices. The list of activities and their thresholds are listed below. For further details on the exclusion framework and characteristics applied by the fund please refer to the website of the manager <https://www.invescomanagementcompany.lu>:

Good governance	- Ensure that companies follow good governance practices in the areas of sound management structures, employee relations, remuneration and tax compliance

*At Invesco we continuously monitor any applicable sanctions, including those imposed by the UN/US/EU and UK. These sanctions may preclude investments in the securities of various governments/regimes/entities and as such will be included in our compliance guidelines and workflows (designed to ensure compliance with such sanctions). The wording of international sanctions is something that we pay particular attention to as there are occasions where sanctions can exist in limited form, for example allowing investments in the secondary market. In addition to sanctions targeting entire countries, there are other thematic regimes, which may focus for example on human rights, cyber attacks, terrorist financing and corruption, which may apply to both individuals and/or entities/corporations.

Any investment decision should take into account all the characteristics of the fund as described in the legal documents. For sustainability related aspects, please refer to: <https://www.invescomanagementcompany.lu/lux-manco/literature>.
